Committee on Transportation Chicago City Council
Meeting May 20, 2020

QBP-EB

Be it ORDERED by the City Council of the City of Chicago, the Chief Procurement Officer, Commissioner of the Department of Transportation, and Commissioner of the Department of Water Management, in consultation with the City Council of Chicago, shall create universal restoration policy that includes:

1) Top soil fill shall consist of a mixture that is no more than 50% sand and 10% clay.
2) Grass seed mix requirement shall be a sun/shade seed mix of at least 75% grass seed with an 85% lab germination rate.
3) Natural prairie space option (with local resident approval).

Such restoration policy ensure the aesthetic character of the location of the work; and,

BE IT FURTHER ORDERED such policy shall be created within the next sixty (30) days of approval and enacted in full effect for all municipal restoration project components for current and future contracts.
