**GRANT OF PERPETUAL EASEMENTS AND DECLARATION OF RESTRICTIONS**

**THIS GRANT OF PERPETUAL EASEMENTS AND DECLARATION OF RESTRICTIONS** is made as of the 14 day of March, 2004, by REGENT PARK CITY HOMES II, L.L.C., an Illinois limited liability company ("Grantor"), having an address of 2711 W. Howard Street, Chicago, Illinois 60645, in favor of THE ESTATES OF REGENT PARK, LLC, an Illinois limited liability company ("Grantee"), having an address of 2711 W. Howard Street, Chicago, Illinois.

**RECITALS**

A. Grantor owns that certain parcel of real estate more particularly described on Exhibit "A" hereto ("Parcel A").

B. Grantee owns that certain parcel of real estate more particularly described on Exhibit "B" hereto ("Parcel B").

C. Grantee wishes to acquire certain access easements over, under, upon and across that portion of Parcel A described on Exhibit C attached hereto (such portion is referred to herein as the "Easement Area") for the benefit of Parcel B, which easements will run with the land, and requires certain restrictions on the use of Parcel A in order to protect the value of said easements to Parcel B.

D. Grantor is willing to grant such easements to Grantee and to impose such restrictions in connection therewith as further set forth below.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The recitals set forth above are incorporated herein and made a part hereof.
2. Grantor does hereby grant to Grantee (its successors and assigns, including each owner of each of the Lots described on Exhibit "B" hereto) a perpetual easement on, over and across the Easement Area for pedestrian and vehicular (including, but not limited to moving trucks and vans; waste, garbage and trash vehicles; and personal vehicles) access by the owners and occupants of Parcel B (and their guests, invitees and business invitees) to and from Parcel B (including each separate lot thereof) and the street and/or public right-of-way west of and adjacent to Parcel A and commonly known as Kedzie Avenue. Grantor shall have the one time right to hereafter change the location of the easement over Parcel A created hereby to another path to be selected by Grantor in its reasonable but sole discretion, provided such path shall be convenient and sufficient to provide the pedestrian and vehicular access described above. Grantor and Grantee agree to prepare and record an amendment hereto describing such amended path of the easement as the "Easement Area," whereupon all of the easements granted herein shall apply and be limited to said "Easement Area."
3. Grantor (and its successors in interest) may also use the Easement Area for access for any and all dwelling units on Parcel A in the manner as permitted to Grantee (and its successors), but for no other use. Grantor may establish, however, reasonable rules and regulations for the use

NOT FOR PUBLICATION

of the Easement Area, provided that the same do not limit, restrict or interfere with Grantee's use as provided herein and do not impose a greater burden on use by Grantee than by Grantor.

4. (a) Grantor and its successors in interest shall:
- (1) construct a temporary and permanent paved roadway ("Pavement Area") on the Easement Area for the use and enjoyment of the easements herein granted;
  - (2) keep the Pavement Area in good repair and condition, providing all maintenance, repairs and replacement; and
  - (3) promptly remove all snow and ice accumulations from the Pavement Area.
- (b) Grantee (or its successors in interest) shall reimburse certain amounts to Grantor (or its successors in interest) as provided in Section 7(a) below.

5. Neither Grantor, Grantee, nor any successor in interest to either shall obstruct or interfere with the intended use of the Easement Area, except:

- (a) in the case of and as necessitated by emergency;
- (b) temporarily and in such manner as to minimize such obstruction or interference as is necessary in connection with the permitted uses or obligations hereunder.

6. If Grantor (or its successors in interest) fails to fulfill its obligations under Section 4 above, Grantee (or any of its successors after authorization by the owners of at least 6 of the lots comprising Parcel B) may, following 30 days prior notice to Grantor (or its successors in interest, or, if a homeowner or similar association is formed with respect to Parcel A to which is delegated the responsibilities of Grantor set forth in Section 4, then to such Association), perform such installation, repair, maintenance or replacement and recover from Grantor (or its successors in interest) that portion of the costs which are Grantor's responsibility. Notwithstanding the foregoing notice period, Grantee need provide only two days notice with respect to snow and ice removal. Further, in the event Grantor fails on two or more occasions during any 6 consecutive month period to promptly remove snow and ice from the Pavement Area (i.e. removal within 48 hours of such accumulation), Grantee may thereafter, at its sole election, upon written notice to Grantor (its successor or assigns or, if applicable, the Association), remove snow and ice accumulation during the remainder of such winter season and Grantor shall promptly reimburse Grantee for its pro rata share of the cost thereof.

