BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The City's acceptance of a grant of easement in perpetuity in and over the Park Parcel (as defined in the DEM Agreement) for public open space and public park purposes is hereby approved. The City's acceptance of other grants of easement and the City's grant to Developer of easement interests, rights of encroachment or similar use rights as contemplated in or as may be required in furtherance of the Redevelopment Agreement and/or the DEM Agreement are also hereby approved.

SECTION 3. The Commissioner of the Department of Housing and Economic Development and the Commissioner of the Department of Transportation ("**CDOT**"), or a designee of each such Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver a DEM Agreement in substantially the form of Exhibit C attached hereto and made a part hereof, with such changes, deletions and insertions as shall be approved by the persons executing the DEM Agreement and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the DEM Agreement and the construction and operation of the Park Improvements. The Mayor or his proxy is authorized to execute, and the Commissioner of CDOT is authorized to execute, and the City Clerk is authorized to attest, such easement, instrument, or other agreement as may be necessary to allow the permitted encroachment of the Encroaching Park Improvements on the public way, and such quitclaim deed, instrument or agreement as may be necessary to convey to the Developer such rights as the City may have, if any, in the In-Fill Parcel. No further fees or grants of privilege shall be paid or required with respect to the continuing maintenance of the Encroaching Park Improvements.

SECTION 4. The Developer is hereby designated as the developer(s) for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 5. The Commissioner or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Redevelopment Agreement in substantially the form of **Exhibit B** attached hereto and made a part hereof, and such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement. All capitalized terms, unless defined herein, shall have the same meanings as are set forth in the Redevelopment Agreement.

SECTION 6. In connection with the development of the Project, certain Amtrak Railroad rules and policies will require construction during off-peak construction times. Because the Project involves the construction of a park that is intended to be available for public use in perpetuity, for construction purposes, the Park shall be deemed a public improvement for the purposes of Chapter 11 of the City of Chicago Municipal Code and the Act. Pursuant to constructing said public improvement, Developer is authorized to perform construction during off-peak hours so long as Developer shall use good faith efforts to minimize the duration of the off-peak construction hours during construction of the Project.

SECTION 7. The City shall waive those certain fees, if applicable, imposed by the City for obtaining a building permit and planned development part II review with respect to the Park Improvements and as more fully described in **Exhibit F** attached hereto.

SECTION 8. The City Council of the City hereby finds that the City is authorized to issue its tax increment allocation revenue obligation, in one or more notes, in an aggregate principal amount not to exceed \$29,500,000 for the purpose of paying a portion of the eligible costs included within the Project.

SECTION 9. There shall be borrowed for and on behalf of the City a principal amount not to exceed \$29,500,000 for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the Redevelopment Agreement as "TIF-Funded Improvements"). One or more notes of the City in an aggregate principal amount up to \$29,500,000 shall be issued, each as a "Tax-exempt Note" and shall be designated "Tax Increment Allocation Revenue Note (River Point Plaza Redevelopment Project), Series [A][B]" (collectively, the "City Notes"). The City Notes shall be substantially in the form attached to the Redevelopment Agreement as **Exhibit M** and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the persons duly appointed and serving as the City Comptroller and the Chief Financial Officer of the City being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue. The City Notes shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Notes are hereby appropriated for the purposes set forth in this Section 9.

The City Notes shall mature on the earlier of payment in full or December 31, 2030, and shall bear interest at a fixed interest rate, as set forth in the Redevelopment Agreement, not to

Ordinance-2AmendRda-v3

exceed eight percent (8%) per annum from the date of issuance until the principal amount of the applicable City Note is paid or until maturity, with the exact rate to be determined by the Authorized Officer in accordance with the provisions of the Redevelopment Agreement, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Notes shall be paid by check, draft or wire transfer of funds by the City Comptroller of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Notes are registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately prior to the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Notes shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Notes, and the City Notes shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk of the City, and in case any officer whose signature shall appear on the City Notes shall cease to be such officer before the delivery of the City Notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Notes shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Notes, and showing the date of authentication. The City Notes shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Notes shall be conclusive evidence that the City Notes have been authenticated and delivered under this Ordinance.

SECTION 10. The City shall cause books (the "Register") for the registration and for the transfer of the City Notes (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this Ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Notes. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Notes.

Upon surrender for a transfer of a City Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such

authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver the City Note. The Registrar shall not be required to transfer or exchange a City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange a City Note after notice calling a City Note for prepayment has been made, nor during a period of five (5) days next preceding mailing of a notice of prepayment of principal of a City Note. No beneficial interests in a City Note shall be assigned, except in accordance with the procedures for transferring a City Note described above.

The person in whose name each City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of a City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the City Notes to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Notes, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Notes.

SECTION 11. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Notes and to issue the City Notes in accordance with the provisions of the Redevelopment Agreement, with revisions to such terms as the Authorized Officer determines to be consistent therewith and to be in the best interest of the City. The principal of the City Notes shall be subject to prepayment as provided in the form of City Notes attached to the Redevelopment Agreement as Exhibit M. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 12. The City Notes hereby authorized shall be executed as in this Ordinance and the Redevelopment Agreement provided as soon after the passage hereof as may be practicable and consistent with the terms of the Redevelopment Agreement and thereupon, said City Notes shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 13. The City Notes are special limited obligations of the City, and are payable solely from the Available Incremental Taxes (as defined in the Redevelopment Agreement) on deposit in the Project Account (the "Project Account") of the LaSalle Central Redevelopment Project Area TIF Fund (the "Fund"), which is hereby created, and shall be a valid claim of the registered owners thereof only against said sources. The City Notes shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Notes shall not have the right to compel any exercise of the taxing power of the City, the Ordinance-2AmendRda-v3

State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Notes.

SECTION 14. There is hereby created within the Fund a special sub-account to be known as the "River Point LLC Project Account" (the "Project Account"). The City shall designate and deposit into the Project Account the Available Incremental Taxes (as defined in the Redevelopment Agreement). The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit therein, to the payment of the principal of and interest, if any, on the City Notes when due under the terms of the Redevelopment Agreement and in accordance with the debt service schedules to be attached to the City Notes pursuant to the terms of the Redevelopment Agreement. Upon deposit, the moneys on deposit in the Project Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account. All moneys on deposit in the Project Account shall be used to pay the principal of and interest on the City Notes, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such notes, which payments from the Project Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Notes and the Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Project Account, as applicable shall be deposited in the Fund of the City and the Project Account shall be closed. Notwithstanding any of the foregoing, payments on the City Notes will be subject to the availability of Available Incremental Taxes in the Project Account. Moneys on deposit in the Fund may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Notes.

SECTION 15. Pursuant to the Redevelopment Agreement, the Developer shall complete the Project. The eligible redevelopment project costs of the Project constituting TIF-Funded Improvements up to the principal amount of \$29,500,000, when evidenced by Certificates of Expenditure shall be deemed to be a disbursement of the proceeds of the City Notes. Upon issuance, the City Notes shall have in the aggregate an initial principal balance equal to the Developer's prior expenditures for TIF-Funded Improvements up to a maximum amount of \$29,500,000, as evidenced by Certificates of Expenditures delivered in accordance with the Redevelopment Agreement, and subject to the reductions described in the Redevelopment Agreement prior to issuance of the City Notes. After issuance, the principal amount outstanding under the City Notes shall be the initial principal balance of the City Notes, minus any principal amount and interest paid on the City Notes and other reductions in principal as provided in the Redevelopment Agreement, as evidenced by Certificates of Expenditures delivered in accordance with the Redevelopment Agreement.

