16. To further these goals, the Applicant agrees to: (a) provide a landscaped 60 foot high arcaded street level river setback and continuous riverwalk that is between 25' and 45' as indicated on the Site Plan and Composite Landscape Plan ("Street Level Riverwalk Deck"); and (b) permit connection by others to the property's river level dock space to the setback and riverwalks of adjacent properties when the river edges of the adjacent properties are similarly improved. The Street Level Riverwalk Deck and river level dock space when connected to adjacent properties shall be un-gated and access thereto open to the public free of charge with signage indicating that the Street Level Riverwalk Deck is open to the public daily from 6:00 am to 11:00 pm. All improvements within the Street Level Riverwalk Deck and river level dock space setback must be substantially completed prior to receipt of a final Certificate of Occupancy for the principal building, provided that planting may be delayed, if consistent with good landscape practice, but not longer than one year following receipt of the occupancy certificate.
17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the Waterway-Business Planned Development dated February 28, 2018.
