The city and the ticketing agent shall accurately record the state registration number of the ticketed vehicle. A prima facie case shall not be established when

(e) The city traffic compliance administrator shall withdraw a notice of violation when a registered owner of a vehicle issued a notice of violation for expiration of the time designated on the ticket, token or display device pursuant to Section 9-64-190 shows evidence that: (1) a ticket, token or display device issued or activated by the parking meter was purchased and displayed; and (2) the notice of violation was issued within five minutes of the expiration time on the ticket, token or display device; provided that only one such notice of violation shall be withdrawn per calendar year per vehicle. A final determination of liability that has been issued for a violation required to be withdrawn under this subsection (e) shall be vacated by the city.
