Re: Application for Type 2 Map Amendment with respect to 1301-1309 East 53rd Street and 5301-5323 South Kimbark Avenue, to Amend the Subject Property's Classification from RT-4 Residential Two-Flat, Townhouse and Multi-Unit District to B3-2 Community Shopping District

Dear Chairman Solis:

The undersigned, Danielle Meltzer Cassel, being first duly sworn on oath deposes and states the following:

The undersigned certifies that she has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance, by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant (University of Chicago Property Holding Corporation) and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said "written notice" was sent by First Class U.S. Mail, no more than 30 days before filing the application.

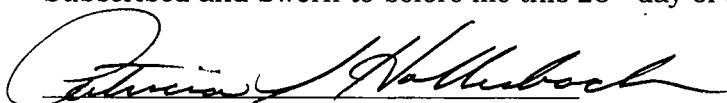

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; and a statement that the applicant intends to file the application for a change in zoning on approximately September 26, 2012.

The undersigned certifies that the applicant has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served as provided by Property Insight, together with tax-exempt parcel and condominium association contact information obtained from Cook County or State of Illinois sources.

Very truly yours,

Notary Public

September 26, 2012

Dear Neighbor:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that the undersigned will file an application on behalf of the University of Chicago Property Holding Corporation (“Applicant”), on or about September 26, 2012, to change the zoning of the property at the Southeast corner of 53rd Street and Kimbark Avenue, with the common addresses of 1301-1309 East 53rd Street and 5301-5323 South Kimbark Avenue (the “Subject Property”), from the RT-4 Residential Two-Flat, Townhouse and Multi-Unit District, to the B3-2 Community Shopping District. Applicant currently owns the Subject Property, and its address for purposes of this application is 5801 South Ellis Avenue, Chicago, IL 60615.

Reason for Requested Rezoning: The Subject Property sits at the Southeast corner of East 53rd Street and South Kimbark Avenue. The Subject Property is improved with a single building that has residential entrances along Kimbark Avenue, and approximately 4,343 square feet of commercial storefronts along 53rd Street. These storefronts currently include offices for Representative Barbara Flynn Currie, the Pockets restaurant, the Kilimanjaro store, and the vacant corner storefront. Under the Subject Property’s current residential zoning classification (RT-4), the Zoning Ordinance significantly limits whether and how the storefronts can be physically modified or used, whether by the existing tenants or by new businesses. A rezoning to the B3 District will allow greater flexibility under the Zoning Ordinance for the existing commercial tenants and also will allow a greater variety of businesses to occupy the storefronts in the future. Specifically, the existing and future tenants of the storefronts will be allowed to have the same variety of uses that are currently permitted throughout most of our 53rd Street commercial corridor, including the portion of the North side of 53rd Street that is directly across from the Subject Property. Any new uses or tenants still would have to comply with standard licensing, permitting, and other City requirements.

Proposed Changes to Existing Site Improvements. No physical or other changes are proposed for the residential portions of the building. Applicant also does not anticipate any physical changes to the non-residential areas of the building (*i.e.*, the 53rd Street storefronts) other than potential upgrades to individual stores’ interiors, façades, and signage, from time to time, and a build-out of the vacant corner store, which hopefully will take place in the near future and to accommodate a new restaurant.

Community Meeting and Contact Information: The upcoming Fourth Ward community meeting on October 15th (starting 6 pm, at the Hyde Park Art Center, 5020 S. Cornell Avenue) will include consideration of this application, and we welcome your comments and questions in that forum or otherwise. I am serving as the land use attorney and contact person for Applicant in connection with this matter, and would be pleased to hear from you. My contact information is as follows: 222 North LaSalle Street, Suite 2600, Chicago, Illinois 60601; phone (312) 609-7962; fax: 312-609-5005; and email: dcassel@vedderprice.com.

Please note Applicant is not seeking to rezone or purchase your property. Applicant is required by law to send this notice because Cook County tax records provided to Applicant indicate you own or are the taxpayer of record for a property located within 250 feet of the Subject Property, excluding the area contained in certain rights-of-way.

Thank you very much for your attention to this matter.

Very truly yours,
VEDDER PRICE P.C.
