The Developer hereby certifies to the City that prior to commencing a Milestone, the Developer shall have Lender Financing and/or Equity in an amount sufficient to pay for all Project costs for such Milestone. The Developer shall submit a Milestone Budget to DPD as soon as it is available and will obtain DPD's approval of such Milestone Budget prior to commencing the Milestone work to be completed thereunder. The Construction Contract, and each contract between the General Contractor or Developer and any subcontractor, shall contain a provision to this effect. Change Orders other than those set forth above do not require DPD's prior written approval as set forth in this Section 3.04; but DPD shall be notified in writing of all such Change

6 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as and when required hereunder.

7 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04). 3 City Funds.

a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit Jg sets forth, by line item, the TIF-Funded Improvements for the Sinai Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. In no event, however, shall City Funds be paid to the Developer in excess of the Maximum Per Phase TIF Assistance.

b) Payment of City Funds.

The Project shall be completed in phases and Exhibit B-3 hereto describes by phase the site improvements, demolition, rehabilitation, reconstruction, repair and/or remodeling that comprise each phase of the Project (the "Milestone") to be completed prior to any payment of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.05(b) and Section 5 hereof, the City hereby agrees to provide City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer for the actual Sinai Project costs of the TIF-Funded Improvements upon the completion of a Milestone, in an amount not to exceed the maximum per phase TIF assistance as stated below (the "Maximum Per Phase TIF Assistance").

(i) The City Funds shall be paid to the Developer in installments (each, a "Milestone Payment." pursuant to the time frames set forth herein and in accordance with the terms and conditions of this Agreement, as follows:

Milestone Payment 89	Second Anniversary of Issuance of Milestone 7 Certificate	\$1,000,000

(ii) The actual amount may vary depending on the final Milestone Budget and the amount of TIF-Funded Improvements incurred for each Milestone.

iii) The City's financial commitment to provide Available Incremental Taxes for such purposes is subject to the Prior TIF Financings and the availability of sufficient Available Incremental Taxes.

iv) City Funds derived from Available Incremental Taxes and available to pay such costs and allocated for such purposes shall be paid in accordance with the terms of this Agreement only so long as no Event of Default or condition for which the giving of notice or the passage of time, or both, would constitute an Event of Default exists under this Agreement.

The Developer acknowledges and agrees that the City's obligation to pay installments of City Funds in an amount not to exceed the applicable Maximum Per Phase TIF Amount is contingent upon the fulfillment of the conditions set forth in (i) through (iv) above, as well as the prior issuance of a Certificate, and the Developer's satisfaction of all other applicable terms and conditions of this Agreement. In the event that such condition is not fulfilled, the amount of Equity and/or Lender Financing to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

Notwithstanding the foregoing, the Developer may request that DPD permit the combining of up to three (3) Milestones in order for the Developer to avoid a reduction of City Funds or to fulfill the City Construction Compliance Requirements and such combining may be requested multiple times during the Term of the Agreement. If permitted, the combined Milestones may be considered one (1) Milestone for purposes of calculating a Milestone Final Budget for the applicable combined Milestones upon the issuance of a Certificate.

Upon submitting a Milestone Budget for DPD's approval, the Developer may request that scope for a later numbered Milestone be substituted for scope of earlier numbered Milestone provided the amount of the Milestone Budget for such later numbered Milestone shall be no less than the Milestone Budget for such earlier numbered Milestone.

(c) Reduction of City Funds. Upon the occurrence of the following, without limitation, a Milestone Payment may be reduced:

i) subject to the Developer's right to combine Milestones pursuant to Section 4.02(b), if the Milestone Budget(s) is less than the Maximum Per Phase TIF Amount as described in Section 4.03(b), the City Funds will be reduced by \$.912 for every \$1.00 (or portion thereof) by which such Milestone Budget(s) is less than the stated amount;

ii) by ten percent (10%) if the Sustainability Requirement is not achieved for a Milestone, if applicable to that particular Milestone;

iii) pursuant to Section 7.03 (Failure to Complete) or if there is a default under Section 8.06 (Jobs and Operating Covenants);

iv) if the Developer fails to meet the City Construction Compliance Requirements (MBE/WBE, prevailing wage and city residency) as defined in Section 10.03(g); and

v) if there is a transfer under Section 15.01 (Sale or Transfer of the Facility) prior to the Term of the Agreement.