SECTION 16. The Mayor, the Authorized Officer, the City Clerk, the Commissioner (or his or her designee) and the other officers of the city are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance.

SECTION 17. The Registrar shall maintain a list of the names and address of the registered owners from time to time of the City Notes and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 18. The provisions of this Ordinance shall constitute a contract between the City and the registered owners of the City Notes. All covenants relating to the City Notes are enforceable by the registered owners of the City Notes.

SECTION 19. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this Ordinance.

SECTION 20. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

SECTION 21. This Ordinance shall be in full force and effect immediately upon its passage.

RECITALS

A. **Constitutional Authority**: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority**: The City is authorized under the provisions of the **Tax Increment Allocation Redevelopment Act**, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "**Act**"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority**: To induce redevelopment pursuant to the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on November 15, 2006: (1) "**An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the LaSalle Central Redevelopment Project Area**"; (2) "**An Ordinance of the City of Chicago, Illinois Designating the LaSalle Central Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act**"; and (3) "**An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the LaSalle Central Redevelopment Project Area**" (the "**TIF Adoption Ordinance**") (items(1)-(3) collectively referred to herein as the "**TIF Ordinances**"). The redevelopment project area referred to above (the "**Redevelopment Area**") is legally described in **Exhibit A** hereto.

D. **The Project:** The Developer has purchased (the "**Acquisition**") certain property located within the Redevelopment Area immediately adjacent to the Chicago River (the "**River**") at the confluence of the North, South and Main branches of the River in Chicago, Illinois and legally described as Lot 2 and Lot 3 on **Exhibit B** hereto (the "**Park Property**"), and, within the time frames set forth in Section 3.01 hereof, shall commence and complete construction of an approximately one and one-half (1.5) acre public park on the Park Property (the "**Park**"). Of the approximately 66,179 square feet comprising the Park Property, approximately 17,800 square feet is owned in fee by Developer and approximately 48,379 square feet is also owned by Developer in fee but consists of air rights above Amtrak railroad facilities. Construction of the Park shall include several components including: (a) the design and construction of a new river wall and river walk, the foundations and footings for the deck above the rail facilities, the structural supports and retaining walls for the deck, concrete decking and the ventilation, HVAC, (if any), elevator, lighting, drainage and irrigation facilities (collectively, the "**Project Deck**"); (b) design, construction and installation of finished surfaces, hardscape, sidewalks, lighting, and furniture; and (c) installation of landscaping, green space and other park amenities. As set forth in the Park DEM Agreement (as hereinafter defined), public access to the park will occur at various points on West Lake Street, a grand stairway entrance on North Canal Street and from the existing river walk to the north of the Park Property. In addition, public access through the lobby of an office building proposed to be constructed on the Developer Property (as defined below), as set forth below, will be available during normal park hours. Handicapped access will be available at three different entrances. The Park and plaza will be open to the public every day from 6 a.m. to 11 p.m. Construction of the Park and related improvements set forth in clauses (a), (b) and (c) above (including but not limited to those TIF-Funded Improvements as defined below and set forth on **Exhibit C**) is referred to herein as the "**Project**." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

Other Permits, Park Use, Other Uses & Park Easement: Completion of the Project shall require the City, with the support and assistance of Developer, to apply for necessary permits and approvals to encroach into the River (such river encroachment area, the "**In-Fill Property**"). Upon receiving said approvals and permits, the Commissioner of the Department of Transportation shall grant Developer such rights and approvals to construct and maintain the Project on the In-Fill property, all as set forth in the Park DEM Agreement. The City shall bear no cost or liability for filling applications for and attempting to obtain the approvals required to acquire the In-Fill Property. The City shall use its best efforts (as reasonably determined by the City acting alone) to obtain approvals needed to acquire the In-Fill Property. Developer also owns approximately 45,021 square feet of property (the "**Developer Property**") immediately adjacent to and west of the Park Property which property is legally described as Lot 1, Lot 4 and Lot 4A on **Exhibit B** hereto. In connection with the construction of the Project, Developer will construct an office tower with ground floor retail (the "**Office Project**") on a portion of the Developer Property. In order to enhance the Park, a limited portion of the Park Property may be used for outdoor dining, subject to the receipt of all the customary permits as may be applicable for such use. In order to insure that the Park Property shall be used as a Public Park, pursuant to the Development Easement and Maintenance Agreement of even date herewith (the "**Park DEM Agreement**"), Developer will grant an easement (the "**Park Easement**") to the City at closing. As provided in the Park DEM Agreement, the Developer shall be responsible for certain costs of landscaping, development and maintenance of the Park. The Park Easement and Developer's

responsibility for such costs shall be set forth in detail in the Park DEM Agreement. The Park DEM Agreement shall also set forth how organized program activities in the Park shall be determined.

E. **Redevelopment Plan:** The Project will be carried out in accordance with this Agreement and the City of Chicago LaSalle Central Redevelopment Project Area Tax Increment Finance District Eligibility Study Redevelopment Plan and Project (the "**Redevelopment Plan**") attached hereto as **Exhibit D**.

F. **City Financing:** The City agrees to use, in the amounts set forth in Section 4.03 hereof, (i) Available Incremental Taxes (as defined below) to pay principal and interest on the City Note, and/or (ii) Incremental Taxes to pay for or reimburse the Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement and the City Note. The City may, in its discretion, [*but subject to the limitations set forth herein*], issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "**TIF Bond Ordinance**") at a later date as described in Section 4.03(d) hereof, the proceeds of which (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes (including any such payment made pursuant to any City Note provided to Developer pursuant to this Agreement) or Incremental Taxes], to make payments of principal and interest on the City Note, or in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

3.01 **The Project.** With respect to the Project, the Developer shall, pursuant to the Plans and Specifications and subject to the provisions of Section 18.17 hereof: (i) commence construction of the Park no later than December 31, 2012; and (ii) complete

construction and make the Park available for public use no later than June 30, 2017. In connection with the development of the Project, certain railroad rules and policies will require construction during off-peak construction times, Developer is incurring substantial cost in order to comply with these rules and policies and thus it is in Developer's best interest to minimize work during these off-peak times. It is acknowledged that for the purposes of Chapter 11 of the City of Chicago Municipal Code and in light of the applicable railroad rules and policies, the Park shall be deemed a public improvement. Developer agrees that it shall use good faith efforts to minimize the duration of the off-peak construction hours during the construction of the Project.

