Any such designation and determination by the Authorized Officer shall be signed in writing by the Authorized Officer and filed with the City Clerk and shall remain in full force and effect for all purposes of this ordinance unless and until revoked, such revocation to be signed in writing by the Authorized Officer and filed with the City Clerk. As used herein, the term "Chief Financial Officer" shall have the meaning given to such term in Section 1-4-090(k) of the Municipal Code of Chicago (the "**Municipal Code**").

The provisions for execution, signatures, authentication, payment and prepayment, with respect to the Bonds shall be as set forth in the Bond Indenture and the form of the Bonds therein.

The Authorized Officer is hereby authorized to execute and deliver the Bond Indenture on behalf of the City, such Bond Indenture to be in substantially the form attached hereto as **Exhibit B** and made a part hereof and hereby approved with such changes therein as shall be approved by the Authorized Officer executing the same, with such execution to constitute conclusive evidence of such Authorized Officer's approval and the City Council's approval of any changes or revisions from the form of the Bond Indenture attached to this ordinance.

The Authorized Officer is hereby authorized to execute and deliver a Bond Tax Compliance Agreement on behalf of the City, in substantially the form of tax regulatory agreements used in previous issuances of tax-exempt bonds pursuant to programs similar to the Bonds, with appropriate revisions to reflect the terms and provisions of the Bonds and the applicable provisions of the Internal Revenue Code of 1986, as amended (the **"Code"**), and the regulations promulgated thereunder, and with such other revisions in text as the Authorized Officer executing the same shall determine are necessary or desirable in connection with the exclusion from gross income for federal income tax purposes of interest on the Bonds. The execution of the Bond Tax Compliance Agreement by the Authorized Officer shall be deemed conclusive evidence of the approval of the City Council of the terms provided in the Bond Tax Compliance Agreement.

The Authorized Officer is hereby authorized to execute and deliver the Land Use Restriction Agreement on behalf of the City in connection with the issuance of the Bonds, such Land Use Restriction Agreement to be in substantially the form attached hereto as **Exhibit D** and made a part hereof and hereby approved with such changes therein as shall be approved by the Authorized Officer executing the same, with such execution to constitute conclusive evidence of such Authorized Officer's approval and the City Council's approval of any changes or revisions from the form of the Land Use Restriction Agreement attached to this ordinance.

SECTION 4. Security for the Bonds. The Bonds shall be limited obligations of the City, payable solely from (i) all right, title and interest of the City in and to all revenues, derived or to be derived by the City under the terms of the Bond Indenture and the Loan Agreement (other than certain reserved rights of the City); (ii) the proceeds of the Bonds and income from the temporary investment thereof, as provided in the Bond Indenture; and (iii) all funds, monies and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security hereunder for the Bonds by the City or by anyone on its behalf. In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, such rights, proceeds and investment income are hereby pledged to the extent and for the purposes as provided in the Bond Indenture and are hereby appropriated for the purposes set forth in the Bond Indenture. The Bond Indenture shall set forth such covenants with respect to the application of such rights, proceeds and investment income as shall be deemed necessary by the Authorized Officer in connection with the sale of the Bonds.

SECTION 5. Sale and Delivery of Bonds. The Bonds shall be sold and delivered to, or upon the direction of, one or more underwriters (the **"Underwriters"**) to be selected by the Authorized Officer, subject to the terms and conditions of the Bond Purchase Agreement,

or, alternatively, are hereby authorized to be sold and delivered directly to one or more investors to be selected by the Authorized Officer subject to the terms and conditions of the Bond Purchase Agreement. The Authorized Officer is authorized to execute and deliver on behalf of the City, with the concurrence of the Chairman of the Committee on Finance of the City Council, the Bond Purchase Agreement in substantially the form of bond purchase agreements used in previous sales of bonds pursuant to programs similar to the Bonds, with appropriate revisions to reflect the terms and provisions of the Bonds and the fact that the Bonds may be sold to certain institutional investors at a premium or discount, and with such other revisions in text as the Authorized Officer shall determine are necessary or desirable in connection with the sale of the Bonds. The execution of the Bond Purchase Agreement by the Authorized Officer shall be deemed conclusive evidence of the approval of the City Council of the terms provided in the Bond Purchase Agreement. The distribution of the Preliminary Official Statement and the Official Statement to prospective purchasers of the Bonds and the use thereof by the Underwriters in connection with the offering and sale of the Bonds are hereby authorized, provided that the City shall not be responsible for the content of the Preliminary Official Statement or the Official Statement except as specifically provided in the Bond Purchase Agreement executed by the Authorized Officer, and provided further that, if the Bonds are sold directly to institutional investors, the City may forgo the use of a Preliminary Official Statement or Official Statement, but only if such institutional investors execute and deliver to the City "sophisticated investor" letters satisfactory to the Authorized Officer. The compensation paid to the Underwriters in connection with the sale of the Bonds shall not exceed half of one percent (0.50%) of the aggregate principal purchase price of the Bonds, exclusive of legal cost in connection therewith. In connection with the offer and delivery of the Bonds, the Authorized Officer, and such other officers of the City as may be necessary, are authorized to execute and deliver such instruments and documents as may be necessary to implement the transaction and to effect the issuance and delivery of the Bonds. Any limitation on the amount of Bonds issued pursuant to this ordinance as set forth herein shall be exclusive of any original issue discount or premium.

SECTION 6. Notification of Sale. Subsequent to the sale of the Bonds, the Authorized Officer shall file in the Office of the City Clerk a Notification of Sale for the Bonds directed to the City Council setting forth (i) the aggregate original principal amount of, sale price, maturity schedule, redemption provisions for and nature of the Bonds sold, (ii) the extent of any tender rights to be granted to the holder of the Bonds, including, without limitation, the right of the holder to tender the Bonds in exchange for one or more mortgage-backed securities held by the Bond Trustee under the Bond Indenture, (iii) the identity of the Bond Trustee, the interest rates on the Bonds, (v) the identity of any underwriters or institutional investors who purchase the Bonds directly from the City or through the Underwriters, and the compensation paid to the Underwriters in connection with such sale. There shall be attached to such notification the final form of the Bond Indenture.

SECTION 7. Use of Proceeds. The proceeds from the sale of the Bonds shall be deposited as provided in the Bond Indenture and used for the purposes set forth in the fifth paragraph of the recitals of this ordinance.

SECTION 8. Declaration of Official Intent. It is possible that a portion of the cost of the Project which the City intends to finance with the proceeds of the Bonds will have been paid from available equity monies prior to the date of this ordinance. It is the intention of the City to utilize a portion of the proceeds of the Bonds to reimburse such expenditures, to the extent they have been or will be made for those costs, to the extent allowed by the Code and

related regulations. As such, the City declares its official intent under Section 1.150-2 of the Treasury Regulations promulgated under the Code to utilize the proceeds of the Bonds as such.

SECTION 9. Additional Authorization. The Mayor, the Authorized Officer, the City Treasurer and, upon the approval and availability of the Additional Financing, the Authorized DPD Officer and Authorized DOH Officer (as defined below) are each hereby authorized to execute and deliver and the City Clerk and the Deputy City Clerk are each hereby authorized to enter into, execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

SECTION 10. Proxies. The Mayor and the Authorized Officer may each designate another to act as their respective proxy and to affix their respective signatures to each of the Bonds, whether in temporary or definitive form, and to any other instrument, certificate or document required to be signed by the Mayor or the Authorized Officer pursuant to this ordinance or the Bond Indenture. In each case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and the Authorized Officer, respectively. A written signature of the Mayor or the Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with signatures attached, shall be recorded in the Journal and filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the Authorized Officer is so affixed to an instrument, certificate or document at the direction of the Authorized Officer in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Authorized Officer in person.

SECTION 11. Volume Cap. The Bonds are obligations taken into account under Section 146 of the Code in the allocation of the City's volume cap.

SECTION 12. Developer Designation. The Developer is hereby designated as the "Developer" for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 13. Public Hearing. The City Council directs that the Bonds shall not be issued unless and until the requirements of Section 147(f)(1) of the Code, including particularly the approval requirement following any required public hearing, have been fully satisfied, and that no contract, agreement or commitment to issue the Bonds shall be executed or undertaken prior to satisfaction of the requirements of Section 147(f) unless the performance of said contract, agreement or commitment is expressly conditioned upon the prior satisfaction of such requirements. To the extent that the requirements of Section 147(f)(1) of the Code, including the public hearing, have occurred prior to the date of this ordinance, this ordinance constitutes approval for purposes of Section 147(f) of the Code. All such actions taken prior to the enactment of this ordinance are ratified and confirmed.

SECTION 14. Authorization of Fees and Expenses. The following fees and expenses are hereby authorized in connection with the Bonds: (i) an Issuer Fee in an amount equal to 1.5 percent of the par amount of the Bonds, payable to the City on the date of issuance of the Bonds, (ii) a Bond Legal Reserve Fee in the amount of 0.1 percent of the par amount of the Bonds, payable to the City on the date of issuance of the Bonds (such fee to be used to pay for other legal and other fees incurred by the City in connection with private activity bonds issued by the City), and (iii) a City Administrative Fee in an amount equal to 0.15 percent of the outstanding principal of the Bonds, accruing monthly but payable to the City on a semi-annual basis.

SECTION 15. City Loan Authorization. Upon the approval and availability of the Additional Financing, the Authorized DOH Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the City Loan. The Authorized DOH Officer is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the City Loan that do not substantially modify the terms described in **Exhibit A** hereto. Upon the execution and receipt of proper documentation, the Authorized DOH Officer is hereby authorized to disburse the proceeds of the City Loan to the Borrower.

SECTION 17. Approval of Amendment No. 1 to the Plan. Amendment No. 1 is hereby approved. Except as amended hereby, the Plan shall remain in full force and effect.

SECTION 18. Payment of Incremental Taxes. The City Council hereby finds that the City is authorized to pay an aggregate amount equal to $5,500,000 ("**City Funds**") from Incremental Taxes deposited in the general account of the TIF Fund (the "**General Account**"), to Grace CDC to finance a portion of costs included within the Project and eligible under the Act, including securing any portion of the Additional Financing. The proceeds of the City Funds are hereby appropriated for the purposes set forth in this Section 17.

SECTION 19. Maintenance and Use of TIF Fund. Pursuant to the TIF Ordinance, the City has created the TIF Fund. The Authorized Officer (or his or her designee) is hereby directed to maintain the TIF Fund as a segregated interest-bearing account, separate and apart from the City's Corporate Fund or any other fund of the City. Pursuant to the TIF Ordinance, all Incremental Taxes received by the City for the Area shall be deposited into the TIF Fund. The City shall use the funds in the TIF Fund to make payments pursuant to the terms of the Redevelopment Agreement.

SECTION 20. Donation Tax Credit Program. The City hereby approves the conveyance of the Property as a donation to Grace CDC from the City under the Donation Tax Credit Program in connection with the Project. The Authorized DOH Officer, as hereinafter defined, is hereby authorized to transfer the tax credits received by the City, if any, under the Donation Tax Credit Program in connection with the conveyance of the Property to an entity satisfactory to the Authorized DOH Officer on such terms and conditions as are satisfactory to the Authorized DOH Officer (the "**Transfer**"). The proceeds, if any, received by the City in connection with the Transfer are hereby appropriated, and the Authorized DOH Officer is hereby authorized to use such proceeds to make a grant to Grace CDC or the Borrower or another entity affiliated with Grace CDC or the Borrower, in his or her sole discretion (the "**Grantee**"), for use in connection with the Project (the "**Grant**"). The Grantee may loan or contribute the proceeds of the Grant to the Borrower for use in connection with the Project, and any such loan may be secured by a lien on the Property, which lien may be subordinated as described on **Exhibit A**. The Authorized DOH Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Transfer and the Grant. Upon the execution and receipt of proper documentation, the Authorized DOH Officer is hereby authorized to disburse the proceeds of the Grant to the Grantee.

SECTION 21. Separability. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 22. Inconsistent Provisions. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 23. No Impairment. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this ordinance or the instruments authorized by this ordinance or to render any agreement or instrument authorized hereby voidable at the option of the City or to impair the rights of the owners of the Bonds to receive payment of the principal of, premium, if any, or interest on the Bonds or to impair the security for the Bonds; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision under the Municipal Code. Sections 2-44-080, 2-44-085, 2-44-090, 2-44-100 and 2-44-105 of the Municipal Code shall not apply to the Project or the Property.

SECTION 24. Conveyance of the Property. The sale of the Project Site to Grace CDC in the amount of Seven Dollars ($7.00) is hereby approved. Notwithstanding anything herein contained to the contrary, any obligation which the Issuer may incur under this Indenture or under any instrument executed in connection herewith which shall entail the expenditure of money shall not be a general obligation of the Issuer but shall be a limited obligation payable solely from amounts assigned to the Trustee pursuant to this Indenture.

Bond Service Charges shall be payable in lawful money of the United States of America without deduction for the services of the Trustee. Subject to the provisions of Section 2.12 hereof, (a) the principal of any Bond shall be payable when due to a Holder by the Trustee, and (b) interest on any Bond shall be paid on each Interest Payment Date by check which the Trustee shall cause to be mailed on that date to the Person in whose name the Bond (or one or more Predecessor Bonds) is registered at the close of business on the Regular Record Date applicable to that Interest Payment Date on the Register at the address appearing therein.

If and to the extent, however, that the Issuer shall fail to make payment or provision for payment of interest on any Bond on any Interest Payment Date, that interest shall cease to be payable to the Person who was the Holder of that Bond (or of one or more Predecessor Bonds) as of the applicable Regular Record Date. In that event, except as provided below in this Section, when money becomes available for payment of the interest, (a) the Trustee shall, pursuant to Section 6.06(d) hereof, establish a Special Record Date for the payment of that interest which shall be not more than 15 nor fewer than 10 days prior to the date of the proposed payment, and (b) the Trustee shall cause notice of the proposed payment and of the Special Record Date to be mailed by first-class mail, postage prepaid, to each Holder at its address as it appears on the Register not fewer than 10 days prior to the Special Record Date and, thereafter, the interest shall be payable to the Persons who are the Holders of the Bonds (or their respective Predecessor Bonds) at the close of business on the Special Record Date.

Subject to the foregoing, each Bond delivered under this Indenture upon transfer thereof, or in exchange for or in replacement of any other Bond, shall carry the rights to interest accrued and unpaid, and to accrue on that Bond, or which were carried by that Bond.

Except as provided in this Section and Section 2.09 hereof, (a) the Holder of any Bond shall be deemed and regarded as the absolute owner thereof for all purposes of this Indenture, (b) payment of or on account of the Bond Service Charges on any Bond shall be made only to or upon the order of that Holder or its duly authorized attorney in the manner permitted by this Indenture, and (c) neither the Issuer nor the Trustee shall, to the extent permitted by law, be affected by notice to the contrary. All of those payments shall be valid and effective to satisfy and discharge the liability upon that Bond, including without limitation, the interest thereon, to the extent of the amount or amounts so paid. Notwithstanding anything to the contrary herein or in any of the Bond Documents, the Trustee is authorized to use funds on deposit in the Special Funds, as and when provided, to pay principal and interest on the Bonds when due.

Section 2.04 **Restriction on Issuance of Bonds.** No Bonds may be issued under the provisions of this Bond Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued hereunder, other than Bonds issued pursuant to the provisions of Section 2.09 hereof or in substitution for other Bonds, is expressly limited to the amount set forth in Section 2.01.

Section 2.05 **Limited Obligations.** The Bonds and the interest thereon are limited obligations of the Issuer, payable solely from the revenues, receipts and security pledged therefor in the Granting Clauses hereof. The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State, or any political subdivision of the State within the meaning of any constitutional or statutory provisions. None of the Issuer, the State or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

Section 2.06 **Bond Indenture Constitutes Contract.** In consideration of the purchase and acceptance of the Bonds issued hereunder by those who shall hold them from time to time,

the provisions of this Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Bonds from time to time.

Section 2.07 **Execution.** The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 2.08 **Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form on the attached *Exhibit A* duly executed by the Bond Trustee shall be entitled to any right or benefit under this Bond Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Bond Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Indenture. The Bond Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

Section 2.09 **Mutilated, Lost, Stolen or Destroyed Bonds.** In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Bond Trustee shall authenticate a new Bond, of like date, interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Bond Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Bond Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond or Bonds the Bond Trustee shall, upon the written direction of the Issuer, pay the same without surrender thereof. The Issuer and the Bond Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Bond Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.10 Transfer and Exchange of Bonds; Persons Treated as Holders. The Bond Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "Bond Register") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Bond Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Bond Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Bond Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged. In the event of a partial redemption of a Bond, the Bond Trustee shall authenticate and deliver to the Owner thereof a new Bond of like date, interest rate, maturity and denomination as the partially redeemed Bond in the amount of the unredeemed principal thereof.

In all cases in which Bonds shall be transferred or exchanged hereunder, the Bond Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Bond Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Bond Trustee shall be required to make any exchange or transfer of a Bond during a period beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Bond Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Section 2.11 Cancellation and Disposition of Bonds. Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.09, shall be cancelled upon surrender thereof to the Bond Trustee. Evidence of such surrender and cancellation shall be provided to the Issuer by the Bond Trustee, if requested in writing. Cancelled Bonds, or unissued Bond inventory held in blank by the Bond Trustee upon the maturity or total redemption of the Bonds, shall be disposed of by the Trustee in accordance with its retention policy then in effect and evidence of such disposition shall be provided by the Bond Trustee to the Issuer, if requested in writing.

Section 2.12 Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Bond Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Bond Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Bond Trustee written notice thereof, and the Bond Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Bond Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* The Issuer may, and in the case of subparagraph (ii) or (iii) below shall, discontinue use of a Securities Depository as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clauses (i), (ii) or (iii) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Bond Trustee or at the option of any registered owner of not less than $1,000,000 principal amount of Bonds, by wire transfer to any address in the

continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Bond Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent written notice provided 10 business days prior to the next applicable Regular Record Date). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Bond Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Bond Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Bond Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 2.13 **Delivery of the Bonds**. Upon execution and delivery of this Bond Indenture, and satisfaction of the conditions established by the Issuer in the Bond Resolution and in the Bond Purchase Agreement for delivery of the Bonds, the Issuer shall execute the Bonds and deliver them to the Trustee with written directions to authenticate them. The Bond Trustee shall authenticate and deliver the Bonds as provided in this Bond Indenture, but only upon the receipt of the following:

(i) An order of the Issuer directing the Bond Trustee to authenticate and deliver the Bonds (a form of which is attached hereto as **Exhibit A**) against receipt of the initial purchase price therefor;

(ii) A certified copy of the Ordinance;

(iii) Executed counterparts of this Indenture and the other Financing Documents specifically listed in the definition of Financing Documents;

(iv) An opinion of Counsel to the Issuer addressed to the Trustee to the effect that the Bonds have been duly authorized, executed and delivered and that the Bond Documents have been duly executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, subject to bankruptcy, insolvency or other laws affecting creditors' rights generally and, with respect to certain remedies which require, or may require, enforcement by a court of equity, such principles of equity as the court having jurisdiction may impose;

(v) An opinion of Bond Counsel addressed to the Trustee, substantially to the effect that this Indenture and the Bonds constitute legal, valid and binding obligations of the Issuer, subject to customary exceptions relating to bankruptcy and insolvency, and to the further effect that the interest on the Bonds is excludable from the gross income of the holders thereof for federal income tax purposes under existing law, subject to customary exceptions and this Indenture creates a lien on the Trust Estate;

(vi) An opinion of counsel for the Borrower addressed to the Trustee to the effect that the Borrower Documents have been duly authorized, executed and delivered by the Borrower and are legal, valid and binding agreements of the Borrower in accordance with their respective terms subject to customary qualifications and exceptions;

(vii) Funds the Trustee is required to receive for deposit pursuant to Section 4.02 hereof;

(viii) Reimbursement of all fees and expenses due to Trustee hereunder;

(ix) A request and authorization signed by an Authorized Issuer Representative authorizing the Trustee to authenticate and to deliver the Bonds to the Underwriter upon payment to the Trustee for the account of the Issuer of the amount specified in such request and authorization plus accrued interest, if any, thereon to the date of delivery;

(x) Evidence in writing of recordation of the Land Use Restriction Agreement (which may be in the form of a title company certified copy); and

(xi) Any other documents or opinions which the Trustee, the Issuer or Bond Counsel may reasonably require, which requirement shall be deemed to be satisfied upon the delivery of the Opinion of Bond Counsel.

Section 2.14 **Special Agreement with Holders**. Notwithstanding any provision of this Indenture or of any Bond to the contrary, with the written approval of the Borrower, the Trustee may but shall not be obligated to, enter into an agreement with any Holder providing for making all payments to that Holder of principal of and interest on that Bond or any part thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner other than as provided in this Indenture and in the Bond, without presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Trustee and the Borrower; provided, that payment in any event shall be made to the Person in whose name a Bond shall be registered on the Register, with respect to payment of principal, on the date such principal is due, and, with respect to the payment of interest, as of the applicable Regular Record Date or Special Record Date, as the case may be.

The Trustee will furnish a copy of each of those agreements, certified to be an accurate copy by an officer of the Trustee, to the Issuer and the Borrower. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Indenture.

Section 2.15 **CUSIP Numbers**. The Issuer in issuing the Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Bond, notice or elsewhere, and, *provided further* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such

numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE 3
REDEMPTION OF BONDS

Section 3.01 **Redemption of Bonds**. The Bonds are subject to redemption prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on the Initial Remarketing Date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable Redemption Date. After the Initial Remarketing Date, the Borrower, in consultation with the Remarketing Agent, may establish an optional redemption date with respect to any subsequent Remarketing Period and, thereafter, the Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on or after the applicable redemption date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable redemption date.

(b) Reserved.

(c) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in this Indenture have not been met by the dates and times set forth in Section 3.07(b) or Section 3.07(d) hereof, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(d) Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 3.02 **Partial Redemption.** In the case of a partial redemption of Bonds when Bonds of denominations greater than $5,000 are then Outstanding, each $5,000 unit of face value of principal thereof shall be treated as though it were a separate Bond of the

denomination of $5,000. If it is determined that one or more, but not all of the $5,000 units of face value represented by a Bond are to be called for redemption, then upon notice of redemption of a $5,000 unit or units, the Holder of that Bond shall surrender the Bond to the Bond Trustee (a) for payment of the redemption price of the $5,000 unit or units of face value called for redemption (including without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for issuance, without charge to the Holder thereof, of a new Bond or Bonds of the same series, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

If less than all of an Outstanding Bond of one maturity in a Book-Entry System is to be called for redemption, the Trustee shall give notice to the Depository or the nominee of the Depository that is the Holder of such Bond, and the selection of the Beneficial Ownership Interests in that Bond to be redeemed shall be at the sole discretion of the Depository and its participants.

Section 3.03 **Notice of Redemption**. Unless waived by any Holder of Bonds to be redeemed, official written notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of an official redemption notice by first-class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Register at the opening of business on the fifth day prior to such mailing, not less than 20 days nor more than 30 days prior to the date fixed for redemption. With respect to a mandatory redemption pursuant to Section 3.01(c), the Notice of Mandatory Tender provided to Holders pursuant to Section 3.06 shall serve as the notice of redemption required by this Section 3.03 and no further notice of redemption will be required to the Holders. A second written notice of redemption shall be given by the Trustee on behalf of the Issuer, as soon as practicable, by first-class mail to the Holder of each Bond which has been so called for redemption (in whole or in part) but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption of that Bond.

All notices of redemption shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;

(d) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Designated Office of the Trustee, and;

(f) that the notice of redemption is conditioned upon there being deposited with the Bond Trustee on or prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed and, in the case of any redemption premium on Bonds, that there be on deposit Eligible Funds sufficient to pay such redemption premium; and

(g) such other information as the Bond Trustee deems advisable.

Notices of redemption shall be revocable in the event that there is not on deposit with the Bond Trustee by 10:00 a.m. Central time on the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed or, in the case of any redemption premium on Bonds, there is not on deposit Eligible Funds sufficient to pay such redemption premium.

If the Bonds are not then held in a Book-Entry System, in addition to the foregoing notice, further written notice shall be given by the Trustee on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information deemed necessary in the sole discretion of the Trustee to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least 15 days before the redemption date by electronic mail, registered or certified mail or overnight delivery service to the Electronic Municipal Market Access ("EMMA") or if EMMA is not in existence, to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number (if any) identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to receive notice by mailing or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any other Bond.

Notice of any redemption hereunder with respect to Bonds held under a Book-Entry System shall be given by the Trustee on behalf of the Issuer only to the Depository, or its nominee, as the Holder of such Bonds. Selection of Beneficial Ownership Interests in the Bonds called for redemption is the responsibility of the Depository and any failure of such Depository to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds.

Section 3.04 **Payment of Redeemed Bonds.** Notice of Redemption having been given in the manner provided in this Article III, the Bonds and portions thereof called for redemption shall become due and payable on the Redemption Date, and upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, including interest accrued to the Redemption Date.

Upon the payment of the price of Bonds being redeemed or prepaid, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed or prepaid with the proceeds of such check or other transfer.

If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with interest accrued thereon to the Redemption Date, is held by the Trustee on the Redemption Date, so as to be available therefor on that date and if notice of redemption has been deposited in the mail as aforesaid, then from and after the Redemption Date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption.

All money deposited in the Bond Fund and held by the Trustee for the redemption, purchase or prepayment of particular Bonds shall be held in trust for the account of the Holders thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds

Section 3.05 Mandatory Tender

(a) Mandatory Tender for Purchase. All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

(b) Mandatory Tender Dates. The Mandatory Tender Dates shall consist of (i) the Initial Mandatory Tender Date and (ii) any subsequent dates for mandatory tender of the Bonds established in writing by the Borrower with the written consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to Section 3.07 hereof.

(c) Holding of Tendered Bonds. While tendered Bonds are in the custody of the Trustee pending purchase pursuant hereto, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

(d) Effect of Prior Redemption. Notwithstanding anything herein to the contrary, any Bond tendered under this Section 3.05 will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

(e) Purchase of Tendered Bonds. The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts deposited in the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest, if any, on Bonds tendered for purchase; (iv) amounts on deposit in the Project Fund; and (v) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(f) Undelivered Bonds. Bonds shall be deemed to have been tendered for purposes of this Section 3.05 whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds on the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Section 3.06 Mandatory Tender Notice

(a) Notice to Holders. Not less than 30 days preceding a Mandatory Tender Date, the Trustee shall, on behalf of the Issuer, give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Managing Member, the General Partner and the Remarketing Agent) by Electronic Means or by first class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (A) all Outstanding Bonds are subject to Mandatory Tender for purchase on the Mandatory Tender Date, (B) all Outstanding Bonds must be tendered for purchase no later than 12:00 Noon, Local Time, on the Mandatory Tender Date and (C) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to, but not including, the Mandatory Tender Date; and

(iv) that any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

(b) Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the 30th day following a Mandatory Tender Date, the Trustee shall, on behalf of the Issuer, mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in this Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of this Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price or redemption price applicable to the Bond.

(c) Failure to Give Notice. Neither failure to give or receive any notice described in this Section 3.06, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this Section 3.06.

Section 3.07 Remarketing of Bonds

(a) Notice of Mandatory Tender. No later than 11:00 a.m. Local Time on the 30th day prior to each Mandatory Tender Date, the Trustee shall give notice to the Borrower, the Managing Member and the Remarketing Agent by telephone or electronic mail, confirmed on the same day in writing, which states the aggregate principal amount of Bonds which are to be tendered or deemed to be tendered pursuant to Section 3.05 hereof, which shall be all Outstanding Bonds.

(b) Preliminary Conditions to Remarketing. No later than 11:00 a.m. Local Time on the 15th day prior to the Mandatory Tender Date then in effect, the Borrower may give notice to the Remarketing Notice Parties by telephone or electronic mail, confirmed on the same day in writing, that it elects to cause the Bonds to be remarketed. A remarketing of the Bonds shall be permitted only if the following conditions are satisfied no later than the time the foregoing election notice is given:

(i) Written notice by the Borrower to the Remarketing Notice Parties of the Remarketing Period pursuant to Section 3.10 of the Loan Agreement, which period shall be approved in writing by the Remarketing Agent;

(ii) Delivery to the Trustee, the Rating Agency, and the Remarketing Agent of a written preliminary Cash Flow Projection with respect to the proposed Remarketing Period;

(iii) The Borrower shall have notified the Issuer and the Trustee in writing that it has approved as to form and substance any disclosure document or offering materials which, in the Opinion of Counsel to the Remarketing Agent addressed to the Issuer and the Trustee, is necessary to be used in connection with the remarketing of the Outstanding Bonds; and

(iv) The Borrower shall have obtained the written consent of the Lender and HUD approving the remarketing of the Bonds.

(c) Remarketing. Not less than 10 days before each Remarketing Date, the Remarketing Agent shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to 100% of the principal amount of such Bonds plus, if such Remarketing Date is a date other than an Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. No later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate, the Remarketing Agent shall give notice, by telephone or electronic mail, promptly confirmed in writing, to the Remarketing Notice Parties specifying the principal amount of Bonds, if any, it has remarketed (including Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account), the Remarketing Rate(s) and the Remarketing Period applicable to the Bonds.

The Remarketing Agent shall have the right to remarket the Bonds tendered pursuant to Section 3.05 hereof; provided, however, that no Bonds shall be remarketed at a price less than 100% of the principal amount thereof plus accrued interest (if any) without the prior written consent of the Borrower and Investor Limited Partner; and provided, further, that the purchase price of any Bond paid to the tendering Holder allocable to such discount shall be paid with Eligible Funds made available therefor and on deposit with the Trustee prior to the remarketing of such Bonds. The Remarketing

Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 3.05 hereof at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an "insider" of the Issuer, the Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

(d) Final Conditions to Remarketing.

(i) If, not less than four (4) Business Days preceding the Remarketing Date:

(1) the Remarketing Agent shall have notified the Trustee in writing of the remarketing of the Outstanding Bonds and that the proceeds from the remarketing (including proceeds of remarketing of Outstanding Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account) or other funds equal to the amount needed to purchase the remarketed Bonds on the Remarketing Date are expected to be available to the Trustee on the Remarketing Date for deposit into the Remarketing Proceeds Account; and

(2) the Trustee and the Issuer shall have received written notice from the Remarketing Agent that the Rating Agency shall have received and approved a Cash Flow Projection based on the interest rate(s) to be in effect with respect to the Outstanding Bonds on and after the applicable Remarketing Date;

(3) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the Extension Payment set forth in the Cash Flow Projection for deposit (A) to the Negative Arbitrage Account of the Bond Fund with respect to the payment of Bond Service Charges during the new Remarketing Period and (B) to the Expense Fund with respect to the payment of Administrative Expenses during the new Remarketing Period;

(4) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the estimated Remarketing Expenses for deposit in the Expense Fund, or provision for the payment of the estimated Remarketing Expenses shall have been made to the satisfaction of the Trustee and the Remarketing Agent;

(5) the Trustee shall have received written notice from the Remarketing Agent that the Remarketing Agent has received written confirmation from the Rating Agency that the then current rating assigned to the Outstanding Bonds will continue to be effective on the Remarketing Date; and

(6) the Trustee shall have received an Opinion of Bond Counsel to the effect that the remarketing of the Bonds will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes;

then the Trustee shall immediately give notice, by telephone or electronic mail, which notice shall be immediately confirmed in writing, to the Remarketing Agent, the Borrower and the [Investor Limited Partner] that (a) all conditions precedent to the remarketing of the Outstanding Bonds have been satisfied and (b) the sale and settlement of the Outstanding Bonds is expected to occur on the Mandatory Tender Date. Following the Trustee's notice, the Outstanding Bonds shall be sold to the purchasers identified by the Remarketing Agent for delivery and settlement on the Mandatory Tender Date, and the Trustee shall apply (i) the funds in the Remarketing Proceeds Account of the Bond Fund on the Remarketing Date to payment of the purchase price of the Outstanding Bonds and (ii) the funds in the Expense Fund to payment of the Remarketing Expenses.

