This Planned Development is divided into Subareas (each, a “Subarea” and collectively, the “Subareas”) as indicated on the attached Subarea Map.
2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation (“CDOT”) on behalf of the Applicant or its successors, assign or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Department of Planning and Development (the “Department”) and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

without limitation, war, riot, insurrection, rebellion, strike, lockout, fire, flood, storm, earthquake, tornado, unavoidable casualty or damage to personnel, material or equipment, or act of God, and provided that completion may be delayed if consistent with good landscape practice or if necessary to accommodate construction of later phases of development, but not longer than one year following receipt of the final occupancy certificate.

The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
12. The Plans are deemed to be in conformance with the Landscape Ordinance and other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department. change any of the buildings from primarily residential to primarily non-residential, such change shall be approved administratively pursuant to Section 17-13-0611-A. For purposes of example, an office or hotel building may be built instead of a residential building as long as approved administratively as set forth herein.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all new buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of site plan approval, all new buildings must demonstrate substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Planning and Development.
17. As contemplated by Section 17-13-0612 of the Chicago Zoning Ordinance, construction of the improvements contemplated by this Planned Development will be completed in phases. Unless construction of the improvements in one subarea (which includes at least one residential building) has commenced within six years following adoption of this Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this Planned Development shall expire, and the zoning of the Property shall automatically revert to the DX-7 Downtown Mixed-Use District. Notwithstanding any provisions of Section 17-13-0612 to the contrary, the completion of the improvements in a subarea as evidenced by the issuance of a certificate of occupancy shall be deemed to vest for purposes of this Statement 17 and Section 17-13-0612.
18. The Applicant acknowledges and agrees that, as a planned development in a downtown zoning district, the development triggers Section 2-45-110(b)(4)(iii) of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). Pursuant to Section 2-45-110(b)(4)(iii), the Applicant may elect to satisfy the ARO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [ ] ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must

provide, at the Applicant's option, affordable units in one or more of the buildings in this Planned Development ("Eligible Building") consisting of at least 123,686 square feet of floor area (the "Affordable Units"), make a cash payment in lieu of providing affordable housing in the amount of Eight Million Seven Hundred Seven Thousand Four Hundred Sixty-Eight and 00/100 Dollars (\$8,707,468) ("Cash Payment") or a combination of providing affordable units and making the Cash Payment, in which event the amount of Affordable Units and Cash Payment required shall be adjusted to account for the combination selected. The Cash Payment shall be prorated among the buildings to be constructed on the Property. The portion of the Cash Payment due for each building shall be determined by multiplying the Cash Payment by a fraction, the numerator of which is the floor area in the subject building and the denominator of which is the total floor area permitted in this Planned Development (the "Pro Rata Cash Payment"). For purposes of example, if the building in Subarea A contains 636,185 square feet of floor area, the Cash Payment due for such building would be \$2,239,370.75 ( $\$8,707,468 * (636,185 / 2,473,713)$ ).

Prior to the issuance of any building permits for an Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment (which shall be prorated as set forth herein) or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units for some or all of the buildings constructed on the Property or for all or part of the obligations under the ARO imposed hereunder, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the pro rata portion of Pro Rata Cash Payment attributable to the floor area of the Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

**Re: Application for Waterway Residential-Business Planned Development  
1000 S. Wells (Chicago), LLC**

Dear Chairman Solis and Chairman Cabrera:

The undersigned, David L. Reifman, an attorney with the law firm of DLA Piper LLP (US), which firm represents 1000 S. Wells (Chicago), LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 10, 2015, and a source for additional information on the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

**DLA Piper LLP (US)**

**FIRST CLASS MAIL**

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 10, 2015, the undersigned, on behalf of 1000 S. Wells (Chicago), LLC (the "Applicant"), intends to file an application to rezone the property located at 650-658 S. Wells and 700-758 S. Wells; 223-313 W. Harrison Street; 301-321 W. Polk Street and 201-249 W. Polk Street, Chicago, Illinois from the DX-7 Downtown Mixed-Use District to a Waterway Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently vacant. The Applicant seeks approval of plans for a residential/mixed-use project containing multiple buildings to be constructed in phases. The project will include an overall maximum 8.75 FAR and approximately 2,700 residential dwelling units. The project will include residential, public and civic, commercial and recreational uses, parking, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant, which is a venture of CMK Companies Ltd. and Lend Lease River South Properties LLC, owns a portion of the development site and has an address of c/o CMK Companies, 225 W. Ohio Street, Chicago, Illinois 60654 and is the contract purchaser of the remainder of the development site, which is currently owned by Franklin Point Equities, LLC, whose address is c/o Kleinberg Kaplan Wolff Cohen, 551 Fifth Avenue, New York, New York, 10176

Please contact my colleague, Katie Jahnke Dale, at 312-368-2153 or me at 312-368-3162 with questions or to obtain additional information.

Very truly yours,

**DLA Piper LLP (US)**