4.04. Conditions for Payment of City Funds. No City Funds shall be paid to the Developer unless all of the following conditions have been met:

a) Issuance of the applicable Certificate(s) of Completion.

b) Subject to the City's ability to reduce the City Funds as described in Section 4.03(c) and Section 7.01(a)(iv), the Developer has submitted evidence acceptable to DPD that the actual cumulative Milestone Costs are equal to, or in excess of, the cumulative Milestone Costs reflected in this Agreement.

c) When the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in Section 4.03(b), beginning on the first request for payment and continuing until the earlier of (i) the end of the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DPD with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by DPD). All required Annual Compliance Reports have been submitted as required by this Agreement. The Developer will be required to provide the Annual Compliance Report throughout the Compliance Period.

d) The Developer has submitted evidence acceptable to DPD that the Sustainability Requirement has been achieved. Each payment request submitted by the Developer shall be accompanied by an affidavit from the Developer regarding compliance to the Sustainability Requirement.

4.05 Requisition Form. Conditioned upon the issuance of a Certificate pursuant to Section 7 hereof, Developer shall provide DPD with a Requisition Form, substantially in the form of Exhibit L hereto, documentation satisfactory in form and substance to DPD as set forth in Section 8.06, along with the documentation described therein and such other supporting documentation as DPD shall request to the attention of the Deputy Commissioner of TIF Administration at the address provided for the City in Section 17 hereof.

A Requisition Form for each Milestone Payment shall be submitted following the issuance of the applicable Certificate. Subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than sixty (60) days prior to the payment, the City will make reasonable effort to pay the Developer a Milestone Payment by the earlier of the first quarter of the calendar year following the issuance of a Certificate or 180 days of the issuance of a Certificate.

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. Upon the written request by the Developer accompanying a Requisition Form for reimbursement of TIF-Funded Improvements, the City agrees to make

payments of City Funds then owing to the Developer directly to a Lender using wire transfer instructions provided by the Developer.

5 Treatment of Prior Expenditures and Subsequent Disbursements.

a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

6 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

7 Preconditions of Disbursement. Prior to the payment of each installment of City Funds hereunder, Developer shall submit, in the timeframe set forth in Section 4.04 hereof, a Requisition Form and documentation regarding the applicable expenditures to DPD, that are satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for payment of an installment of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for payment, that:

a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Milestone Budget is In Balance. A Milestone Budget shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of such Milestone. Developer hereby agrees that, if the Milestone Budget is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Milestone Budget In Balance.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, the Bonds, if any, the TIF Ordinances and/or this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated, suspended and/or reimbursed as provided in Section 15 hereof.

all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

c) the right to the payment of a penalty by Developer for the failure to complete in accordance with the formula set forth in Exhibit B-4 hereto.

For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise;

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

(o) payments of City Funds are subject to the amount of Available Incremental Taxes deposited into the TIF Fund being sufficient for such payments. If the Available Incremental Taxes are insufficient to make such payments, such insufficiency shall not give the Developer or any other party any claim or right to any other Incremental Taxes or City funds;

(t) such party acknowledges that the City has no continuing obligation to provide it with any information concerning the City Funds or otherwise, except as set forth in this Agreement.

Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Operating Covenant; Job Creation and Retention.

The Jobs and Occupancy Certificate shall include the names, addresses and zip codes

of principal residence, and job titles of individuals employed at the Facility as of the end of the prior calendar year.

d) Jobs Covenant Default and Cure Period. If the Developer defaults under the Jobs Covenant, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the Jobs and Occupancy Certificate, elects to extend the Compliance Period by one year to the eleventh (11th) anniversary of the date the Final Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure.

e) Covenants Run with the Land; Remedy. The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

b) Right to Contest. Developer has the right, before any delinquency occurs:

i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-

29

Governmental Charge and all interest and penalties upon the adverse determination of such contest.

16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

17 Compliance with Laws.

a) Representation. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all Laws pertaining to or affecting the Project and the Property. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions,

(a) Governmental Charges.

i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, or may create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to

Developer, the Property or the Project including but not limited to real estate taxes.

ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due. No such contest

30

or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

c) Real Estate Taxes. With respect to the Property or the Project, nothing in this Agreement shall prevent Developer or any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, during the Term of this Agreement, from seeking or authorizing any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect. Notwithstanding the foregoing, if at any time during the Term of this Agreement all or any portion of the Property or the Project is not exempt from real estate taxes (the "Non-exempt Property"), then the following provisions shall apply to the Non-exempt Property:

i) Acknowledgment of Real Estate Taxes. Developer and the City may establish an exhibit to be attached to this Agreement and containing (A) the total projected minimum assessed value of the Non-exempt Property ("Minimum Assessed Value") for the years noted on the exhibit; (B) the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Non-exempt Property for the years shown on the exhibit.

ii) No Reduction in Real Estate Taxes. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for

31

proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value for the applicable year as shown in the exhibit described in Section 8.19(c)(i).

iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in the exhibit described in Section 8.19(c)(i).

iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.19(c).

(d) Change in Use and Ownership. If applicable during the Term of this Agreement, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. After delivery of the notification to the Cook County Assessor via certified mail, return receipt requested, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office. Additionally, the provisions of this Section 8.19 do not prohibit a change in use of portions of the Property so long as the Developer is in compliance with the Operating Covenant as set forth in Section 8.06(a) hereof, including if such change in use results in Non-exempt Property thereafter being exempt from the payment of real estate taxes.

20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

21 Annual Compliance Report. Beginning with the issuance of the Milestone 1 Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report on or before June 30<sup>th</sup>; provided, however, that during years in which the Developer is submitting a Requisition Form, the Annual Compliance Report shall be submitted together with a Requisition Form.

22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or

program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 LEED Certification. The Developer has provided an affidavit that a Milestone, if subject to the LEED requirements, has achieved the Sustainability Requirement as evidenced by a stamped letter from a licensed design professional and a completed LEED checklist, substantially in the form of Exhibit F hereto;

8.24. FOIA and Local Records Act Compliance.

a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

b) Exempt Information. Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report), or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

25 Job Readiness Program. Developer shall undertake a job readiness program to work with the City, through DPD's Workforce Unit, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer's business on the Property.

26 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of the Final Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

1 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

2 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq.. Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

d) Each Employer, in order to demonstrate compliance with the terms of this Section 10.01, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the

responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by Actual Residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBEA/VBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBEA/VBE Program"), and in reliance upon the provisions of the MBEA/VBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBEA/VBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- 1) At least 24 percent by MBEs.
- 2) At least four percent by WBEs.

36

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBEA/VBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only

to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBEAA/BE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBEAA/BE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBEAA/BE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBEAA/BE participation and the status of any MBE or WBE performing any portion of the Project.

e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

f) Any reduction or waiver of Developer's MBEAA/BE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable. The parties agree to the extent that the Developer exceeds the MBEAA/BE commitment for a Milestone Budget(s), and the Developer is able to adequately prove such overage(s), DPD will allow, for a single occurrence, the Developer to apply such overage(s) to a subsequent Milestone Budget if required to meet the MBEAA/BE commitment for such Milestone Budget.

g) Prior to the commencement of the Project and of each Milestone, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its

obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; and (vii) evidence that MBEAA/BE contractor associations have been informed of the Project via written notice and hearings (the "City Construction Compliance Requirements"). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2)

withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

#### SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct

of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

#### SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

1 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed

within sixty (60) days after the commencement thereof;

g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

h) the occurrence of an event of default under the Lender Financing, the Sinai Bonds or HUD Documents which default is not cured within any applicable cure period;

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed

43

within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) during the Compliance Period, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

2 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend or permanently discontinue disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Funds.

In the event of a sale or transfer of the Facility or any part thereof prior to the end of the Compliance Period (i) for any use other than a Health Care Facility or (ii) to a for-profit entity for the following uses: housing facilities for doctors, residents and employees, transitional housing and related programs designed to impact on the health of the community, health management services, home health agencies and human services programs, the Developer agrees to pay and remit to the City an amount equal to five percent (5%) of the gross amount of such sale, transfer, lease or other disposition based on the final executed settlement statement prepared in connection with such sale, transfer or other disposition, with such repayment amount not to exceed 110% of the total City Funds paid to the Developer.

3 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have

committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary:

- (a) the only cure periods, if any, applicable to the Developer's failure to comply with the Jobs Covenant are those set forth in Section 8.06:

44

- b) there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operations Covenant; and
- c) there shall be no notice requirement or cure period with respect to Events of Default described in Section 8.20 (with respect to filing the Annual Compliance Report).

#### SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

c) Prior to the issuance by the City to Developer of the Final Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD. After issuance of the Final Certificate, if a mortgagee or other permitted transferee executes a Subordination Agreement in which it subordinates its New Mortgage to the covenants contained in Sections 8.02, 8.06, 8.19.