(e) Failure to Satisfy Final Conditions. If not less than four (4) Business Days preceding a Mandatory Tender Date, any condition set forth in paragraph (d) of this Section 3.07 has not been satisfied then the Remarketing Agent shall not sell any of the Outstanding Bonds on the Remarketing Date and the Trustee shall cancel all Outstanding Bonds pursuant to Section 3.08 hereof.

(f) Remarketing Proceeds. No later than 11:00 a.m. Local Time on each Mandatory Tender Date, the Remarketing Agent shall either (i) pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Bonds tendered for purchase on such Mandatory Tender Date or (ii) cause to be paid to the Trustee by the purchasers of the remarketed Bonds the purchase price plus accrued interest (if any) in immediately available funds. The proceeds from the remarketing of the Bonds shall be deposited in the Remarketing Proceeds Account, segregated from any funds of the Borrower and the Issuer and shall in no case be considered to be or be assets of the Borrower or the Issuer. Funds representing remarketing proceeds received by the Remarketing Agent after 11:00 a.m. Local Time on each Mandatory Tender Date shall be paid to the Trustee as soon as practicable upon such receipt.

(g) Delivery of Purchased Bonds. On or before the Business Day next preceding each Mandatory Tender Date, the Remarketing Agent, by telephonic advice or electronic mail, shall notify the Trustee of (i) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to Section 3.07 hereof and the purchase price, and, unless the Bonds are then in the Book-Entry System, the names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof and (ii) the principal amount of Bonds tendered for purchase on such Mandatory Tender Date which will not be sold by the Remarketing Agent pursuant to Section 3.07 hereof. Such telephonic advice shall be confirmed by written notice delivered or electronically communicated at the same time as the telephonic advice.

Bonds purchased by the Trustee on a Mandatory Tender Date that have been remarketed shall be delivered to the purchasers thereof as directed in writing by the Remarketing Agent. Bonds delivered as provided in this Section shall be registered in the manner directed in writing by the recipient thereof.

Section 3.08 Cancellation of Bonds. The Trustee shall immediately cancel Bonds if the tender price of the Bonds is paid from amounts other than proceeds derived from the remarketing of the Bond.

ARTICLE 4
FUNDS; INVESTMENTS

Section 4.01 Establishment of Funds. The following funds are hereby established and shall be maintained by the Bond Trustee under this Bond Indenture and held in trust by the Bond Trustee for the benefit of the Bonds:

(a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account (but only at such times as money is to be deposited or held in such Accounts as provided in this Indenture);

(b) Project Fund;

(c) Costs of Issuance Fund;

(d) Collateral Fund;

(e) Rebate Fund; and

(f) Expense Fund.

Each fund and account therein shall be maintained by the Trustee as a separate and distinct trust fund or account to be held, managed, invested, disbursed and administered as provided in this Indenture. All money deposited in the funds and accounts created hereunder shall be used solely for the purposes set forth in this Indenture. The Trustee shall keep and maintain adequate records pertaining to each fund and account, and all disbursements therefrom, in accordance with its general practices and procedures in effect from time to time. The Trustee may also terminate funds and accounts that are no longer needed.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer (as requested in writing) or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Indenture with respect to a deposit or use of money in the Special Funds or the Rebate Fund, or result in commingling of funds not permitted hereunder.

Section 4.02 Application of Bond Proceeds

(a) The proceeds of the Bonds in the amount of $[__________] shall be allocated, deposited or delivered by the Trustee to the Project Fund.

(b) On the Closing Date, the Trustee shall receive the Initial Borrower Deposit from or on behalf of the Borrower, which the Trustee shall deposit to the Costs of Issuance Fund.

(c) On the Closing Date, the Trustee shall deposit Eligible Funds in the amount of [$0] for deposit to the Negative Arbitrage Account of the Bond Fund.

Section 4.03 Bond Fund

On the Closing Date, there shall be deposited in the Bond Fund, from the proceeds of the sale of the Bonds, any accrued interest paid with respect to the Bonds, and in the Negative Arbitrage Account of the Bond Fund the amount set forth in Section 4.02(c) hereof, which is an amount equal to the amount of interest payments on the Bonds from the closing date to the initial Mandatory Tender Date. The portion of any Extension Payment received by the Trustee in connection with a remarketing in accordance with Section 3.07 hereof designated for the payment of Bond Service Charges shall also be deposited in the Negative Arbitrage Account.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid on or before each Interest Payment Date directly to the Trustee, and deposited in the Bond Fund, in at least the amount necessary to pay the Bond Service Charges due on the Bonds on such Interest Payment Date.

The Bond Fund (and accounts therein for which provision is made in this Indenture) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due, in the following order: (a) from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account of the Bond Fund), (b) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (c) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (d) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is hereby authorized to release from the Negative Arbitrage Account the amount set forth in the Cash Flow Projection to be released to or at the written direction of the Borrower from such account.

Section 4.04 Project Fund

Money in the Project Fund shall be disbursed in accordance with the provisions of Section 3.06 of the Loan Agreement and this Section 4.04. Upon the deposit of Eligible Funds in the Collateral Fund as provided in Section 4.06 hereof, and subject to the provisions of this Section 4.04, the Trustee shall disburse the Bond proceeds on deposit in the Project Fund to or at the written direction of the Lender, to the extent of Eligible Funds provided by the Lender, which Bond proceeds shall be used by the Lender to fund a Mortgage Loan advance, or to the Borrower to the extent of other Eligible Funds provided, for use by the Borrower to pay Costs of the Project in accordance with Section 3.06 of the Loan Agreement. Promptly upon receipt of such Eligible Funds, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund, or if the Trustee is unable for any reason to make such disbursement, to return such Eligible Funds to the party that provided them. The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested in writing by the Issuer, the Managing Member or the Borrower, after the Project has been completed and a Completion Certificate is filed as provided

in Section 4.07 hereof, the Trustee shall provide copies of the records pertaining to the Project Fund and disbursements therefrom to the Issuer and the Borrower and the Managing Member. The Trustee shall satisfy this obligation by providing statements for all periods in which there are funds in the Project Fund.

Notwithstanding any provision of the Loan Agreement or any other provision of this Indenture to the contrary, the Trustee shall not disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until Eligible Funds or other Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay Bond Service Charges), the Trustee shall determine that the aggregate principal amount that will be held in (a) the Collateral Fund and (b) the Project Fund, after the anticipated disbursement, is at least equal to the then-Outstanding principal amount of the Bonds; provided, however, to the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is hereby authorized to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (i) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund and (ii) transfer a like amount from the Collateral Fund to the Project Fund. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Interest Payment Date without further written direction.

On any Redemption Date, the Trustee shall transfer any amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Upon obtaining actual knowledge of the occurrence and continuance of an Event of Default hereunder because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to Section 6.02 hereof, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

Section 4.05 Costs of Issuance Fund

Amounts on deposit in the Costs of Issuance Fund shall be used by the Trustee to pay costs of issuance as directed in writing by the Borrower. Any amounts remaining on deposit in the Costs of Issuance Fund 30 days after the Closing Date shall be promptly returned to the Borrower or disbursed at the written direction of the Borrower.

Section 4.06 **Collateral Fund**

The Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to Section 4.02 of the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. Section 4.02 of the Loan Agreement requires the Borrower to provide written direction to the Lender to deliver or cause to be delivered the Lender Funds portion of the Eligible Funds, or to otherwise cause to be delivered Eligible Funds from any other source, to the Trustee for deposit into the Collateral Fund in an amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Costs of the Project.

The Trustee shall transfer money in the Collateral Fund as follows: (a) on each Bond Payment Date, to the Bond Fund the amount necessary to pay Bond Service Charges on the Bonds on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (b) on the Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent the Bonds are not remarketed on any Mandatory Tender Date or amounts on deposit in the Remarketing Proceeds Account of the Bond Fund are insufficient therefor; and (c) on the Maturity Date of the Bonds, to the Bond Fund the amount necessary to pay all amounts due on the Bonds on such date.

On any Redemption Date, the Trustee shall transfer all amounts then on deposit in the Collateral Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds shall be transferred to the Borrower.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, the principal component of the redemption price of any of the Bonds or the principal component of the tender price of any of the Bonds, all as provided in this Indenture.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions hereof.

Section 4.07 **Completion of the Project**

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the Completion Certificate required by Section 3.09 of the Loan Agreement. As soon as practicable after the filing with the Trustee of the Completion Certificate, any balance remaining in the Project Fund (other than the amounts retained by the Trustee as described in the Completion Certificate) shall be deposited or applied in accordance with the written direction of the Authorized Borrower Representative pursuant to Section 3.06 of the Loan Agreement, subject to Section 10.12. Provided however that if the Mortgage Loan has been assigned to FHA (with notice of such assignment to be delivered to the Trustee by an Authorized Borrower Representative), any such balance shall be paid to the Lender.

Section 4.08 **Expense Fund**

The portion of any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to Section 3.07 hereof designated for the payment of Administrative Expenses shall be deposited in the Expense Fund. The Trustee shall apply money on deposit in the Expense Fund solely for the following purposes, on the dates specified below, in the following order of priority:

(a) to transfer money to the Rebate Fund to the extent necessary to pay the Rebate Amount (if any) pursuant to Section 4.09 hereof;

(b) to pay the Ordinary Trustee's Fees and Expenses when due;

(c) to pay the Issuer Fee and the City Administrative Fee when due;

(d) to pay the Dissemination Agent Fee when due; and

(e) to pay the costs associated with the remarketing of the Bonds on the Initial Mandatory Tender Date.

To the extent money in the Expense Fund is not sufficient to pay the foregoing fees and expenses, such deficiency shall be paid by the Borrower pursuant to Section 4.04 of the Loan Agreement immediately upon written demand by the Trustee.

Section 4.09 **Rebate Fund**

Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

The Trustee shall, at the cost and expense of the Borrower, furnish to the Issuer, the Borrower and the Managing Member all information reasonably requested in writing by the Issuer, the Borrower or the Managing Member with respect to the Bonds and investments of the Funds and accounts maintained by the Trustee hereunder. The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any Rebate Amount (as defined in the Tax Regulatory Agreement) deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Bond Indenture or to the claim of any other Person, including, without limitation, the Bondholders and the Issuer. The requirements of this Section 4.09 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "**Regulations**") and shall apply except to the extent the Bond Trustee and the Issuer are furnished with an opinion of Bond Counsel or other evidence satisfactory to the Trustee and the Issuer that the Regulations contain an applicable exception. The Bond Trustee shall make all payments under the written direction of the Borrower or Rebate Analyst on their behalf.

Promptly at the end of each five-year period after the dated date of the Bonds and also upon the retirement of the Bonds, the Bond Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Bond Indenture during any period not covered by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Bond Trustee as the Borrower or rebate analyst shall reasonably request in writing. If so requested in writing by the Borrower at any time, the Bond

Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Bond Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower, or the Rebate Analyst on their behalf, pursuant to the Tax Regulatory Agreement, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such Funds, the Bond Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Bond Trustee for deposit into the Rebate Fund.

The Borrower and the Bond Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.09 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Bond Trustee, to the extent records of all calculations performed by the rebate analyst are furnished to it in writing, will retain such records until six years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Loan Agreement to the extent amounts provided hereunder and available in the Rebate Fund are insufficient for such purpose. For purposes of the computation of the Rebate Amount required under the Tax Regulatory Agreement, the Bond Trustee shall, at the cost and expense of the Borrower, make available to the Borrower and the Issuer during normal business hours all written information in the Bond Trustee's control which is requested in writing by the Borrower in connection with such computations.

Section 4.10 **Investment of Special Funds and Rebate Fund**

Except as otherwise set forth in this Section, money in the Special Funds and the Rebate Fund shall be invested and reinvested by the Trustee in Eligible Investments as designated in and at the written direction of the Authorized Borrower Representative. At no time shall the Borrower direct that any funds constituting gross proceeds of the Bonds (including, without limitation, moneys deposited in or credited to the Collateral Fund and the Negative Arbitrage Account) be used in any manner as would constitute failure of compliance with Section 148 of the Code.

Except as provided in the following paragraph, investments of money in the Bond Fund, the Project Fund and the Collateral Fund shall be invested in Government Obligations at the written directions of the Authorized Borrower Representative.

Money in the Bond Fund, the Project Fund, and the Collateral Fund may be invested in an investment described in clause (b) of the definition of Eligible Investments at the written directions of the Authorized Borrower Representative to the extent that (a) it is impractical to invest such money in Government Obligations because the amount to be invested is too small or Government Obligations are not available at that time for purchase, (b) such money is being held in the Remarketing Proceeds Account, (c) such money has been received less than 30 days prior to date on which Bonds are to mature or be paid upon redemption or mandatory tender, or (d) the Borrower has directed the Trustee in writing that such money will be needed to make a disbursement from the Project Fund prior to the date on which available Government Obligations would mature.

Absent written investment instructions, the Trustee shall invest moneys in any Account for which investments are permitted in the Federated Treasury Cash Reserves Fund (TISXX) or a successor money market fund so long as Zions Bancorporation is Bond Trustee.

Investments of money in the Bond Fund and the Collateral Fund shall mature or be redeemable at the direction of the Borrower at the times and in the amounts necessary to provide money to pay Bond Service Charges on the Bonds as they become due on each Interest Payment Date. Each investment of money in the Project Fund shall mature or be redeemable at the written direction of the Borrower to the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any of those investments may be purchased from or sold to the Trustee, or any bank, trust company, securities firm or savings and loan association which is an Affiliated Party of the Trustee. The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable hereunder to, and at the times required for the purposes of paying, Bond Service Charges when due as aforesaid, and shall do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any. Anything herein to the contrary notwithstanding, amounts on deposit in the Collateral Fund shall not be invested at a yield in excess of the yield of the Bonds.

An investment made from money credited to the Special Funds shall constitute part of that respective Fund. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be allocated to the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Special Funds shall be credited to and become part of the Bond Fund. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein. Any investment losses from moneys credited to a Fund shall be charged against the respective Fund. The Trustee shall not be liable for losses on investments made in compliance with the provisions of this Indenture.

Ratings of Eligible Investments shall be determined at the time of purchase of such Eligible Investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower hereby agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Authorized Borrower Representative's written instructions as to both the suitability and legality of the directed investments.

Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (ii) Bond proceeds and the Negative Arbitrage Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

The Bond Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

Section 4.11 Money to be Held in Trust

The funds created under this Bond Indenture shall be in the custody of the Bond Trustee in its trust capacity hereunder; and the Issuer authorizes and directs the Bond Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Bond Trustee hereby accepts. All moneys required to be deposited with or paid to the Bond Trustee under any provision of this Article IV shall be held by the Bond Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Bond Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Bond Trustee constitute part of the security for the Holders and be subject to the lien hereof.

Section 4.12 Valuation

For the purpose of determining the amount on deposit to the credit of any Special Fund, the value of obligations in which money in such Fund shall have been invested shall be computed (i) in the case of Government Obligations held in the Special Funds, at the maturity or redemption value (as applicable) as of the maturity or next redemption date and (ii) in the case of all other Eligible Investments, at the then market value thereof. The Trustee shall have no liability for the accuracy of any such valuation.

The Eligible Investments shall be valued by the Trustee as of the end of each calendar month.

Section 4.13 Nonpresentment of Bonds

In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Bond Trustee for the benefit of the Holder or Holders thereof, all liabilities of the Issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Bond Trustee to hold such funds for a period of six years after maturity of all Bonds, without liability for interest thereon, in a separate account in the Bond Fund for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Indenture or on, or with respect to, said Bond. After the expiration of such six-year period, the Bond Trustee shall return said funds to the Issuer upon its written request and the Holder or Holders of any such unpresented Bond shall be entitled to payment of said Bond only from said funds held by the Issuer. The obligation of the Bond Trustee under this Section to pay any such funds to the Issuer shall be subject to any provisions of law applicable to the Bond Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.14 Repayment to the Borrower from the Bond Fund

On any Mandatory Tender Date, any amounts in the Bond Fund in excess of the amount necessary to cover any negative arbitrage (assuming 0.00% interest earnings on all deposits) and after all of the Outstanding Bonds shall be deemed paid and discharged under the

provisions of this Indenture shall, upon written instruction to the Trustee from the Borrower, be paid to or at the direction of the Borrower. Except as provided in Section 4.09 and Section 4.13 hereof, any amounts remaining in the Special Funds (a) after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture, and (b) after payment of all fees, charges and expenses of the Trustee and the Issuer and of all other amounts required to be paid under this Indenture, the Loan Agreement, the Borrower's Tax Certificate, the Land Use Restriction Agreement and the Note, shall be paid to the Borrower to the extent that those amounts are in excess of those necessary to effect the payment and discharge of the Outstanding Bonds. Provided however that if the Mortgage Loan is in default, such excess shall be paid to the Lender.

Section 4.15 **Payment of Fees**

In connection with the issuance of the Bonds and with the Project, the Borrower will pay the following fees in the following manner:

The Bond Trustee will pay, from the Expense Fund, the following fees on behalf of the Borrower:

(i) To the Issuer, an Issuer Fee in an amount equal to 1.5% of the par amount of the Bonds, payable on the Closing Date from Borrower equity;

(ii) To the Issuer, a Bond Legal Reserve Fee in an amount equal to 0.10% of the par amount of the Bonds, payable on the Closing Date from Borrower equity; and

(iii) To the Bond Trustee, the Ordinary Trustee Fees and Expenses; and

(iv) To the Issuer, a City Administrative Fee in an amount equal to 0.15% of the outstanding principal amount of the Bonds, accruing monthly and payable to the Issuer semi-annually.

ARTICLE 5
GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 **Payment of Principal or Redemption Price of and Interest on Bonds.** The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Bond Indenture. The Issuer hereby designates the principal corporate trust office of the Bond Trustee as the place of payment for the Bonds.

Section 5.02 **Instruments of Further Assurance.** The Issuer and the Bond Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Bond Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Bond Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall

and without any further conveyance, assignment or act on the part of the Issuer or the Bond Trustee, become and be subject to the lien of this Bond Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

Section 5.03 **Recordation and Filing.** Pursuant to the Loan Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this Bond Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Bond Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Bond Trustee herein and all rights of the Bond Trustee under this Bond Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 5.04 **No Modification of Security.** The Issuer shall not, without the written consent of the Bond Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. The Bond Trustee shall not consent to any change in the maturity of the GNMA Security or the Mortgage Note, except as provided in Article VIII hereof.

Section 5.05 **Reports.** The Bond Trustee shall furnish annually, to the Borrower (which shall furnish copies thereof to HUD), the GNMA Issuer and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent copies of (a) any written reports furnished to the Bond Trustee with regard to the Project and (b) annual statements of the Bond Trustee with regard to fund balances. The Bond Trustee shall be reimbursed by the Borrower for its reasonable costs and expenses in preparing any such statements.

Section 5.06 **Tax Covenants**

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Bond Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Bond Indenture or with respect to the payments derived from the security pledged hereunder or from the Loan Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The Issuer and the Bond Trustee further covenant and agree that they will comply with and take all actions required by the Tax Regulatory Agreement. The Bond Trustee shall, at the cost and expense of the Borrower, cause to be prepared all rebate calculations required to be performed pursuant to the Tax Regulatory Agreement.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any Holder thereof. The Issuer further covenants that it shall at all

times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

ARTICLE 6
DEFAULT PROVISIONS AND REMEDIES OF BOND TRUSTEE AND HOLDERS

Section 6.01 **Events of Default.** Each of the following shall be an "Event of Default":

(a) default in the due and punctual payment of any interest on any Bond, subject to a five (5) day notice and cure period; or

(b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration, subject to a five (5) day notice and cure period; or

(c) failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed contained in this Indenture or in the Bonds, which failure shall have continued for a period of 30 days after written notice, by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written request of the Holders of a majority in aggregate principal amount of Bonds then Outstanding (unless, notwithstanding any attempt to cure such failure, it cannot be cured within 30 days and, notwithstanding, is cured within 180 days); or

(d) the occurrence and continuation of an event of default under the Loan Agreement of which the Bond Trustee has actual notice or of which the Bond Trustee is deemed to have notice pursuant to Section 7.04(i) hereof.

The Bond Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Bond Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

Section 6.02 **Acceleration.** Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding shall, by written notice delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. If the Trustee is unable to determine that sufficient funds will be available to pay (not out of the Trustee's own funds) the full amount of the principal and accrued but unpaid interest to the Holders of the Bonds as of the date of acceleration, the Trustee shall declare the principal of the Bonds immediately due and payable, but only upon written direction of Controlling Holders of the Bonds then Outstanding. Upon the occurrence of any Event of Default other than those described in Sections 6.01(a) and 6.01(b) hereof, the Trustee may, and upon written consent of all Holders of Bonds then Outstanding shall, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest thereon, to be due and payable immediately. Upon such declaration, that principal and interest shall become and be due and payable immediately. Interest on the Bonds shall accrue to the date determined by the Trustee for the tender of

payment to the Holders pursuant to that declaration; provided, that interest on any unpaid principal of Bonds Outstanding shall continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.

The provisions of the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement hereunder (after an opportunity for hearing by the Issuer and the Borrower),

(a) all sums payable hereunder (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee, and

(b) all existing Events of Default shall have been cured,

then and in every case, the Trustee shall, upon being instructed in writing by the Investor Limited Partner, waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

The Investor Limited Partner shall be entitled (but not obligated) to cure any Event of Default hereunder within the time frame provided to the Borrower hereunder. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 6.03 **Rights of Holders.** If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than 25% in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Bond Trustee shall:

(a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Bond Indenture;

(b) bring suit upon the Bonds;

(c) by action or suit in equity require the Issuer to account for its actions as if it were the trustee of an express trust for the Holders of the Bonds;

(d) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Bonds;

(e) take any action to enforce its remedies under the Loan Agreement; or

(f) take such other steps to protect and enforce its rights and the rights of the Holders of the Bonds, whether by action, suit or proceeding in aid of the execution of any power herein granted or for the enforcement of any other appropriate legal or equitable remedy.

Section 6.04 **Rights of Holders to Direct Proceedings.** Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Bond Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Bond Indenture.

Section 6.05 **Waiver by Issuer.** Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Bond Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of the State.

Section 6.06 **Application of Moneys.** If at any time after the occurrence of an Event of Default the money held by the Trustee under this Indenture (other than amounts in the Rebate Fund) shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of remedies in this Article or otherwise, shall, be applied by the Trustee as set forth in this Section 6.06.

After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all fees of the Trustee for expenses pursuant to any right given or action taken under the provisions of this Article or the provisions of the Loan Agreement, the Land Use Restriction Agreement or the Note (including without limitation, reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under this Article VI), all money received by the Trustee, shall be applied as follows, subject to Section 2.03 hereof and any provision made pursuant to Section 4.10 or Section 4.11 hereof:

(a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all of such money shall be deposited in the Bond Fund and shall be applied:

First: To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second: To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all of the Bonds shall have become due or shall have been declared to be due and payable pursuant to this Article, all of such money shall be deposited into the Bond Fund and shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds shall have been declared to be due and payable pursuant to this Article, and if that declaration thereafter shall have been rescinded and annulled under the provisions of Section 6.02 or Section 6.10 hereof, subject to the provisions of paragraph (b) of this Section in the event that the principal of all of the Bonds shall become due and payable later, the money shall be deposited in the Bond Fund and shall be applied in accordance with the provisions of Article II.

(d) Whenever money is to be applied pursuant to the provisions of this Section, such money shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee shall direct the application of such money, it shall fix the date upon which the application is to be made, and upon that date, interest shall cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee shall give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of Section 2.03 hereof for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee shall not be required to make payment of principal of a Bond to the Holder thereof, until the Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Section 6.07 **Remedies Vested in Trustee.** All rights of action, including the right to file proof of claims, under this Bond Indenture or under any of the Bonds may be enforced by the Bond Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Bond Trustee shall be brought in its name as Bond Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

Section 6.08 **Remedies of Holders.** No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Bond Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Bond Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least 25% in aggregate principal amount of the Outstanding Bonds shall have made written request to the Bond Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Bond Trustee indemnity as provided herein; and (e) the Bond Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Bond Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement

of this Bond Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over any other Holders (other than as provided herein) or to enforce any right under this Bond Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Bond Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

Section 6.09 **Termination of Proceedings.** In case the Bond Trustee shall have proceeded to enforce any right under this Bond Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Bond Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Bond Trustee shall continue as if no such proceedings had been taken.

Section 6.10 **Waivers of Events of Default.** The Bond Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the Outstanding Bonds; provided, however, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses (including reasonable fees and expenses of counsel) of the Bond Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Bond Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Bond Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 **Notice of Defaults; Opportunity to Cure Defaults.** If an Event of Default shall occur, the Trustee shall give written notice of the Event of Default, by Electronic Means or by registered or certified mail, to the Issuer, the Borrower, the Investor Limited Partner and the Remarketing Agent, within five days after the Trustee has actual notice of the Event of Default pursuant to Section 7.04(i) hereof. If an Event of Default occurs of which the Trustee has actual notice pursuant to this Indenture, the Trustee shall give written notice thereof, within 30 days after the Trustee's receipt of notice of its occurrence, to the Holders of all Bonds then Outstanding as shown by the Register at the close of business 15 days prior to the mailing of that notice; provided, that except in the case of a default in the payment of the principal of or interest on any Bond, the Trustee shall be protected in withholding such notice if the Trustee in good faith determines that the withholding of notice to the Holders is in the interests of the Holders.

ARTICLE 7
THE BOND TRUSTEE AND REMARKETING AGENT

Section 7.01 **Certain Duties and Responsibilities**. Except during the continuance of an Event of Default:

(i) The Bond Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Bond Indenture, and no implied covenants or obligations shall be read into this Bond Indenture against the Bond Trustee; and

(ii) in the absence of bad faith on its part, the Bond Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Bond Trustee and conforming to the requirements of this Bond Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Bond Trustee, the Bond Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Bond Indenture.

(b) In case an Event of Default has occurred and is continuing, the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Bond Indenture shall be construed to relieve the Bond Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) This subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Bond Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Bond Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Bond Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with directions received pursuant to Section 6.04 or the direction of the Holders of a majority in principal amount of Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee, under this Bond Indenture.

(d) No provisions of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Bond Indenture relating to the conduct or affecting the liability of or affording protection to the Bond Trustee shall be subject to the provisions of this Section.

Section 7.02 Notice of Default. Within 30 days after the occurrence of any default hereunder of which the Bond Trustee is deemed to have notice hereunder, the Bond Trustee shall transmit by first class mail, to the Holders of all Bonds then Outstanding notice of such default hereunder known to the Bond Trustee, unless such default shall have been cured or waived prior thereto; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond when due, the Bond Trustee shall be protected in withholding such notice if and so long as the Bond Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Bonds. For the purpose of this Section the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 7.03 Reserved

Section 7.04 Certain Rights of Bond Trustee. Except as otherwise provided in Section 7.01 hereof:

(a) the Bond Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document conforming to the requirements, if any, of this Bond Indenture, and believed by it to be genuine, and to have been signed or presented by the proper party or parties;

(b) any Request or Statement of the Issuer mentioned herein shall be sufficiently evidenced by an order or Request of the Issuer signed by an Authorized Issuer Representative and any resolution or ordinance of the governing body of the Issuer may be sufficiently evidenced by a Certificate of the Issuer;

(c) any notice, request, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by an Authorized Borrower Representative (unless other evidence in respect thereof be herein specifically prescribed);

(d) whenever in the administration of this Bond Indenture the Bond Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Bond Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Issuer;

(e) the Bond Trustee may consult with counsel, architects and engineers and other experts, and the written advice of such counsel, architects or engineers and other experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(f) the Bond Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Bond Indenture at the request or direction of any of the Holders of the Bonds pursuant to this Indenture, unless such Holders shall have offered to the Bond Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Bond Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion,

report, notice, request, direction, consent, order or other paper or document, but the Bond Trustee, in its discretion, may make such further inquiry or investigation into such fact or matters as it may see fit, and, if the Bond Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and the Borrower, including the Project, personally or by agent or attorney;

(h) the Bond Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder whether directly or by or through agents or attorneys, but the Bond Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney so appointed;

(i) the Bond Trustee shall not be required to take notice or be deemed to have notice of any default hereunder (except for any default due to the Bond Trustee's failure to make any of the payments required to be made by Article IV hereof) unless the Bond Trustee shall be specifically notified in writing of such default by the Issuer or the Holders of at least 25% in principal amount of Bonds affected thereby;

(j) all notices or other instruments required by this Bond Indenture to be delivered to the Bond Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Bond Trustee at the Notice Address referred to in Section 1.01 hereof;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder (including, without limitation, as Dissemination Agent); and

(l) the Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(m) Upon written request by the Rating Agency, the Trustee shall furnish to the Rating Agency the balance of funds on hand with the Trustee and other information as may be reasonably required to maintain the rating on the Bonds.

Section 7.05 **Not Responsible for Recitals or Issuance of Bonds.** The recitals contained herein and in the Bonds, except the certificates of authentication, shall be taken as the statements of the Issuer, and the Bond Trustee assumes no responsibility for their correctness. The Bond Trustee makes no representations as to the validity or sufficiency of this Bond Indenture or of the Bonds.

Section 7.06 **Bond Trustee May Hold Bonds.** The Bond Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Bond Trustee.

Section 7.07 **Reserved**

Section 7.08 **Successor Bond Trustee.** Any corporation or association into which the Bond Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any

corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, *ipso facto,* be and become successor Bond Trustee hereunder and vested with all title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.09 **Resignation by the Bond Trustee.** The Bond Trustee and any successor Bond Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by registered or certified mail to the Issuer and to each Holder of the Bonds then Outstanding; provided that no such resignation shall take effect until a successor Bond Trustee shall have been appointed and shall have accepted such appointment as provided in Section 7.11. If no successor Bond Trustee shall have been appointed and have accepted appointment within 60 days following the giving of all required notices of resignation, the resigning Bond Trustee may petition any court of competent jurisdiction for the appointment of a successor Bond Trustee. The cost of such petition shall be paid by the Borrower.

Section 7.10 **Removal of the Bond Trustee.** The Trustee may be removed at any time by an instrument or document or concurrent instruments or documents in writing delivered to the Trustee, with copies thereof mailed to the Issuer, the Remarketing Agent and the Borrower and Managing Member, and signed by or on behalf of the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding.

The Trustee also may be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding under this Indenture.

The removal of the Trustee under this Section 7.10 shall take effect upon the appointment of a successor Trustee as provided for in Section 7.11 of this Indenture.

