WHEREAS, the City is the owner of the vacant parcels of real property located at 5108 and 5062 West Lake Street, Chicago, Illinois 60644, which are legally described on Exhibit A attached hereto (collectively, the "Property"); and

WHEREAS, the Property is located in the Area; and

WHEREAS, VH Masonry Construction Co., which has a principal business address of 5124 W. Lake Street, Chicago, IL 60644 (the "Grantee"), has offered to purchase the Property from the City for the sum of Sixty-Five Thousand and No/100 Dollars (\$65,000.00) (the "Purchase Price"), such amount being equal to the appraised fair market value of the Property, to improve with paved outdoor storage; and

WHEREAS, the Grantee has provided the City, at the Grantee's expense, a Phase I Environmental Site Assessment ("ESA") conducted in compliance with ASTM E1527-13, and such Phase I ESA identified Recognized Environmental Conditions ("RECs") on the Property; and

WHEREAS, the Grantee subsequently obtained, at its expense, a Phase II ESA to ascertain the presence of any environmental impacts on the Property that may be associated with the RECs; and

WHEREAS, the Phase II ESA identified environmental contamination on the Property above industrial/commercial remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742; and

WHEREAS, due to the Property's environmental contamination, the Grantee will enroll the Property in the Illinois Environmental Protection Agency's Site Remediation Program in order to further identify and remediate the environmental condition of the Property and obtain a Final Comprehensive Industrial/Commercial No Further Remediation Letter; and

WHEREAS, the City and the Grantee anticipate that the cost of environmental remediation will be in excess of the Purchase Price; and

WHEREAS, the Grantee has requested, and the City has agreed, that the Grantee shall deposit the Purchase Price in an environmental escrow, and such escrowed funds may be used to reimburse the Grantee for certain environmental remediation costs approved by the City and incurred by the Grantee in relation to the Property; and

WHEREAS, public notice advertising the City's intent to enter into a negotiated sale of the Property with the Grantee and requesting alternative proposals appeared in the *Chicago Sun-Times*, a newspaper of general circulation, on December 3 and 10, 2020; and

WHEREAS, no alternative proposals were received by the deadline indicated in the aforesaid notices; and

WHEREAS, pursuant to Resolution No. 21-005-21, adopted on January 21, 2021, by the Plan Commission of the City (the "Commission"), the Commission approved the negotiated sale of the Property to the Grantee; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECOND: That certain Phase II Environmental Site Assessment dated September 2020 identified contamination above industrial/commercial remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Grantee has therefore enrolled the Property in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP").

The Grantee acknowledges and agrees that it may not commence construction on the Property until the IEPA issues a Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

For the purposes of this and all subsequent covenants in this deed, the following definitions shall be employed:

“Remediation Work” means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final No Further Remediation Letter for the Property in accordance with the terms and conditions of the Remedial Action Plan Approval Letter for the Property issued by the IEPA, the SRP Documents (as defined below), all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

environmental conditions.

Upon receipt of the RAP Approval Letter for the Property, the Grantee covenants and agrees to complete all Remediation Work to obtain a Final Comprehensive Industrial/Commercial No Further Remediation Letter ("Final NFR Letter") for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Grantee's estimate of the cost to perform the Remediation Work. The Grantee shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property or any portion thereof. The Grantee shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Grantee acknowledges and agrees that the City will not permit occupancy of the Property until the IEPA has issued, the City has approved (which approval shall not be unreasonably withheld) and the Grantee has recorded with the Cook County Recorder of Deeds the Final NFR Letter for the Property.

The Grantee covenants and agrees that it shall abide by the terms and conditions of the Final NFR Letter.

Should the use of the Property change from industrial/commercial to residential, the Grantee covenants and agrees to complete all Remediation Work to obtain a Final Comprehensive Residential No Further Remediation Letter ("Final Residential NFR Letter"). All requirements detailed in this covenant numbered **SECOND** regarding the City's rights and the Grantee's responsibilities with respect to the Final NFR Letter shall govern the Final Residential NFR Letter.

THIRD: The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the Property for any purpose whatsoever. The Grantee acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property. The Grantee hereby accepts the Property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Grantee, with respect to the structural, physical or environmental condition of the value of the Property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Grantee acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any

information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Grantee agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the Property (or any portion thereof) in a condition which is suitable for its intended use

Grantee acknowledges and agrees that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property (or any portion thereof) made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

FOURTH: The Grantee, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Grantee Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which the Grantee ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of this deed, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the date of this deed. Furthermore, the Grantee shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties

(including, without limitation, any of the Grantee Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the date of this deed. The Grantee Parties waive their rights of contribution and subrogation against the Indemnified Parties.

This covenant of release numbered **FOURTH** shall run with the Property, and shall be binding upon all successors and assigns of the Grantee with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Grantee following the date of this deed. The Grantee acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to convey the Property, and that, but for such release, the City would not have agreed to convey the Property to the Grantee. It is expressly agreed and understood by and between the Grantee and the City that, should any future obligation of the Grantee or Grantee Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Grantee and any of the Grantee Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because this covenant numbered **FOURTH** contains a full, complete and final release of all such claims, except as provided in such covenant for the City's gross negligence or willful misconduct following the date of this deed.

FIFTH: The Grantee shall remove any soil or soil gas not meeting the requirements of 35 IAC Section 742.305. Any underground storage tanks ("USTs") identified shall be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

SIXTH: Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

SEVENTH: Grantee acknowledges that if Grantee (or its successors or assigns) develops the Property with a "residential housing project," as that term is defined in Section 2-44-080 of the Municipal Code of Chicago (the "Affordable Requirements Ordinance"), Grantee (or its successors or assigns) shall be obligated to comply with the Affordable Requirements Ordinance.
