RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. CSE intends to purchase the Property for \$1 from the City, which purchase is intended to qualify as a bargain sale donation qualifying for Illinois Affordable Housing Tax Credits, and Owner intends to subsequently purchase the Property from CSE.

E. The Project: Within the time frames set forth in Section 3.01 hereof, Developer shall commence and complete construction of an approximately 78,060 square foot mixed-use development (the "Facility") on the Property. SECTION 2A. SALE AND PURCHASE OF PROPERTY

2A Conveyance of the Property. The following provisions shall govern the City's conveyance of the Property to the Developer:

(a) Purchase Price. The City hereby agrees to sell, and CSE hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for a bargain sale price of One Dollar (\$1.00) (the "Purchase Price"), which is to be paid to the City on or before the Closing Date in cash or by certified or cashier's check or wire transfer of immediately available funds. CSE shall pay all escrow fees and other title insurance fees, premiums and closing costs. The Developer acknowledges and agrees that (i) the appraised fair market value of the Property is approximately [\$1,320,000] based on an appraisal dated May 2, 2021 [TO BE UPDATED PRIOR TO CLOSING] and (ii) the City has only agreed to sell the Property to CSE for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions. The below-market sale of the Property to CSE is intended to generate Illinois Affordable Housing Tax Credits, which will be issued to the City and subsequently assigned to CSE. Upon acquiring the Property, CSE will convey the Property to the Owner for the appraised value.

(b) Form of Deed. The City shall convey the Property to the CSE by quitclaim deed (the "Property Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the deed, the standard exceptions in an ALTA title insurance policy; all general real estate taxes and any special assessments or other taxes; all easements, encroachments, covenants and restrictions of record and not shown of record; such other title defects as may exist; and any and all exceptions caused by the acts of the Developer, its Affiliates and their agents.

(c) Covenants Running with the Land. The conveyance of the Property from the City to the CSE, and subsequently by CSE to the Owner, shall be subject to the following covenants, which shall run with the land and be binding on the Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City:

- (i) The Developer shall use the Property in compliance with the Redevelopment Plan
- (ii) The Developer shall obtain planned development approval for any development on the Property.
- (iii) The Developer shall not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (A) except for a Permitted Transfer or to a Lender providing Lender Financing, directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or any portion of the Property or any interest therein; or (B) directly or indirectly assign its right under the fully-executed Agreement to acquire the Property from the City (the "Property Purchase Right"). The Developer acknowledges and agrees that DPD may withhold its consent under (A) or (B) above if, among other reasons, the sale or transfer price is less than Fair Market Value.
- (iv) The Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, engage in any financing or other transaction, other than Lender Financing and any mortgage lien securing any Lender Financing, which would create an encumbrance or lien on the Property except as otherwise permitted herein.
- (v) The Developer shall obtain a Final Comprehensive Residential No Further Remediation Letter from the Illinois Environmental Protection Agency approving the use of the Property or any applicable portion thereof for the Project ("Final NFR Letter") and comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter.
- (vi) The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

(d) Title and Survey. The Developer shall, no later than thirty (30) days prior to the Closing Date obtain at its expense and deliver to the City a Survey of the Property and a commitment for an owner's policy of title insurance in the name of the Borrower issued by the Title Company (the "Title Commitment") in an amount not less than the Fair Market Value. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining the Title Policy and any endorsements. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall, as applicable, request that the County void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or file a tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would

adversely affect the use and insurability of the Property for the development of the Property Project, the Developer shall, as its sole remedy, have the option to either (i) proceed with the purchase subject to all defects and exceptions, or (ii) terminate its right to purchase under this Section 2A, whereupon such Purchase Right shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder with respect to the Property. If the Developer elects not to terminate its Property Purchase Right pursuant to this Section 2A(d), the Developer agrees to accept title subject to all exceptions.

(e) Closing. The conveyance of the Property shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer has satisfied all conditions precedent set forth in this Section 2A, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company the Property Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement. The City will not provide a gap undertaking. The Developer shall pay to record the Property Deed and any other documents incident to the conveyance of the Property to the Developer.

