15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. All development shall be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The proposed building shall provide a vegetated (“green”) roof, totaling a minimum of 50 per cent of the net roof area 28,250 square feet and obtain a LEED certification.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a zoning map amendment to rezone the property B1-3 Neighborhood Shopping District.