3.02 **Scope Drawings and Plans and Specifications.** The Developer has delivered the Scope Drawings and Plans and Specifications to HED prior to the Closing Date and HED has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to HED as a Change Order pursuant to Section 3.04 hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. The Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 **Project Budget.** The Developer shall furnish to HED, and HED shall approve in writing, a Project Budget showing total costs for the Project of Fifty—Seven Million Three Hundred Sixty-Five Thousand Three Hundred Ninety-Eight and No/100 Dollars (\$57,365,398), which includes anticipated Project Deck Costs of at least Twenty Nine Million Five Hundred Thousand and No/100 Dollars (\$29,500,000). The Developer hereby certifies to the City that (a) the City Funds, together with Lender Financing, if any, and Equity described in Section 4.02 hereof, shall be sufficient to complete the Project; and (b) the Project Budget is true, correct and complete in all material respects. Notwithstanding the foregoing, to the extent the Project is undertaken with Equity and without Lender Financing, line items in the Project Budget identified as Financing Fees and Interests Costs may be reduced to the extent such fees and costs are not incurred, but such reduction shall not reduce the City's obligation to reimburse City Funds in the amount of \$29,500,000 for Project Deck Costs. The Developer shall promptly deliver to HED certified copies of any Change Orders with respect to the Project Budget for approval pursuant to Section 3.04 hereof.

3.04 **Change Orders.** Except as provided below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by the Developer to HED concurrently with the progress reports described in Section 3.07 hereof; provided, that any Change Order relating to any of the following must be submitted by the Developer to HED for HED's prior written approval: (a) a reduction in the square footage of the Project by five percent (5%) or more (individually or cumulatively); (b) a change in the use of the Park Property to a use other than a park; (c) a delay in the commencement by more than six (6) months so long as HED is notified in writing of such delay and the reason therefore and/or completion of the Project by six (6) months or more; (d) Change Orders resulting in an aggregate modification to the Project Budget of five percent (5%) or more (excluding any Financing Fees and Interest Costs); or

The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of HED's written approval (to the extent required in this section). An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer. Notwithstanding anything to the contrary in this Section 3.04, Change Orders resulting in an aggregate modification to the Project Budget of less than five percent (5%) (excluding any Financing Fees and Interest Costs), non-material revisions of the Scope Drawings or the Plans and Specifications, and changes to the Project Budget as a result of the Developer's election to proceed with equity financing in lieu of debt financing do not require HED's prior written approval as set forth in this Section 3.04, but HED shall be notified in writing of all such Change Orders.

3.05 **HED Approval.** Any approval granted by HED of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by HED pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 **Other Approvals.** Any HED approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until the Developer has obtained all necessary permits and approvals (including but not limited to HED's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

Following substantial completion of the Project Deck, the Developer shall provide three (3) copies of an updated Survey to HED upon the request of HED or any Permitted Lender, reflecting improvements made to the Park Property. The City shall also have the right to review any and all draw requests from the Escrow; all such draw requests must be accompanied by, among other things, invoices, canceled checks, lien waivers owner's sworn statement, general contractor's sworn statement and MBE/WBE subcontractor contract amounts and certification letters.

3.08 **Inspecting Agent or Architect.** If requested by HED, an independent agent or architect selected by one of the Permitted Lenders providing Lender Financing (and approved by HED) or HED shall perform periodic inspections with respect to the

Project, and provide certifications with respect thereto to HED, prior to requests for HED to execute a Certificate of Expenditure.

3.09 **Barricades.** Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. City Funds shall not be paid to the Developer hereunder for Project Deck Costs prior to the issuance of a Certificate.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>

Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to issue the City Note to the Developer upon issuance of the Certificate pursuant to Section 7.01 hereof. The maximum principal amount of the City Note shall be an amount equal to the costs of the TIF-Funded Improvements for completing the Project Deck which have been incurred by the Developer, not to exceed \$29,500,000; provided, however, that payments under the City Note are subject to the amount of Available Incremental Taxes deposited into the LaSalle Central Redevelopment Project Area TIF Fund being sufficient for such payments.

(i) **Reduction of Project Reimbursement Amount; Cost Overruns.** The City shall provide Developer with TIF assistance to construct the Project Deck portion of the Project in an amount of up to \$29,500,000 provided, however, that if the Certificate(s) of Expenditure reflecting Project Deck Costs are less than

\$29,500,000, then the City shall reduce the amount of TIF assistance (and the principal value of the City Note) by the amount by which the Project Deck Costs are less than \$29,500,000 (such amount, as applicable, the "**Project Reimbursement Amount**"). Developer shall be solely responsible for all costs of the Project over the Project Reimbursement Amount, including any cost overruns.

(ii) Expense Certification, Amortization, Prepayment, Requisition Form and Other City Note Matters. Project Deck Costs will be certified by the Developer pursuant to Certificate(s) of Expenditure to, and approved by, the City on or before the Issuance Date. The Note will be supported solely from the ad valorem taxes which are allocated to, and when collected, are paid to the City Treasurer for deposit by the Treasurer into the LaSalle Central Redevelopment Project Area TIF Fund which are attributable to the taxes levied and collected on the Park Property and the Developer Property; provided, however, at its option, the City may issue tax increment allocation bonds secured by Incremental Taxes pursuant to a TIF bond ordinance and, subject to the applicable pre-payment restrictions, use to proceeds from such bond issuance(s) to pay off the City Note. No payments will be made and no interest shall accrue on the City Note until after it is issued. Upon issuance, the City will calculate an amortization schedule for each City Note and each of the City Note(s) shall be amortized according to the attached amortization schedule. The City may not pre-pay the City Note for a period of five years.

Upon foreclosure or a conveyance in lieu of foreclosure, any Permitted Lender shall be permitted to take title to and become the holder of either or both of the City Note(s) with all rights of payment upon thirty (30) days prior written notice to the City. Developer also may transfer the City Note at any time to any Affiliate. In order to receive payments on the City Note, Developer (or holder of the City Note(s) as applicable) must submit a requisition form (the "**Requisition Form**") in the form attached hereto as Exhibit L by December 31st of each calendar year. The City shall make good faith efforts to make any payments due on the City Note pursuant to each applicable and timely submitted Requisition Form by the first business day in April following submission of the applicable Requisition Form (e.g., for Requisition Form submitted by December 31, 2011, the City will make good faith efforts to make payment by April 1, 2012.)

In case of any conflict between the terms of this Agreement and the Escrow Agreement relating to the Project (including the dispersal of funds for the Project through the Escrow), the terms of this Agreement shall control. The City shall be a party to the Escrow Agreement for the purpose of being allowed to receive (i) any and all information it requests from the Title Company and (ii) copies of any draw requests and related documents. 4.06 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 **Preconditions of Disbursement and Execution of Certificate of Expenditure.** Prior to the execution of any Certificate(s) of Expenditure by the City, the Developer shall submit documentation regarding the applicable expenditures to HED, which shall be satisfactory to HED in its sole discretion. The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the execution of a Certificate of Expenditure, by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. (k) the Developer has not incurred, and, prior to the issuance of the Certificate, shall not, without the prior written consent of the Commissioner of HED, allow the existence of any liens against the Park Property (or improvements thereon) other than the Permitted Liens, or incur any indebtedness, secured or to be secured by the Park Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except any Lender Financing disclosed in the Project Budget; following the issuance of the Certificate, Developer may secure any debt by the Park Property or any portion thereof, provided the mortgage lien associated with any such secured financing is subject and subordinate to this Agreement, the Park DEM Agreement and the Park Easement, and any such refinancing shall be deemed a "Permitted Mortgage" pursuant to Section 16;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or

that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) prior to the issuance of the Certificate, the Developer shall only sell or convey the Park Property if (i) HED gives its written consent after receiving sixty days prior written notice of such sale (including the proposed terms thereof); (ii) the transferee agrees to comply with the covenants running with the Park Property; (iii) the transferee acknowledges and agrees that the Park Easement is in full force and effect and encumbers the Park Property in accordance with its terms; and (d) the transferee assumes Developer's obligations under the Park DEM Agreement. Following issuance of the Certificate, Developer may sell or convey the Park Property pursuant to the terms of the Park DEM Agreement.