Section 7.11 **Appointment of Successor Bond Trustee by the Holders; Temporary Bond Trustee.** If (a) the Trustee shall resign, shall be removed, shall be dissolved, or shall become otherwise incapable of acting hereunder, (b) the Trustee shall be taken under the control of any public officer or officers, or (c) a receiver shall be appointed for the Trustee by a court, then a successor Trustee shall be appointed by the Issuer, with the written consent of the Borrower and Managing Member; provided, that if a successor Trustee is not so appointed within 10 days after (i) a notice of resignation or an instrument or document of removal is received by the Issuer, as provided in Sections 7.09 and 7.10 hereof, respectively, or (ii) the Trustee is dissolved, taken under control, becomes otherwise incapable of acting or a receiver is appointed, in each case, as provided above, then, so long as the Issuer shall not have appointed a successor Trustee, the Holders of a majority in aggregate principal amount of Bonds then Outstanding may designate a successor Trustee by an instrument or document or concurrent instruments or documents in writing signed by or on behalf of those Holders. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, the Holder of any Bond Outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Section 7.12 **Concerning Any Successor Bond Trustee.** Every successor Trustee appointed pursuant to this Section (a) shall be a trust company or a bank having the powers of a trust company, (b) shall be in good standing within the State, (c) shall be duly authorized to exercise trust powers within the State, (d) shall have a reported capital, surplus and retained earnings of not less than $50,000,000, and (e) shall be willing to accept the trusteeship under the terms and conditions of this Indenture.

Every successor Trustee appointed hereunder shall execute and acknowledge, and shall deliver to its predecessor, the Issuer and the Borrower and Managing Member an instrument or document in writing accepting the appointment. Thereupon, without any further act, the successor shall become vested with all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of its predecessor. Upon the written request of its successor, the Issuer or the Borrower or Managing Member, and payment of all fees and expenses owed to it, the predecessor Trustee (a) shall execute and deliver an instrument or document transferring to its successor all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of the predecessor Trustee hereunder, and (b) shall take any other action necessary to duly assign, transfer and deliver to its successor all property (including without limitation, all securities and moneys) held by it as Trustee. Should any instrument or document in writing from the Issuer be requested by any successor Trustee for vesting and conveying more fully and certainly in and to that successor the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens vested or conveyed or intended to be vested or conveyed hereby in or to the predecessor Trustee, the Issuer shall execute, acknowledge and deliver that instrument or document.

Section 7.13 **Bond Trustee as Paying Agent and Bond Registrar; Additional Paying Agents.** The Bond Trustee is hereby designated and agrees to act as Paying Agent and Registrar for and in respect to the Bonds.

The Issuer from time to time may appoint one or more additional Paying Agents and, in the event of the resignation or removal of any Paying Agent, successor Paying Agents. Any such additional Paying Agent or successor Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Indenture by executing and delivering to the Issuer and the Bond Trustee a written acceptance thereof

Section 7.14 **Successor Bond Trustee as Trustee, Paying Agent and Bond Registrar.** In the event of a change in the office of Bond Trustee, the predecessor Bond Trustee which shall have resigned or shall have been removed shall cease to be Bond Trustee and Paying Agent on the Bonds and Bond Registrar, and the successor Bond Trustee shall become such Bond Trustee, Paying Agent and Bond Registrar.

Section 7.15 **Representations by Bond Trustee.** The Bond Trustee hereby represents and warrants that as of the date of execution of this Bond Indenture:

(a) It is duly organized and validly existing in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into and perform its obligations under this Bond Indenture;

(b) this Bond Indenture has been duly authorized, executed and delivered by it; and

(c) to the best of the Bond Trustee's knowledge, the execution of this Bond Indenture by the Bond Trustee does not violate laws, statutes, ordinances, regulations or agreements which are binding on the Bond Trustee.

Section 7.16 **Concerning the Remarketing Agent**. The Remarketing Agent identified in Section 1.01 hereof shall serve as the Remarketing Agent for the Bonds. The Remarketing Agent shall designate to the Trustee its Designated Office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower, the Managing Member and the Trustee. In addition, the Remarketing Agent will agree particularly to:

(a) Keep such records relating to its computations of interest rates for the Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the Issuer, the Trustee and the Borrower and the Managing Member at all reasonable times; and

(b) perform all of its functions and duties under this Indenture.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

The Remarketing Agent shall be entitled to appoint additional co-Remarketing Agents to assist in the performance of the Remarketing Agent's obligations under this Indenture, and any such appointment shall be effective without any action by the Issuer or the Borrower being necessary; provided that any such co-Remarketing Agent, shall have a capitalization of at least $5,000,000, or shall have a line of credit with a commercial bank in the amount of at least $5,000,000, shall be in conformity with all standards and requirements of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent shall take responsibility for any co-Remarketing Agent it appoints.

Section 7.17 **Qualification of Remarketing Agent**. The Remarketing Agent shall be a member in good standing of the Financial Industry Regulatory Authority having a capitalization of at least $5,000,000, or shall have a line of credit with a commercial bank in the amount of at least $5,000,000, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. Subject to the terms of the Remarketing Agreement, the Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 30 days' notice of such resignation to the Issuer, the Borrower, Managing Member and the Trustee. The Remarketing Agent may be removed, with prior notice to the Issuer, at any time by the Borrower, with at least 30 days' notice of such removal to the Remarketing Agent.

Upon any resignation or removal of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor.

The Trustee, within 30 days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency (if the Bonds are then rated) and to the Holders of the Bonds.

Section 7.18 **Information for Rating Agency and Notice of Certain Events**. The Trustee shall provide the Rating Agency upon its written request such information within the Trustee's possession as the Rating Agency shall reasonably require from time to time in order to maintain the rating on the Bonds;

The Trustee shall notify the Rating Agency and the Remarketing Notice Parties of (a) the occurrence of an Event of Default of which the Trustee has actual notice, (b) any change in the identity of the Trustee, (c) any amendments, modifications, supplements or changes to this Indenture, the Loan Agreement, the Note or the Bonds, including any extension of principal or modification of interest or redemption premium due on any of the Bonds, in each case only in the event the Trustee has actual notice, (d) any change or notification of proposed change of the Mandatory Tender Date or Remarketing Date pursuant to the remarketing of the Bonds, (e) any partial prepayment of the Loan or the giving of notice of the call for redemption of any Bonds in connection with the prepayment of the Loan, (f) any defeasance or acceleration of the Bonds hereunder, (g) any change in the Remarketing Agent or the Lender of which the Trustee has actual knowledge, (h) the occurrence of any monetary or other material default under the Loan of which the Trustee has actual notice, (i) any change or proposed change in the structure or identity of the Borrower of which the Trustee has actual knowledge, (j) any change in the investment of funds subject to the lien of this Indenture, (k) any sale of Eligible Investments below par, as shown in a Cash Flow Projection delivered to the Rating Agency prior to the sale date.

ARTICLE 8
SUPPLEMENTAL BOND INDENTURE

Section 8.01 **Supplemental Bond Indentures Not Requiring Consent of Bondholders.** The Issuer and the Trustee, without the consent of or notice to any of the Bondholders, may enter into a bond indenture or bond indentures supplemental to this Bond Indenture as shall not be inconsistent with the terms and provisions hereof or materially adverse to the interest of the Holders of the Bonds for any one or more of the following reasons:

(a) to cure any ambiguity or formal defect or omission in this Bond Indenture:

(b) to subject to the lien and pledge of this Bond Indenture additional revenues, properties or collateral;

(c) to grant to or confer upon the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Bond Trustee or any of them;

(d) to modify, amend or supplement this Bond Indenture or any bond indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statue hereafter in effect or under any state securities laws;

(e) to permit the Bond Trustee to comply with any obligations imposed upon it by law;

(f) to achieve compliance of this Bond Indenture with any applicable federal securities or tax laws or state securities laws;

(g) to maintain the exclusion from gross income for federal income taxation of interest on the Bonds;

(h) to obtain, improve or maintain the rating on the Bonds from any nationally recognized securities rating agency so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(i) in connection with any other change in this Bond Indenture which, in the judgment of the Bond Trustee, is not to the prejudice of the Bond Trustee or the Bondholders.

The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental bond indenture have been effected in compliance with the provisions of this Article.

Section 8.02 **Supplemental Bond Indentures Requiring Consent of Bondholders.** Exclusive of Supplemental Indentures to which reference is made in Section 8.01 hereof and subject to the terms, provisions and limitations contained in this Section, and not otherwise, with the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, evidenced as provided in this Indenture, and with the written consent of the Borrower if required by Section 8.05 hereof, the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of this Indenture or any Supplemental Indenture or restricting in any manner the rights of the Holders. Nothing in this Section shall permit, however, or be construed as permitting:

(a) without the consent of the Holder of each Bond so affected, (i) an extension of the maturity of the principal of or the interest on any Bond or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or

(b) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer shall request that the Trustee execute and deliver any Supplemental Indenture for any of the purposes of this Section, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by Section 8.05 hereof, receipt of the Borrower's written consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee shall, at the written direction of the Issuer, cause notice of the proposed execution and delivery of the Supplemental Indenture (which notice shall be prepared by the Borrower) to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee shall not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice required by this Section. Any

failure of that nature shall not affect the validity of the Supplemental Indenture when there has been consent thereto as provided in this Section. The notice shall set forth briefly the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Designated Office of the Trustee for inspection by all Holders.

If the Trustee shall receive, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (which instrument or document or instruments or documents shall refer to the proposed Supplemental Indenture in the form described in the notice and specifically shall consent to the Supplemental Indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder shall have consented thereto.

The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that the execution and delivery of any Supplemental Indenture have been effected in compliance with the provisions of this Article.

Any consent shall be binding upon the Holder of the Bond giving the consent and, anything herein to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the Supplemental Indenture. At any time after the Holders of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the Supplemental Indenture, as provided in this Section, no Holder shall have any right (a) to object to (i) the execution or delivery of the Supplemental Indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Section 8.03 **Amendments to Loan Agreement Not Requiring Consent of the Bondholders.** The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Loan Agreement as shall not be inconsistent with the terms of the Loan Agreement or materially adverse to the interests of the Holder of the Bonds or the Bond Trustee for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in the Loan Agreement;

(b) to grant to or confer upon the Issuer or the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Bond Trustee or either of them;

(c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;

(d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(e) in connection with any other change which, in the judgment of the Bond Trustee, is not to the prejudice of the Bond Trustee or the Bondholders.

The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.04 **Amendments to Loan Agreement Requiring Consent of Bondholders.** With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Bond Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Loan Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; provided, however, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; or (c) any action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Bond Trustee to any such amendment, change or modification of the Loan Agreement, the Bond Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental bond indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Bond Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Bond Trustee from consenting to the execution thereof. The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.05 **Consent of Borrower and Investor Limited Partner**. Anything contained herein to the contrary notwithstanding, any Supplemental Indenture executed and

delivered in accordance with this Article VIII which affects in any material respect any rights or obligations of the Borrower shall not become effective unless and until the Borrower and Investor Limited Partner shall have consented in writing to the execution and delivery of that Supplemental Indenture.

Section 8.06 **Responsibilities of Trustee**. Notwithstanding anything else contained herein, the Trustee shall not be required to enter into any Supplemental Indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.07 **Authorization to Trustee; Effect of Supplement**

The Trustee is authorized to join with the Issuer in the execution and delivery of any Supplemental Indenture in accordance with this Article and to make the further agreements and stipulations which may be contained therein. Thereafter,

(a) That Supplemental Indenture shall form a part of this Indenture;

(b) All terms and conditions contained in that Supplemental Indenture as to any provision authorized to be contained therein shall be deemed to be a part of the terms and conditions of this Indenture for any and all purposes;

(c) This Indenture shall be deemed to be modified and amended in accordance with the Supplemental Indenture; and

(d) The respective rights, duties and obligations under this Indenture of the Issuer, the Borrower, the Trustee, the Remarketing Agent and all Holders of Bonds then Outstanding shall be determined, exercised and enforced hereunder in a manner which is subject in all respects to those modifications and amendments made by the Supplemental Indenture.

Express reference to any executed and delivered Supplemental Indenture may be made in the text of any Bonds issued thereafter, if that reference is deemed necessary or desirable by the Trustee or the Issuer. A copy of any Supplemental Indenture for which provision is made in this Article, except a Supplemental Indenture described in Section 8.01(g) hereof, shall be mailed to the Holders by the Trustee. The Trustee shall not be required to execute any supplemental indenture containing provisions adverse to the Trustee.

Section 8.08 **Opinion of Counsel**. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (a) any proposed Supplemental Indenture complies with the provisions of this Indenture, and (b) it is proper for the Trustee to join in the execution of that Supplemental Indenture under the provisions of this Article. That counsel may be counsel for the Issuer or the Borrower.

Before the Issuer and the Trustee shall enter into any Supplemental Indenture, there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such Supplemental Indenture will not adversely affect the Federal Tax Status of the Bonds.

Section 8.09 **Modification by Unanimous Consent.** Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the Issuer and of the Holders, and the terms and provisions of the Bonds and this Indenture or any Supplemental Indenture, may be modified or altered in any respect with the consent of (a) the Issuer, (b) the

Holders of all of the Bonds then Outstanding, (c) the Borrower and the Investor Limited Partner and (d) if such modification or alteration contains provisions adverse to the Trustee, the Trustee.

ARTICLE 9
SATISFACTION AND DISCHARGE OF BOND INDENTURE

Section 9.01 **Discharge of Lien.** If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all Bond Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable hereunder or under the Loan Agreement, the Land Use Restriction Agreement and the Note, then this Indenture shall cease, terminate and become null and void (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and the covenants, agreements and obligations of the Issuer hereunder shall be released, discharged and satisfied.

Thereupon, and subject to the provisions of Section 9.03 hereof if applicable,

(a) the Trustee shall release this Indenture (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and shall execute and deliver to the Issuer any instruments or documents in writing, prepared by or on behalf of the Issuer, as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer;

(b) the Trustee shall release and satisfy the Note and deliver such release and satisfaction to the Borrower; and

(c) the Trustee shall assign and deliver to the Issuer any property subject at the time to the lien of this Indenture which then may be in its possession, except amounts in the Bond Fund required (i) to be paid to the Borrower under Section 4.14 hereof, or (ii) to be held by the Trustee under Section 4.13 hereof or otherwise for the payment of Bond Service Charges.

Section 9.02 **Payment and Discharge of Bonds**. All or any part of the Bonds shall be deemed to have been paid and discharged within the meaning of this Indenture, including without limitation, Section 9.01 hereof, if:

(a) the Trustee as paying agent shall have received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee shall have received, in trust for and irrevocably committed thereto, noncallable Government Obligations which are certified by an Independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subparagraph (a) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed, except as provided herein), for the payment of all Bond Service Charges on those Bonds at their maturity.

Any money held by the Trustee in accordance with the provisions of this Section may be invested by the Trustee only in noncallable Government Obligations having maturity dates, or having redemption dates which, at the option of the owner of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments held under this Section is determined from time to time by the Trustee to be in excess of the amount required to be held by the Trustee for the purposes of this Section, that income, interest or increment shall be transferred at the time of that determination in the manner provided in Section 4.14 hereof for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this Section 9.02, then within 15 days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are deemed paid and discharged, and shall set forth a description of the obligations held pursuant to subparagraph (b) of the first paragraph of this Section 9.02.

Section 9.03 **Survival of Certain Provisions.** Notwithstanding the foregoing, any provisions of this Bond Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and the duties of the Bond Trustee and the Bond Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Bond Trustee, the Bond Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Bond Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Bond Indenture.

ARTICLE 10
MISCELLANEOUS

Section 10.01 **Consents and Other Instruments of Bondholders.** Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Bond Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Bond Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Bond Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Bond Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Bond Trustee actually knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of Issuer and the Bond Trustee the pledgee's right to vote such Bonds. In case of a dispute as to such right, any decision by the Bond Trustee taken upon the advice of counsel shall be full protection to the Bond Trustee.

Section 10.02 **Limitation of Rights.** With the exception of rights conferred expressly in this Indenture, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Remarketing Agent, the Borrower, the Managing Member and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to this Indenture or any covenants, agreements, conditions and provisions contained herein. This Indenture and all of those covenants, agreements, conditions and provisions are intended to be, and are, for the sole and exclusive benefit of the parties hereto, the Remarketing Agent, the Borrower, the Managing Member and the Holders of the Bonds, as provided herein.

Section 10.03 **Severability.** If any provision of this Bond Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Bond Indenture contained shall not affect the remaining portions of this Bond Indenture or any part thereof

Section 10.04 **Notices.** All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.

Section 10.05 Payments Due on Saturdays, Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06 Priority of this Indenture. This Indenture shall be superior to any liens which may be placed upon the Revenues or any other funds or accounts created pursuant to this Indenture.

Section 10.07 Counterparts. This Bond Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

Section 10.08 Governing Law. The laws of the State shall govern the construction of this Bond Indenture and of all Bonds issued hereunder, without reference to its conflict of laws principles.

Section 10.09 No Recourse. No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Bond Indenture or the Loan Agreement against any past, present or future official, officer or employee of the Issuer or the Trustee, as such, either directly or through the Issuer or the Trustee or any successor to either, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Bond Indenture and the Loan Agreement and the issuance of the Bonds.

Section 10.10 Successors and Assigns. All the covenants and representations contained in this Bond Indenture, by or on behalf of the Issuer and the Trustee, shall bind and inure to the benefit of their respective successors and assigns, whether expressed or not.

Section 10.11 Books, Records and Accounts. The Bond Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received from the Funds created pursuant to this Bond Indenture and all other money held by the Bond Trustee hereunder. The Bond Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Bond during reasonable hours and under reasonable conditions.

Section 10.12 Mortgage Loan Documents and Regulations Control

(a) In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Indenture and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be

deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable. Notwithstanding any provision of this Indenture to the contrary, the parties hereto acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the Mortgage, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by HUD or GNMA in connection therewith.

(b) Enforcement of the covenants in this Indenture will not result in, and neither the Issuer, the Trustee nor any parties indemnified by the Borrower pursuant to this Indenture has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds, any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

(c) Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Indenture will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

(d) The Bonds are not a debt of the United States of America, HUD, FHA, GNMA or any other agency or instrumentality of the federal government, and are not guaranteed by the full faith and credit of the United States or any agency or instrumentality thereof.

(e) There is no pledge hereunder of the gross revenues or any of the assets of the Project.

(f) Nothing contained herein shall inhibit or impair the right of FHA to require or agree to any amendment, change or modification of any Mortgage Loan Documents.

(g) Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the Mortgage Loan Documents.

(h) Notwithstanding anything to the contrary in the event of an assignment or conveyance of the Mortgage Loan to the Federal Housing Commissioner, subsequent to the issuance of the Bonds, all money remaining in all funds and accounts other than the Rebate Fund and any other funds remaining under the Indenture after payment or provision for payment of debt service on the Bonds and the fees and expenses of the Issuer, Trustee and other such parties unrelated to the Borrower (other than funds originally deposited by the Borrower or related parties on or before the date of issuance of the Bonds) shall be returned to the Lender.

(i) HUD shall not have any obligation under the Disbursement Agreement (or otherwise) to continue to provide Lender Funds if there is a Borrower default under and assignment of the Mortgage Loan to HUD.

directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 10.14 **U.S.A. Patriot Act.** The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act.

Section 10.15 **Waiver of Jury Trial.** EACH OF THE ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE BONDS OR THE TRANSACTION CONTEMPLATED HEREBY.

INITIAL MANDATORY TENDER DATE: ___________ 1, 202_

The City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer"), for value received, hereby promises to pay (but only from the revenues and other assets and in the manner hereinafter described) to the Registered Owner specified above or registered assigns, the Principal Amount specified above on the Maturity Date specified above (subject to the rights of redemption and tender set forth herein), and to pay from those sources interest on the unpaid principal balance of said Principal Amount calculated at the Interest Rate on (a) ___________ 1 and ___________ 1 of each year beginning ___________ 1, 202_, (b) each Redemption Date, and (c) each Mandatory Tender Date (the "Interest Payment Dates") until the principal amount is paid or duly provided for. This Bond will bear interest from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from its date, or, if no interest has been paid or provided for, from the date of initial delivery (the "Closing Date").

This Bond shall bear interest from the Dated Date to but not including the Initial Mandatory Tender Date at the Initial Interest Rate set forth above and thereafter this Bond shall bear interest at the Remarketing Rate (as defined in the Indenture) for each subsequent Remarketing Period (as defined in the Indenture). Interest on the Bonds shall be calculated on

the basis of a 360–day year consisting of twelve 30–day months, for the actual number of days elapsed.

The principal of this Bond is payable at the designated corporate trust office of the trustee, presently Zions Bancorporation, National Association, a national banking association (the "Trustee"). Interest is payable on each Interest Payment Date by check mailed to the person in whose name this Bond (or one or more predecessor bonds) is registered (the "Holder") at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date (the "Regular Record Date") on the registration books for this issue maintained by the Trustee, as registrar, at the address appearing therein. Any interest which is not timely paid or duly provided for shall cease to be payable to the Holder hereof (or of one or more predecessor bonds) as of the Regular Record Date, and shall be payable to the Holder hereof (or of one or more predecessor bonds) at the close of business on a Special Record Date to be fixed by the Trustee for the payment of that overdue interest. Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. The principal of and interest on this Bond are payable in lawful money of the United States of America, without deduction for the services of the paying agent. While the Bonds are held in a book-entry system and in certain other circumstances, all as provided in the Indenture, principal of and interest on this Bond is required to be paid by wire transfer or other arrangement, other than any payment of the entire unpaid principal amount hereof.

This Bond is one of a duly authorized series of bonds of the City designated as its Multi-Family Housing Revenue Bonds (Grace Manor Apartments Project), Series 2022 (the "Bonds"), in the aggregate principal amount of $______________ (the "Bonds"), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on ________ ___, 2022. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by a Bond Indenture dated as of ______________ 1, 2022, from the Issuer to the Bond Trustee (the "Bond Indenture"), to which Bond Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Bond Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Bond Indenture.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. None of the Issuer, the State of Illinois or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Bond Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Bond Trustee.

The Bonds are being issued by the Issuer for the purpose of financing a loan (the "Loan") to be made to Grace Manor, LP, an Illinois limited partnership (the "Borrower"). The Loan will be used by the Borrower to pay a portion of the costs of acquiring and constructing the

Project, as defined in the Indenture and as further described in the Loan Agreement dated as of even date with the Indenture (the "Loan Agreement"), between the Issuer and the Borrower. The Bonds are special limited obligations of the Issuer, issued or to be issued under and are secured and entitled equally and ratably to the protection given by the Indenture, including payments under the Loan made to the Trustee by the Borrower.

The Bonds are subject to redemption and tender prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on any date on or after the later to occur of (a) the date that the Project is placed in service, as certified in writing by the Borrower to the Trustee, and (b) the Optional Redemption Date (as defined in the Indenture) at a redemption price equal to 100% of the principal amount of the Bonds plus accrued interest to the Redemption Date.

(b) Reserved.

(c) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

(d) Mandatory Tender. The Bonds are subject to mandatory tender in whole on each Mandatory Tender Date. Holders will not have the right to elect to retain their Bonds. Upon presentation and surrender of the Bonds by the Holder on the date fixed for tender, the Holder shall be paid the principal amount of the Bonds to be tendered, plus accrued interest on such Bonds to the tender date.

Reference is made to the Indenture for a more complete description of the Project, the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Holders of the Bonds, and the terms and conditions upon which the Bonds are issued and secured. Each Holder assents, by its acceptance hereof, to all of the provisions of the Indenture.

The Borrower is required by the Loan Agreement to cause the Lender (as defined in the Indenture) to provide on its behalf the Lender's portion of the Eligible Funds (as defined in the Indenture) to the Trustee in the amounts and at the times necessary to pay the principal of and interest (the "Bond Service Charges") on the Bonds. In the Indenture, the Issuer has assigned to the Trustee, to provide for the payment of the Bond Service Charges on the Bonds, the Issuer's right, title and interest in and to the Loan Agreement, except for Reserved Rights as defined in the Indenture. To secure its compliance with certain covenants in the Loan Agreement, the Borrower has executed and delivered a Regulatory and Land Use Restriction

Agreement, dated as of ______________ 1, 2022 (the "Land Use Restriction Agreement") among the Issuer, the Borrower and the Trustee.

Copies of the Indenture, the Loan Agreement and the Land Use Restriction Agreement are on file in the designated corporate trust office of the Trustee.

The Bond Service Charges on the Bonds are payable solely from the Revenues, as defined and as provided in the Indenture (being, generally, the amounts payable under the Loan Agreement and any unexpended proceeds of the Bonds), and are an obligation of the Issuer only to the extent of the Revenues. The Bonds are not secured by an obligation or pledge of any money raised by taxation and do not represent or constitute a debt or pledge of the faith and credit of the Issuer.

The Bonds are issuable only as fully registered bonds and, except as hereinafter provided, in printed or typewritten form, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), which shall be considered to be the Holder for all purposes of the Indenture, including, without limitation, payment by the Issuer of Bond Service Charges, and receipt of notices to, giving of consents by and exercise of rights of, Holders. There shall be a single Bond representing each maturity, and all Bonds shall be immobilized in the custody of DTC with the owners of beneficial interests in those Bonds (the "book-entry interests") having no right to receive from the Issuer Bonds in the form of physical securities or certificates. Ownership of book-entry interests in the Bonds shall be shown by book-entry on the system maintained and operated by DTC, its participants (the "Participants") and certain persons acting through the Participants, and transfers of ownership of book-entry interests shall be made only by that book-entry system, the Issuer and the Trustee having no responsibility therefor. DTC is to maintain records of the positions of Participants in the Bonds, and the Participants and persons acting through Participants are to maintain records of the purchasers and owners of book-entry interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another Securities Depository (as defined in the Indenture) or to another nominee of a Securities Depository, without further action by the Issuer and otherwise at the expense of the Borrower.

If any Securities Depository determines not to continue to act as a Securities Depository for the Bonds for use in a book-entry system, the Issuer may attempt to have established a securities depository/book-entry system relationship with another qualified Securities Depository under the Indenture. If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the owners of book-entry interests by the then Securities Depository, shall permit withdrawal of the Bonds from the Securities Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of $5,000, or any integral multiple of $5,000 in excess thereof) to the assignees of the Securities Depository or its nominee, all at the cost and expense (including costs of printing or otherwise preparing and delivering replacement Bond certificates) of those Persons requesting such authentication and delivery, if the event is not the result of Issuer action or inaction (including action at the request of the Borrower).

The Holder of this Bond shall have no right to enforce the provisions of the Bond Indenture, or to institute action to enforce the covenants therein, or to take any action with respect to any default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Bond Indenture.

Neither the Issuer nor the Borrower shall be liable for an acceleration of the Bonds or payment of additional interest thereon in the event that interest on the Bonds is declared or becomes includable in gross income for federal income tax purposes.

Modifications or alterations of the Bond Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Bond Indenture.

This Bond is transferable by the Holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Bond Trustee, but only in the manner and subject to the limitations provided in the Bond Indenture upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Bond Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Bond Trustee shall be affected by any notice to the contrary.

Subject to the limitations of the Bond Indenture and upon payment of any tax, fee or other governmental charge required to be paid with respect to such exchange, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity and interest rate.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Bond Indenture upon the occurrence of an event of default as provided in the Bond Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Bond Indenture or any indenture supplemental thereto, against any trustee, officer or employee, as such, past, present or future, of the Issuer or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released. The following abbreviations, when used in the inscription on the face of this Bond, shall be construed as though they were written out in full according to applicable laws or regulations:

ARTICLE III
PLAN OF FINANCING

Section 3.01 Issuance of Bonds; Application of Proceeds

To provide funds to finance the Loan for purposes of assisting the Borrower in paying Project Costs, the Issuer shall simultaneously with the execution and delivery hereof proceed with the issuance and delivery of the Bonds upon receipt by the Bond Trustee of the items listed in Section 2.13 of the Indenture. The Issuer agrees to deposit the proceeds of sale of the Bonds in accordance with the Indenture.

The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest, will mature and will be subject to redemption, mandatory tender and remarketing as set forth therein. The Borrower hereby approves the terms and conditions of the Indenture and the Bonds, and the terms and conditions under which the Bonds will be issued, sold and delivered and will comply with those provisions of the Indenture that contemplate action by the Borrower, all as if the Borrower were a party to the Indenture.

Pending disbursement pursuant to Section 3.06 hereof, the proceeds of the Bonds deposited in the Project Fund, together with any investment earnings thereon, shall constitute a part of the Revenues assigned by the Issuer to the Bond Trustee as security for the payment of Bond Service Charges as provided in the Indenture.

Section 3.02 The Loan. The Issuer agrees, upon the terms and conditions herein, to make the Loan to the Borrower with the proceeds received by the Issuer from the sale of the Bonds by causing such proceeds to be deposited with the Bond Trustee for disposition as provided in the Indenture. The obligation of the Issuer to finance the Loan shall be deemed fully discharged upon the deposit of the proceeds of the Bonds with the Bond Trustee. The Loan shall be evidenced by the Note payable to the Bond Trustee.

Section 3.03 Mortgage Loan to Borrower; GNMA Certificates

To provide and secure funds for the repayment of the Loan, and to provide for the delivery of the Eligible Funds, the Borrower shall simultaneously with the execution and delivery hereof,

proceed with obtaining the Mortgage Loan from the Lender and entering into the Disbursement Agreement. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan and satisfy all other terms and conditions of the FHA Commitment and the requirements of the Lender.

The Borrower represents that the Mortgage Loan is to be insured by FHA pursuant to and in accordance with the provisions of Section 220 of the National Housing Act and applicable regulations thereunder, and that the Mortgage Loan will be in the maximum original principal amount of $[22,000,000]. The Mortgage Loan will be secured on a non-recourse basis pursuant to the Mortgage Loan Documents.

In connection with the Mortgage Loan, the Borrower shall execute and deliver such documents as may be customarily utilized for insured mortgage loans under the provisions of Section 220 of the National Housing Act and applicable regulations thereunder, with such omissions, insertions and variations as may be permitted by such regulations and as may be consistent with the terms and provisions of this Loan Agreement.

Section 3.04 Acquisition and Construction

The Borrower (a) shall acquire and construct the Project with all reasonable dispatch and in accordance with the Plans and Specifications, (b) shall pay when due all fees, costs and expenses incurred in connection with that acquisition and construction from funds made available therefor in accordance with this Loan Agreement or otherwise, except to the extent being contested in good faith, and (c) shall ask for, demand, sue for, levy, recover and receive all those sums of money, debts and other demands whatsoever which may be due, owing and payable under the terms of any contract, order, receipt, writing and instruction in connection with the acquisition and construction of the Project, and shall enforce the provisions of any contract, agreement, obligation, bond or other performance security with respect thereto. It is understood that the Project is that of the Borrower and any contracts made by the Borrower with respect thereto, whether acquisition contracts, construction contracts or otherwise, or any work to be done by the Borrower on the Project are made or done by the Borrower in its own behalf and not as agent or contractor for the Issuer. The Borrower agrees that it will compensate all workers employed in the acquisition and construction of the Project as required by law.

Section 3.05 Plans and Specifications

The written Plans and Specifications will be delivered to the Bond Trustee upon request; provided that the Bond Trustee shall have no duty to review such Plans and Specifications. The Borrower may revise the Plans and Specifications from time to time, provided that no revision shall be made which would change the purpose of the Project to other than purposes permitted by the Act and the Land Use Restriction Agreement.

Section 3.06 Disbursements from the Project Fund

Subject to the provisions below and so long as no Event of Default hereunder has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to Section 8.02 hereof and Section 6.03 of the Indenture, and no Determination of Taxability has occurred, disbursements from the Project Fund shall be made only to pay Costs of the Project.

