Title to any replacement vehicles will be transferred to the City of Chicago upon transfer of possession.

7. Compensation of Officers - Funded by the CTA Security Agreement. All officers on the VSEP shall be paid wages for their work hereunder at a rate equal to the then current straight-time rate which they normally would receive for their regular employment with the CPD, except in those instances where a retroactive increase or payment of overtime and/or premium pay, incurred during the term of this Agreement, if any, is provided for by the CPD's General and/or Special Orders, or where such payment, if any, is otherwise required by law. By agreement of the parties, the CTA may withhold a mutually agreed upon percentage of the total amount to be paid under this Agreement per year until December 1^M of each year for the purposes of payment for retroactive increases. The CPD shall establish procedures for the officers to receive their pay for the VSEP through the CPD's payroll system.

8. Reimbursement by CTA. Provided that in no event shall CTA reimburse the CPD more than \$ 30,000,000 for the next three (3) years (approximately \$10,000,000 per year), CTA shall be responsible for reimbursing CPD for:

a) CPD Officers - All wages paid under this Agreement which are paid at straight time hereunder to all VSEP officers providing the additional CTA security, including any retroactive increase, premium and/or overtime pay, incurred during the term of this Agreement, if any, plus ten percent (10%) being deemed to cover the following, including, but not limited to:

reimburse City for the associated costs with the training of fifty (50) new police recruits in the amount of \$1,887,308.95 payable on or before December 31, 2012..

d) CPD shall report and account to the CTA on a quarterly basis within 45 days of the end of each quarter quantifying to whatever extent possible the items listed under (a) and (b) above.

e) On a monthly basis, the CPD will submit an invoice to the CTA for reimbursement in the form attached hereto as exemplar Exhibit A of said wages earned plus said percentage in the case of CPD officers and supervisors assigned under this Agreement, and wages earned plus the cost of the items listed above in the case of regularly assigned full-time CPD supervisory personnel. CTA will reimburse the CPD within thirty (30) days of receipt of said invoices. Upon expiration of the Agreement, or its earlier termination, for any reason, the CPD shall promptly return to the CTA any excess monies held by the CPD as security for such wages and costs.

9. Labor Guidelines. Under no circumstances shall CTA be considered a party to the collective bargaining agreement between the City of Chicago and the Fraternal Order of Police, Lodge 7 and the Policemen's Benevolent and Protective Association of Illinois, Unit 156 - Sergeants. CTA understands that this Agreement is subject to General and/or Special Orders of the CPD governing the Voluntary Special Employment Program, including the provisions relating to officers' compensation. The CPD believes that the officers in the VSEP are not and shall not be legally entitled to any additional overtime or premium compensation for their work hereunder under any collective bargaining agreement or any federal, state or local law or judicial ruling.

10. Compensation Indemnification by CTA. Upon receipt of reasonable notice of a claim or suit seeking additional compensation alleged or claimed to be due to any VSEP officer or to any regularly assigned full-time CPD supervisory personnel for overtime or premium compensation which in any manner results from, arises out of, or is connected with work performed by these officers in the VSEP or in their supervisory roles, the CTA shall indemnify and hold harmless the City of Chicago, the CPD, and each of their officers, agents and employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorneys' fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, for any additional compensation.

Any liability on the part of CTA for overtime shall not include liquidated damages in excess of actual damages for overtime pay under 29 U.S.C. §216 which in any manner results from arises out of, or are connected with work performed on CTA VSEP. The obligation of the CTA, pursuant to this paragraph, to reimburse, indemnify and hold harmless is not limited to the \$30,000,000 amount of reimbursement by CTA to City of Chicago over the term of this Agreement referenced in Section 8 of this Agreement.

11. Compensation Indemnification Procedures. In such instances where the City of Chicago, the CPD and/or their officers, agents and employees are entitled to be indemnified and held harmless with respect to such overtime or premium compensation claims against them, the parties further agree as follows:

(a) Such paity(ies) shall have a right to counsel.

9

b) In grievance and arbitration proceedings, the Corporation Counsel of the City of Chicago shall act as counsel and direct the defense, or at this option, appoint outside counsel, and in the latter instance, the City of Chicago will be responsible for the payment of attorney's fees, but not the other costs of defense.

c) The City of Chicago, with the approval of the CTA which will not be unreasonably withheld, is

authorized to settle such grievance and/or arbitration proceedings, and the CTA will be responsible for payment of those settlements. The service of notice of the settlement of any of the aforesaid claims shall be personal service upon the CTA or by certified mail, and the failure of the CTA to respond in writing within thirty (30) days from the date of receipt, shall constitute approval of the settlement by the CTA.

