**WHEREAS**, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects; and

**WHEREAS**, to induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on February 6, 2002: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the 119th and Halsted Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the 119th and Halsted Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 119th and Halsted Redevelopment Project Area." The redevelopment project area referred to above is referred to herein as the "119th and Halsted TIF Area"; and

**WHEREAS**, the City, through DPD, established a TIF Neighborhood Improvement program to fund improvements to single-family residential properties in the 119th and Halsted TIF Area (the "119th and Halsted Program") up to a maximum of \$1,000,000 and, pursuant to an ordinance adopted by the City Council on March 29, 2006, entered into an agreement with NHS ("Agreement") for NHS to perform certain administrative services for the 119th and Halsted Program; and

**WHEREAS**, the City and NHS entered into a first amendment to the Agreement ("First Amendment"), which modified certain terms and conditions of the 119<sup>th</sup> and Halsted Program and which authorized NHS to continue to provide administrative services for the expanded 119<sup>th</sup> and Halsted Program; and

**WHEREAS**, the City's obligation to provide funds under the Agreement will be met through (i) incremental taxes deposited in the Special Tax Allocation Fund of the 119th and Halsted TIF Area, or (ii) any other funds legally available to the City for this purpose; and

**WHEREAS**, by an ordinance adopted by the City Council of the City on \_\_\_\_\_, 2016, the City has approved the execution and delivery of this Second Amendment to the Agreement; and

**NOW, THEREFORE**, in consideration of the mutual promises and covenants set forth below, the parties hereto agree as follows:

## **ARTICLE I**

### **INCORPORATION AND RECITALS**

The recitals set forth above are incorporated by reference as if fully set forth herein.

## **ARTICLE II**

### **REAFFIRMATION OF REPRESENTATIONS, WARRANTIES AND COVENANTS**

NHS reaffirms each and every representation, warranty and covenant made in Article III of the Agreement. NHS reaffirms that it has insurance in force that conforms to the requirements of Section 4.9 of the Agreement.

## **ARTICLE III**

### **AMENDMENTS TO AGREEMENT, AS PREVIOUSLY AMENDED**

The Agreement, as previously amended by the First Amendment, is further amended as follows:

- (a) Substitute the following text for the current text in ARTICLE IV, Section 4.2(a):

(a) The total amount of Program Funds shall be up to \$1,500,000. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$1,400,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$1,500,000. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. Notwithstanding the foregoing, NHS understands and agrees that the City's obligation to provide Program Funds under this Agreement is expressly conditioned upon the availability of unencumbered incremental taxes in the Special Tax Allocation Fund for the 119th and Halsted TIF Area. No Grants shall be made or committed to be made by NHS hereunder when such commitment

would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

- (b) Substitute the following text for the current text in ARTICLE IV, Section 4.2(b):

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the 119th and Halsted TIF Area is \$1,500,000. This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed \$1,500,000 (or such other amount as the City may determine from time to time).

- (c) Substitute the following text for the current text in the definition of "Qualified Family":

"Qualified Family" means a family whose annual household income does not exceed 140 percent of the Median Income.

- (d) Substitute the following text for the current text in the last paragraph of ARTICLE IV, Section 4.3(b):

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

- (e) Add the following text to ARTICLE IV, Section 4.3(b):

The \$500,000 in Program Funds authorized pursuant to an ordinance adopted by the City Council on \_\_\_\_\_, 2016 shall be used to provide Grants to Eligible Homeowners who were placed on the waiting list that was generated from the Lottery conducted on June 2, 2016.

Except as set forth herein, the Agreement, as previously amended, is not further amended.

## ARTICLE IV

**WHEREAS**, to induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on February 16, 2000: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Central/West Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Central/West Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Central/West Redevelopment Project Area." The redevelopment project area referred to above is referred to herein as the "Central/West TIF Area"; and

**WHEREAS**, the City, through DPD, established a TIF Neighborhood Improvement program to fund improvements to single-family residential properties in the Central/West TIF Area (the "Central/West Program") up to a maximum of \$1,000,000 and, pursuant to an ordinance adopted by the City Council on December 12, 2007, entered into an agreement with NHS ("Agreement") for NHS to perform certain administrative services for the Central/West Program; and

**WHEREAS**, the City and NHS entered into a first amendment to the Agreement ("First Amendment") and a second amendment to the Agreement ("Second Amendment"), each of which modified certain terms and conditions of the Central/West Program and which authorized NHS to continue to provide administrative services for the expanded Central/West Program; and

**WHEREAS**, the City now desires to further amend the Agreement, as previously amended, with NHS in order to provide an additional \$1,000,000 to the Central/West Program and to authorize NHS to continue to provide administrative services under the expanded Central/West Program ("Third Amendment"); and

**WHEREAS**, the City's obligation to provide funds under the Agreement will be met through (i) incremental taxes deposited in the Special Tax Allocation Fund of the Central/West

TIF Area, or (ii) any other funds legally available to the City for this purpose; and

**WHEREAS**, by an ordinance adopted by the City Council of the City on \_\_\_\_\_, 2016, the City has approved the execution and delivery of this Third Amendment to the Agreement; and

**NOW, THEREFORE**, in consideration of the mutual promises and covenants set forth below, the parties hereto agree as follows:

**ARTICLE I**

**INCORPORATION AND RECITALS**

The recitals set forth above are incorporated by reference as if fully set forth herein.

**ARTICLE II**

**REAFFIRMATION OF REPRESENTATIONS, WARRANTIES AND COVENANTS**

NHS reaffirms each and every representation, warranty and covenant made in Article III of the Agreement. NHS reaffirms that it has insurance in force that conforms to the requirements of Section 4.9 of the Agreement.

**ARTICLE III**

**AMENDMENTS TO AGREEMENT, AS PREVIOUSLY AMENDED**

The Agreement, as previously amended by the First Amendment and Second Amendment, is further amended as follows:

(a) Substitute the following text for the current text in ARTICLE IV, Section 4.2(a):

(a) The total amount of Program Funds shall be up to \$2,000,000. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$1,800,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$2,000,000. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. Notwithstanding the foregoing, NHS understands and agrees that the City's obligation to provide Program Funds under this Agreement is expressly conditioned upon the availability of unencumbered incremental taxes in the Special Tax Allocation Fund for the Central/West TIF Area. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the

available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) Substitute the following text for the current text in ARTICLE IV, Section 4.2(b):

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the Central/West TIF Area is \$2,000,000. This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed \$2,000,000 (or such other amount as the City may determine from time to time).

(c) Substitute the following text for the current text in the last paragraph of ARTICLE IV, Section 4.3(b):

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

Except as set forth herein, the Agreement, as previously amended, is not further amended.

#### ARTICLE IV

##### OBLIGATION TO PROVIDE DOCUMENTS

NHS shall execute and deliver to DPD such documents as may be required by the Corporation Counsel of the City, including, but not limited to, the City's current form of Economic Disclosure Statement.

**IN WITNESS WHEREOF**, the City and NHS have executed this Third Amendment as of the date first set forth above.