(f) "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD OR WILL HAVE ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

(g) Environmental Due Diligence. [Subject to AIS review]

(i) Prior to the Closing Date, the Developer shall perform a Phase I environmental site assessment of the Property pursuant to a right of entry entered into between AIS and the Developer and in a form acceptable to AIS in accordance with the requirements of the ASTM E 1527-21 standard ("Phase I ESA"). The City's Department of Assets, Information and Services ("AIS") shall have the right to review and approve the sufficiency of the Phase I ESA for the purpose of determining whether any environmental or health risks would be associated with the development of the Property Project. Upon 2FM's request, the Developer shall perform additional studies and tests, including, without limitation, updating or expanding the Phase I ESA. If the Phase I ESA identifies any

Recognized Environmental Condition(s) ("REC(s)"), the Developer shall perform a Phase II Environmental Site Assessment ("Phase II ESA"). If the Phase II ESA discloses the presence of contaminants exceeding residential remediation objectives, the Developer shall enroll the Property in the IEPA's SRP and thereafter take all necessary and proper steps to obtain written approval from the IEPA of a Remedial Action Plan ("RAP Approval Letter"). The Developer acknowledges and agrees that the Property Closing will not occur, and it may not commence construction, until the IEPA issues, and 2FM approves, the RAP Approval Letter for the Property. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work.

(ii) The City shall grant the Developer the right, at its sole cost and expense; to enter the Property to perform the Phase I ESA and any other surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The obligation of the Developer to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property. If the Developer determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property, it may terminate this Property Purchase Right by written notice to the City any time prior to the Closing Date, whereupon such purchase right shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder with respect to the Property. If the Developer elects not to terminate its Property Purchase Right pursuant to this Section 2A(g)(ii), the Developer shall be deemed satisfied with the condition of the Property.

(h) Environmental Remediation. Upon receipt of the RAP Approval Letter for the Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final NFR Letter using all reasonable means. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work including, but not limited to, the removal of soil exceeding residential (or commercial, as applicable) remediation objectives as determined by 35 Ill. Adm. Code Part 742, demolition debris, and the removal or treatment of Hazardous Substances. In addition, the Developer shall remove and close any identified underground storage tanks ("USTs") in accordance with applicable regulations, including 41 Ill. Adm. Code Part 175, and shall properly address any identified leaking USTs in accordance with 35 Ill. Adm. Code Part 734. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate of Occupancy for the Property until the IEPA has issued, the City has approved, and the Developer has recorded with the Office of the Clerk of Cook County, Illinois, Recordings Division, a Final NFR Letter for the Property, which approval shall not be unreasonably withheld. The Developer must abide by the terms and conditions of the Final NFR letter.

(i) Release and Indemnification. The Developer, on behalf of itself and its respective successors and assigns, hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to the Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, the foregoing release shall not include anything arising out of Existing Materials or claims, damages or causes of action resulting from the gross negligence or willful misconduct of the City. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims. Notwithstanding the foregoing, no lender providing Lender Financing which acquires the Developer's interest in the Property by foreclosure of such lender's Existing Mortgage or Permitted Mortgage (or by deed in lieu of foreclosure) shall be liable for the indemnification obligation of any Developer Party under Section 2A(i).

(j) Release Runs with the Land. The covenant of release in Section 2A(i) above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer will not assert that those obligations must be satisfied in whole or in part by the City because Section 2A(i) contains a full, complete and final release of all such claims.

(k) Survival. This Section 2A shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination)

SECTION 3. THE PROJECT

3.01 The Project. With respect to the Facility, Developer shall, pursuant to the Plans and Specifications and subject to the provisions of Section 18.17 hereof, (i) commence construction no later than [May 31, 2022]; and (ii) complete construction and conduct business operations therein no later than [thirty six months following commencement of construction subject to extension by the DPD].

3.02 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to DPD as a Change Order pursuant to Section 3.04 hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget showing total costs for the Project in an amount not less than [Thirty-One Million, Seven Hundred Ninety Seven Thousand Four Hundred Eighty-Five Dollars (\$31,797,485)]. Developer hereby certifies to the City that (a) it has Lender Financing and Equity in an amount sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects. Developer shall promptly deliver to DPD certified copies of any Change Orders with respect to the Project Budget for approval pursuant to Section 3.04 hereof.

