Exhibit 8

Riviera Motor Sales Co. Building
Elements Excluded from the Significant Historical
and Architectural Features - Interior - Historic Showrooms

Staircases and first-floor and mezzanine levels at rear of Historic Showrooms:

The staircases and the first-floor and mezzanine levels at the rear of the Historic Showrooms are not significant historical and architectural features for the purpose of this Chicago Landmark designation. Therefore, the Commission would approve the removal of staircases and first-floor and mezzanine levels on the rear (west) wall of both Historic Showrooms, resulting in the creation of large open spaces within the large arches on that wall. The removal of these existing interior elements should be within the context of an overall plan for the reuse of one or both spaces if the proposed reuse requires a large, unobstructed expanse of space.