- d) Except as otherwise provided above, in all other matters, counsel shall be selected by the CTA in consultation with the Corporation Counsel of the City of Chicago, and the CTA will also direct the defense of the claim in consultation with the Corporation Counsel of the City of Chicago.
- e) If any claim against the City of Chicago or any of its officers, agents, or employees is made for overtime or premium compensation wherein liquidated damages are sought pursuant to 29 U.S.C. §216, and where the claim results from, arises out of or is connected with work performed by officers pursuant to this Agreement, the Corporation Counsel of the City of Chicago, at the expense of the City of Chicago, may appoint counsel and direct the defense of said claim for liquidated damages. This will not affect the CTA's obligation to assume to representation and/or defense of claims for actual damages and to pay for settlements or awards based on said claims.

In any instance where the Office of the Corporation Counsel of the City of Chicago is designated to defend the claim pursuant to the above provisions, the CTA will assume the costs and expenses of defending the litigation, but will not reimburse the City of Chicago for time spent by the Corporation Counsel's Office in defending the claim.

12. Indemnification by City of Chicago. Upon receipt of reasonable notice of a claim or suit, based solely upon the action of CPD officers or supervisors while performing duties pursuant to the VSEP, supervision of VSEP and/or the duties relating to the Public Transportation Section of the CPD, the City of Chicago shall indemnify and

10

hold harmless the CTA and any of its officers, agents, or employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorney's fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, excluding punitive damages. The City of Chicago shall not assume the representation, pay any settlements or award(s)

based on any such claims, nor defend nor indemnify the CTA or any of its officers, agents, or employees from, for, and against, claims based on any theory other than one based solely upon the actions of the CPD officers performing their duties under this agreement nor where the standard alleged is a breach of duty of a common carrier which invokes the highest degree of care of passengers.

13. Indemnification Procedures. In such instances where the CTA or any of its officers, agents and employees are entitled to be indemnified, and held harmless with respect to any claim or suit based solely upon the actions of the CPD officers while performing duties hereunder, the parties further agree as follows:

- a) Such party(ies) shall have a right to counsel.
- b) Such counsel shall be selected by the Corporation Counsel of the City of Chicago, who will also be responsible for directing the defense of the claim.

The CTA, its officers, agents and employees are obligated to cooperate with the City of Chicago during the course of the investigation, administration and/or litigation of any tort or civil rights claim. Failure to cooperate with the City of Chicago during the course of the investigation, administration or litigation of claims extinguishes any obligation of the City of Chicago hereunder to represent and/or defend against the claim or to pay for any

11

settlement or award based on such claim with regard to the CTA and/or the non-cooperating officer, agent or employee.

14. Claims Against VSEP. The City of Chicago, upon receipt of reasonable notice of a claim or suit, shall be responsible for, hold officers harmless from and pay for damages or monies which may be adjudged, assessed, or otherwise levied against any officer working on a CTA VSEP pursuant to the CPD's VSEP, subject to the conditions set forth herein and excluding punitive damages. These officers shall have legal representation by the City of Chicago in any civil cause of action brought against an officer resulting from or arising out of

the performance of duties of the VSEP. The City of Chicago will provide the protections set forth above so long as the officer is acting within the scope of his/her employment on the VSEP and the officer cooperates with the City during the course of the investigation, administration and/or litigation of the claim.

The City of Chicago shall not assume the representation and/or defense of any of the aforementioned claims if it is determined by the City of Chicago that the officer alleged to have committed the tortuous act or violation of civil rights was acting outside the scope of his/her employment on the VSEP, was not acting in the performance of duties of the VSEP, or is deemed to have acted in a willful and wanton manner, nor shall the City of Chicago pay any settlements or awards based on such claims. The City of Chicago shall have the sole right to determine whether or not the officer was working within the scope of his/her employment or performance of duty on the VSEP or acted in a willful and wanton manner.

Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.
- ii) The Chicago Transit Authority is aware that City policy prohibits City employees from directing any individual to apply for a position with the CTA, either as an employee or as a subcontractor, and from directing the CTA to hire an individual as an employee or as a subcontractor. Accordingly, the CTA must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the CTA under this Agreement are employees or subcontractors of the CTA, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the CTA.
- iii) The CTA will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

- iv) In the event of any communication to the CTA by a City employee or City official in violation of this Section 26(ii), or advocating a violation of
