3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Business Planned Development: Residential Units; Permitted uses in the Commercial Use Group; Wireless Communications Facilities; and accessory uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 11,857 square feet, a base FAR of 7.0 and 1.0 FAR bonuses for a total FAR of 8.0.

9. The Applicant acknowledges and agrees that the rezoning of the Property from DS-3 to DX-7, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project as affordable units (the "Affordable Units"), or provide the Affordable Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii); provided, however, in higher income areas, residential housing projects with 20 or more units must provide a minimum of 25% of the Affordable Units on-site or off-site (the "Required Units"). If the developer elects to provide Affordable Units off-site, the off-site Affordable Units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. This Planned Development is located in a "higher income area" within the meaning of the ARO and permits the construction of 90 housing units. As a result, the number of Affordable Units is nine (9) and the number of Required Units is two (2), calculated as follows:  $90 \text{ housing units} \times 10\% = 9 \text{ Affordable Units}$   $9 \text{ Affordable Units} \times 25\% = 2.25$ , which is rounded down to two (2) Required Unit pursuant to Section 2-45-115(R). The Applicant agrees that the Affordable Units must be affordable to households earning no more than 60% of the median household income for the Chicago Primary Metropolitan Statistical Area ("AMI") in the case of rental units, and 100% of the AMI in the case of owner-occupied units. If the Applicant subsequently reduces (or increases) the number of housing units in the

Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(K)(2). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Property, or the applicable portions thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement [ ], including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance.