7. Additional Terms.

- (a) Each of the owners, from time to time, of Lots 1 through 10 of Parcel B shall reimburse Grantor (or its successors in interest) that fractional portion of

Grantor's expenses in meeting its obligations under Sections 4(a)(2) and (3) above equal to the amount of such expense, multiplied by a fraction, the numerator of which is one (1) and the denominator of which is the sum of the total number of individual dwelling units permitted on Parcel A plus 10.

- (b) Notwithstanding anything to the contrary herein, all provisions of this Grant of Perpetual Easements and Declaration of Restrictions shall be deemed easements appurtenant coupled with an interest, shall run with the land and are binding upon and shall inure to the benefit of the heirs, legal representatives, assigns, successors, and tenants of Grantee and Grantor.
- (c) Grantor or its successors shall be responsible for the payment of all ad valorem taxes, mechanic's or materialmen's liens assessed against Parcel A and, in particular, the Easement Parcel. If Grantor fails to pay the taxes or assessments for which it is responsible, Grantee shall have the right, but not the obligation, to pay such taxes and/or assessments on behalf of the Grantor and to be reimbursed therefor on demand.
- (d) This Grant of Perpetual Easements and Declaration of Restrictions shall be governed exclusively by the provisions hereof and by the laws of the State of Illinois.
- (e) If any term or provision of this agreement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this agreement, or the application of such term or provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.
- (f) If any legal action or proceeding arising out of or relating to this Grant of Perpetual Easements and Declaration of Restrictions is brought by either party hereto, the prevailing party shall be entitled to receive from the other party, in addition to any other relief that may be granted, their reasonable attorneys' fees, costs and other expenses incurred in the action or proceeding by the prevailing party.
- (g) This Grant of Perpetual Easements and Declaration of Restrictions constitutes the entire agreement between Grantor and Grantee relating to the easement described herein, and any prior agreement, promises, negotiations, or representations not expressly set forth in this Grant of Perpetual Easements and Declaration of Restrictions are of no force and effect. Any amendment to this Grant of Perpetual Easements and Declaration of

- (h) All notices and demands to be given by one party to the other party (or their successors) under this Agreement shall be given in writing, mailed or delivered to Grantor or Grantee, as the case may be, at the address set forth above (or their successors, at the address of the particular lot or unit). Pursuant to the provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, the Department of Housing and Economic Development hereby submits this report and recommendation on a proposed amendment to Residential Planned Development No. 826 for your review and recommendation to the Chicago City Council. The application for this amendment to the Chicago Zoning Ordinance was introduced into the City Council on October 31, 2012. Notice of the public hearing was published in the Chicago Sun-Times on December 5, 2012. The applicant was separately notified of this public hearing.

The application proposes to amend Residential Planned Development No. 826, located in the West Ridge Community on the City's Far North Side. The application proposes to amend the Planned Development to require administrative site plan approval for development of Subarea A, add Townhouse to the permitted uses on Lots 14 – 18 of Subarea B and adjust the required setbacks in Subarea B to conform to the pattern of existing development.

**BACKGROUND AND AREA DESCRIPTION**

Residential Planned Development No. 826 was approved by the Chicago City Council May 1, 2002. The approximately 7.01-acre site lies at the northeast corner of North Kedzie Avenue and West Albion Avenue. The AL@ shaped site is bounded on the west by North Kedzie Avenue, on the south by West Albion Avenue, on the east by a public alley and on the north by a Peoples Gas facility.

