4.06 Cost Overruns. The Developer shall be solely responsible for any Project costs in excess of those set forth in the Project Budget and shall hold the City harmless from any and all such costs.

(2) The City's Monitoring and Compliance Unit has verified that the Developer is in full compliance with City requirements set forth in Exhibit D, Construction Requirements (M/WBE, City Residency and Prevailing Wage) with respect to construction of Phase II.

7.02 Effect of Issuance of Certificate: Continuing Obligations. The Certificate relates only to the performance of the work associated with the Project improvements. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein unrelated to such work will remain in effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.05(a) and 8.14 as covenants that run with the land will bind any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee under Section 15.15 of this Agreement.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, no Certificate will ever be issued, and the City will have the right to terminate this Agreement. If this occurs, no City Funds will ever be paid to the Developer. In addition, if the Project's TIF-Funded Improvements include any public improvements, the City will have the right (but not the obligation) to complete such public improvements and the Developer must immediately reimburse the City for all reasonable costs and expenses incurred in completing such public improvements.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DHED shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer is an Illinois not-for-profit corporation duly organized, validly existing, qualified to do business in Illinois;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Incorporation, by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) during the term of this Agreement, the Developer will continue to own good, indefeasible title to the Property (and all improvements thereon), free and clear of all liens except for the Permitted Liens and such other matters as DHED may consent to in writing;

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, certificates and consents necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any agreement or instrument related to the borrowing of money to which the Developer is bound or for which the Property serves as collateral;

(i) any financial statements provided to the City are and will be, at the time of submittal, true, complete and correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) the Developer shall not directly or indirectly do any of the following without the prior written consent of DHED, which consent shall be in DHED's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) sell (including, without limitation, any sale and leaseback), transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property; or (3) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City;

S:\Share:\Finance\ComerGardenStreamlineRA payasyougo

(l) the Property shall only be used as a garden, as described in the Description of Project in Exhibit B, attached hereto, until the date the Area is no longer in effect.

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract (as defined below), including while this Agreement or any Other Contract is executory, (ii) the term of this Agreement or any Other Contract between Developer and the City, and/or (iii) any period while an extension of this Agreement or any Other Contract with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever

designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.02 Covenant to Redevelop. The Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the Redevelopment Plan, the TIF Ordinances, the Project Budget and all amendments thereto, and all applicable federal, state and local laws, ordinances, rules, regulations, executive orders and codes. The covenants set forth in this Section shall run with the land but shall be deemed satisfied and shall terminate when the City issues its Certificate for recording in the Recorder's Office of Cook County.

8.03 Use of City Funds. City Funds shall be used by the Developer solely to reimburse the Developer for its payment for the TIF-Funded Improvements.

8.04 Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Area; provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. If any such bonds are issued, the City may use the proceeds thereof to reimburse the Developer for any amounts remaining due under this Agreement.

8.05 Operating and Jobs Covenants. (a) The Developer covenants that during the Compliance Period, the Property will be used for the purposes described in Exhibit B, the Project Description, attached hereto. (b) The Developer will use its best efforts to provide 2 full time jobs and 89 part-time jobs during the Compliance Period, however Section 8.05(b) shall not be an Event of Default

The covenant set forth in this Section 8.05(a) shall run with the land and be binding upon any permitted transferee, if any, for the period set forth this Section 8.05(a).

8.06 Arms-Length Transactions. Unless disclosed in the approved Project Budget or unless DHED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DHED's request, prior to any such disbursement.

8.07 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect

thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Area.

8.08 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.09 Financial Statements. The Developer shall provide DHED with financial statements for each fiscal year within 90 days of the close of such fiscal year and, at DHED's request, shall provide such interim statements as DHED may require.

8.10 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit L.

8.11 Non-Governmental Charges. Except for the Permitted Liens, and subject to the next sentence, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

8.12 Compliance with Laws. The Property and the Project are and shall be operated in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes.

8.13 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. If the Permitted Liens include any existing mortgages, such mortgagee must execute a subordination agreement in the form of Exhibit J.

8.14 Real Estate Provisions; Governmental Charges. Subject to the next paragraph, the Developer will pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances, including, but not limited to, general real estate taxes.

The Developer has the right, before any delinquency occurs, to contest any Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

8.15 Intentionally Omitted

8.16 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate

and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.17 Annual Compliance Report. Beginning with the calendar year in which the Certificate is issued and continuing throughout the Compliance Period, the Developer shall submit to DHED the Annual Compliance Report by February 1st of the year following the end of the calendar year to which the Annual Compliance Report relates. For example, if the Certificate is issued in 2012, then the first Annual Compliance Report will be due no later than February 1, 2013.

