2012 First Quarter Progress Report
January-March

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2012 First Quarter Progress Report, which presents the Department of Housing and Economic Development's progress on the goals set forth in the City's fourth Affordable Housing Plan, covering the years 2009-2013.

As we do each year, the Department is also releasing estimates of housing production for 2012, the fourth year of the current five-year plan. We expect to deploy nearly \$370 million to assist almost 9,000 units of housing this year, through programs in the following three categories:

- To Create and Preserve Affordable Rental Units: \$288,880,552 to assist 6,188 units
- To Promote and Support Homeownership: \$62,160,125 to assist 662 units
- To Improve and Preserve Homes: \$14,882,768 to assist 2,010 units

The Department's resources also include almost \$3 million for other initiatives, including delegate agency programs, which complement our housing production efforts.

To help readers better understand the production tables included in these quarterly reports, we have included a user's guide to the Department's housing development and preservation programs. The guide is organized by the three main categories of work as outlined above; it offers a brief description of each program along with information about funding sources and unit count methodologies.

The Department of Housing and Economic Development (HED) promotes economic development by helping existing businesses grow and attracting new industry to the city. HED also leads the City's affordable housing, housing preservation and homebuyer assistance programs, as well as our zoning, land use planning, sustainability and historic preservation initiatives.

Recent years have been difficult ones in the affordable housing arena. The collapse of the housing market and ensuing recession have only made affordable housing production more difficult, while heightening the importance of HED's role in facilitating housing development and preservation. At the same time, declining levels of federal support have underscored the need to make the most of limited resources.

We could not persevere in our work without the ongoing support and cooperation of our valued partners—neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. With their efforts, we continue to progress in our goals to create and preserve affordable housing for the people of Chicago.

INTRODUCTION

This document is the 2012 First Quarter Progress Report on the Chicago Department of Housing and Economic Development's fourth Affordable Housing Plan, 2009-2013.

For 2012, HED has projected commitments of almost \$370 million to assist nearly 9,000 units of housing.

During the first quarter of 2012, the Department committed almost \$60 million in funds to support over 3,500 units, which represents 40% of the 2012 unit goal and 16% of the 2012 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2012, the Department expects to commit nearly \$290 million to support more than 6,000 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the first quarter of 2012, HED committed over \$41 million in resources to support 3,184 units. These numbers represent 51% of the 2012 multi-family unit goal and 14% of the 2012 multi-family resource allocation goal.

The Department of Housing and Economic Development utilizes a variety of programs to support the creation and preservation of affordable rental housing. HED's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Create and Preserve Affordable Rental Units