8.02 **Covenant to Redevelop.** Upon HED's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Park Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the TIF Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Park Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 **Redevelopment Plan.** The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 **Use of City Funds.** City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 **Other Bonds.** The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "**Bonds**"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The Developer shall not have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by the Developer that is determined to be false or misleading.

8.06 **Covenant to Maintain Park.** Developer covenants to maintain the Park Property pursuant to the terms of the Park DEM Agreement. The Park DEM Agreement shall run with the land and be binding on all successors, assigns and transferees of the Park Property and the Developer Property.

8.07 **Employment Opportunity; Progress Reports.** The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to HED written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly and when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to HED which shall outline, to HED's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 **Employment Profile.** The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.09 **Prevailing Wage.** The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "**Department**"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09. If this Prevailing Wage requirement is not satisfied or if such failure is not corrected pursuant to the terms of this Agreement and all applicable laws then the City shall declare Developer in default under this Agreement.

8.10 **Arms-Length Transactions.** Unless HED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement; provided, however, that HED agrees that Developer may pay Hines Interests Limited Partnership a development management fee as disclosed in **Exhibit C**. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.11 **Conflict of Interest.** Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned

or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Park Property or any other property Developer or its Affiliates own in the Redevelopment Area.

8.12 **Disclosure of Interest.** The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Park Property or any other aspect of the Project.

8.13 **Financial Statements.** The Developer shall obtain and provide to HED Financial Statements for the Developer's current fiscal year as of the Closing Date (if such current fiscal year has not ended, Developer shall provide (i) interim financial statements for the current fiscal year as of the Closing Date and Financial Statements within ninety (90) days of the end of said current fiscal year), and if requested by HED each year thereafter until issuance of the Certificate. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as HED may request.

8.14 **Insurance.** The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Park Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Park Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other proof satisfactory to HED, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Park Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at HED's sole option, to furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Park Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 **Developer's Liabilities.** The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify HED of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements. Upon Developer's transfer of the Park Property and the Developer Property, as a result of a Permitted Lender's exercise of its rights pursuant to the provision of Lender Financing or Permitted Mortgage or otherwise, or assignment of its rights and/or obligations in accordance with the terms of this Agreement, Developer shall be released from all liability and/or obligations accruing after such transfer or assignment and shall have no further rights under this Agreement.

8.17 **Compliance with Laws.** To the best of the Developer's knowledge, after diligent inquiry, the Park Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Park Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 **Recording and Filing.** The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Park Property and the Developer Property as of the date hereof in the conveyance and real property records of the county in which the Project is located. If this Agreement is not recorded prior to any mortgage made in connection with Lender Financing, then all Permitted Lenders providing Lender Financing must execute a Subordination Agreement which subordinates the lien of their mortgages to covenants in favor of the City (pursuant to this Agreement). The Developer shall pay all fees and charges incurred in connection with recording this Agreement and the Subordination Agreement (if applicable). Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement and the Subordination Agreement (if applicable) showing the date and recording number of record.

Real Estate Provisions.**(a) Governmental Charges.**

(i) **Payment of Governmental Charges.** The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Park Property, the Developer Property or the Project, or become due and payable, and which create or may create a lien upon the Developer or all or any portion of the Developer Property, the Park Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City on Developer operations that do not include the Project) relating to the Developer, the Park Property or the Project including but not limited to real estate taxes.

(ii) **Right to Contest.** The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Park Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to HED of the Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option,

(iii) the Developer shall demonstrate to HED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Park Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Park Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) **Developer's Failure To Pay Or Discharge Lien.** If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the

Developer shall advise HED thereof in writing, at which time HED may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to HED by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) **Real Estate Taxes.** [INTENTIONALLY LEFT BLANK]

8.20 **Affordable Housing Covenant.** [INTENTIONALLY LEFT BLANK]

8.21 **Participation in City Beautification Efforts.** [INTENTIONALLY LEFT BLANK].

8.22 **Public Benefits Program.** [INTENTIONALLY LEFT BLANK].

8.23 **Job Readiness Program.** [INTENTIONALLY LEFT BLANK].

8.24 **Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto (except as provided in **Section 7** hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.25 **Annual Compliance Report.** Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DCD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

SECTION 9

COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive

the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10

DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Park Property (collectively, with the Developer, the "**Employers**" and individually an "**Employer**") to agree, that until issuance of the Certificate with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.*, Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Park Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"**Actual residents of the City**" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of HED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an

employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of HED, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. **Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.**

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 **MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit H-2** hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "**contractor**" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "**contract**" or a "**construction contract**" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of HED.

(d) The Developer shall deliver monthly reports (and a report upon final completion of the Project) to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment (which shall be measured in actual dollars expended to date). Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or

the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable. In addition to the requirements of Sections 2-92-450 and 2-92-730 of the Municipal Code of Chicago, as applicable, if Developer seeks to exclude the cost of any of the applicable Project activities from the MBE/WBE Budget, Developer must provide HED with a list of those activities (and the estimated cost of each activity) it wishes to exclude; the City, acting in its sole discretion, will then determine if these items are to be excluded from the MBE/WBE Budget. After the earlier of (i) the start of construction and (ii) execution of this Agreement, Developer **may not** request a waiver for any Project activity and/or its associated cost from the MBE/WBE Budget.

(g) Prior to the commencement of the Project and execution of this Redevelopment Agreement, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03, Section 10.02 and Section 8.09. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, Section 10.02 and Section 8.09; the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03, Section 10.02 and Section 8.09 to the City's monitoring staff concurrent with each draw request submitted pursuant to the Escrow Agreement, which documentation shall measure compliance in dollars expended to date and include the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE

contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

(h) Prior to the earlier of (i) the start of construction and (ii) execution of this Agreement, Developer and/or the General Contractor shall submit the General Contractor's M/WBE Utilization Plan (including schedules C and D) to HED for review and approval which approval shall be given in writing, request a waiver for any Project activity and/or its associated cost from the MBE/WBE Budget. Prior to execution of this Agreement, Developer must submit evidence acceptable to HED that the General Contractor has met at least once with, and provided bid documents to, applicable M/WBE contractor associations.

SECTION 11

ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Park Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer or the death of any natural person who owns a material interest in the Developer which materially impairs Developer's ability to perform its obligations under this Agreement; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor);or

(k) prior to the issuance of the Certificate, the sale or transfer of the Park Property without the prior written consent of the City (except to a Permitted Lender pursuant to a foreclosure or deed in lieu of foreclosure) or taking any action which would adversely affect the ability of the City to maintain good, indefeasible right title and interest to the Park Easement.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's partnership interests.

15.02 **Remedies.** Upon the occurrence of an Event of Default prior to the issuance of the Certificate, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. After the issuance of the Certificate, the City's obligation to make payments on the City Note shall be vested without defense to payment (other than insufficiency of Available Incremental Taxes), including as a result of an Event of Default hereunder, and the City's obligation to make payments on the City Note shall survive any termination of this Agreement. Subject to the foregoing, the City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief, the specific performance of the agreements contained herein or any remedy available in the Park DEM Agreement.