3.04 Change Orders. Except as provided below in this Section 3.04, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by Developer to DPD concurrently with the progress reports described in Section 3.07 hereof; provided, that any Change Order relating to any of the following must be submitted by Developer to DPD for DPD's prior written approval, which approval shall not be unreasonably withheld: (a) a reduction in the gross or net square footage of the Facility by five percent (5%) or more (either individually or cumulatively); (b) a change in the use of the Facility to a use other than as described in Recital D to this Agreement; (c) a delay in the completion of the Rehabilitation Project by six (6) months or more; or (d) Change Orders resulting in an aggregate increase to the Project Budget for the Project of ten percent (10%) or more.

Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval (to the extent said City prior approval is required pursuant to the terms of this Agreement), which approval shall not be unreasonably withheld. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to Developer. Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those set

forth above do not require DPD's prior written approval as set forth in this Section 3.04, but DPD shall be notified in writing of all such Change Orders within 10 business days after the execution of such Change Order and Developer, in connection with such notice, shall identify to DPD the source of funding therefor.

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04); provided, to the extent the City has been provided this information as part of a monthly draw request in its role as a lender, no separate report shall be required to DPD. Upon substantial completion, Developer shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. An independent agent or architect (other than Developer's architect) approved by DPD shall be selected to act as the inspecting agent or architect, at Developer's expense, for the Project; provided, the parties acknowledge that the report provided by the inspecting agent for the senior lender shall be meet this requirement. The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project pursuant to the Escrow Agreement.

3.09 Barricades. Prior to commencing any construction requiring barricades, Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding Developer, the Property and the Project in the City's promotional literature and communications

3.11 Utility Connections. Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto

3.12 Permit Fees. In connection with the Project, Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be [\$31,797,485] to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources and estimated amounts: [TO BE CONFIRMED PRIOR TO CLOSING]

Equity (subject to <u>Sections 4.03(b) and 4.06</u>)	\$18,667,734
Permanent Loan	\$ 765,820
Seller Note	\$ 1,270,000
City of Chicago Loan	\$ 5,343,142

ESTIMATED TOTAL: \$31,797,485

In addition to the above, BMO Harris Bank, N.A. will provide bridge loans to Owner prior to funding of the Equity, the ComEd Grant, and the City Funds.

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse CSE and/or the Owner for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. CSE will loan or contribute any City Funds paid to CSE to the Owner to reimburse the Owner for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements

(b) Sources of City Funds Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide up to \$5,000,000 in City funds from Incremental Taxes (the "City Funds") to reimburse Developer for the costs of the TIF-Funded Improvements, provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of Five Million Dollars (\$5,000,000) or sixteen percent (16%) of the actual total Project costs, and provided further, that the \$5,000,000 to be derived from Incremental Taxes shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds as follows: (i) \$1,250,000 upon the completion of 25% of the construction of the Project (based on the amount of expenditures incurred in relation to the Project Budget) as evidenced by an Architect's Certificate; (ii) \$1,250,000 upon completion of 50% of the construction of the Project (based on the amount of expenditures incurred in relation to the Project Budget) as evidenced by an Architect's Certificate; (iii) \$1,250,000 upon completion of 75% of the construction of the Project (based on the amount of expenditures incurred in relation to the Project Budget) as evidenced by an Architect's Certificate; and (iv) \$1,250,000 upon the issuance by DPD of the Certificate. The City hereby represents to the Developer that except for the Prior TIF Obligations the City has not made and will not make a pledge of Incremental Taxes to any entity, party or person that is senior or superior to the pledge of Incremental Taxes to Developer hereunder. The City and Developer acknowledge that a portion of the proceeds of the Lender Financing being provided by BMO Harris Bank N.A. ("BMO") will be used to bridge the City Funds and that the installments of the City Funds will be applied to the partial repayment of the foregoing the Lender Financing. The Developer hereby authorize the City to pay and remit installments of the City Funds directly to BMO, as lender of the foregoing Lender Financing, for application to the partial repayment of such Lender Financing.

4.04 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). Exhibit I hereto sets forth the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to

Developer with City Funds, but may be eligible for reimbursement with the Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) TIF District Administration Fee. Annually, the City may allocate an amount (the "TIF District Administration Fee") not to exceed five percent (5%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Owner and/or CSE shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Owner and/or CSE to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement.