SECTION 9. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

SECTION 10. INDEMNIFICATION

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner directly or indirectly relating or arising out of this Agreement or the Project. SECTION 11. MAINTAINING RECORDS / RIGHT TO INSPECT

The Developer shall (a) comply with the requirements of Paragraph H of Exhibit D during the Term of the Agreement and cause the other applicable parties to comply with such requirements, and (b) upon three (3) business days' notice, permit any authorized representative of the City to have access to all portions of the Project and the Property during normal business hours to confirm the Developer's compliance with its obligations under this Agreement.

SECTION 12. DEFAULT AND REMEDIES

12.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 12.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(b) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(c) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(e) the dissolution of the Developer or the death of any natural person who owns a 50% or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the DHED's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement; or

(f) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns 5% or more ownership interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns such a material interest in the Developer, for any crime (other than a misdemeanor).

12.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy. However, the City shall not be entitled to recover any City Funds previously paid to the Developer unless the Event of Default involves the Use of Property Covenant in Section 8.05(a) herein.

12.03 Curative Period. In the event the Developer fails to perform any covenant or obligation or breaches any representation or warranty which the Developer is required to perform under this Agreement, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from

the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. No such cure period, however, shall apply to Events of Default described in Section 12(b), (c), (d), (e) or (f), which defaults shall have the cure periods described therein, if any. 15.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

EXHIBIT D

Construction Requirements

A. Construction Contract. Upon DHED's request, the Developer must provide DHED with a certified copy of construction contracts, together with any modifications, amendments or supplements thereto, and upon DHED's request, a copy of any subcontracts.

B. Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer must require any contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

C. Employment Profile. Upon DHED's request, the Developer, all contractors and all subcontractors must submit to DHED statements of their respective employment profiles.

D. Prevailing Wage. The Developer, all contractors and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer all contractor or subcontractors to evidence compliance with this Paragraph D.

E. Employment Opportunity. The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(1) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment

S:\Share\Finance\ComerGardenStreamlineRA payasyougo

without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(2) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(3) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(4) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(5) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(6) Failure to comply with the employment obligations described in this Paragraph E shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

F. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its contractors and shall cause all contractors to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, all contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, all contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, all contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DHED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, all contractors and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DHED, affidavits and other supporting documentation will be required of the Developer, all contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, all contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, all contractors and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Paragraph F to be included in all construction contracts and subcontracts related to the Project.

G. The Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate all contractors and subcontractors to agree that, during the Project:

(1) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Paragraph G, during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit E-2 (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 24 percent by MBEs.
- ii. At least 4 percent by WBEs.

2. For purposes of this Paragraph G only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(3) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Paragraph G. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(4) Prior to the City's issuance of a Certificate, the Developer shall provide to DHED a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by

S:Share:Finance\ComerGardenStreamlineRA payasyougo

the Developer or all contractors to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DHED in determining the Developer's compliance with this MBE/WBE commitment. DHED has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(5) Upon the disqualification of any MBE or WBE all contractors or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified contractors or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(6) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Paragraph G shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(7) Prior to the commencement of the Project, the Developer, all contractors and all major subcontractors shall be required to meet with the monitoring staff of DHED with regard to the Developer's compliance with its obligations under this Paragraph G. During this meeting, the Developer shall demonstrate to DHED its plan to achieve its obligations under this Paragraph G, the sufficiency of which shall be approved by DHED. During the Project, the Developer shall, upon the request of the monitoring staff of DHED, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DHED, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.

H. Books and Records. The Developer, all contractors and each subcontractor shall keep and maintain books and records that fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto and as otherwise necessary to evidence the Developer's compliance with its obligations under this Agreement, including, but not limited to, payroll records, general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices and the like. Such books and records shall be available at the applicable party's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense.

I. Incorporation in Other Contracts. All contractors and each subcontract shall include a rider incorporating Paragraphs C, D, E(5) and H of this Exhibit D and the insurance requirements in Exhibit L. The general contract shall also incorporate in such rider Paragraphs F and G of this Exhibit D.

Opinion of Developer's Counsel

[To be retyped on the Developer's Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");
- [(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]
- (c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. **[Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]**

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages must be borne by Developer.

The Developer agrees that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The Developer expressly understands and agrees that any coverages and limits furnished by the Developer must in no way limit the Developer's liabilities and responsibilities specified within the Agreement documents by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Developer under the Agreement.

The required insurance must not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity in this Agreement given as a matter of law.

The Developer must require the Contractor to provide the insurance required herein, or Developer may provide the coverages for the Contractor. All Contractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If the Developer, or any Contractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.