45

8.20, 8.24 and 8.26, and Section 20, of this Agreement, then City consent is not required for the New Mortgage.

(d) Notwithstanding the foregoing, no City consent shall be required for a New Mortgage executed with respect to the HCH Property, or with respect to the Sinai Bonds, during the Term of this Agreement and such mortgage, if any, shall be deemed a Permitted Mortgage.

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan or the Western/Ogden Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the

Project or any activities undertaken by

46

2 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

3 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

4 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

6 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

7 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

8 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

9 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

47

11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting a Certificate or otherwise administering this Agreement for the City.

14 Assignment. Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this Section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this Section with respect to any such delay may rely on this Section only to the extent of the actual number of days of delay effected by any such events described above.

17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer is required to provide notice under the WARN Act, Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to

provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may

19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code) (a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. ## PROJECT MILESTONES DESCRIPTION

### Milestone 1

- ***Sinai Community Institute (SCI) Build out of the 3<sup>rd</sup> Floor***  
Interior buildout of 26,000 g.s.f. to accommodate clinics for the Sinai Medical Group (SMG) and Access Community Health Network (ACHN) that had been housed in the outdated Kling Building. Construction was completed in early 2013 and clinics began operations in the new location in March 2013.
  
- ***Cardiac Catheterization Lab Renovation***  
Significant renovation to 6,000 g.s.f. in the lower level of the Crown Pavilion to develop a new space for the Cardiac Catheterization Lab which had been previously housed in the lower level of the Olin-Sang Pavilion. The new location provides an improved patient care environment, improved patient access and capacity for future expansion. Construction was complete and the department began operations in this new location in November

2011.

- *Operating Room Fan Unit Replacement*

Ventilation for the existing surgery suite and adjacent surgical ICU is provided by four fan systems. The ventilation unit serving the operating room had exceeded its useful life and was replaced in this project. The new system was designed to provide energy efficiency and redundancy within the new unit to create a more reliable system for this critical function. The project was completed and the fans put into service in 2011.

- *Kling Building Demolition*

With the SMG and ACHN clinics relocating to the 3<sup>rd</sup> floor of the SCI building, the Kling building has been vacated and is no longer useful for healthcare purposes. The building (approximately 60,530 g.s.f) will be demolished in late 2014 and early 2015.

## Milestone 2

- *Interventional Radiology Renovation*

The existing Interventional Radiology (IR) Suite is located on the 3<sup>rd</sup> floor of the Frankel Building. This building is one of the older buildings on campus and predominately houses laboratory space and support departments, but also contains a small component of direct patient care, including IR. Through the Sinai Tomorrow Project, patient care activities will be relocated from this facility to renovated space among other patient care services. To begin this process IR will be relocated to 7,400 g.s.f. of renovated space on the lower level of the Crown Pavilion immediately adjacent to the Cardiac Catheterization Lab. This will provide a more convenient, efficient and modern environment for care.

- *Psychiatric Emergency Department /Access Center Development - HCH Behavioral Health*

Development of a call center and psychiatric emergency services in coordination with the Emergency Department services at Holy Cross Hospital. Work will require reconfiguration of existing facilities to support these new programs.

- *Outpatient Services - HCH Behavioral Health*

Development of Outpatient behavioral health services in a facility owned by HCH and adjacent to the hospital and currently used for hospital-related support departments. Services include provision psychiatric assessments, medication management, mental health assessments, individual and group psychotherapy to all ages. Work will require reconfiguration and renovation of existing space.

- *Relocation of Gad's Hill Childcare Center and OP Psych, Part 1*

Part 1 of this element involves relocation of the Gad's Hill childcare center from the 2<sup>nd</sup> floor to the SCI Building to a new location on Ogden approximately eight blocks to the west. Work includes design and renovation of the existing one-story structure and modifications to the adjacent parking and grounds to support childcare. Relocation of the OP Behavioral Health program from the 2<sup>nd</sup> floor of the SCI building will be addressed in Part 2.

- *MSH Relocation & Renovations - Business Office Relocations Part 1*  
Part 1 of this element involves relocation of approximately 40,000s.f. of the business office departments from Sinai (including Finance, Accounting, Revenue Cycle and Medical Records, among others.) Relocation of other departments will occur in subsequent Milestones as noted below.
- *MSH Infrastructure Upgrades*
  - o Air handling unit replacement to address obsolete and energy in-efficient systems. New systems will also add some redundancy for operational reliability;
  - o Hot water system replacement to provide a reliable energy-efficient system.

