A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this Planned Development and any City ordinances or policies in effect at the time of submission of the Site Plan.

Following approval by the Commissioner, the approved Site Plan(s) shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this Planned Development. The approved Site Plans may be changed or modified pursuant to the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

(D) The improvements indicated on the Site Plan to the west side of North Maplewood Avenue and the east side of North Rockwell Street for Subarea A are not part of this Planned Development; they are to be designed and constructed by others. Otherwise, notwithstanding any statement to the contrary, this Planned Development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of the Planned Development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this Planned Development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

11. The terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner of the Department of Planning and Development, upon the application for such a modification by the Applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor in nature, appropriate and consistent with the nature of the improvements contemplated in this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611-A of the Chicago Zoning Ordinance.
12. The Applicant acknowledges that it is in the public interest to design, construct and renovate all buildings in a manner that provides healthier environments, reduces operating costs and conserves energy and resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within the Property in a manner generally consistent with the Leadership in Energy and Environmental Design ("L.E.E.D.") Green Building Rating System. Copies of these standards may be obtained from the Department of Planning and Development. In furtherance of these goals, the Applicant shall provide green roof areas on buildings in each subarea equal to twenty-five percent (25%) of the net roof area. "Net roof area" is defined as total roof area minus any required perimeter setbacks, rooftop structures and

roof-mounted equipment. Furthermore, consistent with the intended use of the Subarea A Building as described in Statement 10 above, the Applicant shall design and construct the Subarea A Building so as to receive Leadership in Energy and Environmental Design ("L.E.E.D.") Gold Certification criteria.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office of People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. Unless substantial construction of the improvements contemplated in subarea A has commenced within six (6) years of the effective date hereof and unless completion of those improvements is thereafter diligently pursued, then this Planned Development shall expire and the zoning shall automatically revert to classification applicable to each portion of the Property prior to the adoption of Planned Development No. 1094 or Planned Development No. 1094, as amended, as the case may be. The six (6) year period may be extended for up to one (1) additional year if, before expiration, the Commissioner of the Department of Planning and Development determines that good cause for an extension is shown.

West Diversey Avenue; the alley next east of North Maplewood Avenue; a line 75 feet south of Diversey Avenue; North Maplewood Avenue; and the north line of Chicago and Northwestern Railroad right-of-way

(hereafter the "Property") will be filed on or about July 20, 2011 with the Department of Housing and Economic Development, City of Chicago by GX Chicago, LLC, 1030 W. Chicago, Ave., Suite 300, Chicago, Illinois 606022 (hereinafter the "Applicant"). The addresses that correspond to the Property are 2743-57 N. Rockwell Street; 2515-2615 W. The Property currently consists of three parcels: 1) the West Parcel which is improved with a one story commercial building; 2) the parcel on the south side of Diversey between Maplewood and Rockwell which is improved with a four story, approximately 270,000 sq. ft. retail and office building commonly known as the Green Exchange ("Gx Parcel"); and 3) the parcel at the southeast corner of Diversey and Maplewood a portion of which was previously approved for accessory off-street parking to serve the building on the Gx Parcel (the "Parking Parcel") and the property at 2753 N.