If the General Contractor selects any subcontractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. For Project work other than the TIF-Funded Improvements, if the General Contractor selects any subcontractor who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. DPD shall respond to Developer's written request for a Certificate within 45 days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of

a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option, (A) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or (B) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. If the Developer

receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by Developer and DPD as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing, except those portions of the Project which will be used for commercial space and live-work spaces;

(b) Nine (9) units (or 15% of the Project's units) shall be affordable to 30% AMI Households (as defined below); nine (9) units (or 15% of the Project's units) shall be affordable to 50% AMI Households (as defined below); 23 units (or 41% of the project's units) shall be affordable to 60% AMI Households (as defined below), and 17 units shall not have any affordability restrictions; and

(c) As used in this Section 8.24, the following terms has the following meanings:

(ii) "30% AMI Households" shall mean Households whose annual income does not exceed thirty percent (30%) of the Chicago-area median income, adjusted for

Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(iii) "50% AMI Households" shall mean Households whose annual income does not exceed fifty percent (50%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(iv) "60% AMI Households" shall mean Households whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.25 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.25.

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of

services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

With 2 business days advance notice, Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs

- (1) At least 26 percent by MBEs.
- (2) At least 6 percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed

a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five business days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the

City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within 90 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 90 days after the commencement thereof,

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for 90 days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer,

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement, except for a Permitted Transfer or with respect to a pledge of any interest in the Developer to a lender providing Lender Financing and the enforcement of such pledge, the sale or transfer of [33%] of the ownership interests of Owner without the prior written consent of the City;

(l) the failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer; or

(m) failure to provide the City with an Annual Compliance Report within sixty (60) days of when it is due, as set forth in Section 8.20.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds and seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

For an Event of Default caused by failing to provide the City with an Annual Compliance Report, in addition to any other remedy the City may choose to pursue, Developer shall be required to pay to City \$10,000, as liquidated damages, for each such Event of Default.

15.03 Curative Period. (a) In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default, provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it

has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Any performance of Developer duties, obligations or rights (including cure rights) that is offered to the City by either CSE or Owner on behalf of the Developer collectively will be evaluated and accepted or rejected by the City as though offered by both of the Developer parties.

Notwithstanding anything to the contrary contained herein, the City hereby agrees that any cure of any default made or tendered by Investor Member or any Lender shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by Developer.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any liability or Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest

hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18 MISCELLANEOUS

18.01 Amendment This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto, provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "Amaterial" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest, or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City

18.08 Counterparts This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 Assignment. Except in connection with a Permitted Transfer, Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Owner may collaterally assign its respective interests in this Agreement to any of its lenders identified to the City as of the Closing Date, or to any lenders identified after the Closing Date and approved by the City, if any such lenders require such collateral assignment. Any successor in interest to Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.19 (Real Estate Provisions) and 8.25 (Survival of Covenants) hereof, for the Term of the Agreement. Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.15 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein) Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right

18.16 Force Majeure Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer is required to provide notice under the WARN Act, Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and

(C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock

of Developer Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened. any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By _____

Exhibit A

In those instances, the Disclosing Party and its affiliates charge normal and customary fees. The Disclosing Party and its affiliates also from time to time contract with companies or firms associated with City officials and employees and their spouses/domestic partners. Such contracts are entered into on an arm's length basis.

With respect to Section V(B)(2): The Disclosing Party, to the best of its knowledge, certifies the statements contained in Section V(B)(2) that (i) it is not delinquent in the payment of any material tax administered by the Illinois Department of Revenue and (ii) neither the Disclosing Party nor its affiliates are delinquent in paying any material fine, fee, tax or other charge owed to the City of Chicago except for possible delinquencies in paying a fine, fee, tax or other charge related to (i) property mortgaged to the Disclosing Party or its affiliates, (ii) property owned by the Disclosing Party or its affiliates and leased to others, (iii) foreclosed property now owned by the Disclosing Party or its affiliates, (iv) property owned or held by the Disclosing Party or its affiliates as a fiduciary or nominee and (v) fines, fees, taxes or other charges that are being contested in good faith by the Disclosing Party or its affiliates by appropriate legal proceeding.

In addition, to the best of the Disclosing Party's knowledge, the Disclosing Party has not, in the past five years, been found after a judicial or administrative hearing to be in violation of any environmental law or regulation, except for possible violations related to (i) property mortgaged to the Disclosing Party, (ii) property owned by the Disclosing Party and leased to others, (iii) foreclosed property now owned by the Disclosing Party and (iv) property owned or held by the Disclosing Party as a fiduciary or nominee.