15.03 **Curative Period.** In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16

MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Park Property and the Office Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages.**" Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded

against the Park Property and the Developer Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Park Property and the Office Property or any portion thereof that is subordinate to this Agreement, the Park DEM Agreement and the Park Easement, including any mortgage or deed of trust executed in connection with Lender Financing (as may be approved pursuant to the terms of this Agreement), is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Park Property and the Developer Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Park Property and the Developer Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts, in writing, an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts, in writing, all of the obligations and liabilities of "the Developer" hereunder from and after the date upon which such Permitted Lender succeeds to the Developer's interest; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment, in writing, of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if either such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept, in writing, an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) No New Mortgage shall be executed with respect to the Park Property and the Developer Property or any portion thereof without the prior written consent of the Commissioner of DPD unless the holder of the New Mortgage executes a Subordination Agreement which subordinates the lien of the mortgage to covenants that run with the Park Property and the Developer Property and acknowledges that the Park DEM Agreement (including the Park Easement) is in existence and is one of the covenants that run with the Park Property and Developer Property.

It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than one hundred eighty (180) days.

18.02 **Entire Agreement.** This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference), together with the Park DEM Agreement constitutes the entire set of contractual agreements between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 **Limitation of Liability.** No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 **Further Assurances.** The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications

as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 **Waiver.** Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Disclaimer.** Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 **Headings.** The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 **Severability.** If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

Notwithstanding the foregoing, the City shall have no right to assign, transfer or convey any of its rights under the Park DEM Agreement without Developer's consent, which consent shall not unreasonably be withheld; provided, however, that no such consent shall be required with respect to (i) the Chicago Park District or another unit of local government that, consistent with its enabling legislation, is authorized to own (or hold an easement interest in) park and open space or (ii) any entity with which the City or the Chicago Park District or another unit of local government that, consistent with its enabling legislation, is authorized to own (or hold an easement interest in) park and open space has contracted to own any interest in or operate park and open space.

OPINION OF DEVELOPER'S COUNSEL

[To be negotiated and retyped on the Developer's Counsel's letterhead]

_____, _____
City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "**Developer**"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "**Project**"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "**Documents**":

(a) _____ Redevelopment Agreement (the "**Agreement**") of even date herewith, executed by the Developer and the City of Chicago (the "**City**");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and © identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments

of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. **[Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]**

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

SECTION 1 **INCORPORATION OF RECITALS**

The recitals set forth above (including, without limitation, the definitions set forth therein), and the exhibits attached hereto, constitute an integral part of this Agreement and are incorporated herein by this reference as agreements of the parties.

SECTION 2 **INCORPORATION OF RDA REQUIREMENTS**

The terms and conditions of the RDA (the "Incorporated RDA Terms and Conditions") also constitute an integral part of this Agreement and, for the sake of brevity, are incorporated herein by this reference as agreements of the parties to the same extent as if fully restated herein. Without limitation the generality of the foregoing, such Incorporated RDA Terms and Conditions shall include the recitals, definitions, construction requirements, plans and specifications, drawings, budgets, conditions precedent to closing, representation, warranties, covenants, indemnities, insurance, MBE/WBE, City resident hiring, prevailing wage, and default and remedy provisions set forth in the RDA; provided, however, that certain of the Incorporated RDA Terms and Conditions shall terminate and be of no further effect herein upon the issuance of a Certificate of Completion of Construction, as described in the RDA (the "RDA Certificate"), in accordance with the terms of the RDA. Such termination shall not affect the continued survival of the terms of this Agreement, nor the continued survival of any executory Incorporated RDA Terms and Conditions which, under the terms of the RDA, survive the issuance of the RDA Certificate and which, therefore, shall continue to be incorporated herein.

SECTION 3
GRANTS OF EASEMENTS

Developer hereby grants and conveys to the City an easement in perpetuity in and over the Park Parcel for public open space and public park purposes, as more fully described herein (the "**Easement**"), to have and to hold unto the City and the City's permitted successors and permitted assigns under Section 22 below. Such Easement shall be an exclusive easement, subject to Developer's reservations of rights in Section 4 hereof. If for a reason other than a default by Developer under the RDA or this Agreement, the City refuses to issue the RDA Certificate when all conditions to the issuance of such RDA Certificate have been satisfied, or fails to issue the City Note (as defined in the RDA) when the conditions to such issuance have been satisfied, or fails to make the first required payment on the City Note (and does not cure such first required payment within ninety (90) days of the required payment date), then the Easement shall be promptly fully and unconditionally released by the City without further City Council action and become null and void. Upon release, this Agreement shall automatically terminate, and the parties shall have no further obligations under this Agreement and the Developer shall have no further claim or remedy against the City under this Agreement. If (a) the Developer or its permitted assignee under the RDA abandons the construction of the Park Improvements or is otherwise unable to complete the Park Improvements, and if (b) the City has not paid the Developer (or any other party entitled to payment) any City Funds, then the City and Developer shall mutually agree whether an amendment to, or release of, this Agreement and the Easement granted hereby, is appropriate. Such consideration, and any City approval to an amendment or release (if any), shall take into account the reasons for such abandonment or inability to complete construction, the likelihood of another party completing the Park Improvements, the extent to which such Park Improvements have been completed, the City's goal of providing the public with permanent and continued access to the riverfront, the status of work on the In-Fill Parcel and other relevant facts and circumstances at the time such consideration is given.

The City hereby grants and conveys to the Developer an encroachment easement during the term of this Agreement (i.e., in perpetuity, unless this Agreement is terminated) on and over the Overbuild Encroachment Area to allow the Developer to construct, maintain, operate and, if necessary, rebuild, the Encroaching Park Improvements as part of the overall Park Improvements (the "**Encroachment Easement**"), to have and to hold unto the Developer and the Developer's permitted successors and permitted assigns under Section 22 below. If this Agreement is terminated in accordance with its terms, then the Encroachment Easement shall, at the City's election and direction to the Developer, be promptly fully and unconditionally released by the Developer and become null and void. In connection with such grant of the Encroachment Easement, no fees, grants of privilege or similar public way use charges shall be assessed against the Developer for such encroachment into the public way.

Such programmed activity shall not unreasonably interfere with the use, enjoyment or the operation of the improvements located on the Developer Parcel.

The Developer shall be permitted to use a portion of the Park Parcel on an Occasional Limited Basis (as defined in the next paragraph) for special functions and special programmed events as detailed herein; provided, however, such events: (a) shall not unreasonably interfere with the use and enjoyment of properties adjacent to the Park Parcel; (b) are related to activities of the owner(s) of the Developer Property, tenants or occupants of the Developer Property; and (c) are non-revenue generating for the such owner, tenants or occupants (unless such event is a fund-raising event, the funds of which are contributed to a not-for-profit corporation, tax-exempt entity, charitable foundation or similar entity or organization organized for charitable, educational or philanthropic purposes (such a permissible private event, "**Permitted Special Event**"). When Developer uses the Park Parcel for a Permitted Special Event, the remainder of the Park Parcel shall remain open to and available for use by the public during such events or functions.