Any disbursements from the Project Fund for the payment of Costs of the Project shall be made by the Bond Trustee only upon the receipt by the Trustee of: (a) a requisition in the form attached hereto as **Exhibit B**, signed by an Authorized Borrower Representative; and (b) Eligible Funds in an amount at least equal to the amount of any such requisition for deposit in the Collateral Fund as provided in Section 4.02 hereof and in accordance with Section 4.06 of the Indenture. The Borrower hereby acknowledges and agrees that it shall submit requisitions to the Bond Trustee no more frequently than once each calendar month. Each such requisition shall be consecutively numbered and, if such requisition requests amounts corresponding to an advance of Lender Funds, accompanied by a copy of the approval of FHA or the Lender for FHA Insurance of the payments or reimbursements requested, for the portion of such requisition requiring such approval. The Bond Trustee shall not be responsible for verifying such approval has been obtained.

Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Costs of the Project, at the written direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Service Charges provided the Borrower obtains an opinion of Bond Counsel addressed to the Bond Trustee that such deposit will not adversely affect the Federal Tax Status of the Bonds. Any amounts remaining after the payment of all Bond Service Charges, if any, shall be remitted to the Borrower. Provided however that if the Mortgage Loan shall have been assigned to FHA in connection with a mortgage insurance claim, then such funds shall not be remitted to the Borrower, but shall be remitted to the Lender.

Notwithstanding any provision of this Loan Agreement or any provision of the Indenture to the contrary, the Bond Trustee shall not disburse funds from the Project Fund unless and until the Bond Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Project Fund, less the amount of the requested disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds; provided, however, the Bond Trustee shall be permitted to transfer funds from the Project Fund to the Collateral Fund upon the written direction of the Borrower in the form set forth on **Exhibit B** hereto, provided that the result of such transfer is that the amount of Eligible Funds remaining on deposit in the Project Fund plus Eligible Funds on deposit in the Collateral Fund is at least equal to then outstanding principal amount of the Bonds.

Section 3.07 **Duties and Obligations of the Borrower**

Borrower accepts the duties and obligations under the Indenture.

Section 3.08 **Borrower Required to Pay Costs in Event Project Fund Insufficient**

If money in the Project Fund is not sufficient to pay all Costs of the Project, the Borrower, nonetheless, will complete the Project in accordance with the Plans and Specifications and shall pay all such additional Costs of the Project from its own funds and other available funds. The Borrower shall pay all Costs of Issuance of the Bonds in excess of the amounts deposited in the Costs of Issuance Fund. The Borrower shall not be entitled to any reimbursement for any such additional Costs of the Project or payment of Costs of Issuance from the Issuer, the Bond Trustee or any Holder; nor shall it be entitled to any abatement, diminution or postponement of any Loan Payments or other amounts to be paid under this Loan Agreement.

Section 3.09 Completion Date

The Borrower shall notify the Issuer and the Bond Trustee of the Completion Date by the delivery of a Completion Certificate signed by the Authorized Borrower Representative substantially in the form of **Exhibit C** attached hereto. The Completion Certificate shall be delivered as promptly as practicable after the occurrence of the events and conditions referred to in paragraphs (a) and (b) of the Completion Certificate.

Section 3.10 Remarketing of Bonds

The Borrower is hereby granted the right to (a) give written notice of a remarketing of the Bonds in the manner and to the extent set forth in Section 3.07 of the Indenture and (ii) designate, in writing, the length of the Remarketing Period and the related Mandatory Tender Date in the manner and to the extent set forth in Sections 3.05 and 3.07 of the Indenture.

Section 3.11 Investment of Fund Money

At the written request of the Authorized Borrower Representative, any money held as part of the Special Funds and the Rebate Fund shall be invested or reinvested by the Bond Trustee in Eligible Investments as provided in the Indenture. The Issuer (to the extent within its control) and the Borrower each hereby covenants that it will restrict that investment and reinvestment and the use of the proceeds of the Bonds, and moneys on deposit in or credited to the Collateral Fund and the Negative Arbitrage Account of the Bond Fund, in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of delivery of and payment for the Bonds or subsequent intentional acts, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. No provision of this Loan Agreement shall be construed to impose upon the Bond Trustee any obligation or responsibility for compliance with arbitrage regulations.

The Borrower shall provide the Issuer with, and the Issuer may base its certifications as authorized by the Tax Agreement on, a certificate of an Authorized Borrower Representative for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the Borrower on the date of delivery of and payment for the Bonds regarding the amount and use of the proceeds of the Bonds and the facts, estimates and circumstances on which those expectations are based.

Section 3.12 Rebate Calculations and Payments

The Borrower shall appoint a Rebate Analyst, the expense of which shall be borne by the Borrower.

The Issuer has covenanted in the Indenture to take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds. In furtherance of this covenant, the Borrower, on behalf of the Issuer, hereby covenants (i) within sixty (60) days of the payment in full of the Bonds, to calculate, or cause to be calculated, and provide to the Bond Trustee and the Issuer such calculations in writing, with such written directions as are necessary to fully comply with the arbitrage and rebate requirements set forth in the Indenture and comply fully with Section 148 of the Code, including the timely payment of any Rebatable Arbitrage owed; and (ii) to deposit into the Rebate Fund to pay to the federal government any "Rebatable Arbitrage," to the extent required by Section 148(f) of the Code. The

Borrower further agrees to comply with the provisions and requirements of Section 4.09 of the Indenture relating to the obligation to pay to the Bond Trustee, for deposit into the Rebate Fund established under the Indenture, the "Rebatable Arbitrage" as required thereunder and under Section 148 of the Code.

If the amount then on deposit in the Rebate Fund created under the Indenture is less than the Rebatable Arbitrage (taking into account the amount or amounts, if any, previously paid to the United States), the Borrower shall, within 30 days after the date of the aforesaid calculation, deposit or cause to be deposited to the credit of the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Rebatable Arbitrage. The obligation of the Borrower to make or cause to be made such payments shall remain in effect and be binding upon the Borrower, notwithstanding the release and discharge of the Indenture or the termination of this Loan Agreement, for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law. The Borrower shall obtain such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code and shall retain such records for at least six (6) years after the maturity or retirement of the Bonds.

The Borrower further covenants that, during the term of the Bonds, in the event the Borrower sells or otherwise disposes of the Project, it will require that the transferee execute a covenant similar to that in this Section in the sale or other documents concerning the disposition and will require such transferee to include such a covenant in future transfer documents. The special covenants of the Borrower in this Section shall survive the defeasance or payment in full of the Bonds and the termination of this Loan Agreement and the Indenture, notwithstanding any other provision of this Loan Agreement, until the requirement for payment of any Rebatable Arbitrage has been fully satisfied.

The obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law, or until the Borrower has transferred the Project to an unrelated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

ARTICLE IV
LOAN PAYMENTS; ELIGIBLE FUNDS AND ADDITIONAL PAYMENTS

Section 4.01 **Loan Repayment; Delivery of Note**. In consideration of and in repayment of the Loan, the Borrower shall deliver or cause to be delivered to the Bond Trustee on or before each Bond Payment Date, a Loan Payment in an amount equal to the amount necessary to pay Bond Service Charges due on such Bond Payment Date. All such Loan Payments shall be paid to the Bond Trustee in accordance with the terms of the Note for the account of the Issuer and shall be held and disbursed in accordance with the provisions of the Indenture and this Loan Agreement.

The Borrower shall be entitled to a credit against the Loan Payments required to be made with respect to the Bonds on any date equal to the available money in the Bond Fund or money transferred thereto from the Collateral Fund or the Project Fund for the payment of Bond Service Charges on that date.

To secure the Borrower's performance of its obligations under this Loan Agreement, the Borrower shall execute and deliver, concurrently with the issuance and delivery of the Bonds, the Note and the Land Use Restriction Agreement.

The Note shall secure equally and ratably all Outstanding Bonds, except that, so long as no Event of Default has occurred and is continuing hereunder, payments by the Borrower on the Note shall be used by the Bond Trustee to make a like payment of Bond Service Charges and shall constitute Loan Payments.

Upon payment in full, in accordance with the Indenture, of the Bond Service Charges on any or all Bonds, whether at maturity or otherwise, or upon provision for the payment thereof having been made in accordance with the provisions of the Indenture, (a) the Note shall be deemed fully paid, the obligations of the Borrower thereunder shall be terminated, and the Note shall be surrendered by the Bond Trustee to the Borrower, and shall be canceled by the Borrower, or (b) an appropriate notation shall be endorsed thereon evidencing the date and amount of the principal payment (or prepayment) equal to the Bonds so paid, or with respect to which provision for payment has been made, and that Note shall be surrendered by the Trustee to the Borrower for cancellation if all Bonds shall have been paid (or provision made therefor) and canceled as aforesaid. Unless the Borrower is entitled to a credit under express terms of this Loan Agreement or the Note, all payments on the Note shall be in the full amount required thereunder.

Section 4.02 Eligible Funds

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall provide written direction to the Lender to deliver or cause to be delivered to the Bond Trustee the Lender Funds portion of the Eligible Funds, or shall otherwise cause to be delivered to the Bond Trustee, Eligible Funds from any other source, equal to the amount of the proposed disbursement. The Bond Trustee shall not deposit such funds into the Collateral Fund unless it is prepared to disburse, on the same business day if such Eligible Funds are received prior to 10 AM, and otherwise within one Business Day, an equal amount of funds from the Project Fund. All such Eligible Funds shall be paid to the Bond Trustee for the account of the Issuer and shall be held in the Collateral Fund and disbursed in accordance with the provisions of the Indenture. Upon deposit of such Eligible Funds into the Collateral Fund, the Bond Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund to the party depositing the related Eligible Funds.

The Borrower hereby covenants and agrees to repay the Loan on or before any date that any payment of interest or principal is required to be made in respect of the Bonds pursuant to the Indenture, until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, in cash or cash equivalents, a sum which, together with any other moneys available for such payment in any account of the Bond Payment Fund, will enable the Bond Trustee to pay the amount payable on such date as principal of (whether at maturity or acceleration or otherwise) and interest on the Bonds as provided in the Indenture. Payments by the Bond Trustee of principal and interest on the Bonds from amounts in the Bond Payment Fund and funds deposited in the Collateral Fund under the Indenture shall be credited against the Borrower's obligation to pay principal and interest on the Loan. The Borrower also covenants and agrees to pay any additional interest, taxes or penalties that may be due as a result of a Determination of Taxability.

The Borrower shall make or cause to be made all Loan Payments directly to the Bond Trustee at its Designated Office. The Borrower shall direct the Lender to deposit Eligible Funds directly to the Bond Trustee at its Designated Office. Additional Payments shall be made by the Borrower directly to the person or entity to whom or to which they are due.

It is understood and agreed that all payments of principal and interest payable by the Borrower under this Section 4.02 are assigned by the Issuer to the Bond Trustee for the benefit of the Holders of the Bonds (excluding amounts on deposit in the Rebate Fund). The Borrower consents to such assignment.

In the event the Borrower should fail to make any of the payments required in this Section 4.02, the item or installment so in default shall continue as an obligation of the Borrower until the amount in default shall have been fully paid, and the Borrower agrees to pay the same with interest thereon, to the extent permitted by law, from the date when such payment was due, at the rate of interest borne by the Bonds.

Section 4.03 Special Funds

The Borrower and the Issuer each acknowledge that neither the Borrower nor the Issuer has any interest in the Bond Fund or the Collateral Fund and any money deposited therein shall be in the custody of and held by the Bond Trustee in trust for the benefit of the Holders.

Section 4.04 Additional Payments

The Borrower shall pay as Additional Payments hereunder the following:

(a) Whether out of the proceeds of the Mortgage Loan or other funds, all Costs of Issuance of the Bonds, the costs of obtaining the FHA Insurance and all expenses incurred in closing the Mortgage Loan.

(f) To the extent not paid by the Bond Trustee from the Expense Fund, all of the fees and expenses of the Rebate Analyst (including, but not limited to, the Rebate Analyst Fee) and any other necessary consultant employed by the Borrower, the Bond Trustee or the Issuer in connection with any of the requirements imposed by Section 4.09 of the Indenture and

the Tax Agreement to the extent funds available under the Indenture are not sufficient and applied therefor. The Borrower shall provide or cause to be provided all information and money (including money necessary to make deposits to the Rebate Fund required by the Indenture and the Tax Agreement and the fees and expenses of the Rebate Analyst to the extent available money in the Bond Fund under the Indenture are inadequate to pay such amounts) to the Bond Trustee and the Rebate Analyst to enable the Bond Trustee and the Rebate Analyst to comply with the Indenture and the Tax Agreement.

(g) To the Dissemination Agent, the Dissemination Agent Fee, to the extent funds available in the Expense Fund under the Indenture are not sufficient and applied therefor, as well as any other costs and expenses in order to provide for compliance with the terms of the Continuing Disclosure Agreement.

(h) To the Remarketing Agent, the Remarketing Agent Fee and any Remarketing Expenses.

In the event the Borrower is in default under any provision of any of the Borrower Documents and such default is not cured after expiration of all applicable notice and cure provisions, the Borrower shall be liable to, and upon demand shall pay to, the Issuer, the Bond Trustee and the Lender all reasonable fees and disbursements of such persons and their agents (including reasonable attorneys' fees and expenses) which are reasonably connected therewith or incidental thereto except to the extent such fees and disbursements are paid from money available therefor under the Indenture.

To provide for certain of the anticipated Additional Payments, the Borrower agrees to cause to be deposited a portion of the Initial Borrower Deposit into the Expense Fund and the Costs of Issuance Fund as required under the Indenture, and authorizes the Bond Trustee to pay, from money on deposit in the Costs of Issuance Fund and the Expense Fund, the amounts provided to be paid from the Costs of Issuance Fund or the Expense Fund in accordance with Sections 4.05 and 4.08, respectively, of the Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account as and when such amounts become due and payable.

Upon the payment, prepayment, or incurrence of any such cost, expense, or liability described in this Section by any such party, the Additional Payments in respect thereof shall be payable upon written demand to the Borrower, which demand shall be accompanied by invoices or other appropriate documentation concerning the nature, amount and incurrence of such cost, expense or liability. If the Additional Payments payable under this Section are not paid upon such demand, such Additional Payments shall bear interest from the date of such payment or the incurrence thereof at the Interest Rate for Advances until the amount due shall have been fully paid.

Except as otherwise provided herein, the obligations of the Borrower under this Section shall survive the termination of this Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents, unless and until the Borrower has transferred the Project to an unaffiliated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

Section 4.05 **Obligations of the Borrower Unconditional**. The obligations of the Borrower to make the payments required under this Loan Agreement, and to perform and observe

the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any right of notice, setoff, recoupment or counterclaim it might otherwise have against the Issuer, the Bond Trustee or any other person. Subject to termination as provided herein, the Borrower (a) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for under this Loan Agreement, (b) will perform and observe all of its other agreements contained in this Loan Agreement and (c) will not terminate this Loan Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, or change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Loan Agreement, whether express or implied, or any failure of the Bond Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Bond Indenture, whether express or implied.

Section 4.06 **Limited Obligation of Issuer**. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.07 **Assignment of Issuer's Rights**. As security for the payment of the Bonds, the Issuer will, pursuant to the Indenture and the Assignment, assign and pledge to the Bond Trustee all of the Issuer's right, title and interest in and to this Loan Agreement and the Promissory Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Bond Trustee of its rights hereunder, under the Assignment or under the Indenture, the Promissory Note and the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Promissory Note directly to the Bond Trustee. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Bond Trustee (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Bond Trustee or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Indenture, the Bonds or the Promissory Note, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Promissory Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Trustee. Any obligations of the Issuer as provided in the Indenture, this Loan Agreement, the Bonds or the Promissory Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Bond Trustee, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bond Trustee, in each case whether or not the Issuer is in Default hereunder.

The Trustee will have all rights and remedies herein accorded to the Issuer (except for Issuer Reserved Rights).

Section 5.05 **Insurance**. The Borrower shall obtain and keep in force such insurance coverage as may be required by the Issuer in its reasonable discretion from time to time. Section 5.06 **Restriction on Plans and Specifications**. The Borrower will not cause, permit or suffer to exist, any material deviations from the Plans and Specifications and will not approve or consent to any construction change directive which results in a material deviation from

the Plans and Specifications without the prior approval of the Issuer, which approval shall not be unreasonably withheld, conditioned or delayed.

Section 5.07 Requisitions

(a) At such time as the Borrower shall desire to obtain an advance from the Project Fund, the Borrower shall complete, execute and deliver to the Bond Trustee a Requisition. Each Requisition shall be signed on behalf of the Borrower, shall be in the form set forth on Exhibit B to this Loan Agreement, and shall state with respect to each disbursement to be made: (i) the number of the Requisition, (ii) the amount to be disbursed and the sources of such disbursement, (iii) that each obligation described therein is a Project Cost, has been properly incurred and has not been the basis for any previous disbursement and (iv) that the expenditure of such disbursement when added to all previous disbursements will result in not less than 95% of all disbursements from proceeds of the Bonds having been used to pay or reimburse the Borrower for Qualified Project Costs. The Borrower shall submit the Requisition to the Bond Trustee for payment. Approved Requisitions may be submitted to the Bond Trustee by Electronic Means and shall not include accompanying supporting materials. In making such payment, the Bond Trustee may rely upon such requisitions and shall not be required to make any investigation in connection therewith.

(b) The amounts deposited into the Project Fund may be disbursed by the Bond Trustee only in accordance with Section 4.04 of the Indenture, including delivery of a written Requisition of the Borrower satisfying the requirements of this Section 5.07 and Section 5.02 of the Indenture.

Section 5.08 Borrower Receipt of Insurance or Condemnation Proceeds. In the event the Borrower receives any proceeds of insurance or any condemnation awards with respect to the Project from a party other than the Bond Trustee, the Borrower shall promptly upon receipt remit all such insurance proceeds or condemnation awards to the Lender to be used in accordance with the Mortgage Loan Documents.

Section 5.09 Financial Information. The Borrower agrees that it will have the books and records of the Borrower audited annually by an independent certified public accountant as soon as practicable after the close of each fiscal year of the Borrower, and will furnish within 120 days after the end of each fiscal year to the Issuer and the Bond Trustee a copy of the audit report certified by such certified public accountant and prepared in accordance with generally accepted accounting principles, which report shall include calculations of the availability of funds for distributions and disclose the amount of member distributions for the preceding year. The Borrower and the Issuer acknowledge that the Bond Trustee shall have no obligations under this Section 5.09 other than to receive such statements and, if requested, to furnish such statements to Holders. The Bond Trustee shall not have any obligation to review such statement provided to it, nor shall the Bond Trustee be deemed to have notice of any item contained therein or Event of Default or Default which may be disclosed therein in any manner. The Bond Trustee shall have not duty to request copies of any such statements which are required to be furnished to it hereunder.

Section 5.10 Environmental Requirements; Indemnity

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of an environmental indemnification agreement between the parties, if any, shall govern all indemnifications from the Borrower to the

Issuer with respect to environmental matters affecting the Project. The terms and provisions of such environmental indemnification agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Issuer with respect to indemnifications from the Borrower to the Issuer with regard to environmental matters affecting the Project.

(b) For purposes of this Section 5.10, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any applicable federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises (as defined below) by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of rehabilitation of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Loan Agreement, the Borrower researched and inquired into the previous uses and owners of the premises on which the Project is located (the "**Premises**") and obtained a Phase I environmental site assessment a Phase II site assessment and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Issuer. Based on that due diligence, the Borrower represents and warrants to the Issuer that, except as the Borrower has disclosed to the Issuer in writing and as described in the Phase I environmental site assessment and Phase II site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances, including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Issuer in writing (1) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Issuer, the Bond Trustee and their respective officers, employees, directors, agents, assignees, and any purchasers of the Premises at any foreclosure sale (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right

at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's and its tenants' use of the Premises in exercising any rights provided in this Section. The Borrower must pay all costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof, unless resulting from the gross negligence or willful misconduct of the Indemnified Parties

(f) The Borrower must promptly undertake any and all remedial work ("**Remedial Work**") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Issuer's security under the Borrower Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all applicable public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only

following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Issuer's option, is subject to the Issuer's prior written approval, which may not be unreasonably withheld, conditioned or delayed.

(g) The obligations and rights of the parties under this Section 5.10 continue in full force and effect until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale or by deed in lieu of such foreclosure (any such foregoing transfer being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 5.10 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 5.10 are thereafter limited to the indemnification obligations of subsections (i) and (j) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations, subject to the provisions of Section 9.03 hereof. As used in this Section 5.10, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Issuer's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Except for those arising from the gross negligence or willful misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a:governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 5.10; and (iv) any Indemnified

Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Loan Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel reasonably approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Issuer may have under this Loan Agreement, at law or in equity, upon the occurrence of an Event of Default under this Loan Agreement not cured within the applicable cure period, the Issuer may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Issuer, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Issuer by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Issuer for costs and expenses, including those incurred by the Issuer in enforcing its rights and remedies under the provisions of this Section 5.10: (i) any payments made pursuant to the Bonds or any of the Borrower Documents (other than payments made to the Issuer for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 5.10); (ii) any foreclosure of documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Issuer's rights and remedies under this Section 5.10); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

ARTICLE VI
RESTRICTION ON TRANSFER

Section 6.01 Borrower to Maintain its Existence; Sale of Project.

(a) The Borrower shall maintain its existence, not dissolve or sell, transfer or otherwise dispose of all or substantially all of its assets and not consolidate with or merge into another entity or permit one or more other entities to consolidate with or merge into it; provided, that it may do so if the surviving, resulting or transferee entity assumes in writing all of the obligations of the Borrower under the Borrower Documents. The Borrower shall not permit one or more other entities to consolidate with or merge into it, or take any action or allow any action to be taken to terminate the existence of the Borrower except as provided herein.

(b) No sale, assignment or transfer of the Project, except as may be otherwise required by FHA or the Lender, shall be made unless (a) FHA, and if necessary, the Lender, and the Issuer consent to such assignment or transfer, (b) the transferee or assignee, as the case

may be, assumes all the duties of the Borrower under the Borrower Documents, provided that such assumption may contain an exculpation of the assignee from personal liability with respect to any obligation hereunder arising prior to such sale, assignment or transfer, and (c) no Event of Default as certified in writing to the Bond Trustee by the Borrower shall have occurred and be continuing under the Indenture or this Loan Agreement. The Bond Trustee shall consent to any such assignment or transfer if (i) the Borrower provides a written certification to the Bond Trustee that the aforesaid conditions have been satisfied, (ii) the Bond Trustee receives an Opinion of Bond Counsel addressed to the Bond Trustee to the effect that such transfer or assignment would not adversely affect the Federal Tax Status of the Bonds, and (iii) the Bond Trustee receives written confirmation from the Rating Agency that such transfer or assignment will not result in a withdrawal or reduction in any rating on the Outstanding Bonds by the Rating Agency (if the Bonds are then rated by the Rating Agency). Upon the assumption of the duties of the Borrower by a purchaser, assignee or transferee as provided herein, the outgoing Borrower shall be released from all executory obligations so assumed; provided, however, the Borrower shall not be released from its obligation (x) to pay or reimburse the fees and expenses of the Issuer and the Bond Trustee incurred prior to such sale, assignment or transfer and (y) to indemnify the Bond Trustee and the Issuer with respect to any obligation, event or action incurred or arising prior to such sale, assignment or transfer. Nothing contained in this Section shall be construed to supersede any provisions regarding assignment and transfer of the Project contained in the Mortgage Loan Documents.

(c) Notwithstanding anything to the contrary contained herein or in any other Borrower Document, and subject to the consent of FHA and the Lender as required by the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the following shall be permitted and shall not require the prior written approval of the Issuer, the Lender or the Bond Trustee: (a) the transfer by the Investor Limited Partner of its respective interests in the Borrower in accordance with the terms of the Borrower's Organizational Documents, (b) the removal of the General Partner of the Borrower in accordance with the Organizational Documents and the replacement thereof with the Investor Limited Partner or any of its respective affiliates, (c) the transfer of ownership interests in the Investor Limited Partner, (d) upon the expiration of the tax credit compliance period, the transfer of the interests of the Investor Limited Partner in the Borrower to the Borrower's General Partner or any of its respective affiliates, and (e) any amendment to the Organizational Documents to memorialize the transfers or removal described above. The parties agree that this section shall control to the extent of any conflict in any Borrower Documents. In the event the Borrower intends to sell, lease (except to the tenants who will occupy units in the Project), sublease or otherwise materially encumber the whole of or any part of the Project or sell, assign or otherwise, except as otherwise provided herein, transfer any interest in the Borrower (a "**transfer**"), it shall (i) apply to the Issuer for consent to transfer, and (ii) comply with the provisions of the Land Use Restriction Agreement restricting any such transfer.

ARTICLE VII
INDEMNIFICATION

Section 7.01 Indemnification of Issuer and Bond Trustee

(a) Except as otherwise provided below and subject to Sections 8.07 and 9.04 hereof, the Issuer and the Bond Trustee, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the "**Indemnified Persons**"), shall not be liable to the Borrower for any reason. The Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, fine, penalty or expense

(including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Promissory Note) of any nature due to any and all suits, actions, legal or administrative proceedings, expenses or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which are not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Promissory Note, or the other Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Bond Trustee, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including reasonable counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for the Indemnified Person's own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer related to the Project, and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 7.01 shall survive any assignment or termination of this Loan Agreement and, as to the Bond Trustee, any resignation or removal of the Bond Trustee.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of any environmental indemnification agreement.

ARTICLE VIII
DEFAULTS AND REMEDIES

Section 8.01 Defaults Defined. The following shall be "Defaults" under this Loan Agreement and the term "Default" shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) The Borrower shall fail to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower shall fail to observe and perform any other agreement, term or condition contained in this Agreement and the continuation of such failure for a period of 30 days after written notice thereof shall have been given to the Borrower and Investor Limited Partner by the Issuer or the Bond Trustee, or for such longer period as the Issuer and the Bond Trustee may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice;

(c) The Borrower shall: (i) admit in writing its inability to pay its debts generally as they become due; (ii) have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within 90 days; (iii) commence a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety days; (iv) make an assignment for the benefit of creditors; or (v) have a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of 90 days;

(d) Any representation or warranty made by the Borrower herein or any statement in any report, certificate, financial statement or other instrument furnished in connection with this Agreement or with the purchase of the Bonds shall at any time prove to have been false or misleading in any adverse material respect when made or given;

(e) There shall occur an "Event of Default" as defined in the Indenture; and

(f) There shall occur an "Event of Default" as defined in the Land Use Restriction Agreement by the Borrower under the Land Use Restriction Agreement that is continuing after any applicable notice and cure period.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition hereof which would give rise to an Event of Default under subsection (b) hereof, the Borrower shall not be deemed in default during the continuance of such inability. However, the Borrower shall promptly give written notice to the Bond Trustee and the Issuer of the existence of an event of Force Majeure and shall use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

Any term of this Loan Agreement, the Indenture or of any related document to the contrary notwithstanding, and notwithstanding an agreement of indemnity, the Bond Trustee shall have no responsibility, obligation or duty to enter upon, or otherwise take possession or control of, the Project or the Premises, or take any other action which could constitute taking possession or control of the Project or the Premises (i) if it will require the approval of a governmental regulator that cannot be obtained, (ii) until the Bond Trustee shall be indemnified to its sole satisfaction and (iii) until the Bond Trustee shall be satisfied, in its sole discretion and determination, that neither it nor the trusts created under the Indenture shall incur, by reason of such action, any personal liability under any federal or State law for hazardous wastes, hazardous materials or other environmental liabilities or any other liability.

The term "**Force Majeure**" shall mean, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or any of their departments, agencies, or officials, or any civil or military authority; insurrections; civil disturbances; riots; landslides; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

(ii) any cause, circumstance or event not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement.

The declaration of an Event of Default under subsection (c) above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Section 8.02 **Remedies on Default**. Whenever any Default referred to in Section 8.01 hereof shall have happened and be continuing beyond the expiration of any applicable cure period, the Bond Trustee, or the Issuer (in the event the Bond Trustee does not act), may take one or any combination of the following remedial steps:

(a) If the Bond Trustee has declared the Bonds immediately due and payable pursuant to Section 9.01 of the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Promissory Note, the Land Use Restriction Agreement or any other Borrower Document in the event of default thereunder.

Notwithstanding the foregoing, neither the Issuer nor the Trustee shall be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until indemnity satisfactory to it has been furnished to the Issuer or the Trustee, as applicable, at no cost or expense to the Issuer or the Trustee. Any amounts collected as Loan Payments or applicable to Loan Payments and any other amounts which would be applicable to payment of Bond Service Charges collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Outstanding Bonds have been paid and discharged in accordance with the provisions of the Indenture, shall be paid as provided in Section 4.14 of the Indenture for transfers of remaining amounts in the Bond Fund.

The provisions of this Section are subject to the further limitation that the rescission by the Trustee of its declaration that all of the Bonds are immediately due and payable also shall constitute an annulment of any corresponding declaration made pursuant to paragraph (a) of this Section and a waiver and rescission of the consequences of that declaration and of the Event of Default with respect to which that declaration has been made, provided that no such waiver or rescission shall extend to or affect any subsequent or other default or impair any right consequent thereon.

Section 8.03 **No Remedy Exclusive**. Subject to Section 9.01 of the Indenture, no remedy herein conferred upon or reserved to the Issuer or the Bond Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bond Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bond Trustee, and the Bond Trustee and the Holders, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements herein contained.

Section 8.04 **Agreement to Pay Attorneys' Fees and Expenses**. In the event the Borrower should Default under any of the provisions of this Loan Agreement or under the Promissory Note and the Issuer and/or Bond Trustee should employ attorneys or incur other expenses for the collection of payments required hereunder or under the Promissory Note, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein or in the Promissory Note, the Borrower agrees that it will on demand therefor pay to the Issuer and the Bond Trustee, as the case may be, the reasonable fees and expenses of such attorneys (including, without limitation, those incurred to enforce this provision) and such other expenses so incurred by the Issuer and/or the Bond Trustee. This Section 8.04 will continue in full force and effect notwithstanding the full payment of the obligations under the Loan Agreement or the termination of this Loan Agreement for any reason.

Section 8.05 **No Additional Waiver Implied by One Waiver**. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.06 Right to Cure. Notwithstanding anything to the contrary herein or Otherwise in the Borrower Documents, if the Borrower shall, for whatever reason, at any time fail to pay any amount or perform any act which it is obligated to pay or perform under any of the Borrower Documents and, as a result, a default or event of default occurs or may occur thereunder, the Investor Limited Partner shall have the right to perform such act or pay such amount on behalf of the Borrower and thereby cure or prevent such default or event of default, provided such default or event of default is cured within any applicable cure period or grace period provided to the Borrower herein or otherwise in the Borrower Documents.

Section 8.07 Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Promissory Note, and any other Borrower Documents, and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Owner if an Event of Default shall occur hereunder.

ARTICLE IX
MISCELLANEOUS

Section 9.01 Term of Agreement. This Loan Agreement shall remain in full force and effect from the date hereof until such time as all of the Bonds and all amounts payable hereunder and under the Indenture shall have been fully paid or provision made for such payments, whichever is later, provided, that the provisions of Sections 5.10, 7.01 and Article VIII hereof shall survive termination of this Loan Agreement.

