Doing Business As: ALzheimer's Family Care Center

Date Application Received: \_\_\_\_\_

→ Received by *[Signature]*  
on 5/26/11

The Alzheimer's Family Care Center provides daytime care for people impaired with Alzheimer's Disease and other progressive dementias. Many of the people we serve are frail older adults who have difficulty walking long distances and in some cases use assistive devices such as wheelchairs, walker and canes. When parking is not available outside of our building it is very difficult for families to safely bring their loved one into the Center and can create unnecessary confusion for our clients. We are applying for Parking Signs that will prohibit parking during our business hours so their family members can easily park and safely bring their loved one into and out of the building.