Special Event up to six (6) non-consecutive weekday evenings in a calendar year. Any additional use of the Park Parcel by Developer for private functions or events shall be subject to the approval of the programming committee referenced above, but shall, as to uses by Developer, be only for additional Permitted Special Events. The Developer shall secure all necessary permits from the City to use the Park Parcel for the Permitted Special Event. Except for normal permit issuance fees applicable to such use, and in view of the Developer's ongoing responsibility for the maintenance, repair and replacement of the Park Improvements as set forth herein, no rent, compensation, additional fees or charges shall be due and payable by such owner to the City for the use of the Park Parcel for a Permitted Special Event.

C. The filing and securing of the Riverwalk Approvals and design and construction of such additional riverwalk, shall be done at no cost to the City (except to the extent that improvements made in the riverwalk encroachment area are TIF-eligible expenses reimbursed from City Funds under the RDA).

SECTION 7

CONTINUING OBLIGATIONS OF DEVELOPER

After the City's issuance of the RDA Certificate, the Developer shall comply with the covenants set forth in this Section 8, and the other provisions of this Agreement applicable to the continuing use of the Park and the maintenance, repair and replacement of the Park Improvements, all of which shall run with the Developer Parcel and the Park Parcel and shall be binding upon the Developer and the Developer's Successors and Assigns. Any such assignee or successor shall, at the time of such assignment or succession, execute a written acknowledgment in favor of the City acknowledging such party's obligations under this Agreement. The Developer, and Developer's Successors and Assigns, shall not be obligated under this Agreement to provide private security service or police protection in the Park.

A. Maintenance of the Park

(1) On-Going Maintenance of the Park Improvements. Developer, at its sole cost and expense, shall: (a) maintain, repair and, if required, replace, the trees, plants, and vegetation (including annual and seasonal flower beds), the brick pavers, sidewalks, paving, fixtures, benches, fencing, furnishings, improvements and the sprinkler systems (including draining the sprinkler lines when and as appropriate) and all other Park Improvements, whether above ground or below ground; (b) provide light bulb replacement for all light fixtures located at the Park and pay for all utility costs associated with the Park; (c) provide trash pickup and disposal services for the daily use of the park and programming reasonably contemplated by this Agreement; and (d) remove snow and arrange for the removal of leaves, litter, debris and other waste materials (collectively "Ordinary Maintenance Obligations"). The programming committee described in Section 4, in approving park programming, shall take into account whether proposed scheduled activities may require maintenance and repairs which are in excess of Developer's Ordinary Maintenance Obligations and, if so, shall identify additional sources of funds to be made available to Developer to pay for or resources to perform any extraordinary obligations prior to the actual holding of any such activities.

(2) Maintenance Reserve for the Park. At the time of the City's issuance of the RDA Certificate, the Developer shall fund an initial maintenance reserve in the amount of \$250,000 to fund the performance of the Developer's obligations under this Agreement (together with any interest earned thereon, the "Maintenance Reserve"). Such account shall be named or otherwise identified as the "Park Maintenance Reserve Trust Account" or words of similar effect to identify the custodial nature of such account, but shall be under the Developer's control. No other funds shall be deposited into such account, nor shall any funds be withdrawn from such account except to pay for costs incurred pursuant to this Agreement. On or before January 15th and July 15th of each calendar year, the Developer shall submit to the City account statements reflecting the current balance of such trust account. This Agreement shall be recorded as an encumbrance against the Developer Parcel to secure the (a) establishment of the Maintenance Reserve, (b) replenishment of such Maintenance Reserve from time to time, and (c) performance of the maintenance obligations of the Developer under this Agreement, which, if not performed, and if instead performed by the City, shall give rise to a lien against the Developer Parcel, which lien may be enforced by the City and shall be in the amount of the cost of curing such default.

(3) Inspection Requirements. Every two years after the issuance of the RDA Certificate (or such other interval as may be agreed upon by the parties), Developer shall cause a licensed structural engineer to inspect the structural elements of the Park Improvements and prepare a written report summarizing the physical condition of such structural elements and, if applicable, setting forth any recommended maintenance, repair and/or replacement work. Developer shall also permit any applicable City departments charged with making structural inspections to inspect such structural elements. If City inspectors make findings that (A) the structural elements do not comply with applicable code requirements, or that (B) the condition of such structural elements otherwise poses a direct and immediate threat to public health and safety, the Developer shall remedy such code deficiencies and undertake such maintenance, repair and replacement work as may be necessary or appropriate to address the conditions that pose such a direct and immediate threat. Developer retains the right to challenge or dispute alleged code deficiencies, to the same extent as any other property owner.

(4) Notice to the City. Developer agrees to notify the City in writing of any injury to persons or property relating to the Park within seven (7) days of the date that the Developer becomes aware of such injury, and in the instance of an emergency, to notify the City immediately by telephone and email notice by contacting Mr. Robert Wolf, Department of Housing and Economic Development, City of Chicago, Room 1000, City Hall, Chicago, Illinois 60602 (Email: Robert.Wolf@cityofchicago.org), or such other person as the City shall designate to Developer in writing. Furthermore, Developer agrees to notify the City immediately in the method described in this paragraph in the event that it learns that the Park is being utilized by any of the public in violation of this Agreement. Notwithstanding anything to the contrary contained in this paragraph, this Section 7.A.(4) shall not be construed to obligate the Developer to provide any private security for the use of the Park. Failure to notify the City (as provided for herein) shall not give rise to a claim for damages by the City against Developer.

SECTION 8
INSURANCE

A. During the construction of the Park Improvements and term of the RDA and until issuance of the RDA Certificate, the Developer, its general contractor and any other required parties shall at all times satisfy the insurance requirements set forth in Section 12 of the RDA.

B. After the issuance of the RDA Certificate, the Developer shall at all times thereafter continue to maintain (i) All Risk Property Insurance at replacement value of the Park Improvements to protect against loss of, damage to, or destruction of the Park Improvements, with the City named as additional loss payee on such policy and including a railroad operations endorsement, and (ii) comprehensive general liability insurance (including any liability insurance carried under so called excess or "umbrella" policies) with respect to the Park Parcel in such amount as the Developer shall thereafter from time to time be required to carry with respect to the Office Project under the Permitted Mortgage(s) and the related security documents, and (iii) all such other insurance coverage(s) as the Developer is required to maintain under the Permitted Mortgage(s) and the related security documents. The Developer shall, on or before January 15th of each calendar year, provide the City with evidence of the then applicable insurance requirements of such Permitted Mortgage(s) and security documents and evidence of compliance with the foregoing requirements. All insurance proceeds shall be the property of Developer (subject to the rights of any mortgagee(s) under Permitted Mortgage(s)) and shall be applied for restoration of the Park to the extent such proceeds are necessary to repair any damage to or destruction of the Park Improvements. If such proceeds are insufficient to restore such Park Improvements, the Developer shall be required to fund any shortfall amount to complete such restoration. The Commissioner of HED shall have authority to administratively amend this Agreement to document such continuing insurance requirements.

SECTION 9
INDEMNITY

The Developer agrees to indemnify, defend and hold the City, its elected officials and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) (collectively, "**Indemnified Costs**") suffered or incurred by the City or such persons arising from or in connection with the construction of the Park Improvements by the Developer or the Developer's failure to perform its obligations under this Agreement. The foregoing indemnity, defense and hold harmless obligation shall not be construed to require the Developer to indemnify such indemnitees where the Indemnified Costs arise out of the sole negligence and/or sole willful and wanton misconduct of one or more indemnitees. Without limiting the generality of the foregoing, such Indemnified Costs shall include any amounts payable by reason of the environmental condition of the Park Parcel. This indemnification shall survive any termination of this Agreement.

