NOVEMBER 21, 2013

**FOR APPROVAL: PROPOSED TECHNICAL AMENDMENT TO PLANNED
DEVELOPMENT #402 (APPLICATION NO. 17855)**

**CO-APPLICANTS: MAYFAIR PLAZA 63, LLC.
GLENDALÉ 2012, LLC.**

**LOCATION: 4800-4854 NORTH PULASKI ROAD
4000-4030 WEST LAWRENCE AVENUE**

Pursuant to the provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, the Department of Housing and Economic Development hereby submits this report and recommendation on a proposed amendment to Planned Development #402 for your review and recommendation to the Chicago City Council. The application was introduced to the Chicago City Council on October 16, 2013. Notice of this public hearing was published in the Chicago Sun-Times on November 6, 2013. The Applicant was separately notified of this public hearing.

The property is generally located on the Northwest corner of Lawrence Avenue and Pulaski Road. The Co-applicants, Mayfair Plaza 63, LLC. and Glendale 2012, LLC. propose this amendment to allow for the establishment of mattress sales as a permitted use within Planned Development #402; however, the applicant is not proposing to change any other aspect of this planned development. This amendment only addresses a proposed expansion of the allowed uses within Planned Development 402.

This request is being submitted as a mandatory amendment to an existing planned development, pursuant to Section 17-13-0611-A(1), due to the proposed change in the character of the development.

SITE AND AREA DESCRIPTION

The subject property is located at the intersection of West Lawrence Avenue and North Pulaski Road and is located adjacent to a mix of land uses. On the Eastern edge of the site are B3-2, Community Shopping District and B1-2, Neighborhood Shopping District zoned properties. South of the site are several parcels zoned B3-2 Community Shopping District. West of the site is property zoned B1-1, Neighborhood Shopping District and RS-3, Residential Single-Unit (Detached House) District. Directly north of the site is property zoned B3-2 Community Shopping District and RS-3 Residential Single-Unit (Detached House) District. The site is also not in the Lake Michigan and Chicago Lakefront Protection District. The site is located within the Lawrence/Pulaski Tax Increment Financing (TIF) District.

The site consists of approximately 128,523 square feet (2.95 acres) and is improved with an one-story Walgreens Pharmacy, a one story retail building that is proposed to house

two tenants Petco and Sleepy's, a one story drive thru bank, and a one story multi-tenant retail building and a parking lot containing 113 parking stalls, additionally the site contains a 7 foot long bike rack. The property will remain as built and the proposal includes no new construction. The off-street parking spaces on the site are accessed from (4) four existing driveways (1) one from North Keystone Avenue, (1) one driveway from West Lawrence Avenue and (2) two driveways from North Pulaski Road. The buildings are a mix of retail, office, and restaurant uses. No employees will be displaced as a result of the project.

The CTA's bus route # 53 (Pulaski), route #81 (Lawrence) and route # 92 (Foster) all run on streets within a half-mile of the site. The Irving Park and Montrose stations on the CTA's Blue Line and the Irving Park and Mayfair METRA stations are within an approximately one mile radius from the site.

PROJECT DESCRIPTION

The Applicant proposes to amend Planned Development #402 to allow for mattress sales as a permitted use within the existing Planned Development #402 boundaries. There will be no exterior modifications to the building or any part of the property.

RECOMMENDATION

The Department of Housing and Economic Development has reviewed the project materials submitted by the Applicant and compared this proposal to the requirements of the Chicago Zoning Ordinance, the parameters of the existing planned development and other development in the community. The area around this project is a mix of commercial, office, and residential developments, with access to various nearby public transportation amenities.

Based on our analysis, the Department of Housing and Economic Development has concluded that this proposal meets the purpose and criteria set forth in the Chicago Zoning Ordinance, is appropriate for this site, and its adoption would not have any adverse impact on the public's health, safety or welfare; and therefore, supports this development for the following reasons:

1. Per 17-8-0102, the introduction of a new business use, compatible with those previously approved, promotes evolving yet unified planning and development through reasonable adaptation of the property to serve current retail rental trends and needs;
2. Per 17-8-0103, the continued use of the existing facility without any expansion provides economically beneficial development patterns that remain in context with the character of the existing neighborhood; and
3. Per 17-13-0308-E, the public infrastructure and City services will be adequate to serve the proposed development and the project will comply with the requirements for access in case of fire and other emergencies.

Based on the foregoing, it is the recommendation of the Department of Housing and Economic Development that this application for an amendment to Planned Development No. 402 be approved and that the recommendation to the City Council Committee on Zoning Landmarks and Building Standards be "As Amended, Passage Recommended".
