INSTITUTIONAL PLANNED DEVELOPMENT NO. PLAN OF DEVELOPMENT STATEMENTS

1. The area delineated herein as Institutional Planned Development No. consists of approximately 66,602 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, Rehabilitation Institute of Chicago.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or under single designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or grants of easements, or adjustments of right-of-way, shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assignees, or grantees.

14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

Applicant shall seek administrative review and approval from the Zoning Administrator should Applicant desire to replace the allowed medical offices with additional hospital beds. Such a change (from medical office to additional hospital beds) shall be considered a Minor Change in accordance with Section 7-13-0611-A of the Zoning Ordinance and file a site plan approval request with the Department of Housing and Economic Development. The Applicant shall submit a site plan, landscape plan and building elevations for the specific area or project phase for review and approval by the Department of Housing and Economic Development. Review and approval by the Department of Housing and Economic Development is intended to assure that specific development components

substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site Plan Approval Submittals (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant. If the Applicant is seeking approval for a portion of the Property that represents less than the entire site, the Applicant shall also include a site plan for that area of the Property which is bounded on all sides by either public or Private Rights-of-Way or the boundary of the nearest building pad.

The site plan provided shall include all dimensioned and planned street Rights-of-Way.

HNAL for publication

No Part II Approval for any portion of the Property shall be granted until Site Plan approval has been granted. Following approval by the Department of Housing and Economic Development, the approved Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Site Plan Review, changes or modifications may be made pursuant to the provisions of this Statement. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern. Any Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned building elevations and sections;

- fully-dimensioned landscape plan(s); and,
- Statistical information applicable to the subject Area, including floor area, the applicable FAR, uses to be established, building heights and setbacks.
- Updated traffic study to be submitted and reviewed by the Department of Transportation.

Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enable and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all new construction buildings to exceed the ASHRAE 90.1-2004 standards. The Applicant shall provide a vegetated ("green") roof of least seventy-five percent (75%) of the net roof area of the new construction buildings, approximately 19,273 square feet. "Net roof area" is defined as total roof area minus any required

perimeter setbacks, roof top structures, and roof-mounted equipment.

17. Unless construction of the new improvements contemplated in this Planned Development has commenced within six (6) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire and the zoning of the property shall automatically revert to the DX-12 Downtown Mixed-Use District classification.