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Multifamily Loans	Supports the construction or rehab of developments that will provide long term affordable rental units.	HOME, CDBG, ARRA/EECBG and Corporate (Parking Revenue, Density Bonus) funds	Financial commitments and units assisted are counted at time of City Council approval of the development. Loan funds can be used in conjunction with MAUI, LIHTCs, DTCs, TIF funds and revenue bonds.
Multi-year Affordability Through Up-front Investments (MAUI)	Provides up-front financing to developments in exchange for long-term affordability for units that serve households making no more than 30% of the area median income.	State of Illinois Rental Subsidy Program, Downtown Density Bonus funds	Financial commitments and units assisted are counted at time of Chicago Low Income Housing Trust Fund board approval.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
TIF Subsidies	Provides Tax Increment Financing (TIF) subsidies to developers who are constructing or rehabbing affordable multifamily units.	TIF funds	Financial commitment and units assisted are counted after HED receives invoice from administering non-profit organization.
Low Income Housing Tax Credit equity	Federal income tax credits to support the construction and preservation of multifamily affordable housing.	Federal income tax credit @ 9% rate	If a development is receiving other City assistance, such as a loan or City-owned land, then the financial commitments and units assisted are counted at time of City Council approval. If no other City assistance is being provided, the equity and units assisted are counted at time of allocation of Low Income Housing Tax Credits, which by itself does not require City Council approval. Financial commitment reported is the value of the equity generated by the LIHTCs.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
City Land	Donation of City-owned land to multifamily rental developments in exchange for long-term affordability.	Donated land value can generate private equity through Donations Tax Credit Program	Financial commitments and units assisted are counted at time of City Council approval. Financial commitment is the value of the land write-down.
Donations Tax Credits (DTCs, also known as Illinois Affordable Housing Tax Credits)	A \$0.50 State of Illinois income tax credit for every \$1 that is donated to an eligible affordable housing development. HED allocates 24.5% of the amount of credits authorized by the State.	State of Illinois income tax credit	HED reports the value of the donation and/or any equity generated by the sale of the tax credits. If the development is receiving other City assistance, such as a loan or City-owned land, then the financial commitments and units assisted are counted at time of City Council approval. If no other City assistance is being provided, the donation or equity and units assisted are counted at time of allocation of the tax credits, which by itself does not require City Council approval.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
MF Affordable Requirements Ordinance	Per City ordinance, developments with more than 10 units receiving City zoning changes (including planned developments in a downtown zoning district) or additional financing must make 10-20% of units affordable.	Varies, includes Tax Increment Financing (TIF) funds and land purchased from the City (even if purchased at the appraised value).	Financial commitments and units assisted are counted after the project has received City Council approval and sign-off by HED. Value reported is the amount of any City land write-down or any TIF funds going to the development. If units are receiving assistance through another HED program, such as New Homes for Chicago, they are not counted under ARO.
Lawndale Restoration Redevelopment	Provides grant funding for the redevelopment of the Lawndale Restoration and Douglas Lawndale Project-based Section 8 developments.	HUD Grant	If receiving loan funds from HED, units are counted at time of City Council approval. If not, then units are counted at closing. The financial commitment reported is the value of HUD grant funds utilized.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Low-Income Housing Trust Fund Rental Subsidy Program	Provides rental subsidies to landlords for tenants whose earnings do not exceed 30% of area median income.	State of Illinois Rental Subsidy Program and Corporate funds	Financial commitments and units assisted are counted after HED has a signed agreement with the landlord. Payments to landlords are made quarterly, but the annual financial commitment for each unit is reported in the first quarter of each year. Because new landlord agreements are signed throughout the year, any net change in financial commitments or units assisted is reported quarterly.
Heat Receivership	In cases where buildings do not have functional heat and hot water, the City can initiate a process to appoint a receiver to make any necessary repairs and restore heat and hot water to tenants.	CDBG	Units are counted when they enter court-ordered receivership.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
<p>Troubled Buildings Initiative I</p>	<p>With Community Investment Corporation (CIC), the Department of Buildings, the Department of Law, and other City departments, HED identifies problem buildings and designates receivers to manage deteriorating and troubled properties. CIC manages properties on an interim basis, assesses the scope of work needed to preserve buildings, and makes loans to new owners to finance acquisition and rehabilitation.</p>	<p>CDBG</p>	<p>Financial commitments and units assisted are counted after HED has a signed agreement with the landlord. Payments to landlords are made quarterly, but the annual financial commitment for each unit is reported in the first quarter of each year. Because new landlord agreements are signed throughout the year, any net change in financial commitments and units assisted is reported quarterly.</p>
<p>Neighborhood Stabilization Program (Multi-family)</p>	<p>The Neighborhood Stabilization Program (NSP) provides for the purchase and rehabilitation of vacant, foreclosed homes in targeted areas. Mercy Portfolio Services is the City's agent under NSP and is responsible for the acquisition and disposition of eligible properties.</p>	<p>HUD Neighborhood Stabilization Program grant funds</p>	<p>MF NSP units are counted in two categories: (1) Acquisition, following transfer of the deed from Mercy Portfolio Services to a qualified developer; and (2) Rehabilitation, following approval and commitment of funds. All units under rehabilitation will be treated as double-counted, since they were already recorded at the time of initial acquisition.</p>

Multifamily Rehab and New Construction

Sarah's House

On January 18, 2012 the City Council approved \$1.2 million in loans and \$415,000 in tax credits for a new residential facility in Uptown for women who are homeless or in danger of becoming homeless. Sarah's House will accommodate ten studio apartments along with supportive services and will serve as the new home for Sarah's Circle, a social service agency that provides housing assistance, case management, clinical services and referrals to homeless women.

Sarah's Circle will acquire and rehab an existing 4-story building on the site, located at 4836 N. Sheridan Road in the 46th Ward. Two secure upper floors will each house five units, while the first floor and lower level will be built out with space for daytime and supportive services.