Section 9.02 Notices; Publication of Notice

(a) All notices, advice, certifications or other communications hereunder between the Issuer and the Borrower shall be sufficiently given and shall be deemed given when delivered by hand or overnight courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, or transmitted by electronic means (including, without limitation, facsimile transmission) addressed to the appropriate Notice Address. The Issuer or the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, advice, certifications or other communications shall be sent. Notices to persons other than the Issuer or the Borrower (such as, for example, notices to owners of Bonds) shall be governed by the other applicable provisions of the Indenture.

(b) Whenever the Issuer or the Borrower is required or permitted to give or publish notice of any event or occurrence under this Loan Agreement, such notice shall be given or published in such manner and by such means as the Issuer or the Borrower, as the case may be, shall determine to be appropriate. Such publication may be by (but is not limited to) any of the following means: (i) publication in one or more newspapers or trade journals selected by the Issuer or the Borrower, as the case may be; (ii) publication by or through one or more financial information reporting services; (iii) delivery to one or more "nationally recognized municipal

securities information repositories" (as such terms is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (iv) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person's address as shown on the records of the Issuer or the Borrower.

Section 9.03 **Nonrecourse Liability of Borrower**. Except as provided herein, the monetary obligations of the Borrower contained in this Loan Agreement (except for fees, payments and indemnification under Sections 3.12, 4.04, 7.01 and 8.04 hereof) shall be limited obligations payable solely from the income and assets of the Project and neither the Borrower nor any partner, manager, member, director, official or officer of the Borrower shall have any personal liability for the satisfaction of any obligation of the Borrower or claim against the Borrower, arising out of this Loan Agreement. Notwithstanding anything contained in this Loan Agreement to the contrary, neither the Issuer nor the Bond Trustee may assert any claim arising hereunder against the Borrower's interest in the Project, any reserve or deposit made with the Lender or with any other entity that is required by HUD in connection with the Mortgage Loan, or in the rents or other income of the Project for the payment of any charge or obligation due hereunder except to the extent available from then currently available "Surplus Cash" as that term is defined in the HUD Regulatory Agreement approved for distribution by HUD.

The limit on the Borrower's 's liability set forth in this Section shall not, however, be construed, and is not intended to in any way, to constitute a release, in whole or in part, of the indebtedness evidenced by this Loan Agreement or a release, in whole or in part, or an impairment of the security interest, or in case of any default or enforcing any other right of the Issuer under this Loan Agreement or to alter, limit or affect the liability of any person or party who may now or hereafter or prior hereto guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under this Loan Agreement.

The provisions of this Section shall survive the termination of this Loan Agreement

Section 9.04 **No Pecuniary Liability of Issuer**. No agreements or provisions contained in this Loan Agreement or any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project or any property of the Borrower financed, directly or indirectly, out of proceeds of the Bonds or the issuance, sale and delivery of the Bonds will give rise to any pecuniary liability of the Issuer (including tax and rebate liability) or its past, present or future officers, directors, employees, commissioners, agents or members of its governing body and their successors and assigns or constitute a charge against the Issuer's general credit, or obligate the Issuer financially in any way, except with respect to the Trust Estate. No failure of the Issuer to comply with any terms, covenants or agreements in this Loan Agreement or in any document executed by the Issuer in connection with the Bonds will subject the Issuer or its past, present or future officers, directors, employees, commissioners, agents and members of its governing body and their successors and assigns to any pecuniary charge or liability except to the extent that the same can be paid or recovered from the Trust Estate. Without limiting the requirement to perform its duties or exercise its rights and powers under this Loan Agreement upon receipt of appropriate indemnity or payment, none of the provisions of this Loan Agreement or the Indenture will require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Loan Agreement. Nothing in this Loan Agreement will preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement in this Loan Agreement or in the Bond Indenture; provided that no costs,

expenses or other monetary relief will be recoverable from the Issuer except as may be payable from the funds available under this Loan Agreement or made available under the Indenture by the Borrower and pledged to the payment of the Bonds.

No covenant, agreement or obligation contained herein or in any other financing instrument executed in connection with the Project or the making of the Loan shall be deemed to be a covenant, agreement or obligation of any past, present or future director, officer, employee, commissioner, or agent of the Issuer in his or her individual capacity so long as he or she does not act in bad faith, and no such director, officer, employee, commissioner or agent of the Issuer in his or her individual capacity shall be subject to any liability under any agreement to which the Issuer is a party or with respect to any other action taken by him or her so long as he or she does not act in bad faith.

Section 9.05 **Binding Effect**. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Borrower, the Trustee, the Holders and their respective successors and assigns.

Section 9.06 **Severability**. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 9.07 **Amounts Remaining in Funds**. Subject to the provisions of Section 4.07 of the Indenture, any amounts in the Bond Fund remaining unclaimed by the Holders of Bonds for two years after the due date thereof (whether at stated maturity or otherwise), shall be deemed to belong to and shall be paid, at the written request of the Borrower, to the Borrower by the Bond Trustee as overpayment of Loan Payments. With respect to that principal of and interest on the Bonds to be paid from money paid to the Borrower pursuant to the preceding sentence, the Holders of the Bonds entitled to such money shall look solely to the Borrower for the payment of such money. Further, any amounts remaining in the Special Funds after all of the Outstanding Bonds shall be deemed to have been paid and discharged under the provisions of the Indenture and all other amounts required to be paid under this Loan Agreement, the Note and the Indenture have been paid, shall, subject to Section 4.14 of the Indenture and at the written request of the Borrower, be paid to the Borrower to the extent that such money are in excess of the amounts necessary to effect the payment and discharge of the Outstanding Bonds. Provided, however, that in the event of a default under the Mortgage Loan, and assignment of the Mortgage Loan to Lender, of which the Bond Trustee has received prior written notification, such excess funds shall be paid to the Lender.

Section 9.08 **Amendments, Changes and Modifications**. Subsequent to the issuance of the Bonds and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), and except as otherwise herein expressly provided, this Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Bond Trustee, in accordance with the provisions of the Indenture.

Section 9.09 **Execution in Counterparts**. This Loan Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 9.10 **Applicable Law; Jury Trial**. This Loan Agreement and the Promissory Note, and the rights and obligations of the parties hereunder and thereunder, shall be construed

in accordance with, and shall be governed by, the laws of the State of Illinois, without regard to its conflict of laws principles.

THE BORROWER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED, OR WHICH MAY IN THE FUTURE BE DELIVERED; IN CONNECTION HEREWITH OR THEREWITH, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.

Section 9.11 **Captions**. The captions and headings in this Loan Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Loan Agreement.

Section 9.12 **Mortgage Loan Documents and Regulations Control**

(a) In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Loan Agreement and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable. Notwithstanding any provision of this Loan Agreement to the contrary, the parties hereto acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the Mortgage, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by HUD or GNMA in connection therewith.

(b) Enforcement of the covenants in this Loan Agreement will not result in, and neither the Issuer, the Bond Trustee nor the Indemnified Persons has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds (other than the amounts deposited

with the Bond Trustee as provided in the Indenture), any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

(c) Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Loan Agreement will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

(d) The Bonds are not a debt of the United States of America, HUD, FHA, GNMA or any other agency or instrumentality of the federal government, and are not guaranteed by the full faith and credit of the United States or any agency or instrumentality thereof.

(e) There is no pledge hereunder of the gross revenues or any of the assets of the Project.

(f) Nothing contained herein shall inhibit or impair the right of FHA to require or agree to any amendment, change or modification of any Mortgage Loan Documents.

(g) Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Bond Trustee, but will be payable in accordance with the Mortgage Loan Documents.

(h) Notwithstanding anything to the contrary in the event of an assignment or conveyance of the Mortgage Loan to the Federal Housing Commissioner, subsequent to the issuance of the Bonds, all money remaining in all funds and accounts other than the Rebate Fund and any other funds remaining under the Indenture after payment or provision for payment of debt service on the Bonds and the fees and expenses of the Issuer, Bond Trustee and other such parties unrelated to the Borrower (other than funds originally deposited by the Borrower or related parties on or before the date of issuance of the Bonds) shall be returned to the Lender.

(i) Lender shall not have any obligation under the Disbursement Agreement (or otherwise) to continue to provide Lender Funds if there is a Borrower default under and assignment of the Mortgage Loan to HUD.

This Note has been executed and delivered by the Borrower to the Trustee pursuant to a certain Loan Agreement dated as of ______________ 1, 2022 (the "**Loan Agreement**"), between the City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "**Issuer**") and the Borrower.

Under the Loan Agreement, the Issuer has loaned the Borrower the principal proceeds received from the sale of its $_______________ Multi-Family Housing Revenue Bonds (Grace Manor Apartments Project), Series 2022 (the **"Bonds")**, to assist in the financing of the Project, and the Borrower has agreed to repay such loan by making payments ("**Loan Payments**") at the times and in the amounts set forth in this Note for application to the payment of principal of and interest on the Bonds as and when due. The Bonds have been issued, concurrently with the execution and delivery of this Note, pursuant to, and are secured by, the Bond Indenture dated as of ______________ 1, 2022 (the "**Indenture**"), between the Issuer and the Trustee.

To provide funds to pay the principal of and interest on the Bonds as and when due as specified herein, the Borrower hereby agrees to and shall make Loan Payments in Federal Reserve funds on each Interest Payment Date in an amount equal to the Bond Service Charges on the Bonds payable on such Interest Payment Date. In addition, to provide funds to pay the Bond Service Charges on the Bonds as and when due at any other time, the Borrower hereby agrees to and shall make Loan Payments at least one Business Day prior to the date on which any Bond Service Charges on the Bonds shall be due and payable, whether at maturity, upon acceleration or otherwise, in an amount equal to those Bond Service Charges.

Consistent with the provisions of the immediately preceding sentence, the Borrower shall have credited against its obligation to make Loan Payments any amounts transferred from the Project Fund or the Collateral Fund to the Bond Fund. Subject to the foregoing, all Loan Payments shall be in the full amount required hereunder.

All Loan Payments shall be made to the Trustee at its Designated Office for the account of the Issuer and deposited in the Bond Fund created by the Indenture. Except as otherwise provided in the Indenture, the Loan Payments shall be used by the Trustee to pay the Bond Service Charges on the Bonds as and when due.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other Person.

This Note is subject to prepayment, in whole or in part, upon the terms and conditions set forth in Article 3 of the Indenture. Any prepayment is subject to satisfaction of any applicable notice, deposit or other requirements set forth in the Agreement or the Indenture.

Whenever an event of default under Section 6.01 of the Indenture shall have occurred and, as a result thereof, the principal of and any premium on all Bonds then Outstanding, and interest accrued thereon, shall have been declared to be immediately due and payable pursuant to Section 6.02 of the Indenture, the unpaid principal amount of and any premium and accrued interest on this Note shall also be due and payable in Federal Reserve funds on the date on which the principal of and premium and interest on the Bonds shall have been declared due and payable; provided that the annulment of a declaration of acceleration with respect to the Bonds shall also constitute an annulment of any corresponding declaration with respect to this Note.

The payment obligations of this Note are non-recourse to the Borrower to the extent set forth in Section 9.03 of the Loan Agreement.

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Note and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable.

(c) the expenditures for which amounts are requisitioned represent proper charges against the Project Fund, have not been included in any previous requisition, have been properly recorded on the Borrower's books and are set forth in

(d) the moneys requisitioned are not greater than those necessary to meet obligations due and payable or to reimburse the Borrower for its funds actually advanced for Costs of the Project and do not represent a reimbursement to the Borrower for working capital;

(e) the amount remaining in the Project Fund, together with expected investment income on the Project Fund will, after payment of the amount requested by this Requisition, be sufficient to pay the Costs of completing the Project substantially in accordance with the construction contracts, plans and specifications and building permits therefor, if any, currently in effect;

(f) all of the funds being requisitioned are being used in compliance with all tax covenants set forth in the Indenture, the Loan Agreement and the Land Use Restriction Agreement;

LAND USE RESTRICTION AGREEMENT

THIS LAND USE RESTRICTION AGREEMENT (this "**Agreement**"), entered into as of ______________ 1, 2022, between the **CITY OF CHICAGO**, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "**Issuer**"), and **GRACE MANOR, LP**, an Illinois limited partnership (the "**Owner**"),

WITNESSETH:

WHEREAS, the Issuer has issued, sold and delivered its [up to $22,000,000] Multi-Family Housing Revenue Bonds (Grace Manor Apartments Project), Series 2022 (the "**Bonds**"); and

WHEREAS, the Bonds are issued pursuant to the Bond Indenture of even date herewith (the "**Bond Indenture**"), between the Issuer and Zions Bancorporation, National Association, as bond trustee (the "**Bond Trustee**"); and

WHEREAS, the proceeds derived from the issuance and sale of the Bonds are being lent by the Issuer to the Owner pursuant to the Loan Agreement of even date herewith (the "**Loan Agreement**"), between the Issuer and the Owner for the purpose of financing a portion of the costs of the acquisition of vacant land located at 3401-23 W. Ogden Avenue, Chicago, Illinois, as further described in **Exhibit A** hereto (the "**Site**") and the construction thereon of a six-story residential rental facility consisting of 65 units (the "**Units**"), of which 100% will be affordable for households earning no more than 60% of the area median income, together with ground floor space devoted to residential amenities, retail and community space (the "**Facility**") to be known as Grace Manor Apartments (collectively, the Site and the Facility are referred to herein as the "**Project**"); and

WHEREAS, in order to assure the Issuer and the purchasers of the Bonds (the "**Holders**") that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "**Code**"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

Section 1. Term of Restrictions

(a) ***Occupancy Restrictions***. The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of the Project and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding; or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "**Qualified Project Period**").

(b) ***Rental Restrictions***. The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) ***Involuntary Loss or Substantial Destruction***. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal City (with respect to the Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Bonds from the gross income of the Holders for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. "**Affiliated Party**" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) ***Termination***. This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) ***Certification***. Upon termination of this Agreement, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) ***HUD-Required Language***. The parties hereby incorporate into this Agreement the provisions set forth in **Appendix I** attached hereto to the same extent and effect as if the provisions set forth in Appendix I were fully set forth and made a part hereof.

Section 2. Project Restrictions. The Owner represents, warrants and covenants that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "**Regulations**") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired and constructed for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however* that nothing herein shall be understood to prohibit single-room-occupancy units occupied under month-to-month leases.

(e) All of the Units in the Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program, which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (*e.g.*, parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (*i.e.*, within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged

will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of the Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Owner represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "**Qualifying Tenants**" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "**Income Certification**") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a qualifying tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to

exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as the Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as **Exhibit C** executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions. The Owner represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to the Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to the Project the Owner will comply with all Section 8 requirements.

Section 5. Transfer Restrictions. The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "**Transfer**") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "**Assumption Agreement**"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any

subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement

(a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenant that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the Holders thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of

this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Section 7. Covenants to Run with the Land. The Owner hereby subjects the Project, the Site and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project, the Units, and the Site, throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a membership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording. The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

Section 9. Agents of the Issuer. The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such City appointment.

Section 10. No Conflict with Other Documents. The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. Interpretation. Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Bond Indenture and the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. Amendment. Subject to any restrictions set forth in the Bond Indenture, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the

Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. Severability. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. Notices. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in the applicable sections of the Indenture.

Section 15. Governing Law. The laws of the State of Illinois shall govern the construction of this Agreement, without reference to its conflicts of laws principles.

Section 16. Limited Liability of Owner. Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future partner of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owner of the Bonds, and its respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed and sealed by their respective, duly authorized representatives, as of the day and year first above written.

HUD RIDER TO RESTRICTIVE COVENANTS

This HUD RIDER TO RESTRICTIVE COVENANTS ("Rider") is made as of _____________ 1, 2022, by Grace Manor, LP, an Illinois limited partnership ("Borrower") and The City of Chicago ("City").

WHEREAS, Borrower has obtained financing from __________ ("Lender") for the benefit of the project known as the Grace Manor Apartments ("Project"), which loan is secured by a Multifamily Mortgage, Assignment of Leases and Rents and Security Agreement ("Security Instrument") dated as of _____________ 1, 2022, and recorded in the Recorder's Office of Cook County, Illinois ("Records") on ________________ as Document Number ________________, and is insured by the United States Department of Housing and Urban Development ("HUD");

WHEREAS, Borrower has received a tax-exempt bond financing from the City, which City is requiring certain restrictions be recorded against the Project; and

WHEREAS, HUD requires as a condition of its insuring Lender's financing to the Project, that the lien and covenants of the Restrictive Covenants be subordinated to the lien, covenants, and enforcement of the Security Instrument; and

WHEREAS, the City has agreed to subordinate the Restrictive Covenants to the lien of the Mortgage Loan in accordance with the terms of this Rider.

NOW, THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

(a) In the event of any conflict between any provision contained elsewhere in the Restrictive Covenants and any provision contained in this Rider, the provision contained in this Rider shall govern and be controlling in all respects as set forth more fully herein.

(b) The following terms shall have the following definitions:

"Code" means the Internal Revenue Code of 1986, as amended.

"HUD" means the United States Department of Housing and Urban Development.

"HUD Regulatory Agreement" means the Regulatory Agreement between Borrower and HUD with respect to the Project, as the same may be supplemented, amended or modified from time to time.

"Lender" means Merchants Capital Corp., its successors and assigns.

"Mortgage Loan" means the mortgage loan made by Lender to the Borrower pursuant to the Mortgage Loan Documents with respect to the Project.

"Mortgage Loan Documents" means the Security Instrument, the HUD Regulatory Agreement and all other documents required by HUD or Lender in connection with the Mortgage Loan.

"National Housing Act" means the National Housing Act, 12 USC § 1701 *et seq.*, as amended.

"Program Obligations" has the meaning set forth in the Security Instrument.

"Residual Receipts" has the meaning specified in the HUD Regulatory Agreement.

"Security Instrument" means the mortgage or deed of trust from Borrower in favor of Lender, as the same may be supplemented, amended or modified.

"Surplus Cash" has the meaning specified in the HUD Regulatory Agreement.

(c) Notwithstanding anything in the Restrictive Covenants to the contrary, the provisions hereof are expressly subordinate to (i) the Mortgage Loan Documents, including without limitation, the Security Instrument, and (ii) Program Obligations (the Mortgage Loan Documents and Program Obligations are collectively referred to herein as the "HUD Requirements"). Borrower covenants that it will not take or permit any action that would result in a violation of the Code, HUD Requirements or Restrictive Covenants. In the event of any conflict between the provisions of the Restrictive Covenants and the provisions of the HUD Requirements, HUD shall be and remains entitled to enforce the HUD Requirements. Notwithstanding the foregoing, nothing herein limits the City's ability to enforce the terms of the Restrictive Covenants, provided such terms do not conflict with statutory provisions of the National Housing Act or the regulations related thereto. The Borrower represents and warrants that to the best of Borrower's knowledge the Restrictive Covenants impose no terms or requirements that conflict with the National Housing Act and related regulations.

(d) In the event of foreclosure (or deed in lieu of foreclosure), the Restrictive Covenants (including without limitation, any and all land use covenants and/or restrictions contained herein) shall automatically terminate.

(e) Borrower and the City acknowledge that Borrower's failure to comply with the covenants provided in the Restrictive Covenants does not and will not serve as a basis for default under the HUD Requirements, unless a default also arises under the HUD Requirements.

(f) Except for the City's reporting requirement, in enforcing the Restrictive Covenants the City will not file any claim against the Project, the Mortgage Loan proceeds, any reserve or deposit required by HUD in connection with the Security Instrument or HUD Regulatory Agreement, or the rents or other income from the property other than a claim against:

i. Available surplus cash, if the Borrower is a for-profit entity;

ii. Available distributions of surplus cash and residual receipts authorized for release by HUD, if the Borrower is a limited distribution entity; or

iii. Available residual receipts authorized for release by HUD, if the Borrower is a non-profit entity.

(g) For so long as the Mortgage Loan is outstanding, Borrower and City shall not further amend the Restrictive Covenants, with the exception of clerical errors or administrative correction of non-substantive matters, without HUD's prior written consent.

(h) Subject to the HUD Regulatory Agreement, the City may require the Borrower to indemnify and hold the City harmless from all loss, cost, damage and expense arising from any claim or proceeding instituted against City relating to the subordination and covenants set forth in

the Restrictive Covenants, provided, however, that Borrower's obligation to indemnify and hold the City harmless shall be limited to available surplus cash and/or residual receipts of the Borrower.

(i) No action shall be taken in accordance with the rights granted herein to preserve the tax exemption of the interest on the notes or bonds, or prohibiting the owner from taking any action that might jeopardize the tax-exemption, except in strict accord with Program Obligations.

The statements and representations contained in this Rider and all supporting documentation thereto are true, accurate, and complete. This certification has been made, presented, and delivered for the purpose of influencing an official action of HUD in insuring a multifamily loan, and may be relied upon by HUD as a true statement of the facts contained therein.

Warning: Federal law provides that anyone who knowingly or willfully submits (or causes to submit) a document containing any false, fictitious, misleading, or fraudulent statement/certification or entry may be criminally prosecuted and may incur civil administrative liability. Penalties upon conviction can include a fine and imprisonment, as provided pursuant to applicable law, which includes, but is not limited to, 18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802, 24 C.F.R. This Grace Manor Apartments Redevelopment Agreement (this "Agreement") is made as of this __ day of _______, 2022, by and between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), and Grace Manor, LP, an Illinois limited partnership (the "Owner"), East Lake Management and Development Corp., an Illinois corporation ("East Lake"), and Grace at Jerusalem CDC, an Illinois not-for-profit corporation ("Grace" and together with the Owner and East Lake, the "Developer").

RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on April 9, 2008: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Ogden/Pulaski Redevelopment Project Area" (the "Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Ogden/Pulaski Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Ogden/Pulaski Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. Sale of City Parcels. The City owns property located within the Redevelopment Area at 3401-23 W. Ogden Avenue, Chicago, Illinois 60623 and legally described on Exhibit B hereto (the "Property") that the City desires to be redeveloped. Developer intends to purchase the Property for $7 from the City (the "Acquisition").

E. The Project: Within the time frames set forth in Section 3.01 hereof, Developer shall commence and complete construction of an approximately 75,471 square foot apartment building (the "Facility") thereon. The Facility will provide 65 housing units of which 100 percent will be affordable for households earning no more than 60 percent of the area median income. The ground floor will be devoted to residential amenities, retail and community space. The 65 units of affordable housing will be a mix of 31 one-bedroom units and 34 two-bedroom units. The Facility and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

F. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Ogden/Pulaski Tax Increment Financing Redevelopment Area Project and Plan (the "Redevelopment Plan") included in the Plan Adoption Ordinance and published at pages 24221 - 24477 of the Journal of the Proceedings of the City Council.

G. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below), to pay for or reimburse Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance") at a later date as described in Section 4.03(d) hereof, the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes (including any such payment made pursuant to any City Note provided to Developer pursuant to this Agreement), to make payments of principal and interest on the City Note, or in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

The City shall convey the Property to Grace by quitclaim deed (the "Property Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the deed, the standard exceptions in an ALTA title insurance policy; all general real estate taxes and any special assessments or other taxes; all easements, encroachments, covenants and restrictions of record and not shown of record; such other title defects as may exist; and any and all exceptions caused by the acts of Grace, its Affiliates and their agents.

(v) Grace shall obtain a Final Comprehensive Residential NFR Letter for the Property issued by Illinois Environmental Protection Agency ("IEPA") and comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final Comprehensive Residential NFR Letter.

(vi) Grace shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

(e) Closing. The conveyance of the Property shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless Grace has satisfied all conditions precedent set forth in this Section 2A, unless DPD, in its sole discretion, waives such conditions. City Funds (TIF)	$5,500,000
Donation Tax Credit equity	$98,000
Deferred Developer Fee	not to exceed $271,791
4% Low Income Tax Credit Equity	$16,017,935*

*It is anticipated that the 4% Low Income Tax Credit Equity will be bridged during construction by the Lender Financing Equity Bridge Loan.
**It is anticipated that the City Funds (TIF) will be bridged during construction by the Lender Financing Bridge Loan (TIF).
***If instead of a loan, the City provides a grant, the proceeds of such grant are anticipated to be included as an equity contribution to the Owner from its general partner.

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer for the costs of the TIF-Funded Improvements:

Source of City Funds	Maximum Amount
Incremental Taxes	$5,500,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed $5,500,000; and provided further, that the $5,500,000 to be derived from Incremental Taxes shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as (i) the amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs.

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $5,500,000 is contingent upon the fulfillment of the conditions set forth in part (i) above. In the event that such condition is not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.04, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds in three installments of $1,833,333, with two installments being made during construction and one after issuing the Certificate.

4.04 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. All disbursements of Project funds (except for the Prior Expenditures and acquisition costs disbursed through a deed and money escrow at the closing) shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) [intentionally omitted.]

(c) TIF District Administration Fee. Annually, the City may allocate an amount (the "TIF District Administration Fee") not to exceed 5 percent (5%)] of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) [intentionally omitted.]

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens or liens bonded over or insured by the Title Company;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Section 7.03 and Section 15.02 hereof.

4.09 TIF Bonds. The Commissioner of Housing may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer and Sponsor will cooperate with the City in the issuance of the TIF Bonds,

as provided in Section 8.05 hereof.

4.10 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit: (i) removal of the general partner of the Owner by the Limited Partner, in accordance with the Owner's amended and restated agreement of limited partnership (the "Partnership Agreement"), provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the limited partner); (ii) any pledge by the general partner of the Owner to a Lender that is providing Lender Financing of all of its rights, title and interest in and to the Owner and under the Partnership Agreement as collateral for the Owner's obligations under the loans made or to be made by the Lender to Owner; (iii) a transfer by the Limited Partner of its partnership interest in Owner after the Closing Date to an unaffiliated entity with the prior written consent of the City; provided, however, that the prior written consent of DPD shall not be required for a transfer by the Limited Partner of its partnership interest after the Closing Date to an affiliated entity or an affiliate of Limited Partner, but prior written notice to DPD is required; (iv) a transfer pursuant to a foreclosure, deed in lieu of foreclosure or similar action, of the senior mortgage; (v) the transfer of the Project to the general partner or an affiliate pursuant to the purchase option and right of first refusal set forth in the exhibits to the Partnership Agreement, and (vi) the conveyance of the Property from Grace to Owner.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

5.01 Project Budget. Developer has submitted to DPD, and DPD has approved, a Project Budget in accordance with the provisions of Section 3.03 hereof.

5.04 Financing. Developer has furnished proof reasonably acceptable to the City that Developer has Equity and Lender Financing in the amounts set forth in Section 4.01 hereof to complete the Project and satisfy its obligations under this Agreement. If a portion of such funds consists of Lender Financing, Developer has furnished proof as of the Closing Date that the proceeds thereof are available to be drawn upon by Developer as needed and are sufficient (along with the Equity and other sources set forth in Section 4.01) to complete the Project. Any liens against the Property in existence at the Closing Date have been subordinated to certain encumbrances of the City set forth herein pursuant to a Subordination Agreement, in a form acceptable to the City, executed on or prior to the Closing Date, which is to be recorded, at the expense of Developer, with the Cook County Clerk's Recording Division.

5.05 Acquisition and Title. On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, certified by the Title Company, showing Developer as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

5.06 Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under Developer's name showing no liens against Developer, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

Jurisdiction	**Searches**

U.S. District Court	Pending suits and judgments
Clerk of Circuit Court, Cook County	Pending suits and judgments

5.08 Insurance. Developer, at its own expense, has insured the Property in accordance with Section 12 hereof, and has delivered certificates required pursuant to Section 12 hereof evidencing the required coverages to DPD.

5.09 Opinion of Developer's Counsel. On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by Developer from its general corporate counsel.

5.10 Evidence of Prior Expenditures. Developer has provided evidence satisfactory to DPD in its sole discretion of the Prior Expenditures in accordance with the provisions of Section 4.05(a) hereof.

5.11 Financial Statements. Developer has provided Financial Statements to DPD for its most recent fiscal year, and audited or unaudited interim financial statements.

5.12 Documentation; Employment Plan. The Developer has provided documentation to DPD, satisfactory in form and substance to DPD, with respect to current employment matters in

connection with the construction or rehabilitation work on the Project, including the reports described in Section 8.07.

Each party comprising the Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and each party comprising the Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of an EDS, failure of an EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Each party comprising the Developer has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below.

Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to commencement of construction of any portion of the Project, Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using American Institute of Architect's Form No. A311 or its equivalent. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement) Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction. Upon completion of the construction of the Project in accordance with the terms of this Agreement and upon Developer's written request, DPD shall issue to Developer a Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

No Certificate shall issue without the following:

(a) The City has received a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(b) The City has received evidence that Developer has incurred TIF-eligible costs, in an amount equal to, or greater than $5,500,000;

(c) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in Section 10 and Section 8.09 (M/WBE, City Residency, and Prevailing Wage) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in Section 10.03 has been fulfilled;

(d) The Developer has provided evidence that project has achieved 100 points on the City's Sustainable Development Policy (2017.01.12); and

(e) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute and Event of Default.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) each party comprising the Developer is, as applicable, an Illinois limited partnership, corporation or not-for-profit corporation duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) each party comprising the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by each party comprising the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate, as applicable, its Articles of Incorporation, by-laws, or partnership agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Owner shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof).

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is

acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise;

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party are likely to be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.14 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02, and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 [intentionally omitted]

8.06 Job Creation and Retention. The Developer anticipates that the Project will result in the creation of (i) **[12]** full-time equivalent permanent jobs (the "Permanent Jobs"), and (ii) during the construction of the Project approximately **[150]** construction jobs on the job-site (the "Construction Jobs," and collectively with the Permanent Jobs, the "Jobs"). Throughout the Term of the Agreement, the Developer shall submit certified employment reports disclosing the number of Jobs at the Project to DPD as a part of the Developer's submission of the Annual Compliance Report. Notwithstanding any other provision in this Agreement to the contrary, the failure to create the specified number of Jobs shall not constitute an Event of Default.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 75% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2023 and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-

Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. If this Agreement is not recorded first, a subordination agreement will have to be prepared and executed. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create or may create a lien upon Developer or all or any portion of the Property or the Project. AGovernmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer

has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option, (A) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or (B) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 Annual Report(s). Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant, to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 Intentionally Omitted.

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.24 Affordable Housing Covenant. Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement(s) executed by Developer and the City as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing with ground floor retail and community space;

(b) The 65 units in the Facility shall be available for occupancy to and be occupied solely by one or more individuals qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) The 65 units in the Facility has monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase

in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.25, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.24 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.24.

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.26 HUD Requirements. See HUD Rider to Restrictive Covenants attached hereto as Exhibit P.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the

"Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of Planning and Development, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement

Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, [and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 26 percent by MBEs.
(2) At least 6 percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a Acontractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a Acontract" or a Aconstruction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations

under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer provided the City with a Phase I Environmental Site Assessment ("Phase I ESA") compliant with ASTM E-1527-13 for the Property prior to and conducted, or updated, within 180 days prior to the conveyance of the Property and a Phase II Environmental Site Assessment ("Phase II ESA").

The Phase I ESA for the Property identified Recognized Environmental Conditions ("RECs") and the Developer performed a Phase II Phase II ESA to ascertain the presence of any environmental impacts that may be associated with the RECs.