SECTION 10
TERM OF THE AGREEMENT

The term of this Agreement shall commence as of the date hereof and, unless otherwise terminated by the City in writing, pursuant to an ordinance approved by the City Council, shall

run in perpetuity.

SECTION 11
PERFORMANCE, EVALUATION AND BREACH; REMEDIES

A. Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement. Should any milestone date fall on a weekend or holiday, the deadline for compliance shall not occur until the next regular business day.

B. Permitted Delays. The Developer shall not be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of the Developer to discharge its obligations hereunder, including, without limitation, delays arising out of (i) the inability to obtain or delays of the Riverwalk Approvals, (ii) the action, inaction, or requirements or conditions imposed by, Chicago Union Station Company ("CUSCO"), National Railroad Passenger Corporation ("Amtrak") or other railroads which use the tracks and facilities of CUSCO or Amtrak located in the land lying below the Park Parcel (the "Railroad Property") or (iii) events upon or conditions of the Railroad Property. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

C. Breach. Except as otherwise provided in this Agreement, in the event of a default by the Developer in the performance of its obligations under this Agreement, the Developer, upon written notice from the City, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the Developer has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including but not limited to, proceedings to compel specific performance. The City shall also have the right to receive an assignment of the unspent Maintenance Reserve from the Developer where the Developer fails to perform its maintenance obligations pursuant to Section 8.A(1) and an amount equal to the difference between such unspent Maintenance Reserve and Two Hundred Fifty Thousand and No/100 Dollars (\$250,000). The City shall also have the remedies specified in Section 4. In no event, however, shall the City's remedies under this Agreement include any set off against, suspension or withholding of any payment under or termination of the City Note issued pursuant to the RDA or any remedy that would adversely affect the City's making of payments under the City Note after such City Note has been issued pursuant to the RDA.

For purposes of this Agreement, the occurrence of any one or more of the following shall

constitute an "event of default":

- (1) Developer fails to perform, keep or observe any of the material covenants, conditions, promises, agreements or obligations required under this Agreement, or
- (2) Developer makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect; or
- (3) A petition is filed by or against Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing and which impairs the ability of the Developer to perform its obligations as and when required under this Agreement; or
- (4) Subject to the permitted delays provision of Section 11.B, Developer abandons or suspends construction of the Park Improvements, and such abandonment or suspension is not cured, ended or remedied in within one hundred twenty (120) days of the date Developer receives written demand by the City to cure such default, or such longer period as may be provided for in the RDA; or
- (5) Developer suffers or permits any lien or encumbrance that is not a Permitted Encumbrance to attach to or encumber the Park Parcel; or
- (6) Developer fails to comply with the terms of the RDA and such failure to comply is not cured in accordance with the RDA.

D. Notice of Default to Lender. The City shall use reasonable efforts to cause any notice of default delivered to Developer to also be delivered to any Permitted Lender at the address set forth in Section 18, but failure to deliver such notice shall not prevent the City from exercising its remedies. Such Permitted Lender shall have the same opportunities to cure any such default(s) as are afforded to Developer as afforded to Developer herein.

E. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer, and shall not be effective unless given in writing.

F. Access to the Property. Until the expiration of the Term of this Agreement, any duly authorized representative of the City shall have access to the Park Parcel at all reasonable times for the purpose of confirming Developer's compliance with its obligations under this Agreement.

G. City's Right to Inspect Records. Developer agrees that the City shall have the right and authority to review and audit, from time to time, Developer books and records solely relating to the Park and the Park Parcel, including, without limitation, general contractor's sworn statements, the contract with the General Contractor and subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be

available at the offices of Developer for inspection, copying, audit and examination at all reasonable times by any duly authorized representative of HED upon prior reasonable notice to Developer and at HED's sole cost and expense.

H. Evaluation. Upon written request by the City, but not more frequently than once on an annual basis, Developer shall submit to the City a written report describing the maintenance of the Park Improvements and all costs attendant thereto. After delivery of the report, at the City's request, representatives of the City and of Developer shall meet and address any issues and concerns. Should the City determine, as a result of the review of the report and the site visit, that Developer is not complying with the terms and provisions of this Agreement, the parties agree that: (i) the City may deliver a notice of default as provided for in this Section and Developer shall thereafter have an opportunity to cure (as provided for in this Section 12); or (ii) in the alternative, the City, by written notice to Developer, may terminate this Agreement and receive an assignment of the unspent Maintenance Reserve from the Developer. The parties further agree that the City may terminate this Agreement at any time by delivering thirty (30) days prior written notice to Developer.

SECTION 12
CONFLICT OF INTEREST; CITY'S
REPRESENTATIVES NOT INDIVIDUALLY LIABLE

Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligation under the terms of this Agreement.

SECTION 13
BARRICADES, SIGNS AND PUBLIC RELATIONS

Prior to the commencement of any demolition or construction activity requiring barricades, Developer shall install a barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall retain the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

At the request of the City, Developer shall erect a sign of size and style approved by HED in a conspicuous location at the Park Parcel during the construction of the Park Improvements, indicating that the undertaking of the Park is in accordance with City objectives. The City reserves the right to include the name, photograph, artistic rendering of the Park and other pertinent information regarding Developer and the Park in the City's promotional literature and communications.

SECTION 14
HEADINGS

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 15
GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

ENTIRE AGREEMENT

This Agreement and the RDA constitute the entire contractual agreements between the parties and supersede and replace completely any prior agreements between the parties with respect to the development, use and operation of the Park, which is also subject to the River Point Ordinances and the River Point PD Ordinance. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties; provided, however, that any of the aforementioned documents may be independently amended without such amendment being deemed an amendment to such other documents.

SECTION 17
SEVERABILITY

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 19 **COUNTERPARTS**

This Agreement may be executed in counterparts, each of which shall constitute an original instrument.

SECTION 20 **SUCCESSORS AND ASSIGNS**

The terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties. For the purposes of this Agreement, Developer's successors and assigns shall be limited to those parties which succeed the Developer in title to the Developer Parcel, or any portion thereof, and such other parties that may assume the Developer's obligations under this Agreement in writing pursuant to Section 5.A(5) of this Agreement (such parties, "**Developer's Successors and Assigns**"). Where Developer seeks to convey or assign its rights and obligations under this Agreement, the City shall reasonably cooperate with such transferee or assignee to inform such party of the status of Developer's performance of its obligations under this Agreement or the RDA, provided, however, that the City, which as a unit of government may not be estopped by any mistaken statement made by its elected officials or employees, shall in instance be bound by any information provided by the City as to the status of such performance. If the Developer transfers the Park Parcel and the Developer Parcel and the Office Project as permitted under such Section 5.A(5) in accordance with the terms of this Agreement, Developer shall be released from all liability and/or obligations accruing after such transfer or assignment and shall have no further rights under this Agreement. In addition, if a lender holding a Permitted Mortgage forecloses or otherwise exercises its rights pursuant to such Permitted Mortgage and the related security documents, such lender shall only be liable for obligations accruing after the initiation of the exercise of its rights and shall have no liability for defaults or obligations arising prior to such time including, without limitation, any event of default by developer or any other duty or obligation of Developer, except to the extent such event of default of duty is continuing (such as, for example a failure to perform a maintenance obligation required under this Agreement).