### Milestone 3

- *Inpatient Bed Units Conversion (HCH)n, Part 1*  
Conversion of portions of existing inpatient bed floors at HCH from general medical/surgical or administrative use to inpatient psychiatry use. Work would include renovations within the Holy Cross Hospital bed tower of approximately 14,000s.f. to create a secure unit with appropriate bed capacity, treatment areas and group activity areas to meet inpatient behavioral health program needs.
- *General Bed Renovations, Part 1:*
  - o Modernization of existing medical/surgical units  
Of the four existing inpatient bed units in Olin-Sang remaining after the relocation of the critical care unit two will be modernized as Part 1 of the General Bed Renovation. Work

*will include renovated patient rooms, re-design of the nurse's station and general upgrades throughout the floors. This work will affect approximately 36,000 g.s.f. of building space, o Private patient rooms*

*As a component of the renovation work Sinai will convert approximately one floor of the semi-private patient rooms into private patient rooms.*

- *Development of Observation Unit*  
To support the patient volume in the Emergency Department, an Observation Unit of approximately 8,000 g.s.f. is planned through renovation of space that will allow placement of patients with select diagnoses who are not likely to need to be admitted to an inpatient unit in an appropriate care environment outside of the general ED.
- *Renal Services*  
Renal Dialysis is currently located on the 5<sup>th</sup> Floor of the Frankel building. To improve efficient delivery of care for patients (and in keeping with the objective of moving patient-care activities out of this older facility) an outpatient dialysis center of approximately 2,500s.f. will be developed in space outside of the inpatient facility. Work will include renovation of existing space in an a facility suitable for outpatient activities either adjacent to campus or nearby.
- *Emergency Power Generation & Distribution Systems Upgrades*

Work will include upgrades to the emergency power generators, installation of emergency power distribution panels and devices, and reconfiguration of distribution to separate delivery into separate branches of services as required by current code.

#### Milestone 4

- *Relocation of Gad's Hill Childcare Center and OP Psych, Part 2*  
*Continuing the work begun in Part 1 During Milestone 2, the outpatient psychiatric services will be relocated from the 2<sup>nd</sup> floor of the SCI building to space renovated in facilities nearby but off-campus. The vacated space in SCI will then be developed for further outpatient clinic and support services.*
- *Outpatient Imaging, Testing and Support Services in SCI, Part 1*  
*In the space vacated by the relocation of Gad's Hill in Milestone 2, this work focuses on the creation of a new outpatient center through the rehabilitation and re-purposing of the SCI building, including:*
  - o New outpatient clinics: In addition to the clinic functions previously relocated from the Kling building to the 3<sup>rd</sup> floor of the SCI building, additional specialty clinics will be relocated from the Crown Pavilion to increase the range and capacity of services in the outpatient center and allow consolidation of inpatient services. This, along with other functional program
    - elements noted below, will be accommodated through the renovation of approximately 26,000 g.s.f. of the 1<sup>st</sup> and 2<sup>nd</sup> floors of the building,
    - o Diagnostic and testing services: Services include general radiology, obstetrical ultrasound and other diagnostic and testing routinely required in support of outpatient clinics,
    - o Educational capacity: Programs will include patient education as follow-up to clinical services and would include food and nutrition planning and other health management topics.
    - o Social and financial services: These include services to provide on-going support and guidance regarding healthcare issues as well as counseling regarding financial arrangements for services.
    - o Building entry and exterior enclosure improvements: Work is planned to include renovation of the building entry to create better accessibility and a general waiting area. The exterior enclosure of the building will be modified to create better energy efficiency and transform the character of the building.
- *Relocation of CCU*  
The Cardiac critical care unit is currently located in the Kurtzon building which is the oldest building currently in use for patient care. The projected plan is to relocate this function into 18,000 g.s.f. of renovated space in the Olin-Sang building which houses the majority of the inpatient bed units.
- *General Bed Renovations, Part 2*
  - o *Modernization of existing medical/surgical units*
    - The two inpatient bed units in Olin-Sang remaining after Part 1 of the renovations and the relocation of the critical care unit will be modernized to include renovated patient rooms, re-design of the nurse's

station and general upgrades throughout the floors. This work will affect approximately 36,000 g.s.f. of building space.