To the south and east of the site are single family houses except for the frontage along Kedzie Avenue which includes townhouses and small apartment buildings. North of the site is the CPS' new West Ridge Elementary School, and north of the Peoples Gas facility is a former grocery store which has been converted into a private school and a residential development with 40 single-family houses. On the north side of Pratt Avenue is the Winston Towers condominium development (RPD No.11) which consists of five 14 to 16-story buildings and a series of townhouses. Within easy walking distance of the site are two public parks - Chippewa Park to the east and Lerner Park to the north. The west side of N. Kedzie Avenue is the North Shore Channel with adjacent open space which is located in suburban Lincolnwood.

The 2002 Planned Development divided the site into two subareas, Subarea B (approximately 5.28 acres) at the corner of N. Kedzie Avenue and W. Albion Avenue and Subarea A (approximately 1.82 acres) to the north, fronting on N. Kedzie Avenue. The 2002 plan called for 38 townhouses on Subarea A and 36 single-family detached houses on Subarea B. In addition, 33 feet along the W. Albion Avenue frontage was to be dedicated to the City for the widening of W. Albion Avenue from 33 feet to 66 feet, and a 50-foot wide private street (W. Wallen Avenue) was to be constructed through the middle of Subarea B. Both of these street improvements have been made.

On September 27, 2007, the Planned Development was amended. On Subarea A, it reduced the number of townhouses from 38 to 14 and added a five-story senior building with 150 units. On Subarea B, the number of single-family detached houses was reduced from 36 to 24, and 59 townhouses were added.

By summer 2012, none of the housing contemplated by the 2007 Planned Development amendment had been constructed except for thirteen single-family detached houses. Therefore, on July 25, 2012, the City Council approved an ordinance introduced by Alderman Debra L. Silverstein (50th Ward) to repeal the 2007 amendment to Residential Planned Development No. 826 and reinstate the original 2002 Planned Development.

### **PROPOSAL DESCRIPTION**

The application proposes to amend Residential Planned Development No. 826 as approved May 1, 2002, to allow up to 36 single-family detached and/or townhouse units in Subarea A subject to administrative site plan approval.

In Subarea B, the amendment would restrict development to a maximum of 49 residential units. Single-family detached houses would be permitted on all lots; Lots 14-18 could also be developed with townhouses. The amendment would require all housing to front on W. Wallen Avenue (private) with driveway access from W. Albion Avenue, the alley east of N. Kedzie Avenue, or private alleys along the north side of Subarea B. To ensure development consistent with that already in place, the proposed amendment would require a minimum front setback of 15' on the north side of W. Wallen Avenue (private) and would require a front setback on the south side of W. Wallen Avenue (private) of no less than 10' and no more than 11'.

Unless otherwise specified in the proposed amendment, development of single-family detached houses in Subarea A would be subject to the requirements of the RS3 Residential Single-Family Detached District and development of single-family detached houses in Subarea B would be subject to the requirements of the RT4 Residential Two-Flat, Townhouse and Multi-Unit District. Townhouse development in both subareas would be controlled by the townhouse requirements of the Zoning Code (§17-2-0500).

### **RECOMMENDATION**

The Department of Housing and Economic Development has reviewed the project materials submitted by the applicant and has concluded that the proposed amendment to Residential Planned Development No. 826 would be appropriate for the site for the following reasons:

1. The project meets the criteria and objectives set forth in Section 17-13-0900 of the Zoning Ordinance and its adoption would not have any adverse impact on the public's health, safety, or welfare.
2. The maximum Floor Area Ratio (FAR) of 1.03 is a reduction from the 1.32 FAR permitted in the 2002 Planned Development. The maximum permitted number of residential units is increased from 74 to 85, but it remains far below the 309 units permissible under the RT4 Residential Two-Flat, Townhouse and Multi-Unit base zoning district.
3. The proposed amended Planned Development is compatible with the character of the surrounding area in terms of uses, density and building scale.
4. The standards and procedures set forth in the amended Planned Development should facilitate a smoother, yet compatible, development of the site.

Based on the foregoing, it is the recommendation of the Department of Housing and Economic Development that the revised application for an amended Residential Planned Development be approved and that the recommendation to the City Council Committee on Zoning, Landmarks and Building Standards be: "As Revised, Passage Recommended."