SECTION 21 **INTENTIONALLY OMITTED**

SECTION 22 **ASSIGNABILITY AND TRANSFER**

The Developer shall have no right to assign, transfer or convey any of its duties or obligations under this Agreement as they relate to the Park, except to Developer's Successors and Assigns. The City shall have no right to assign, transfer or convey any its rights under this Agreement, including but not limited to its easement rights as set forth in Section 3, without Developer's consent, which consent shall not unreasonably be withheld; provided, however, that

no such consent shall be required with respect to an assignment, transfer or conveyance to the Chicago Park District or another unit of local government that, consistent with its enabling legislation, is authorized to own (or hold an easement interest in) park and open space.

SECTION 23
FURTHER ASSURANCES

Developer and the City agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

SECTION 24
SURVIVAL

All representations and warranties contained in this Agreement are made as of the execution date of this Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

SECTION 25
CUMULATIVE REMEDIES

Subject to any express limitation of the scope of remedies provided herein and the RDA, the remedies of any party hereunder are cumulative and the exercise of any one or more of the remedies provided by this Agreement shall not be construed as a waiver of any of the other remedies of such party unless specifically so provided herein.

SECTION 26
DISCLAIMER

No provision of this Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create or imply to create the relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City, the Developer or any owner of any portion of the Developer Property.

SECTION 27
APPROVAL

Wherever this Agreement provides for the approval or consent of the City, HED or the Commissioner, or any matter is to be to the City's, HED's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, HED or the Commissioner in writing and in the reasonable discretion thereof and not unreasonably delayed. The Commissioner or other person designated by the Mayor shall act for the City or HED in making all approvals, consents and determinations of satisfaction or otherwise administering this Agreement for the City.

SECTION 28
VENUE AND JURISDICTION

If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, or the United States District Court for the Northern District of Illinois.

SECTION 29
BUSINESS RELATIONSHIPS

The Developer acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 30
PATRIOT ACT CERTIFICATION

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 31
MAYORAL EXECUTIVE ORDER NO. 2011-4

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Developer's contractors (*i.e.*, any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement)

(“**Contractors**”), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent (“**Sub-owners**”) and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the “**Identified Parties**”), shall not make a contribution of any amount to the Mayor of the City of Chicago (the “**Mayor**”) or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from and after May 16, 2011, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor’s political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor’s political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Consent, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“**Bundle**” means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

“**Other Contract**” means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are **“Domestic Partners”** if they satisfy the following criteria:

- A. they are each other’s sole domestic partner, responsible for each other’s common welfare; and
- B. neither party is married; and
- C. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- D. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- E. two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (a) joint ownership of a motor vehicle;
 - (b) a joint credit account;
 - (c) a joint checking account;
 - (d) a lease for a residence identifying both domestic partners as tenants.
 - (4) Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 32
WASTE ORDINANCE PROVISIONS

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation any provisions of Section 7-28 or Section 11-4 of the Municipal Code.

SECTION 33
SUBORDINATION

No mortgage shall be executed with respect to the Park Parcel unless the holder of such

mortgage executes a Subordination Agreement in the form attached hereto as Exhibit H or such other form as may be reasonably acceptable to the City which subordinates the lien of the mortgage to this Agreement.

SECTION 34
COOPERATION WITH INSPECTOR GENERAL AND LEGISLATIVE
INSPECTOR GENERAL

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

SECTION 35
FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby

SECTION 36
SHAKMAN ACCORD

A. The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B. Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise

recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

C. Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

D. In the event of any communication to Developer by a City employee or City official in violation of subparagraph(ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

The Lender's Documents secure that certain [INSERT NAME OF PROMISSORY NOTE] made by the Developer and payable to Lender in the original principal amount of [\$ _____] (the "Note") and certain other amounts specified in the Lender's Documents.

B. The Developer intends to construct certain public park improvements on the real property legally described on Exhibit A attached hereto and made a part hereof (the "Park Property"), in which the Developer shall grant the City a permanent easement interest for such public park purpose and use, pursuant to the terms and conditions of that certain Development, Easement and Maintenance Agreement by between the Developer and the City dated as of _____, 2012 (the "DEM Agreement"), which is being executed concurrently herewith (such project, as more fully described in the DEM Agreement, the "Project").

C. Pursuant to the DEM Agreement, the Developer will agree to be bound by the

obligations of the Developer set forth therein, (such obligations, the "DEM Agreement Obligations"), which DEM Obligations will run with the Park Property in perpetuity.

D. The City has agreed to enter into the DEM Agreement with the Developer subject to, among other things, (a) the execution by the Developer DEM Agreement and the recording thereof as an encumbrance against the Park Property; and (b) the agreement by the Lender to subordinate its liens under the Lender's Documents to the DEM Obligations pursuant to this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Lender and the City agree as hereinafter set forth:

AGREEMENTS

1. Subordination. All rights, interests and claims of Lender in the Park Property, or any portion thereof, pursuant to the Lender's Documents are and shall be subject and subordinate to the Developer's DEM Agreement Obligations, which shall survive any foreclosure of the Lender's Mortgage or exercise of any other remedy by Lender under the Lender's Documents. Subject to the foregoing, however, nothing herein shall be deemed to limit any of Lender's other rights, remedies or other priorities under the Lender's Documents, including, without limitation, Lender's rights to receive, and the Developer's obligation to make, payments and prepayments of principal and interest on the Note, Lender's right to foreclose the Mortgage, and Lender's right to exercise Lender's other rights and remedies pursuant to the Lender's Documents, except as provided herein.

2. Notice of Default. Lender shall use reasonable efforts to give to the City, and the City shall use reasonable efforts to give to Lender, (a) copies of any notices of default which it may give to the Developer with respect to the Project pursuant to the Lender's Documents or the City's DEM Agreement, as applicable, and (b) copies of waivers, if any, of the Developer's default in connection therewith. Neither the Developer nor any other third party is an intended beneficiary of this Section 2. Failure of any party to deliver such notices or waivers shall in no instance alter the rights or remedies of such party under the Lender's Documents or the City's DEM Agreement, as applicable.

3. Waivers. No waiver shall be deemed to be made by the City or the Lender of any of their respective rights hereunder, unless the same shall be in writing, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the City or the Lender in any other respect at any other time.

4. Governing Law; Binding Effect. This Agreement shall be interpreted, and the rights and liabilities of the parties hereto determined, in accordance with the internal laws and decisions of the State of Illinois, without regard to its conflict of laws principles, and shall be binding upon and inure to the benefit of the respective successors and assigns of the City and the Lender.

5. Section Titles; Plurals. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreement between the parties hereto. The singular form of any word used in this Agreement shall include the plural form.

6. Notices. Any notice required hereunder shall be in writing and addressed to the party to be notified as follows:

Notice given in any other manner described in this paragraph shall be effective upon receipt by the addressee thereof; provided, however, that if any notice is tendered to an addressee and delivery thereof is refused by such addressee, such notice shall be effective upon such tender.
