

Name: Committee on Public Safety

Type: Committee

Description: The Committee on Public Safety shall have jurisdiction over matters relating to public safety in the City generally, including the safety of City residents, tourists and other visitors using the public ways, beaches, parks and other public property, the safety of individuals attending entertainment, cultural and other congregate events, the safety of employees and passengers in public and private modes of transportation, and the safety of Chicago youth in before-and-after-school settings and activities. The committee shall also have jurisdiction over matters relating to City government cybersecurity and matters relating to the Office of Emergency Management and Communications and emergency city services generally (other than operation of emergency medical facilities), except those matters affecting collective bargaining agreements, employee benefits and pensions.