Bronzeville Senior Apartments

The City Council on March 14 approved bond funding and TIF assistance for a 97-unit senior housing project in the Grand Boulevard community. The City will provide \$6.1 million in Housing Revenue Bonds and \$2.7 million in TIF funds for rehabilitation of the Bronzeville Senior Apartments at 460 E. 41st Street in the 3rd Ward.

The \$18.3 million project, to be developed by Bronzeville Associates Senior Apartments LP, will feature new plumbing, mechanical systems, HVAC systems and upgrades to kitchens and baths. Exterior work will include new roofs, windows and building entrances along with parking lot repairs.

The 11-story building was originally constructed in 1982 as part of the Paul G. Stewart development, which contains a total of nearly 900 units built in five phases. In addition to the bonds and TIF assistance, the City is providing \$600,000 in Low Income Housing Tax Credits that will generate \$5.5 million in equity for the project.

Rehab of Bronzeville Senior Apartments is part of the ongoing reconstruction of the Paul G. Stewart residential complex. Work is currently underway on family units adjacent to the senior building.

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2012, the Department expects to commit over \$62 million to help nearly 700 households achieve or sustain homeownership. HED initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

Through the first quarter of 2012, the Department committed nearly \$17 million to support 104 units, achieving 27% of the annual homeownership resource allocation goal and 16% of the annual homeownership unit goal.

The Department of Housing and Economic Development utilizes a variety of programs to support and promote homeownership. HED's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Promote and Support Homeownership

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Chicago Partnership for Affordable Neighborhoods (CPAN)	A component of HED's inclusionary housing policies, CPAN encourages developers to incorporate affordable units (typically 10%) in their market-rate developments by providing permit fee waivers, site improvements, reimbursement for permit reviews and purchase price assistance to income qualified buyers.	No new funding	After application approval, HED counts the number of affordable units that the developer is committing to build and the value of the write-down for affordable units (so if a unit's market-rate price is \$300,000 and the developer agrees to sell the unit for \$175,000, then the value reported is \$125,000). CPAN does not require City Council approval.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Affordable Requirements Ordinance (ARO)	Per City ordinance, developments with more than 10 units receiving City zoning changes (including planned developments in a downtown zoning district) or additional financing must make 10-20% of units affordable.	Varies, includes Tax Increment Financing (TIF) funds and land purchased from the City (even if purchased at appraised value).	Financial commitments and units assisted are counted after the project has been approved by City Council and signed off on by HED. Value reported is the total amount of any City land write-downs or TIF funds going to the development. Units receiving assistance through any other HED program, such as New Homes for Chicago, are not counted under ARO.
Troubled Buildings Initiative II	HED works with Neighborhood Housing Services Redevelopment Corporation (NHSRC) and other developers and receivers to rehab vacant 1- to 4-unit properties for sale to eligible owner-occupants. Also supports receivership activities for vacant 1- to 4-unit homes.	CDBG	Units are counted when they first fall into one of the following tracking categories: in receivership, under rehab, or recovered. Units are only counted once; they are not counted again as they move from one development stage to another. Financial commitment counted per receipt of invoices from HED's partner organizations.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
HUD Homes & Preserving Communities Together	Developers and future owner-occupants can purchase vacant city owned residential properties for \$5,000 plus City's cost of property management.	No new funding	Units are reported when sold.
Neighborhood Stabilization Program (Single-family)	The Neighborhood Stabilization Program (NSP) provides for the purchase and rehabilitation of vacant, foreclosed homes in targeted areas. Mercy Portfolio Services is the City's agent under NSP and is responsible for the acquisition and disposition of eligible properties.	HUD Neighborhood Stabilization Program grant funds	SF NSP units are counted in two categories: (1) Acquisition, through transfer of the deed from Mercy Portfolio Services to a qualified developer; and (2) Rehabilitation; following approval and commitment of funds. All units under rehab will be treated as double-counted, since they were already recorded at the time of initial acquisition.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Purchase Price Assistance (HOME and Corporate funds)	Provides financial assistance to cover down payment and closing costs to qualified buyers purchasing homes through CPAN and New Homes for Chicago.	HOME	New Homes for Chicago and CPAN units are double-counted because these units were initially counted when the development was approved by City Council (in the case of New Homes for Chicago) or when the application was approved (in the case of CPAN). Choose to Own units are not double-counted because, in most cases, these are units purchased in the private market. If a Choose to Own buyer purchases a New Homes for Chicago or CPAN unit, or receives assistance through City Mortgage or TaxSmart, then it will be double-counted.
	Provides subsidy to close the gap between the purchase price and the appraised value of the home, utilizing corporate funds for buyers purchasing a home through New Homes for Chicago.	Corporate: No new funding	
Choose to Own	Through this home purchase program for current CHA residents, Housing Choice voucher holders can use their voucher to offset a portion of their monthly mortgage payment.	HOME	Choose to Own units are not double-counted because, in most cases, these are units purchased in the private market. If a Choose to Own buyer purchases a New Homes for Chicago or CPAN unit, or receives assistance through City Mortgage or TaxSmart, then it will be double-counted.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Neighborhood Lending Program: Purchase & Purchase/Rehab Loans	Provides loans and grants to low- and moderate-income homebuyers for the purchase or purchase and rehab of 1- to 4-unit homes. Administered by Neighborhood Housing Services of Chicago (NHS). HED funds are used to leverage a multi-year \$100 million pool of funds from approximately 20 additional private lenders.	CDBG & leveraged private funds	Financial commitment and units assisted are counted when the loan closes. The dollar value counted includes any permanent subsidy from HED, along with private financing.
Neighborhood Lending Program: Homeownership Preservation Loans	Provides loans and grants to low- and moderate-income homeowners to prevent foreclosure. Administered by NHS. HED funds are used to leverage a multi-year \$100 million pool of funds from approximately 20 additional private lenders..	CDBG & leveraged private funds	Financial commitment and units assisted are counted when the loan closes. The dollar value counted includes any permanent subsidy from HED, along with private financing.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2012, the Department expects to commit nearly \$15 million to help over 2,000 households repair, modify or improve their homes. HED initiatives include assistance for seniors, owners of historic bungalows, and emergency repairs, along with other home improvement programs.