The Phase II ESA identified contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Developer must enroll the Property (or any portion thereof) in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP"). The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues a Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

Upon receipt of the RAP Approval Letter for the Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive Residential NFR Letter using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents, and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive Residential NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not permit occupancy until the

IEPA has issued, and the Developer has recorded with the Cook County Recorder of Deeds and the City has approved, a Final Comprehensive Residential NFR Letter for the Property (to the extent required), which approval shall not be unreasonably withheld. If the Developer fails to obtain the Final Comprehensive Residential NFR Letter within six (6) months of the submission of the Remedial Action Completion Report (RACR) to the IEPA, then the City shall have the right to record a notice of default of this RDA against the Property.

The Developer must abide by the terms and conditions of the Final Comprehensive Residential NFR letter.

The policy must have limits of not less than $2,000,000 per occurrence and $6,000,000 in the aggregate for losses arising out of injuries to or death of all persons, and for damage to or destruction of property, including the loss of use thereof.

(v) All Risk /Builders Risk. When Developer undertakes any construction, including improvements, betterments, and/or repairs, Developer must provide or cause to be provided All Risk Builders Risk Insurance at replacement cost for materials, supplies, equipment, machinery and fixtures that are or will be part of the project. The City of Chicago is to be named as an additional insured and loss payee/mortgagee if applicable.

(vi) Professional Liability. When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than $ 1,000,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Contract. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

(vii) Valuable Papers. When any plans, designs, drawings, specifications and documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

(viii) Contractors Pollution Liability. When any remediation work is performed which may cause a pollution exposure, Developer must cause remediation contractor to provide Contractor Pollution Liability covering bodily injury, property damage and other losses caused by pollution conditions that arise from the contract scope of work with limits of not less than $1,000,000 per occurrence. Coverage must include completed operations, contractual liability, defense, excavation, environmental cleanup, remediation and disposal. When policies are renewed or replaced, the policy retroactive date must coincide with or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years. The City of Chicago is to be named as an additional insured.

(c) Post Construction.

(i) All Risk Property Insurance at replacement value of the property to protect against loss of, damage to, or destruction of the building/facility. The City is to be named as an additional insured and loss payee/mortgagee if applicable.

(d) Other Requirements.

Developer must furnish the City of Chicago, Department of Housing, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer and Contractors.

Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit Developer's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by Developer under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required

herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an AIndemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(a) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(b) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(c) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(d) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto; provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an AEvent of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement, and except with respect to transfers of the Property to a mortgagee under a Permitted Mortgage or an Existing Mortgage and as permitted in Section 4.10 or otherwise permitted herein, the sale or transfer of any percentage of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

(m) failure to provide the City with an Annual Compliance Report within (60) days of when it is due, as set forth in Section 8.20.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's partnership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy,

including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Funds.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. Notwithstanding anything to the contrary contained herein, the City hereby agrees that any cure of any default made or tendered by the Limited Partner or to any lender providing Lender Financing shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by Developer.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction

therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term Amaterial" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 Assignment. Except as permitted in Section 4.10 or otherwise permitted herein, Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that each party comprising the Developer may collaterally assign their respective interests in this Agreement to any lender providing Lender Financing identified to the City as of the Closing Date if any such lender requires such collateral assignment. Any successor in interest to Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement for the Term of the Agreement. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

___, ____

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to ____________________, an [Illinois] ____________ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the ________________________________ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the ADocuments":

(a) ________________________ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

____

HUD RIDER TO RESTRICTIVE COVENANTS

This RIDER TO RESTRICTIVE COVENANTS ("Rider") is made as of **__________, 2022** by GRACE MANOR, LP, an Illinois limited partnership ("Borrower"), and CITY OF CHICAGO, an Illinois municipal corporation ("Agency").

WHEREAS, Borrower has obtained financing from **Merchants Capital Corp.** ("Lender") for the benefit of the project known as **Grace Manor** ("Project"), which loan is secured by a Multifamily **Mortgage**, Assignment of Leases and Rents and Security Agreement ("Security Instrument") dated as of **_____________ 1, 2022**, and recorded in the Recorder's Office of **Cook** County, **Illinois** ("Records") on ____________ as Document Number ______________, and is insured by the United States Department of Housing and Urban Development ("HUD");

WHEREAS, Borrower has received from the Agency **an agreement to reimburse Borrower or its affiliate, Grace at Jerusalem CDC, an Illinois not-for-profit corporation ("Grace"), for certain improvements from the proceeds of certain tax increment funds**, which Agency has required certain restrictions be recorded against the Project; and

WHEREAS, Borrower, Grace, Agency and East Lake Management and Development Corp., an Illinois corporation, shall enter into that certain **Grace Manor Apartment Redevelopment Agreement** ("Restrictive Covenants") with respect to the Project, as more particularly described in Exhibit A attached hereto, dated as of _____________, 2022 and to be recorded in the Records.

WHEREAS, HUD requires as a condition of its insuring Lender's financing to the Project, that the lien and covenants of the Restrictive Covenants be subordinated to the lien, covenants, and enforcement of the Security Instrument; and

WHEREAS, the Agency has agreed to subordinate the Restrictive Covenants to the lien of the Mortgage Loan in accordance with the terms of this Rider.

NOW, THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

(a) In the event of any conflict between any provision contained elsewhere in the Restrictive Covenants and any provision contained in this Rider, the provision contained in this Rider shall govern and be controlling in all respects as set forth more fully herein.

(b) The following terms shall have the following definitions:

"Code" means the Internal Revenue Code of 1986, as amended.

"HUD" means the United States Department of Housing and Urban Development.

"HUD Regulatory Agreement" means the Regulatory Agreement between Borrower and HUD with respect to the Project, as the same may be supplemented, amended or modified from time to time.

"Lender" means **Merchants Capital Corp.**, its successors and assigns.

"Mortgage Loan" means the mortgage loan made by Lender to the Borrower pursuant to the Mortgage Loan Documents with respect to the Project.

"Mortgage Loan Documents" means the Security Instrument, the HUD Regulatory Agreement and all other documents required by HUD or Lender in connection with the Mortgage Loan.

"National Housing Act" means the National Housing Act of 1934, as amended.
"Program Obligations" has the meaning set forth in the Security Instrument.
"Residual Receipts" has the meaning specified in the HUD Regulatory Agreement.
"Security Instrument" means the mortgage or deed of trust from Borrower in favor of Lender, as the same may be supplemented, amended or modified.
"Surplus Cash" has the meaning specified in the HUD Regulatory Agreement.

(c) Notwithstanding anything in the Restrictive Covenants to the contrary, the provisions hereof are expressly subordinate to (i) the Mortgage Loan Documents, including without limitation, the Security Instrument, and (ii) Program Obligations (the Mortgage Loan Documents and Program Obligations are collectively referred to herein as the "HUD Requirements"). Borrower covenants that it will not take or permit any action that would result in a violation of the Code, HUD Requirements or Restrictive Covenants. In the event of any conflict between the provisions of the Restrictive Covenants and the provisions of the HUD Requirements, HUD shall be and remains entitled to enforce the HUD Requirements. Notwithstanding the foregoing, nothing herein limits the Agency's ability to enforce the terms of the Restrictive Covenants, provided such terms do not conflict with statutory provisions of the National Housing Act or the regulations related thereto. (d) In the event of foreclosure (or deed in lieu of foreclosure), the Restrictive Covenants (including without limitation, any and all land use covenants and/or restrictions contained herein) shall automatically terminate as to Borrower.

(e) Borrower and the Agency acknowledge that Borrower's failure to comply with the covenants provided in the Restrictive Covenants does not and shall not serve as a basis for default under the HUD Requirements, unless a default also arises under the HUD Requirements.

(f) Except for the Agency's reporting requirement, in enforcing the Restrictive Covenants the Agency will not file any claim against the Project, the Mortgage Loan proceeds, any reserve or deposit required by HUD in connection with the Security Instrument or HUD Regulatory Agreement, or the rents or other income from the property other than a claim against:

i. Available surplus cash, if the Borrower is a for-profit entity;
ii. Available distributions of surplus cash and residual receipts authorized for release by HUD, if the Borrower is a limited distribution entity; or
iii. Available residual receipts authorized by HUD, if the Borrower is a non-profit entity, or
iv. A HUD-approved collateral assignment of any HAP contract.

(g) For so long as the Mortgage Loan is outstanding, Borrower and Agency shall not further amend the Restrictive Covenants, with the exception of clerical errors or administrative correction of non-substantive matters, without HUD's prior written consent.

(h) Subject to the HUD Regulatory Agreement, the Agency may require the Borrower to indemnify and hold the Agency harmless from all loss, cost, damage and expense arising from any claim or proceeding instituted against Agency relating to the subordination and covenants set forth in the Restrictive Covenants, provided, however, that Borrower's obligation to indemnify and hold the Agency harmless shall be limited to available surplus cash and/or residual receipts of the

Borrower.

If "yes," then for each private fund that you advise, you must complete a Section 7.B.(1) of Schedule D, except in certain circumstances described in the next sentence and in Instruction 6 of the Instructions to Part 1A. If you are registered or applying for registration with the SEC or reporting as an SEC exempt reporting adviser, and another SEC-registered adviser or SEC exempt reporting adviser reports this information with respect to any such private fund in Section 7.B.(1) of Schedule D of its Form ADV (e.g., if you are a subadviser), do not complete Section 7.B.(1) of Schedule D with respect to that private fund. You must, instead, complete Section 7.B.(2) of Schedule D.

In either case, if you seek to preserve the anonymity of a private fund client by maintaining its identity in your books and records in numerical or alphabetical code, or similar designation, pursuant to rule 204-2(d), you may identify the private fund in Section 7.B.(1) or 7.B.(2) of Schedule D using the same code or designation in place of the fund's name.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

2. Significant Accounting Policies

Basis of Presentation

These condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP") and include the accounts of the Company and its controlled subsidiaries Noncontrolling interests ("NCI") on the condensed consolidated statements of financial condition represent the portion of consolidated sponsored investment products ("CIPs") and a consolidated affiliate (collectively, "consolidated entities") in which the Company does not have direct equity ownership. Intercompany balances and transactions have been eliminated upon consolidation.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting periods. Actual results could differ from those estimates.

Certain financial information that normally is included in annual financial statements, including certain financial statement footnotes, is not required for interim reporting purposes and has been condensed or omitted herein. These condensed consolidated financial statements should be read in conjunction with the Company's consolidated financial statements and footnotes related thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, which was filed with the Securities and Exchange Commission on February 25, 2022 ("2021 Form 10-K").

The interim financial information at March 31, 2022 and for the three months ended March 31, 2022 and 2021 is unaudited. However, in the opinion of management, the interim information includes all normal recurring adjustments necessary for the fair presentation of the Company's results for the periods presented. The results of operations for interim periods are not necessarily indicative of results to be expected for the full year.

Certain prior period presentations and disclosures, while not required to be recast, were reclassified to ensure comparability with current period classifications.

Fair Value Measurements

Hierarchy of Fair Value Inputs. The Company uses a fair value hierarchy that prioritizes inputs to valuation approaches used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. Assets and liabilities measured and reported at fair value are classified and disclosed in one of the following categories:

Level 1 Inputs:
Quoted prices (unadjusted) in active markets for identical assets or liabilities at the reporting date.

- Level 1 assets may include listed mutual funds, ETFs, listed equities and certain exchange-traded derivatives.

Level 2 Inputs:
Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities that are not active, quotes from pricing services or brokers for which the Company can determine that orderly transactions took place at the quoted price or that the inputs used to arrive at the price are observable, and inputs other than quoted prices that are observable, such as models or other valuation methodologies.

- Level 2 assets may include debt securities, investments in collateralized loan obligations ("CLOs"), bank loans, short-term floating-rate notes, asset-backed securities, securities held within consolidated hedge funds, as well as over-the-counter derivatives, including interest and inflation rate swaps and foreign currency exchange contracts that have inputs to the valuations that generally can be corroborated by observable market data

Level 3 Inputs
Unobservable inputs for the valuation of the asset or liability, which may include nonbinding broker quotes. Level 3 assets include investments for which there is little, if any, market activity. These inputs require significant management judgment or estimation.

- Level 3 assets may include direct private equity investments held within consolidated funds, investments in CLOs and bank loans held within consolidated CLOs.
- Level 3 liabilities may include borrowings of consolidated CLOs and contingent liabilities related to acquisitions valued based upon discounted cash flow analyses using unobservable market data.

Significance of Inputs The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the financial instrument

Valuation Approaches The fair values of certain Level 3 assets and liabilities were determined using various valuation approaches as appropriate, including third-party pricing vendors, broker quotes and market and income approaches.

A significant number of inputs used to value equity, debt securities, investments in CLOs and bank loans is sourced from third-party pricing vendors. Generally, prices obtained from pricing vendors are categorized as Level 1 inputs for identical securities traded in active markets and as Level 2 for other similar securities if the vendor uses observable inputs in determining the price.

In addition, quotes obtained from brokers generally are nonbinding and categorized as Level 3 inputs. However, if the Company is able to determine that market participants have transacted for the asset in an orderly manner near the quoted price or if the Company can determine that the inputs used by the broker are observable, the quote is classified as a Level 2 input.

Investments Measured at Net Asset Values. As a practical expedient, the Company uses net asset value ("NAV") as the fair value for certain investments. The inputs to value these investments may include the Company's capital accounts for its partnership interests in various alternative investments, including hedge funds, real assets and private equity funds, which may be adjusted by using the returns of certain market indices. The various partnerships generally are investment companies, which record their underlying investments at fair value based on fair value policies established by management of the underlying fund. Fair value policies at the underlying fund generally require the fund to utilize pricing/valuation information from third-party sources, including independent appraisals. However, in some instances, current valuation information for illiquid securities or securities in markets that are not active may not be available from any third-party source or fund management may conclude that the valuations that are available from third-party sources are not reliable. In these instances, fund management may perform model-based analytical valuations that could be used as an input to value these investments

Fair Value Assets and Liabilities of Consolidated CLO The Company applies the fair value option provisions for eligible assets, including bank loans, held by a consolidated CLO. As the fair value of the financial assets of the consolidated CLO is more observable than the fair value of the borrowings of the consolidated CLO, the Company measures the fair value of the borrowings of the consolidated CLO equal to the fair value of the assets of the consolidated CLO less the fair value of the Company's economic interest in the CLO.

Derivatives and Hedging Activities. The Company does not use derivative financial instruments for trading or speculative purposes. The Company uses derivative financial instruments primarily for purposes of hedging exposures to fluctuations in foreign currency exchange rates of certain assets and liabilities, and market exposures for certain seed investments. However, certain CIPs also utilize derivatives as a part of their investment strategy.

The Company records all derivative financial instruments as either assets or liabilities at fair value on a gross basis in the condensed consolidated statements of financial condition. Credit risks are managed through master netting and collateral support agreements. The amounts related to the right to reclaim or the obligation to return cash collateral may not be used to offset amounts due under the derivative instruments in the normal course of settlement. Therefore, such amounts are not offset against fair value amounts recognized for derivative instruments with the same counterparty and are included in other assets and other liabilities. Changes in the fair value of the Company's derivative financial instruments are recognized in earnings and, where applicable, are offset by the corresponding gain or loss on the related foreign-denominated assets or liabilities or hedged investments, on the condensed consolidated statements of income.

The Company may also use financial instruments designated as net investment hedges for accounting purposes to hedge net investments in international subsidiaries whose functional currency is not US dollars. The gain or loss from revaluing net investment hedges at the spot rate is deferred and reported within accumulated other comprehensive income (loss) ("AOCI") on the condensed consolidated statements of financial condition. The Company reassesses the effectiveness of its net investment hedge at least quarterly.

Separate Account Assets and Liabilities. Separate account assets are maintained by BlackRock Life Limited, a wholly owned subsidiary of the Company, which is a registered life insurance company in the United Kingdom ("UK"), and represent segregated assets held for purposes of funding individual and group pension contracts. The life insurance company does not underwrite any insurance contracts that involve any insurance risk transfer from the insured to the life insurance company. The separate account assets primarily include equity securities, debt securities, money market funds and derivatives. The separate account assets are not subject to general claims of the creditors of BlackRock. These separate account assets and the related equal and offsetting liabilities are recorded as separate account assets and separate account liabilities on the condensed consolidated statements of financial condition

The net investment income attributable to separate account assets supporting individual and group pension contracts accrues directly to the contract owner and is not reported on the condensed consolidated statements of income. While BlackRock has no economic interest in these separate account assets and liabilities, BlackRock earns policy administration and management fees associated with these products, which are included in investment advisory, administration fees and securities lending revenue on the condensed consolidated statements of income.

Separate Account Collateral Assets Held and Liabilities Under Securities Lending Agreements. The Company facilitates securities lending arrangements whereby securities held by separate accounts maintained by BlackRock Life Limited are lent to third parties under global master securities lending agreements. In exchange, the Company obtains either a) the legal title, or b) a first ranking priority security interest, in the collateral. The minimum collateral values generally range from approximately 102% to 112% of the value of the securities in order to reduce counterparty risk. The required collateral value is calculated on a daily basis. The global master securities lending agreements provide the Company the right to request additional collateral or, in the event of borrower default, the right to liquidate collateral. The securities lending transactions entered into by the Company are accompanied by an agreement that entitles the Company to request the borrower to return the securities at any time; therefore, these transactions are not reported as sales.

In situations where the Company obtains the legal title to collateral under these securities lending arrangements, the Company records an asset on the condensed consolidated statements of financial condition in addition to an equal collateral liability for the obligation to return the collateral. Additionally, in situations where the Company obtains a first ranking priority security interest in the collateral, the Company does not have the ability to pledge or resell the collateral and therefore does not record the collateral on the condensed consolidated statements of financial condition. At March 31, 2022 and December 31, 2021, the fair value of loaned securities held by separate accounts was approximately $13.1 billion and $13.2 billion, respectively, and the fair value of the collateral under these securities lending agreements was approximately $14.0 billion and $14.1 billion, respectively, of which approximately $7.1 billion as of both March 31, 2022 and December 31, 2021 was recognized on the condensed consolidated statements of financial condition. During the three months ended March 31, 2022 and 2021, the Company had not resold or repledged any of the collateral obtained under these arrangements. The securities lending revenue earned from lending securities held by the separate accounts is included in investment advisory, administration fees and securities lending revenue on the condensed consolidated statements of income.

Money Market Fee Waivers. The Company may voluntarily waive a portion of its management fees on certain money market funds to ensure that they maintain a targeted level of daily net investment income (the "Yield Support waivers"). During the three months ended March 31, 2022, and 2021 these waivers resulted in a reduction of management fees of approximately $72 million and $70 million, respectively, which was partially offset by a reduction of BlackRock's distribution and servicing costs paid to financial intermediaries. The Company may increase or decrease the level of Yield Support waivers in future periods.

3. Acquisition

Aperio Group, LLC

On February 1, 2021, the Company acquired 100% of the equity interests of Aperio Group, LLC (the "Aperio Transaction" or "Aperio"), a pioneer in customizing tax-optimized index equity separately managed accounts ("SMAs") for approximately $1.1 billion in cash, using existing cash resources. The acquisition of Aperio increased BlackRock's SMA assets under management and expanded the breadth of the Company's capabilities via tax-managed strategies across factors, broad market indexing, and investor Environmental, Social, and Governance preferences across all asset classes.

The purchase price for the Aperio Transaction was allocated to the assets acquired and liabilities assumed based upon their estimated fair values at the date of the transaction. The goodwill recognized in connection with the acquisition is primarily attributable to anticipated synergies from the transaction. A summary of the fair values of the assets acquired and liabilities assumed in this acquisition is as follows:

(in millions)		Fair Value

(1) Equity method investments primarily include BlackRock's direct investments in certain BlackRock sponsored investment funds

(2) At both March 31, 2022 and December 31, 2021, there were no indicators of impairment of Federal Reserve Bank stock, which is held for regulatory purposes and is restricted from sale.

(3) Carried interest represents allocations to BlackRock's general partner capital accounts from certain sponsored investment funds. These balances are subject to change upon cash distributions, additional allocations or reallocations back to limited partners within the respective funds.

(4) Other investments include BlackRock's investments in nonmarketable equity securities, which are measured at cost, adjusted for observable price changes and private equity and real asset investments held by CIPs measured at fair value.

Held-to-Maturity Investments

Held-to-maturity investments included certain investments in BlackRock sponsored CLOs and foreign government debt held primarily for regulatory purposes. The amortized cost (carrying value) of these investments approximated fair value (primarily a Level 2 input). At March 31, 2022, $26 million of these investments mature between one year to five years, $142 million of these investments mature between five to ten years and $292 million of these investments mature after 10 years.

6. Consolidated Sponsored Investment Products

The Company consolidates certain sponsored investment funds accounted for as voting rights entities ("VREs") because it is deemed to control such funds.

In the normal course of business, the Company is the manager of various types of sponsored investment vehicles, which may be considered VIEs. The Company may from time to time own equity or debt securities or enter into derivatives with the vehicles, each of which are considered variable interests. The Company's involvement in financing the operations of the VIEs is generally limited to its investments in the entity. The Company's consolidated VIEs include certain sponsored investment products in which BlackRock has an investment and as the investment manager, is deemed to have both the power to direct the most significant activities of the products and the right to receive benefits (or the obligation to absorb losses) that could potentially be significant to these sponsored investment products. The assets of these VIEs are not available to creditors of the Company. In addition, the investors in these VIEs have no recourse to the credit of the Company.

The following table presents the balances related to these CIPs accounted for as VIEs and VREs that were recorded on the condensed consolidated statements of financial condition, including BlackRock's net interest in these products:

	March 31, 2022			December 31, 2021		
(in millions)	VIEs	VREs	Total	VIEs	VREs	Total

Noncontrolling interests - CIPs	(1,220)	(77)	(1,297)	(1,046)	(79)	(1,125)
BlackRock's net interests in CIPs	$ 1,194	$ 677	$ 1,871	$ 1,304	$ 583	$ 1,887

(1) At both March 31, 2022 and December 31, 2021, other liabilities of VIEs primarily include deferred carried interest liabilities and borrowings of a consolidated CLO

BlackRock's total exposure to CIPs represents the value of its economic ownership interest in these CIPs. Valuation changes associated with investments held at fair value by these CIPs are reflected in nonoperating income (expense) and partially offset in net income (loss) attributable to NCI for the portion not attributable to BlackRock.

The Company cannot readily access cash and cash equivalents held by CIPs to use in its operating activities.

Net gain (loss) related to consolidated VIEs is presented in the following table.

	Three Months Ended March 31,	
(in millions)	2022	2021
Nonoperating net gain (loss) on consolidated VIEs	$ (133)	$ 83
Net income (loss) attributable to NCI on consolidated VIEs	$ (75)	$ 55

7. Variable Interest Entities

Nonconsolidated VIEs. At March 31, 2022 and December 31, 2021, the Company's carrying value of assets and liabilities included on the condensed consolidated statements of financial condition pertaining to nonconsolidated VIEs and its maximum risk of loss related to VIEs for which it held a variable interest, but for which it was not the primary beneficiary ("PB"), was as follows:

(in millions)		Advisory Fee	Other Net Assets	Maximum
At March 31, 2022	**Investments**	**Receivables**	**(Liabilities)**	**Risk of Loss(1)**
Sponsored investment products	$ 895	$ 96	$ (12)	$ 1,008
At December 31, 2021				
Sponsored investment products	$ 882	$ 62	$ (12)	$ 961

(1) At both March 31, 2022 and December 31, 2021, BlackRock's maximum risk of loss associated with these VIEs primarily related to BlackRock's investments and the collection of advisory fee receivables.

The net assets of sponsored investment products that are nonconsolidated VIEs approximated $21 billion and $20 billion at March 31, 2022 and December 31, 2021, respectively.

(5) Long-term borrowings are recorded at amortized cost, net of debt issuance costs The fair value of the long-term borrowings, including the current portion of long-term borrowings, is determined using market prices and the EUR/USD foreign exchange rate at the end of March 2022 and December 2021, respectively. See Note 14, *Borrowings*, for the fair value of each of the Company's long-term borrowings

Investments in Certain Entities that Calculate NAV Per Share

As a practical expedient to value certain investments that do not have a readily determinable fair value and have attributes of an investment company, the Company uses NAV as the fair value. The following tables list information regarding all investments that use a fair value measurement to account for both their financial assets and financial liabilities in their calculation of a NAV per share (or equivalent).

14. Borrowings

2022 Revolving Credit Facility Since 2011, the Company has maintained an unsecured revolving credit facility which is available for working capital and general corporate purposes (the "2022 credit facility"). In March 2022, the 2022 credit facility was amended to, among other things, (i) increase the aggregate commitment amount by $300 million to $4.7 billion, (ii) extend the maturity date to March 2027, (iii) change the rate for borrowings denominated in United States Dollars from a rate based on the London Interbank Offered Rate (LIBOR) to a rate based on the secured overnight financing rate (SOFR) subject to certain adjustments and (iv) raise and/or add certain specified targets for the sustainability-linked pricing mechanics. The 2022 credit facility permits the Company to request up to an additional $1.0 billion of borrowing capacity, subject to lender credit approval, which could increase the overall size of the 2022 credit facility to an aggregate principal amount of up to $5.7 billion. The 2022 credit facility requires the Company not to exceed a maximum leverage ratio (ratio of net debt to earnings before interest, taxes, depreciation and amortization, where net debt equals total debt less unrestricted cash) of 3 to 1, which was satisfied with a ratio of less than 1 to 1 at March 31, 2022. At March 31, 2022, the Company had no amount outstanding under the 2022 credit facility.

See Note 15, *Borrowings*, in the 2021 Form 10-K for more information regarding the Company's borrowings.

15. Commitments and Contingencies

Investment Commitments. At March 31, 2022, the Company had $844 million of various capital commitments to fund sponsored investment products, including CIPs. These products include private equity funds, real assets funds and opportunistic funds. This amount excludes additional commitments made by consolidated funds of funds to underlying third-party funds as third-party noncontrolling interest holders have the legal obligation to fund the respective commitments of such funds of funds. Generally, the timing of the funding of these commitments is unknown and the commitments are callable on demand at any time prior to the expiration of the commitment. These unfunded commitments are not recorded on the condensed consolidated statements of financial condition These commitments do not include potential future commitments approved by the Company that are not yet legally binding. The Company intends to make additional capital commitments from time to time to fund additional investment products for, and with, its clients.

Contingencies

Legal Proceedings From time to time, BlackRock receives subpoenas or other requests for information from various US federal and state governmental and regulatory authorities and international governmental and regulatory authorities in connection with industry-wide or other investigations or proceedings. It is BlackRock's policy to cooperate fully with such matters. The Company, certain of its subsidiaries and employees have been named as defendants in various legal actions, including arbitrations and other litigation arising in connection with BlackRock's activities. Additionally, BlackRock-advised investment portfolios may be subject to lawsuits, any of which potentially could harm the investment returns of the applicable portfolio or result in the Company being liable to the portfolios for any resulting damages.

Management, after consultation with legal counsel, currently does not anticipate that the aggregate liability arising out of regulatory matters or lawsuits will have a material effect on BlackRock's results of operations, financial position, or cash flows. However, there is no assurance as to whether any such pending or threatened matters will have a material effect on BlackRock's results of operations, financial position or cash flows in any future reporting period. Due to uncertainties surrounding the outcome of these matters, management cannot reasonably estimate the possible loss or range of loss that may arise from these matters.

Indemnifications. In the ordinary course of business or in connection with certain acquisition agreements, BlackRock enters into contracts pursuant to which it may agree to indemnify third parties in certain circumstances. The terms of these indemnities vary from contract to contract and the amount of indemnification liability, if any, cannot be determined or the likelihood of any liability is considered remote. Consequently, no liability has been recorded on the condensed consolidated statements of financial condition.

In connection with securities lending transactions, BlackRock has agreed to indemnify certain securities lending clients against potential loss resulting from a borrower's failure to fulfill its obligations under the securities lending agreement should the value of the collateral pledged by the borrower at the time of default be insufficient to cover the borrower's obligation under the securities lending agreement. The amount of securities on loan as of March 31, 2022 and subject to this type of indemnification was $287 billion. In the Company's capacity as lending agent, cash and securities totaling $307 billion were held as collateral for indemnified securities on loan at March 31, 2022. The fair value of these indemnifications was not material at March 31, 2022.

At March 31, 2022, the Company was required to maintain approximately $2.3 billion in net capital in certain regulated subsidiaries, including BlackRock Institutional Trust Company, N.A. (a wholly owned subsidiary of the Company that is chartered as a national bank whose powers are limited to trust and other fiduciary activities and which is subject to regulatory capital requirements administered by the US Office of the Comptroller of the Currency), entities regulated by the Financial Conduct Authority and Prudential Regulation Authority in the UK, and the Company's broker-dealers. THREE MONTHS ENDED MARCH 31, 2022 COMPARED WITH THREE MONTHS ENDED MARCH 31, 2021

GAAP. Operating income of $1,764 million increased $219 million and operating margin of 37.5% increased 240 bps from the first quarter of 2021 Increases in operating income and operating margin reflected strong organic growth and higher technology services revenue, partially offset by lower performance fees and higher expense, primarily driven by higher employee compensation and benefits expense. Operating income and operating margin also reflected the impact of $178 million of product launch costs in the first quarter of 2021.

Nonoperating income (expense) less net income (loss) attributable to noncontrolling interests ("NCI") decreased $37 million from the first quarter of 2021, driven primarily by mark-to-market losses on the Company's un-hedged seed capital investments.

First quarter 2022 income tax expense included $133 million of discrete tax benefits related to stock-based compensation awards that vested in the first quarter and the resolution of certain outstanding tax matters. First quarter 2021 income tax expense included $39 million of discrete tax benefits related to stock-based compensation awards. In addition, first quarter 2022 income tax expense included $18 million of net noncash tax benefits related to the revaluation of certain deferred income tax liabilities

Earnings per diluted common share increased $1.58, or 20%, from the first quarter of 2021, primarily reflecting higher operating income, a lower effective tax rate and a lower diluted share count, partially offset by lower nonoperating income in the current quarter. The increase in earnings per diluted common share also included the impact of $178 million of product launch costs incurred in the first quarter of 2021.

As Adjusted Operating income of $1,822 million increased $223 million and operating margin of 44.2% decreased 160 bps from the first quarter of 2021 The impact of product launch costs has been excluded from as adjusted operating margin for the first quarter of 2021.

Earnings per diluted common share increased $1.48, or 18%, from the first quarter of 2021, primarily due to higher operating income, a lower effective tax rate, and a lower diluted share count, partially offset by lower nonoperating income, in the current quarter. Income tax expense, as adjusted, for the first quarter of 2022 excluded $18 million of net noncash tax benefits described above.

See *Non-GAAP Financial Measures* for further information on as adjusted items and the reconciliation to accounting principles generally accepted in the United States ("GAAP"). Beginning in the first quarter of 2022, BlackRock updated the definitions of operating income, as adjusted, operating margin, as adjusted, and net income attributable to BlackRock, Inc., as adjusted, to include new adjustments. Such measures have been recast for 2021 to reflect the inclusion of such new adjustments. For further information, refer to the Current Report on Form 8-K furnished on April 13, 2022.

For further discussion of BlackRock's revenue, expense, nonoperating results and income tax expense, see *Discussion of Financial Results* herein.