*o Private patient rooms*

- As a component of the renovation work Sinai will convert approximately one bed unit from semi-private patient rooms into private patient rooms.

- *Oncology Services*

Work involves renovation of approximately 1,600s.f. of space within the SCI building to create an outpatient Oncology Infusion Center. The current center is located within the 6<sup>th</sup> floor of the Olin-Sang pavilion. The relocation will provide a more appropriate environment for this outpatient service as well as provide growth capability.

### Milestone 5

- *Inpatient Bed Units Conversion (HCH), Part 2*

This is a continuation of Part 1 noted in Milestone 2 and would expand the Inpatient the number of inpatient psychiatry beds at Holy Cross Hospital. Work includes conversion of portions of existing inpatient bed floors at HCH from general medical/surgical or administrative use to inpatient psychiatry use. Approximately 14,000s.f. will be renovated to create a secure unit with appropriate bed capacity, treatment areas and group activity areas to meet inpatient behavioral health program needs.

- *Relocation of SICU*

The Surgical Intensive care unit is currently located in the Crown building in space that no longer functions well for this purpose. The projected plan is to relocate this function into 18,000 g.s.f. of renovated space in the Olin-Sang building which houses the majority of the inpatient bed units.

- *Relocation of Imaging Services*

Imaging services are currently provided in the Frankel and Kurtzon buildings, the two oldest on campus, as well as the in the primary imaging center in Crown. As a result of relocation of outpatient services and other reconfigurations, approximately 20,000s.f. of space in the Crown Building would be renovated to consolidate all imaging into the first floor of Crown.

- *Normal power switchgear upgrades to improve electrical service*

Work involves installation of new electrical switchgear, and all associated wiring for incoming electrical service to the facility. This will provide increased reliability and redundancy to the electrical service of the facilities;

### Milestone 6

- *Outpatient Support Services, Part 2*

Work will include renovation of approximately 14,000s.f of space on the 2<sup>nd</sup> floor of the SCI building, as well as modifications and renovations to the functions on the 1<sup>st</sup> floor, to expand the capability of the outpatient center. Programs will include:

- o Outpatient Support Services including Educational programs, Case Management, Financial Counseling and Workforce Development, o Specialty Clinics, Part 2 - clinics include ENT and Ortho, or others as appropriate to meet outpatient service needs.
- *Business Office Relocations, Part 2*

Work will include relocation of the existing adult outpatient behavioral health services from the 2<sup>nd</sup> floor of the SCI building, relocation of the child outpatient behavioral health program currently on the 5<sup>th</sup> floor of the Nurses Residence and renovation in of a near5gby community facility to co-locate these two functions. The space vacated in the SCI building will house programs developed for the Outpatient Center at SCI Part 2.
- *Infrastructure Upgrades, including:*
  - o Fire alarm system replacement to bring all buildings together with a single, technologically advanced system;
  - o Air handling unit replacement. Part 2

The focus of the work is to address obsolete and energy in-efficient systems. New systems will improve temperature and humidity management along with indoor air quality, add redundancy and backup for operational reliability, and improve energy efficiency of plant operations.

#### **Milestone 7**

- *Food & Nutrition Services*

As a result of the reconfiguration of functions on the 1<sup>st</sup> floor of Crown, including relocation of several outpatient activities to the SCI building and implementation of new methods of patient admitting, approximately 12,000s.f. of the Crown building 1<sup>st</sup> floor will be renovated to accommodate the Food & Nutrition Services including the kitchen and cafeteria.
- *Kurtzon Building Demolition*

Upon completion ofthe components noted above, the Kurtzon Building (approximately 159,000 g.s.f.) will be vacated and demolished. This will improve the operating cost structure of the organization by eliminating a building that is not energy efficient and not optimal for patient care. It also prepares the site for turnover to the Chicago Housing Authority in accordance with the Land Transfer Agreement for the development of mixed-income housing on the site.

#### **Milestone 8**

- *Exterior Repairs*

Work includes repairs to the exteriors ofthe Frankel Building and Nurses Residence buildings as required following the demolition of the Kurtzon Building.

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Sinai Health System, an Illinois not-for-profit corporation (the "Developer"), in connection with the rehabilitation of certain facilities thereon located in the Sinai Health System Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- a) Sinai Health System Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");
- b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation,

as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

68

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Incorporation or By-Laws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Intentionally Omitted.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under

any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

69

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