Through the first quarter of 2012, the Department committed over \$1.8 million to support 248 units, achieving 12% of both the annual home preservation resource allocation goal and the home preservation unit goal.

The Department of Housing and Economic Development utilizes a variety of programs to support home improvement and preservation. HED's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Improve and Preserve Homes

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Emergency Housing Assistance Program (EHAP)	Provides forgivable loans to owner-occupants of 1- to 4-unit residential buildings to repair dangerous, hazardous and life threatening conditions, focusing on roof, porch, and heating system repairs.	CDBG & Corporate funds (Chicago Skyway proceeds)	Financial commitments and units assisted are counted following receipt of the Job Order Contract bid by HED Construction Division.
Small Accessible Repairs for Seniors (SARFS)	Provides enabling devices & limited, non-emergency home improvements to residences occupied by low-income senior citizens. Administered by community-based delegate agencies.	CDBG	Financial commitments and units assisted are counted after completion of work by delegate agency. Reported commitments include delegate agencies' construction costs and administrative expenses.

Program	Description	Funding Source(s)	Reporting Protocols (What gets counted and when)
Single-family TIF Neighborhood Improvement Program (TIF-NIP)	Using Tax Increment Financing (TIF) funds, provides grants to homeowners primarily for exterior improvements. Program operates in designated TIF districts and is administered by a non-profit community partner.	TIF funds	Financial commitment and units assisted are counted after HED receives invoice from administering non-profit organization.
Neighborhood Lending Program: Home Improvement Loans	Provides loans and grants to low- and moderate-income homeowners for home improvement. Administered by NHS. HED funds are used to leverage a multi-year \$100 million pool of funds from approximately 20 additional private lenders.	CDBG & leveraged private funds	Financial commitment and units assisted are counted after loan closes. The dollar value counted includes any permanent subsidy from HED, along with private financing.
Historic Chicago Bungalow Initiative	In partnership with Historic Chicago Bungalow Association, provides grants for energy efficiency improvements to owners of certified Historic Chicago Bungalows.	City of Chicago Energy Savers grants; Illinois DCEO funds	Financial commitment and units assisted are counted when HED Homeownership Center staff approves homeowner request for payment and transmits to HED Finance for processing.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Neighborhood Stabilization Program Update

During the first quarter of 2012, the City of Chicago attained its goal of utilizing 50% of its NSP2 allocation. The official HUD deadline to draw down at least \$49 million in NSP2 funds was February 11, 2012. As of that date, \$55.9 million had been expended and recorded in HUD's data-tracking system, putting the City on track to deploy all funds by HUD's February 2013 deadline.