NON-GAAP FINANCIAL MEASURES

BlackRock reports its financial results in accordance with GAAP, however, management believes evaluating the Company's ongoing operating results may be enhanced if investors have additional non-GAAP financial measures. Management reviews non-GAAP financial measures to assess ongoing operations and considers them to be helpful, for both management and investors, in evaluating BlackRock's financial performance over time. Management also uses non-GAAP financial measures as a benchmark to compare its performance with other companies and to enhance comparability for the reporting periods presented. Non-GAAP measures may pose limitations because they do not include all of BlackRock's revenue and expense. BlackRock's management does not advocate that investors consider such non-GAAP financial measures in isolation from, or as a substitute for, financial information prepared in accordance with GAAP. Non-GAAP measures may not be comparable to other similarly titled measures of other companies.

Management uses both GAAP and non-GAAP financial measures in evaluating BlackRock's financial performance. Adjustments to GAAP financial measures ("non-GAAP adjustments") include certain items management deems nonrecurring or that occur infrequently, transactions that ultimately will not impact BlackRock's book value or certain tax items that do not impact cash flow.

Beginning in the first quarter of 2022, the Company updated its definition of operating income, as adjusted, operating margin, as adjusted, and net income attributable to BlackRock, Inc., as adjusted, to include adjustments related to amortization of intangible assets, other acquisition-related costs, including compensation costs for nonrecurring retention-related deferred compensation, and contingent consideration fair value adjustments incurred in connection with certain acquisitions. Such measures have been recast for 2021 to reflect the inclusion of such new adjustments. For further information, refer to the Current Report on Form 8-K furnished on April 13, 2022.

Computations for all periods are derived from the condensed consolidated statements of income as follows.

Management believes operating income, as adjusted, and operating margin, as adjusted, are effective indicators of BlackRock's financial performance over time, and, therefore, provide useful disclosure to investors. Management believes that operating margin, as adjusted, reflects the Company's long-term ability to manage ongoing costs in relation to its revenues. The Company uses operating margin, as adjusted, to assess the Company's financial performance, to determine the long-term and annual compensation of the Company's senior-level employees and to evaluate the Company's relative performance against industry peers. Furthermore, this metric eliminates margin variability arising from the accounting of revenues and expenses related to distributing different product structures in multiple distribution channels utilized by asset managers.

- Operating income, as adjusted, includes non-GAAP expense adjustments. Beginning in the first quarter of 2022, the Company updated its definition of operating income, as adjusted, to include adjustments related to amortization of intangible assets, other acquisition-related costs, including compensation costs for nonrecurring retention-related deferred compensation, and contingent consideration fair value adjustments incurred in connection with certain acquisitions. Management believes excluding the impact of these expenses when calculating operating income, as adjusted, provides a helpful indication of the Company's financial performance over time, thereby providing helpful information for both management and investors while also increasing comparability with other companies. In addition, as previously reported in 2021, the Company recorded expense related to the lease of office space for its future headquarters located at 50 Hudson Yards in New York ("Lease cost – Hudson Yards") from August 2021. While the Company expects to begin to occupy the new office space in late 2022 (and begin cash lease payments in May 2023), the Company was required to record lease expense when it obtained access to the building to begin its tenant improvements. As a result, the Company is recognizing lease expense for both its current and future headquarters until its current headquarters lease expires in April 2023. Management believes removing Lease cost – Hudson Yards when calculating operating income, as adjusted, is useful to assess the Company's financial performance and enhances comparability among periods presented.
- Operating income used for measuring operating margin, as adjusted, is equal to operating income, as adjusted, excluding the impact of product launch costs (e g closed-end fund launch costs) and related commissions Management believes the exclusion of such costs and related commissions is useful because these costs can fluctuate considerably and revenue associated with the expenditure of these costs will not fully impact BlackRock's results until future periods.
- Revenue used for calculating operating margin, as adjusted, is reduced to exclude all of the Company's distribution fees, which are recorded as a separate line item on the condensed consolidated statements of income, as well as a portion of investment advisory fees received that is used to pay distribution and servicing costs. For certain products, based on distinct arrangements, distribution fees are collected by the Company and then passed-through to third-party client intermediaries. For other products, investment advisory fees are collected by the Company and a portion is passed-through to third-party client intermediaries. However, in both structures, the third-party client intermediary similarly owns the relationship with the retail client and is responsible for distributing the product and servicing the client. The amount of distribution and investment advisory fees fluctuates each period primarily based on a predetermined percentage of the value of AUM during the period. These fees also vary based on the type of investment product sold and the geographic location where it is sold. In addition, the Company may waive fees on certain products that could result in the reduction of payments to the third-party intermediaries.

Net income attributable to BlackRock, Inc., as adjusted, equals net income attributable to BlackRock, Inc., GAAP basis, adjusted for significant nonrecurring items, charges that ultimately will not impact BlackRock's book value or certain tax items that do not impact cash flow

See note (1) above regarding operating income, as adjusted, and operating margin, as adjusted, for information on the updated presentation of non-GAAP expense adjustments related to amortization of intangible assets, other acquisition-related costs, including compensation costs for nonrecurring retention-related deferred compensation, and contingent consideration fair value adjustments incurred in connection with certain acquisitions, as well as previously reported Lease cost – Hudson Yards.

AUM decreased $441 billion to $9.57 trillion at March 31, 2022, driven by net market depreciation and the negative impact of foreign exchange movements, partially offset by positive net inflows.

Long-term net inflows of $114 billion were comprised of net inflows of $56 billion, $47 billion and $10 billion into ETFs, institutional and retail, respectively. Net flows in long-term products are described below.

- ETFs net inflows of $56 billion reflected growth from each of our major product categories, including core equity, sustainable and commodity ETFs. Equity net inflows of $41 billion were driven by both US and international equity market exposures. Fixed income net inflows of $8 billion reflected demand for treasuries, short duration inflation-linked, sustainable, municipal bond, and broad bond market ETFs.
- Institutional active net inflows of $16 billion were led by continued growth in *LifePath®* target-date, alternatives and systematic active equity offerings.
- Institutional index net inflows of $31 billion were led by $27 billion of equity net inflows and included approximately $70 billion from two large institutional clients.
- Retail net inflows of $10 billion were positive in both the US and internationally, and reflected strength in equity, active multi-asset and liquid alternative funds.

Cash management AUM decreased to $725 billion, due to net outflows of $27 billion from offshore prime and US government money market funds.

Net market depreciation of $474 billion was primarily driven by global equity and fixed income market depreciation.

AUM decreased $53 billion due to the negative impact of foreign exchange movements, primarily due to the strengthening of the US dollar, largely against the British pound, the Japanese yen and the Euro.

AUM increased $562 billion to $9.57 trillion at March 31, 2022, driven by positive net inflows and net market appreciation, partially offset by the negative impact of foreign exchange movements.

Long-term net inflows of $440 billion were comprised of net inflows of $293 billion, $76 billion and $71 billion from ETFs, retail and institutional, respectively. Net flows in long-term products are described below.

- ETFs net inflows of $293 billion reflected positive flows across core equity, strategic and precision ETFs, and across asset classes. Equity net inflows of $198 billion were driven by both US and international equity market exposures. Fixed income net inflows of $85 billion were led by flows into treasuries, inflation-protected, municipal and core bond ETFs. By region, ETFs net inflows were diversified with $189 billion of net inflows in US-listed ETFs and $86 billion of net inflows in European-listed ETFs.
- Institutional active net inflows of $169 billion included the previously disclosed impact of a significant outsourced chief investment officer ("OCIO") mandate from a UK pension client in the second quarter of 2021 as well as a more recent significant active fixed income mandate from an insurance client and an OCIO mandate from an Asia-Pacific client. Net inflows also reflected continued growth in *LifePath* target-date funds, illiquid alternatives and active equity strategies.
- Institutional index net outflows of $98 billion included the previously discussed impact of a $58 billion low-fee institutional index redemption in the second quarter of 2021, as well as approximately $70 billion of net inflows from two large institutional clients in the first quarter of 2022. Equity net outflows of $111 billion were partially offset by fixed income net inflows of $14 billion
- Retail net inflows of $76 billion included net inflows of $45 billion and $31 billion in the US and internationally, respectively Retail net inflows reflected strength in thematic and global equity and US growth equity funds, natural resources, unconstrained, municipal and total return fixed income funds, multi-asset and alternatives funds.

Cash management AUM increased to $725 billion, driven by net inflows of $28 billion.

Net market appreciation of $226 billion was driven by global equity market appreciation.

AUM decreased $118 billion due to the negative impact of foreign exchange movements, primarily resulting from the strengthening of the US dollar, largely against the British pound, Euro and Japanese yen.

Investment advisory, administration fees and securities lending revenue of $3,833 million increased $241 million from $3,592 million for the three months ended March 31, 2021, primarily driven by strong organic base fee growth. Three Months Ended March 31, 2022 Compared with Three Months Ended March 31, 2021

Expense increased $82 million from the three months ended March 31, 2021, largely driven by higher employee compensation and benefits expense, partially offset by a decrease in general and administration expense, reflecting the impact of product launch costs incurred in the first quarter of 2021

Employee compensation and benefits expense increased $89 million from the three months ended March 31, 2021, reflecting higher base compensation, partially offset by lower incentive compensation, driven in part by the lower mark-to-market impact of certain deferred compensation programs.

General and administration expense decreased $89 million from the three months ended March 31, 2021, primarily driven by $178 million of product launch costs incurred in the first quarter of 2021, partially offset by higher technology and marketing and promotional expense. The increase also reflected higher occupancy and office related expense, including $12 million of noncash occupancy expense related to the lease of office space for the Company's future headquarters located at 50 Hudson Yards in New York ("Lease cost – Hudson Yards"), which it expects to begin to occupy in late 2022 (and begin lease payments in May 2023). Lease cost – Hudson Yards has been excluded from our "as adjusted" financial results. See *Non-GAAP Financial Measures* for further information on as adjusted items.

STATEMENT OF FINANCIAL CONDITION OVERVIEW

As Adjusted Statement of Financial Condition

The following table presents a reconciliation of the condensed consolidated statement of financial condition presented on a GAAP basis to the condensed consolidated statement of financial condition, excluding the impact of separate account assets and separate account collateral held under securities lending agreements (directly related to lending separate account securities) and separate account liabilities and separate account collateral liabilities under securities lending agreements and consolidated sponsored investment products ("CIPs").

The Company presents the as adjusted statement of financial condition as additional information to enable investors to exclude certain assets that have equal and offsetting liabilities or NCI that ultimately do not have an impact on stockholders' equity or cash flows. Management views the as adjusted statement of financial condition, which contains non-GAAP financial measures, as an economic presentation of the Company's total assets and liabilities; however, it does not advocate that investors consider such non-GAAP financial measures in isolation from, or as a substitute for, financial information prepared in accordance with GAAP

Separate Account Assets and Liabilities and Separate Account Collateral Held under Securities Lending Agreements

Separate account assets are maintained by BlackRock Life Limited, a wholly owned subsidiary of the Company that is a registered life insurance company in the UK, and represent segregated assets held for purposes of funding individual and group pension contracts. The Company records equal and offsetting separate account liabilities The separate account assets are not available to creditors of the Company and the holders of the pension contracts have no recourse to the Company's assets. The net investment income attributable to separate account assets accrues directly to the contract owners and is not reported on the condensed consolidated statements of income. While BlackRock has no economic interest in these assets or liabilities, BlackRock earns an investment advisory fee for the service of managing these assets on behalf of its clients.

In addition, the Company records on its condensed consolidated statements of financial condition the separate account collateral obtained under BlackRock Life Limited securities lending arrangements for which it has legal title as its own asset in addition to an equal and offsetting separate account collateral liability for the obligation to return the collateral. The collateral is not available to creditors of the Company, and the borrowers under the securities lending arrangements have no recourse to the Company's assets.

Consolidated Sponsored Investment Products

The Company consolidates certain sponsored investment products accounted for as variable interest entities ("VIEs") and voting rights entities ("VREs"), (collectively, "CIPs"). See Note 2, *Significant Accounting Policies*, in the notes to the consolidated financial statements contained in the 2021 Form 10-K for more information on the Company's consolidation policy.

The Company cannot readily access cash and cash equivalents or other assets held by CIPs to use in its operating activities. In addition, the Company cannot readily sell investments held by CIPs in order to obtain cash for use in the Company's operations.

Assets. Cash and cash equivalents at March 31, 2022 and December 31, 2021 included $376 million and $308 million, respectively, of cash held by CIPs (see *Liquidity and Capital Resources* for details on the change in cash and cash equivalents during the three months ended March 31, 2022).

Investments, including the impact of CIPs, increased $353 million from December 31, 2021 (for more information see *Investments* herein). Goodwill and intangible assets decreased $40 million from December 31, 2021, primarily due to amortization of intangible assets. Other assets increased $3.3 billion from December 31, 2021, primarily related to an increase in unit trust receivables (substantially offset by an increase in unit trust payables recorded within other liabilities).

Liabilities. Accrued compensation and benefits at March 31, 2022 decreased $1.8 billion from December 31, 2021, primarily due to 2021 incentive compensation cash payments in the first quarter of 2022, partially offset by 2022 incentive compensation accruals. Accounts payable and accrued liabilities at March 31, 2022 increased $54 million from December 31, 2021, primarily due to increased accruals Other liabilities increased $3.3 billion from December 31, 2021, primarily due to higher unit trust payables (substantially offset by an increase in unit trust receivables recorded within other assets), and higher other liabilities of CIPs, including deferred carried interest liabilities. Net deferred income tax liabilities at March 31, 2022 increased $99 million from December 31, 2021, primarily due to the effects of temporary differences associated with stock-based compensation.

Investments

The Company's investments were $7 6 billion and $7.3 billion at March 31, 2022 and December 31, 2021, respectively Investments include CIPs accounted for as VIEs and VREs. Management reviews BlackRock's investments on an "economic" basis, which eliminates the portion of investments that does not impact BlackRock's book value or net income attributable to BlackRock. BlackRock's management does not advocate that investors consider such non-GAAP financial measures in isolation from, or as a substitute for, financial information prepared in accordance with GAAP.

The Company presents investments, as adjusted, to enable investors to understand the portion of investments that is owned by the Company, net of NCI, as a gauge to measure the impact of changes in net nonoperating income (expense) on investments to net income (loss) attributable to BlackRock.

The Company further presents net "economic" investment exposure, net of hedged investments, to reflect another helpful measure for investors. The impact of certain investments is substantially mitigated by swap hedges. Carried interest capital allocations are excluded as there is no impact to BlackRock's stockholders' equity until such amounts are realized as performance fees. Finally, the Company's regulatory investment in Federal Reserve Bank stock, which is not subject to market or interest rate risk, is excluded from the Company's net economic investment exposure.

LIQUIDITY AND CAPITAL RESOURCES

BlackRock Cash Flows Excluding the Impact of CIPs

The condensed consolidated statements of cash flows include the cash flows of the CIPs. The Company uses an adjusted cash flow statement, which excludes the impact of CIPs, as a supplemental non-GAAP measure to assess liquidity and capital requirements The Company believes that its cash flows, excluding the impact of the CIPs, provide investors with useful information on the cash flows of BlackRock relating to its ability to fund additional operating, investing and financing activities. BlackRock's management does not advocate that investors consider such non-GAAP measures in isolation from, or as a substitute for, its cash flows presented in accordance with GAAP.

The following table presents a reconciliation of the condensed consolidated statements of cash flows presented on a GAAP basis to the condensed consolidated statements of cash flows, excluding the impact of the cash flows of CIPs

(in millions)	GAAP Basis	Impact on Cash Flows of CIPs	Cash Flows Excluding Impact of CIPs

Sources of BlackRock's operating cash primarily include base fees and securities lending revenue, performance fees, technology services revenue, advisory and other revenue and distribution fees. BlackRock uses its cash to pay all operating expenses, interest and principal on borrowings, income taxes, dividends on BlackRock's capital stock, repurchases of the Company's stock, acquisitions, capital expenditures and purchases of co-investments and seed investments.

For details of the Company's GAAP cash flows from operating, investing and financing activities, see the condensed consolidated statements of cash flows contained in Part I, Item 1 of this filing.

Cash flows provided by/(used in) operating activities, excluding the impact of CIPs, primarily include the receipt of base fees, securities lending revenue, performance fees and technology services revenue, offset by the payment of operating expenses incurred in the normal course of business, including year-end incentive and deferred compensation accrued during prior years, and income tax payments.

Cash flows used in investing activities, excluding the impact of CIPs, for the three months ended March 31, 2022 were $195 million and primarily reflected $147 million of purchases of property and equipment and $67 million of net investment purchases.

Cash flows used in financing activities, excluding the impact of CIPs, for the three months ended March 31, 2022 were $1.7 billion, primarily resulting from $0.9 billion of share repurchases, including $0.5 billion in open market transactions and $0.4 billion of employee tax withholdings related to employee stock transactions, and $0.8 billion of cash dividend payments.

The Company manages its financial condition and funding to maintain appropriate liquidity for the business. Management believes that the Company's liquid assets, continuing cash flows from operations, borrowing capacity under the Company's existing revolving credit facility and uncommitted commercial paper private placement program, provide sufficient resources to meet the Company's short-term and long-term cash needs, including operating, debt and other obligations as they come due and anticipated future capital requirements. Liquidity resources at March 31, 2022 and December 31, 2021 were as follows:

(in millions)		March 31, 2022		December 31, 2021
Cash and cash equivalents(1)	$	7,262	$	9,323
Cash and cash equivalents held by CIPs(2)		(376)		(308)
Subtotal		6,886		9,015
Credit facility – undrawn		4,700		4,400
Total liquidity resources	$	11,586	$	13,415

(1) The percentage of cash and cash equivalents held by the Company's US subsidiaries was approximately 40% and 50% at March 31, 2022 and December 31, 2021, respectively See *Net Capital Requirements* herein for more information on net capital requirements in certain regulated subsidiaries
(2) The Company cannot readily access such cash and cash equivalents to use in its operating activities

Total liquidity resources decreased $1.8 billion during the three months ended March 31, 2022, primarily reflecting cash payments of 2021 year-end incentive awards, share repurchases of $0.9 billion and cash dividend payments of $0.8 billion, partially offset by cash flows from other operating activities and a $300 million increase in the aggregate commitment amount under the credit facility.

A significant portion of the Company's $6,288 million of investments, as adjusted, is illiquid in nature and, as such, cannot be readily convertible to cash.

Share Repurchases. During the three months ended March 31, 2022, the Company repurchased approximately 0.6 million of common shares under the Company's existing share repurchase program for approximately $500 million. At March 31, 2022, there were approximately 3 million shares still authorized to be repurchased under the program.

Net Capital Requirements. The Company is required to maintain net capital in certain regulated subsidiaries within a number of jurisdictions, which is partially maintained by retaining cash and cash equivalent investments in those subsidiaries or jurisdictions. As a result, such subsidiaries of the Company may be restricted in their ability to transfer cash between different jurisdictions and to their parents. Additionally, transfers of cash between international jurisdictions may have adverse tax consequences that could discourage such transfers.

BlackRock Institutional Trust Company, N.A. ("BTC") is chartered as a national bank that does not accept deposits or make commercial loans and whose powers are limited to trust and other fiduciary activities. BTC provides investment management and other fiduciary services, including investment advisory and securities lending agency services, to institutional clients. BTC is subject to regulatory capital and liquid asset requirements administered by the US Office of the Comptroller of the Currency.

At both March 31, 2022 and December 31, 2021, the Company was required to maintain approximately $2 3 billion in net capital in certain regulated subsidiaries, including BTC, entities regulated by the Financial Conduct Authority and Prudential Regulation Authority in the United Kingdom, and the Company's broker-dealers. The Company was in compliance with all applicable regulatory net capital requirements.

Borrowings

2022 Revolving Credit Facility. Since 2011, the Company has maintained an unsecured revolving credit facility which is available for working capital and general corporate purposes (the "2022 credit facility"). In March 2022, the 2022 credit facility was amended to, among other things, (i) increase the aggregate commitment amount by $300 million to $4.7 billion, (ii) extend the maturity date to March 2027, (iii) change the rate for borrowings denominated in United States Dollars from a rate based on the London Interbank Offered Rate (LIBOR) to a rate based on the secured overnight financing rate (SOFR) subject to certain adjustments and (iv) raise and/or add certain specified targets for the sustainability-linked pricing mechanics. The 2022 credit facility permits the Company to request up to an additional $1.0 billion of borrowing capacity, subject to lender credit approval, which could increase the overall size of the 2022 credit facility to an aggregate principal amount of up to $5.7 billion. The 2022 credit facility requires the Company not to exceed a maximum leverage ratio (ratio of net debt to earnings before interest, taxes, depreciation and amortization, where net debt equals total debt less unrestricted cash) of 3 to 1, which was satisfied with a ratio of less than 1 to 1 at March 31, 2022. At March 31, 2022, the Company had no amount outstanding under the 2022 credit facility.

Commercial Paper Program The Company can issue unsecured commercial paper notes (the "CP Notes") on a private-placement basis up to a maximum aggregate amount outstanding at any time of $4 billion. The commercial paper program is currently supported by the 2022 credit facility. At March 31, 2022, BlackRock had no CP Notes outstanding.

Long-term Notes At March 31, 2022, the principal amount of long-term notes outstanding was $7.5 billion. See Note 15, *Borrowings*, in the 2021 Form 10-K for more information on overall borrowings outstanding as of December 31, 2021.

During the three months ended March 31, 2022, the Company paid approximately $45 million of interest on long-term notes. Future principal repayments and interest requirements at March 31, 2022 were as follows

(in millions)

Year	Principal	Interest	Total Payments
Remainder of 2022	$ 750	$ 130	$ 880
2023	—	168	168
2024	1,000	151	1,151
2025(1)	778	133	911
2026	—	124	124
2027	700	113	813
Thereafter	4,250	287	4,537
Total	$ 7,478	$ 1,105	$ 8,583

(1) The carrying value of the 2025 Notes is calculated using the EUR/USD foreign exchange rate as of March 31, 2022

Commitments and Contingencies

Investment Commitments. At March 31, 2022, the Company had $844 million of various capital commitments to fund sponsored investment products, including CIPs. These products include various illiquid alternative products, including private equity funds and real assets funds and opportunistic funds. This amount excludes additional commitments made by consolidated funds of funds to underlying third-party funds as third-party noncontrolling interest holders have the legal obligation to fund the respective commitments of such funds of funds. Generally, the timing of the funding of these commitments is unknown and the commitments are callable on demand at any time prior to the expiration of the commitment. These unfunded commitments are not recorded on the condensed consolidated statements of financial condition. These commitments do not include potential future commitments approved by the Company that are not yet legally binding. The Company intends to make additional capital commitments from time to time to fund additional investment products for, and with, its clients.

Critical Accounting Policies And Estimates

The preparation of condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the condensed consolidated financial statements and the reported amounts of revenue and expense during the reporting periods. Actual results could differ significantly from those estimates. These estimates, judgements and assumptions are affected by the Company's application of accounting policies. Management considers the following accounting policies and estimates critical to understanding the condensed consolidated financial statements. These policies and estimates are considered critical because they had a material impact, or are reasonably likely to have a material impact on the Company's condensed consolidated financial statements and because they require management to make significant judgements, assumptions or estimates. For a summary of these and additional accounting policies see Note 2, *Significant Accounting Policies*, in the notes to the condensed consolidated financial statements. In addition, see *Critical Accounting Policies and Estimates* in Management's Discussion and Analysis of Financial Condition and Results of Operations and Note 2, *Significant Accounting Policies*, in the 2021 Form 10-K for further information.

Consolidation. The Company consolidates entities in which the Company has a controlling financial interest. The company has a controlling financial interest when it owns a majority of the VRE or is a primary beneficiary ("PB") of a VIE. Assessing whether an entity is a VIE or a VRE involves judgment and analysis on a structure-by-structure basis. Factors considered in this assessment include the entity's legal organization, the entity's capital structure and equity ownership, the rights of equity investment holders, the Company's contractual involvement with and economic interest in the entity and any related party or de facto agent implications of the Company's involvement with the entity. Entities that are determined to be VREs are consolidated if the Company can exert control over the financial and operating policies of the investee, which generally exists if there is greater than 50% voting interest. Entities that are determined to be VIEs are consolidated if the Company is the PB of the entity. BlackRock is deemed to be the PB of a VIE if it a) has the power to direct the activities that most significantly impact the entity's economic performance and b) has the obligation to absorb losses or the right to receive benefits that potentially could be significant to the VIE. There is judgment involved in assessing whether the Company is the PB of a VIE. In addition, the Company's ownership interest in VIEs is subject to variability and is impacted by actions of other investors such as on-going redemptions and contributions. The Company generally consolidates VIEs in which it holds an economic interest of 10% or greater and deconsolidates such VIEs once equity ownership falls below 10%. As of March 31, 2022, the Company was deemed to be the PB of 73 VIEs. See Note 6, *Consolidated Sponsored Investment Products*, in the notes to the condensed consolidated financial statements for more information.

Fair Value Measurements. The Company's assessment of the significance of a particular input to the fair value measurement according to the fair value hierarchy (i.e., Level 1, 2 and 3 inputs, as defined) in its entirety requires judgment and considers factors specific to the financial instrument. See Note 2, *Significant Accounting Policies*, and Note 8, *Fair Value Disclosures*, in the notes to the condensed consolidated financial statements for more information on fair value measurements.

Investment Advisory Performance Fees / Carried Interest. The Company receives investment advisory performance fees, including incentive allocations (carried interest) from certain actively managed investment funds and certain SMAs. These performance fees are dependent upon exceeding specified relative or absolute investment return thresholds, which vary by product or account, and include monthly, quarterly, annual or longer measurement periods.

Performance fees, including carried interest, are recognized when it is determined that they are no longer probable of significant reversal (such as upon the sale of a fund's investment or when the investment performance exceeds a contractual threshold at the end of a specified measurement period). Given the unique nature of each fee arrangement, contracts with customers are evaluated on an individual basis to determine the timing of revenue recognition. Significant judgement is involved in making such determination. Performance fees typically arise from investment management services that began in prior reporting periods. Consequently, a portion of the fees the Company recognizes may be partially related to the services performed in prior periods that meet the recognition criteria in the current period. At each reporting date, the Company considers various factors in estimating performance fees to be recognized, including carried interest. These factors include but are not limited to whether: (1) the amounts are dependent on the financial markets and, thus, are highly susceptible to factors outside the Company's influence; (2) the ultimate payments have a large number and a broad range of possible amounts; and (3) the funds or separately managed accounts have the ability to a) invest or reinvest their sales proceeds or b) distribute their sales proceeds and determine the timing of such distributions.

The Company is allocated/distributed carried interest from certain alternative investment products upon exceeding performance thresholds. The Company may be required to reverse/return all, or part, of such carried interest allocations/distributions depending upon future performance of these products. Carried interest subject to such clawback provisions is recorded in investments or cash and cash equivalents to the extent that it is distributed, on its condensed consolidated statements of financial condition. The Company records a liability for deferred carried interest to the extent it receives cash or capital allocations related to carried interest prior to meeting the revenue recognition criteria. At March 31, 2022 and December 31, 2021, the Company had $1.7 billion and $1.5 billion, respectively, of deferred carried interest recorded in other liabilities on the condensed consolidated statements of financial condition. A portion of the deferred carried interest may also be paid to certain employees. The ultimate timing of the recognition of performance fee revenue and related compensation expense, if any, is unknown. See Note 16, *Revenue,* in the notes to the condensed consolidated financial statements for detailed changes in the deferred carried interest liability balance for the three months ended March 31, 2022 and 2021.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

AUM Market Price Risk. BlackRock's investment advisory and administration fees are primarily comprised of fees based on a percentage of the value of AUM and, in some cases, performance fees expressed as a percentage of the returns realized on AUM. At March 31, 2022, the majority of the Company's investment advisory and administration fees were based on average or period end AUM of the applicable investment funds or separate accounts. Movements in equity market prices, interest rates/credit spreads, foreign exchange rates or all three could cause the value of AUM to decline, which would result in lower investment advisory and administration fees.

Corporate Investments Portfolio Risks. As a leading investment management firm, BlackRock devotes significant resources across all of its operations to identifying, measuring, monitoring, managing and analyzing market and operating risks, including the management and oversight of its own investment portfolio. The Board of Directors of the Company has adopted guidelines for the review of investments to be made by the Company, requiring, among other things, that investments be reviewed by certain senior officers of the Company, and that certain investments may be referred to the Audit Committee or the Board of Directors, depending on the circumstances, for approval.

In the normal course of its business, BlackRock is exposed to equity market price risk, interest rate/credit spread risk and foreign exchange rate risk associated with its corporate investments.

BlackRock has investments primarily in sponsored investment products that invest in a variety of asset classes, including real assets, private equity and hedge funds. Investments generally are made for co-investment purposes, to establish a performance track record or for regulatory purposes Currently, the Company has a seed capital hedging program in which it enters into swaps to hedge market and interest rate exposure to certain investments. At March 31, 2022, the Company had outstanding total return swaps with an aggregate notional value of approximately $688 million

At March 31, 2022, approximately $4.9 billion of BlackRock's investments were maintained in consolidated sponsored investment products accounted for as variable interest entities or voting rights entities. Excluding the impact of the Federal Reserve Bank stock, carried interest and certain investments that are hedged via the seed capital hedging program, the Company's economic exposure to its investment portfolio is $3.7 billion. See *Statement of Financial Condition Overview-Investments* in Item 2, Management's Discussion and Analysis of Financial Condition and Results of Operations for further information on the Company's investments.

Equity Market Price Risk. At March 31, 2022, the Company's net exposure to equity market price risk in its investment portfolio was approximately $2 2 billion of the Company's total economic investment exposure. Investments subject to market price risk include private equity and real assets investments, hedge funds and funds of funds as well as mutual funds. The Company estimates that a hypothetical 10% adverse change in market prices would result in a decrease of approximately $220 million in the carrying value of such investments.

Interest Rate/Credit Spread Risk. At March 31, 2022, the Company was exposed to interest-rate risk and credit spread risk as a result of approximately $1.5 billion of investments in debt securities and sponsored investment products that invest primarily in debt securities Management considered a hypothetical 100 basis point fluctuation in interest rates or credit spreads and estimates that the impact of such a fluctuation on these investments, in the aggregate, would result in a decrease, or increase, of approximately $41 million in the carrying value of such investments.

Foreign Exchange Rate Risk. As discussed above, the Company invests in sponsored investment products that invest in a variety of asset classes. The carrying value of the total economic investment exposure denominated in foreign currencies, primarily the British pound and Euro, was $201 million at March 31, 2022. A 10% adverse change in the applicable foreign exchange rates would result in approximately a $86 million decline in the carrying value of such investments.

Other Market Risks. The Company executes forward foreign currency exchange contracts to mitigate the risk of certain foreign exchange risk movements. At March 31, 2022, the Company had outstanding forward foreign currency exchange contracts with an aggregate notional value of approximately $1.9 billion.

Item 4. Controls and Procedures

Disclosure Controls and Procedures. Under the direction of BlackRock's Chief Executive Officer and Chief Financial Officer, BlackRock evaluated the effectiveness of its disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) as of the end of the period covered by this quarterly report on Form 10-Q. Based on this evaluation, BlackRock's Chief Executive Officer and Chief Financial Officer have concluded that BlackRock's disclosure controls and procedures were effective.

Internal Control over Financial Reporting. There were no changes in our internal control over financial reporting that occurred during the quarter ended March 31, 2022 that have materially affected or are reasonably likely to materially affect our internal control over financial reporting.

PART II – OTHER INFORMATION

Item 1. Legal Proceedings

For a discussion of the Company's legal proceedings, see Note 15, *Commitments and Contingencies*, in the notes to the condensed consolidated financial statements of this Form 10-Q.

Anti-Takeover Considerations

The Delaware General Corporation Law, our certificate of incorporation and our bylaws contain provisions which could serve to discourage or to make more difficult a change in control of us without the support of our board of directors or without meeting various other conditions.

Extraordinary Corporate Transactions

Delaware law provides that the holders of a majority of the shares entitled to vote must approve any fundamental corporate transactions such as mergers, sales of all or substantially all of a corporation's assets, dissolutions, etc.

State Takeover Legislation

Section 203 of the Delaware General Corporation Law, in general, prohibits a business combination between a corporation and an interested stockholder within three years of the time such stockholder became an interested stockholder, unless (a) prior to such time, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder, (b) upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, exclusive of shares owned by directors who are also officers and by certain employee stock plans or (c) at or subsequent to such time, the business combination is approved by the board of directors and authorized by the affirmative vote at a stockholders' meeting, and not by written consent, of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder. The restrictions of Section 203 of the Delaware General Corporation Law do not apply to certain business combinations or to corporations that have elected, in the manner provided therein, not to be subject to Section 203 of the Delaware General Corporation Law or, with certain exceptions, which do not have a class of voting stock that is listed on a national securities exchange or held of record by more than 2,000 stockholders. We have elected to be governed by Section 203 of the Delaware General Corporation Law.

Rights of Dissenting Stockholders

Delaware law does not afford appraisal rights in a merger transaction to holders of shares that are either listed on a national securities exchange or held of record by more than 2,000 stockholders, *provided* that such shares are converted into stock of the surviving corporation or another corporation, which corporation in either case must also be listed on a national securities exchange or held of record by more than 2,000 stockholders. In addition, Delaware law denies appraisal rights to stockholders of the surviving corporation in a merger if the surviving corporation's stockholders were not required to approve the merger.

Stockholder Action

Delaware law provides that, unless otherwise stated in the certificate of incorporation, any action which may be taken at an annual meeting or special meeting of stockholders may be taken without a meeting, if a consent in writing is signed by the holders of the outstanding stock having the minimum number of votes necessary to authorize the action at a meeting of stockholders. Our certificate of incorporation provides that stockholders may take action by written consent if such action has been approved in advance by the majority vote of our board of directors.

Meetings of Stockholders

Our amended and restated certificate of incorporation provides that special meetings of the stockholders may be called at any time by the chairman of the board of directors, the president, a majority of the board of directors, any committee of the board of directors that has the power to call such meetings, or the chairman of the board of directors, the president or the corporate secretary upon a written request of one or more record holders of shares of our stock representing ownership of not less than 15 percent of the voting power of all outstanding shares of our stock, which request complies with the procedures for calling a special meeting of stockholders as set forth in our amended and restated bylaws, as they may be further amended from time to time.

Cumulative Voting

Delaware law permits stockholders to cumulate their votes and either cast them for one candidate or distribute them among two or more candidates in the election of directors only if expressly authorized in a corporation's certificate of incorporation. Our certificate of incorporation does not authorize cumulative voting.

Removal of Directors

Delaware law provides that, except in the case of a classified board of directors or where cumulative voting applies, a director, or the entire board of directors, of a corporation may be removed, with or without cause, by the affirmative vote of a majority of the shares of the corporation entitled to vote at an election of directors.

Our amended and restated certificate of incorporation provides that any or all of the directors may be removed, with or without cause, by the holders of a majority of the votes of capital stock then entitled to vote in the election of directors at a meeting of stockholders called for that purpose.

Vacancies

Delaware law provides that vacancies and newly created directorships resulting from a resignation or any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, unless the governing documents of a corporation provide otherwise.

Our amended and restated bylaws provide that newly created directorships resulting from an increase in the number of directors and vacancies occurring in the board of directors for any reason, may be filled by vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director or by the stockholders if the vacancy resulted from the action of stockholders.

No Preemptive Rights

Holders of common stock do not have any preemptive rights to subscribe for any additional shares of capital stock or other obligations convertible into or exercisable for shares of capital stock that we may issue in the future.

Board Term

Our directors are elected annually for terms of one year.

DESCRIPTION OF DEBT SECURITIES

The following description is a summary and does not purport to be complete. We have issued debt securities that are senior debt under an indenture, dated September 1, 2007. between us and The Bank of New York Mellon, as trustee (the "indenture"). The following summary of the material provisions of the indenture and the debt securities is not complete and is subject to, and is qualified in its entirety by reference to, all of the provisions of the indenture, which has been filed as an exhibit to the applicable registration statement and prospectus supplement (the "applicable prospectus supplement"). We urge you to read the indenture because it, and not the summary below, defines the rights of holders of our debt securities. The indenture is subject to and governed by the Trust Indenture Act of 1939, as amended.

The Notes

Set forth below is a description of the specific terms of our 1.250% Notes due 2025 (the "notes"). The below description does not describe any other debt securities outstanding under the indenture.

The notes were registered under an effective registration statement on Form S-3ASR (File No.: 333-191157), which was originally filed with the Securities and Exchange Commission ("the SEC") on September 13, 2013. The notes are listed on the New York Stock Exchange under the ticker symbol "BLK25".

There are €700,000,000 aggregate principal amount of notes outstanding. The notes issued are in fully registered form only, in denominations of €100,000 and integral multiples of €1,000 in excess thereof. The notes will mature on May 6, 2025.

The notes have been issued as a separate series of senior debt securities under the indenture. The indenture does not limit the amount of other debt that we may incur. We have in the past and may, from time to time, without the consent of the holders of the notes, issue other debt securities under the indenture in addition to the notes. We may also, from time to time, without the consent of the holders of the notes, issue additional debt securities having the same priority and the same interest rate, maturity and other terms (except for the issue date, public offering price and, in some cases, the first interest payment date and the initial interest accrual date) as the notes. Any such additional debt securities, together with the previously issued notes, may constitute a single series of debt securities under the indenture.

The notes are unsecured and unsubordinated obligations of BlackRock and are of equal priority in right of payment to each other and to all our other unsubordinated indebtedness.

The notes do not provide for any sinking fund.

The provisions of the indenture described under "Description of Debt Securities-Discharge, Defeasance and Covenant Defeasance" in the applicable prospectus and below apply to the notes.

Interest

The notes bear interest at the annual rate of 1.250%. Interest on the notes are payable annually in arrears on May 6 of each year, to the persons in whose names the notes are registered at the close of business on the immediately preceding April 20 (whether or not a business day), subject to certain exceptions. Interest on the notes is computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the notes, to but excluding the next scheduled interest payment date. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association.

If any interest payment date, maturity date or redemption date is not a business day, then the related payment for such interest payment date, maturity date or redemption date is made on the next succeeding business day with the same force and effect as if made on such interest payment date, maturity date or redemption date, as the case may be, and no further interest accrues as a result of such delay. The term "business day" means any day, other than a Saturday or Sunday, (1) which is not a day on which banking institutions in the City of New York or the City of London are authorized or required by law or executive order to close and (2) on which the Trans-European Automated Real-time Gross Settlement Express Transfer system (the TARGET2 system), or any successor thereto, operates.

Issuance in Euro; Payment on the Notes

All payments on the notes are payable in euro, provided that if the euro is unavailable to us due to the imposition of exchange controls or other circumstances beyond our control or if the euro is no longer being used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the notes will be made in U.S. dollars until the euro is again available to us or so used. The amount payable on any date in euro will be converted into U.S dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second business day prior to the relevant payment date or, in the event the U S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent U.S. dollar/euro exchange rate published in The Wall Street Journal on or prior to the second business day prior to the relevant payment date. Any payment in respect of the notes so made in U.S. dollars will not constitute an event of default under the notes or the indenture Neither the trustee nor the paying agent will have any responsibility for any calculation or conversion in connection with the foregoing

Payment, Paying Agent and Registrar

The Bank of New York Mellon, London Branch, is paying agent for the notes. The Bank of New York Mellon is security registrar for the notes Upon notice to the trustee, we may change any paying agent or security registrar.

Unless otherwise indicated in the applicable prospectus supplement.

- payment of interest on the notes on any interest payment date is made to the person in whose name the notes are registered at the close of business on the record date for the interest;
- principal, interest and premium on the notes is payable at the office of such paying agent or paying agents as we may designate for such purpose from time to time. Notwithstanding the foregoing, at our option, payment of any interest may be made by check mailed to the address of the person entitled thereto as such address appears in the security register,
- a paying agent designated by us acts as paying agent for payments with respect to the notes We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that we are required to maintain a paying agent in each place of payment for the notes.

All moneys paid by us to a paying agent or held by us in trust for the payment of the principal, interest or premium on any notes which remain unclaimed at the end of two years after such principal, interest or premium has become due and payable are repaid to us upon request, and the holder of such notes thereafter may look only to us for payment thereof.

Optional Redemption of the Notes

The notes are redeemable, in whole or in part, at our option at any time, at a redemption price equal to the greater of (i) 100% of the principal amount of the notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the notes to be redeemed (exclusive of interest accrued to the date of redemption), discounted to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)), at the applicable Comparable Government Bond Rate defined below plus 20 basis points, plus, in each case, accrued and unpaid interest on the notes to be redeemed to the date of redemption. We calculate the redemption price.

Notice of any redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of notes to be redeemed If we elect to redeem fewer than all the notes, the trustee will select the particular notes to be redeemed by such method that the trustee deems fair and appropriate; provided that if the notes are represented by one or more global securities, beneficial interests therein will be selected for redemption by Clearstream and Euroclear in accordance with their respective applicable procedures therefor; and provided, further, that no notes of a principal amount of €100,000 or less will be redeemed in part.

The notes are also subject to redemption prior to maturity if certain changes in U.S. tax law occur. If such changes occur, the notes may be redeemed at a redemption price of 100% of their principal amount plus accrued and unpaid interest to the date of redemption. See "-Redemption for Tax Reasons" described below.

Unless we default in payment of the redemption price, on and after the redemption date interest ceases to accrue on the notes or portions thereof called for redemption.

Priority

The notes are our obligations exclusively and are not obligations of our subsidiaries We are a holding company and, accordingly, substantially all of our operations are conducted through our subsidiaries. As a result, our cash flow and our ability to service our debt, including the notes, depend upon the earnings of our subsidiaries. In addition, we depend on the distribution of earnings, loans or other payments by our subsidiaries to us.

Our subsidiaries are separate and distinct legal entities. Our subsidiaries have no obligation to pay any amounts due on the notes or to provide us with funds for our payment obligations. In addition, any payment of dividends, distributions, loans or advances by our subsidiaries to us could be subject to statutory or contractual restrictions Payments due to us by our subsidiaries are also contingent upon our subsidiaries' earnings and business considerations.

Our right to receive any assets of any of our subsidiaries, as an equity holder of such subsidiaries, upon their liquidation or reorganization, and therefore the right of the holders of the notes to participate in those assets, would be structurally subordinated to the claims of that subsidiary's creditors, including trade creditors. The notes do not restrict the ability of our subsidiaries to incur additional indebtedness In addition, the notes are unsecured. Thus, even if we were a creditor of any of our subsidiaries, our rights as a creditor would be effectively junior to any security interest in the assets of our subsidiaries and structurally subordinated any indebtedness of our subsidiaries senior to that held by us.

Payment of Additional Amounts

Subject to the exceptions and limitations set forth below, we will pay as additional interest on the notes such additional amounts as are necessary in order that the net payment by us or a paying agent of the principal, premium and interest with respect to the notes to a holder that is not a United States person (as defined below), after withholding or deduction for any present or future tax, assessment or other governmental charge imposed by the United States or a taxing authority in the United States, will not be not less than the amount provided in the notes to be then due and payable; provided, however, that the foregoing obligation to pay additional amounts does not apply:

1. to any tax, assessment or other governmental charge that would not have been imposed but for the holder, a fiduciary, settlor, beneficiary, member or shareholder of the holder, or a person holding a power over an estate or trust administered by a fiduciary holder, being treated as:

    - having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of the notes, the receipt of any payment in respect of the notes or the enforcement of any rights under the indenture), including being or having been a citizen or resident of the United States or treated as being or having been a resident thereof,
    - being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for U.S. federal income tax purposes, a foreign tax exempt organization, or a corporation that has accumulated earnings to avoid United States federal income tax;

- being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, within the meaning of section 881(c)(3) of the Code or any successor provision,

3 to any tax, assessment or other governmental charge that would not have been imposed but for the failure of the holder or any other person to comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the holder or beneficial owner of the notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge,

4 to any tax, assessment or other governmental charge that is imposed otherwise than by withholding by us or a paying agent from the payment,

5. to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar tax, assessment or other governmental charge,

6 to any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal, premium or interest with respect to any note, if such payment can be made without such withholding by at least one other paying agent in a Member State;

7. to any tax, assessment or other governmental charge that would not have been imposed but for the presentation by the holder of any note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

8. to any tax, assessment or other governmental charge required to be withheld or deducted that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code (or any amended or successor version of such Sections that is substantively comparable and not materially more onerous to comply with), any Treasury regulations promulgated thereunder, or any other official interpretations thereof (collectively, "FATCA"), any agreement (including any intergovernmental agreement) entered into in connection therewith, or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement in respect of FATCA;

9. to any withholding or deduction that is imposed on a payment that is required to be made pursuant to the Savings Directive or any other European Union directive amending, supplementing or replacing the Savings Directive, or any law implementing or complying with, or introduced in order to conform to, the Savings Directive or other European Union directives,

10. any tax, assessment or other governmental charge that is imposed or withheld solely by reason of a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

11. any tax, assessment or other governmental charge imposed by reason of the failure of the beneficial owner to fulfill the statement requirements of Section 871(h) or Section 881(c) of the Code;

12. any tax imposed pursuant to Section 871(h)(6) or 881(c)(6) of the Code (or any amended or successor provisions), or

13 in the case of any combination of items (1) through (12).

Except as specifically provided under this heading "-Payment of Additional Amounts," we are not required to pay additional amounts in respect of any tax, assessment or other governmental charge. References in the applicable prospectus supplement and the applicable prospectus to any payment on the notes include the related payment of additional amounts, as applicable.

As used under this heading "-Payment of Additional Amounts" and under the heading "-Redemption for Tax Reasons," the term "United States" means the United States of America, any state thereof, and the District of Columbia, and the term "United States person" means (i) any individual who is a citizen or resident of the United States for U S. federal income tax purposes, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States, any state thereof or the District of Columbia (other than a partnership that is not treated as a United States person for U.S. federal income tax purposes), (iii) any estate the income of which is subject to U.S. federal income taxation regardless of its source, or (iv) any trust if a U S. court can exercise primary supervision over the administration of the trust and one or more United States persons can control all substantial trust decisions, or if a valid election is in place to treat the trust as a United States person.

Redemption for Tax Reasons

If, as a result of any change in, or amendment to, the laws of the United States or the official interpretation thereof that is announced or becomes effective on or after the date of the applicable prospectus supplement, we become or, based upon a written opinion of independent counsel selected by us, becomes obligated to pay additional amounts as described herein under the heading "- Payment of Additional Amounts" with respect to the notes, then we may at any time at our option redeem, in whole, but not in part, the notes on not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of their principal amount, plus accrued and unpaid interest on the notes to be redeemed to the date of redemption.

Book-Entry System; Delivery and Form

We have obtained the information in this section concerning Euroclear and Clearstream and their book-entry systems and procedures from sources we believe to be reliable. The description of the clearing systems in this section reflects our understanding of the rules and procedures of Euroclear and Clearstream as they are currently in effect. Those systems could change their rules and procedures at any time.

Global Clearance and Settlement

The notes have been issued in the form of one or more fully registered global notes (the "global notes") and are deposited with a common depositary for, and in respect of interests held through, Euroclear Bank S.A./ N.V., as operator of the Euroclear System ("Euroclear"), and Clearstream Banking, *société anonyme* ("Clearstream"). Except as described herein, certificates will not be issued in exchange for beneficial interests in the global notes

Except as set forth below, the global notes may be transferred, in whole and not in part, only to Euroclear or Clearstream or their respective nominees.

Beneficial interests in the global notes are represented, and transfers of such beneficial interests are effected, through accounts of financial institutions acting on behalf of beneficial owners as direct or indirect participants in Euroclear or Clearstream. Those beneficial interests are held in denominations of €100,000 and additional multiples of €1,000 in excess thereof. Investors may hold notes directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations that are participants in such systems.

Owners of beneficial interests in the global notes are not entitled to have notes registered in their names, and do not receive or are not entitled to receive physical delivery of notes in definitive form. Except as provided below, beneficial owners are not considered the owners or holders of the notes under the indenture, including for purposes of receiving any reports delivered by us or the trustee pursuant to the indenture. Accordingly, each beneficial owner must rely on the procedures of the clearing systems and, if such person is not a participant of the clearing systems, on the procedures of the participant through which such person owns its interest, to exercise any rights of a holder under the indenture. Under existing industry practices, if we request any action of holders or a beneficial owner desires to give or take any action a holder is entitled to give or take under the indenture, the clearing systems would authorize their participants holding the relevant beneficial interests to give or take action and the participants would authorize beneficial owners owning through the participants to give or take such action or would otherwise act upon the instructions of beneficial owners Conveyance of notices and other communications by the clearing systems to their participants, by the participants to indirect participants and by the participants and indirect participants to beneficial owners are governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. The laws of some jurisdictions require that certain purchasers of securities take physical delivery of such securities in certificated form. These limits and laws may impair the ability to transfer beneficial interests in global notes.

Persons that are not Euroclear Participants or Clearstream Customers may beneficially own notes held by the common depositary for Euroclear and Clearstream only through direct or indirect participants in Euroclear and Clearstream. So long as the common depositary for Euroclear and Clearstream is the registered owner of the global note, the common depositary for all purposes are considered the sole holder of the notes represented by the global note under the indenture and the global note.

Euroclear

Euroclear advises that it was created in 1968 to hold securities for its participants ("Euroclear Participants") and to clear and settle transactions between Euroclear Participants through simultaneous electronic book-entry delivery against payment. thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfers of securities and cash. Euroclear provides various other services, including securities lending and borrowing, and interfaces with domestic markets in several countries. Euroclear is operated by Euroclear Bank S.A./N.A. (the "Euroclear Operator"), under contract with Euroclear Clearance Systems, S.C., a Belgian cooperative corporation (the "Cooperative")

All operations are conducted by the Euroclear Operator, and all Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator, not the Cooperative. The Cooperative establishes policy for Euroclear on behalf of Euroclear Participants. Euroclear Participants include banks (including central banks), securities brokers and dealers and other professional financial intermediaries. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear Participant, either directly or indirectly.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable Belgian law (collectively, the "Terms and Conditions"). The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear, and receipts of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants and has no record of or relationship with persons holding through Euroclear Participants.

Distributions with respect to the notes held beneficially through Euroclear are credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by its depositary.

Euroclear further advises that investors that acquire, hold and transfer interests in the notes by book-entry through accounts with the Euroclear Operator or any other securities intermediary are subject to the laws and contractual provisions governing their relationship with their intermediary, as well as the laws and contractual provisions governing the relationship between such an intermediary and each other intermediary, if any, standing between themselves and the global notes

The Euroclear Operator advises as follows under Belgian law, investors that are credited with securities on the records of the Euroclear Operator have a co-property right in the fungible pool of interests in securities on deposit with the Euroclear Operator in an amount equal to the amount of interests in securities credited to their accounts. In the event of the insolvency of the Euroclear Operator, Euroclear Participants would have a right under Belgian law to the return of the amount and type of interests in securities credited to their accounts with the Euroclear Operator. If the Euroclear Operator did not have a sufficient amount of interests in securities on deposit of a particular type to cover the claims of all Euroclear Participants credited with such interests in securities on the Euroclear Operator's records, all Euroclear Participants having an amount of interests in securities of such type credited to their accounts with the Euroclear Operator would have the right under Belgian law to the return of their pro rata share of the amount of interests in securities actually on deposit.

Under Belgian law, the Euroclear Operator is required to pass on the benefits of ownership in any interests in securities on deposit with it (such as dividends, voting rights and other entitlements) to any person credited with such interests in securities on its records.

Clearstream

Clearstream advises that it is incorporated under the laws of Luxembourg and licensed as a bank and professional depositary. Clearstream holds securities for its participating organizations ("Clearstream Customers") and facilitates the clearance and settlement of securities transactions between Clearstream Customers through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Clearstream provides to Clearstream Customers, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Clearstream interfaces with domestic securities markets in over 30 countries through established depository and custodial relationships. Clearstream has established an electronic bridge with the Euroclear Operator to facilitate the settlement of trades between Euroclear and Clearstream. As a registered bank in Luxembourg, Clearstream is subject to regulation by the Luxembourg Commission for the Supervision of the Financial Sector (*Commission de Surveillance du Secteur Financier*). Clearstream Customers are recognized financial institutions around the world, including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. Clearstream's U.S. customers are limited to securities brokers and dealers and banks. Indirect access to Clearstream is also available to other institutions, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Clearstream Customer, either directly or indirectly

Distributions with respect to the notes held through Clearstream are credited to cash accounts of Clearstream Customers in accordance with its rules and procedures.

Euroclear and Clearstream Arrangements

So long as Euroclear or Clearstream or their nominee or their common depositary is the registered holder of the global notes, Euroclear, Clearstream or such nominee, as the case may be, are considered the sole owner or holder of the notes represented by such global notes for all purposes under the indenture and the notes. Payments of principal, premium and interest in respect of the global notes are made to Euroclear, Clearstream or such nominee, as the case may be, as registered holder thereof. None of us, the trustee nor any affiliate of any of the above or any person by whom any of the above is controlled (as such term is defined in the Securities Act of 1933, as amended) has any responsibility or liability for any records relating to or payments made on account of beneficial ownership interests in the global notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Distributions of principal, premium and interest with respect to the global notes are credited in euro to the extent received by Euroclear or Clearstream from the paying agent to the cash accounts of Euroclear Participants and Clearstream Customers in accordance with the relevant system's rules and procedures.

Because Euroclear and Clearstream can only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in the global notes to pledge such interest to persons or entities that do not participate in the relevant clearing system, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate in respect of such interest.

Secondary Market Trading

Because the purchaser determines the place of delivery, it is important to establish at the time of trading of any notes where both the purchaser's and seller's accounts are located to ensure that settlement can be made on the desired value date.

We understand that secondary market trading between Euroclear Participants and/or Clearstream Customers occurs in the ordinary way following the applicable rules and operating procedures of Euroclear and Clearstream. Secondary market trading is settled using procedures applicable to conventional eurobonds in registered form.

You should be aware that investors are only able to make and receive deliveries, payments and other communications involving the notes through Euroclear and Clearstream on days when those systems are open for business. Those systems may not be open for business on days when banks, brokers and other institutions are open for business in the United States.

In addition, because of time-zone differences, there may be problems with completing transactions involving Euroclear and Clearstream on the same business day as in the United States. U.S investors who wish to transfer their interests in the notes, or to make or receive a payment or delivery of the notes, on a particular day, may find that the transactions are not performed until the next business day in Brussels or Luxembourg, depending on whether Euroclear or Clearstream is used.

Euroclear or Clearstream credits payments to the cash accounts of Euroclear Participants or Clearstream Customers, as applicable, in accordance with the relevant system's rules and procedures, to the extent received by its depositary The Euroclear Operator or Clearstream, as the case may be, takes any other action permitted to be taken by a holder under the indenture on behalf of a Euroclear Participant or Clearstream Customer only in accordance with its relevant rules and procedures.

Euroclear and Clearstream have agreed to the foregoing procedures in order to facilitate transfers of the notes among Euroclear Participants and Clearstream Customers. However, they are under no obligation to perform or continue to perform those procedures, and they may discontinue those procedures at any time.

Certificated Notes

Subject to certain conditions, the notes represented by the global notes are exchangeable for certificated notes in definitive form of like tenor in minimum denominations of €100,000 principal amount and multiples of €1,000 in excess thereof if

- the depositary for the notes (A) notifies us that it is unwilling or unable to continue as depositary for the global notes or (B) has ceased to be a clearing agency registered under the Securities Exchange Act of 1934, as amended and, in each case, a successor depositary is not appointed for 90 days,
- we, at our option, notify the trustee in writing that we elect to cause the issuance of certificated notes; or
- there has occurred and is continuing an Event of Default with respect to the notes.

In all cases, certificated notes delivered in exchange for any global note will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depositary (in accordance with its customary procedures)

Payments (including principal, premium and interest) and transfers with respect to notes in certificated form may be executed at the office or agency maintained for such purpose in London (initially the office of the paying agent maintained for such purpose) or, with respect to payments of interest, at our option, by check mailed to the holders thereof at the respective addresses set forth in the register of holders of the notes, provided that all payments of interest on notes in certificated form, for which the holders thereof have given wire transfer instructions to the paying agent at least 15 calendar days prior to the applicable interest payment date, are required to be made by wire transfer of immediately available funds to the accounts specified by the holders thereof. No service charge is made for any registration of transfer, but payment of a sum sufficient to cover any tax or governmental charge payable in connection with that registration may be required.

Events of Default, Notice and Waiver

The following shall constitute "Events of Default" under the indenture with respect to the notes.

- our failure to pay any interest on the notes when due and payable, continued for 30 days,
- our failure to pay principal (or premium, if any) on the notes when due, regardless of whether such payment became due because of maturity, redemption, acceleration or otherwise, or is required by any sinking fund established with respect to such series;
- our failure to observe or perform any other of our covenants or agreements with respect to such notes for 60 days after we receive notice of such failure,
- certain events of bankruptcy, insolvency or reorganization of BlackRock; and
- any other Event of Default provided with respect to the notes.

If an Event of Default with respect to the notes shall occur and be continuing, the trustee under such indenture or the holders of at least 25% in aggregate principal amount of the notes outstanding may declare, by notice as provided in the applicable indenture, the principal amount of all the notes outstanding to be due and payable immediately, provided that, in the case of an Event of Default involving certain events of bankruptcy, insolvency or reorganization, acceleration is automatic, and, provided further, that after such acceleration, but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of the outstanding notes may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal, have been cured or waived. Upon the acceleration of the maturity of original issue discount securities, an amount less than the principal amount thereof becomes due and payable.

Any past default under the indenture with respect the notes, and any Event of Default arising therefrom, may be waived by the holders of a majority in principal amount of all notes outstanding under such indenture, except in the case of (i) default in the payment of the principal of (or premium, if any) or interest on any note, or (ii) default in respect of a covenant or provision which may not be amended or modified without the consent of the holder of outstanding notes.

The trustee is required within 90 days after the occurrence of a default (which is known to the trustee and is continuing), with respect to the notes (without regard to any grace period or notice requirements), to give to the holders of the notes notice of such default.

The trustee, subject to its duties during default to act with the required standard of care, may require indemnification by the holders of the notes with respect to which a default has occurred before proceeding to exercise any right or power under the indenture at the request of the holders of the notes. Subject to such right of indemnification and to certain other limitations, the holders of a majority in principal amount of the outstanding notes under either indenture may direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee with respect to the notes, provided that such direction shall not be in conflict with any rule of law or with the applicable indenture or result in the incurrence of liability by the trustee and the trustee may take any other action deemed proper by the trustee which is not inconsistent with such direction.

No holder of notes may institute any action against us under the indenture (except actions for payment of overdue principal of (and premium, if any) or interest on such notes or for the conversion or exchange of such notes in accordance with its terms) unless (i) the holder has given to the trustee written notice of an Event of Default and of the continuance thereof with respect to the notes specifying an Event of Default, as required under the indenture, (ii) the holders of at least 25% in aggregate principal amount of the notes then outstanding under such indenture shall have requested the trustee to institute such action and offered to the trustee reasonable indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request, (iii) the trustee shall not have instituted such action within 60 days of such request and (iv) no direction inconsistent with such written request has been given to the trustee during such 60-day period by the holders of a majority in principal amount of the notes.

We are required to furnish annually to the trustee statements as to our compliance with all conditions and covenants under each indenture.

Discharge, Defeasance and Covenant Defeasance

We may discharge or defease our obligations under the indenture as set forth below, unless otherwise indicated in the applicable prospectus supplement.

We may discharge certain obligations to holders of notes that have not already been delivered to the trustee for cancellation and which have either become due and payable or are by their terms due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the trustee money in an amount sufficient to pay and discharge the entire indebtedness on such notes not previously delivered to the trustee for cancellation, for principal and any premium and interest to the date of such deposit (in the case of notes which have become due and payable) or to the stated maturity or redemption date, as the case may be and we have paid all other sums payable under the indenture.

We may elect either (i) to defease and be discharged from any and all obligations with respect to the notes ("defeasance") or (ii) to be released from our obligations with respect to certain covenants applicable to the notes ("covenant defeasance"), upon the deposit with the trustee, in trust for such purpose, of money and/or government obligations which through the payment of principal and interest in accordance with their terms provides money in an amount sufficient to pay the principal of (and premium, if any) or interest on such notes to maturity or redemption, as the case may be, and any mandatory sinking fund or analogous payments thereon. As a condition to defeasance or covenant defeasance, we must deliver to the trustee an opinion of counsel to the effect that the holders of such notes do not recognize income, gain or loss for federal income tax purposes as a result of such defeasance or covenant defeasance and are subject to federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred. Such opinion of counsel, in the case of defeasance under clause (i) above, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable federal income tax law occurring after the date of the indenture. In addition, in the case of either defeasance or covenant defeasance, we shall have delivered to the trustee (i) an officers' certificate to the effect that the notes exchange(s) have informed us that such notes, if then listed on any securities exchange, are delisted as a result of such deposit and (ii) an officers' certificate and an opinion of counsel, each stating that all conditions precedent with respect to such defeasance or covenant defeasance have been complied with.

We may exercise our defeasance option with respect to such notes notwithstanding our prior exercise of our covenant defeasance option.

Modification and Waiver

Under the indenture, we and the trustee may supplement the indenture for certain purposes which would not materially adversely affect the interests or rights of the holders of notes without the consent of those holders. We and the trustee may also modify the indenture or any supplemental indenture in a manner that affects the interests or rights of the holders of notes with the consent of the holders of at least a majority in aggregate principal amount of the outstanding notes issued under the indenture. However, the indenture requires the consent of each holder of notes that would be affected by any modification which would:

- change the fixed maturity of notes, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof,
- reduce the amount of principal of the notes payable upon acceleration of the maturity thereof;
- change the currency in which the notes or any premium or interest is payable;
- impair the right to enforce any payment on or with respect to the notes;
- reduce the percentage in principal amount of outstanding notes, the consent of whose holders is required for modification or amendment of the indenture or for waiver of compliance with certain provisions of the indenture or for waiver of certain defaults, or

- modify any of the above provisions.

The indenture permits the holders of at least a majority in aggregate principal amount of the outstanding notes issued under the indenture which is affected by the modification or amendment to waive our compliance with certain covenants contained in the indenture.

Governing Law

The indenture and notes are governed by, and construed in accordance with, the internal laws of the State of New York, without regard to its principles of conflicts of laws.

NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10.