Through the end of the first quarter, a total of 799 units in 155 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 583 units in 104 properties; 101 units (44 properties) have been finished or are nearing completion. Forty-one units (27 properties) have been sold to qualified homebuyers, and several multifamily properties are partially occupied and in the lease-up process. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is available at www.chicagonsp.org.

This 2-unit building, located at 1636 N. Spaulding, was acquired and rehabbed with NSP funds and sold to an eligible homebuyer in the first quarter of 2012.

Rehab of this 18-unit property, located at 5520 S. Prairie, was completed during the first quarter of 2012. Lease-up is currently underway.

TIF Funding Approved for New Foreclosure Mitigation Strategy in Humboldt Park

On March 14, 2012 the City Council approved a pioneering new program that will earmark \$1 million in Tax Increment Financing (TIF) funds to help homebuyers purchase and reoccupy vacant, foreclosed homes in the Humboldt Park community.

The TIF Purchase Rehab program will provide forgivable loans to help qualified participants rehabilitate one- to four-unit buildings in the Chicago/Central Park TIF district, roughly bounded by Grand Avenue, Lake Street, Kedzie Avenue, and Pulaski Road. Assistance levels can range up to 25% of a building's purchase and rehabilitation costs.

"The program builds upon a stabilization strategy that focuses City resources within specific areas that have been hit hard by the foreclosure crisis," Mayor Emanuel said. "It's the first time that the TIF program will be used to address neighborhood foreclosures, and we hope to expand it to other TIF districts in the months ahead."

Program guidelines will require each investor to use the property as a primary residence. Participants' income levels must also be at or below 120 percent of area median income, or \$90,950 for a family of four. The program will be administered by Neighborhood Housing Services of Chicago.

New Round of Home Improvement Grants to be Offered in Bronzeville

On March 14 the City Council approved \$1 million in home improvement grants to be offered to eligible Bronzeville property owners under HED's Tax Increment Financing Neighborhood Improvement Program (TIF-NIP), which helps owners of one- to four-unit buildings in selected TIF districts to make exterior repairs and limited interior improvements. To be eligible, property owners will have to meet income guidelines and reside within the Bronzeville TIF District, which is bounded generally by the Stevenson Expressway (I-55), State Street and segments of King Drive and 40th Street.

The grants cover up to \$22,500 in exterior work involving chimney repairs, porch and roof improvements, tuckpointing, door and window upgrades, and the like. Neighborhood Housing Services of Chicago will administer the program.

TIF-NIP funds were last made available to Bronzeville homeowners in 2000, when grants helped fund repairs to more than 100 housing units.

2011 Second Half Foreclosures Continue to Decline in Chicago

Chicago continued to see a significant slowdown in new foreclosure activity during the second half of 2011, according to a recent report by the Woodstock Institute. For the full year, foreclosure filings fell by 20.1% to a total of 18,668. This trend was citywide: filings were down in 69 of Chicago's 77 Community Areas for the year. In the second half of 2011, filings declined by 27.9% from 2010 to 8,847. During this same period, completed foreclosure cases dropped at an even greater rate of 40.6% to 3,695 citywide. Of this total, 3,473 properties (94.0%) reached REO (Real Estate Owned) status.

While foreclosures have dropped overall, Woodstock's data "suggest that the ongoing economic and foreclosure crisis is increasingly impacting homeowners who took more conventional fixed-rate or government-backed mortgages." Across the six-county Chicago region, the rate of conventional mortgages entering foreclosure has grown substantially since the downturn began. In 2008, 45.9% of all foreclosure filings regionwide were ARMs, compared to 43.2% conventional loans. By 2011, the percentage of conventional mortgages had risen to 56.6%, more than double that of ARMs (27.8%).

Income limits are based on the Chicago-Naperville-Joliet, IL HUD Metro FMR Area.
Effective until superseded.

Income limits for 30%, 50%, 60%, 80%, and 120% AMI as published by HUD.

Income limits for all other income levels extrapolated per HUD methodology (PDR 2008-02), using the very low income limit (50% AMI) as a starting point for calculating other income limits.

Income limits for 9-person household calculated by multiplying the 4-person limit by 140%. Income limits for 10-person household calculated by multiplying the 4-person limit by 148%.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

** Semi-detached, row house, duplex, townhouse, elevator/high-rise apartments, garden/walk-up apartments
