Sections 17.4-1003-B & C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

The Plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for the improvements undertaken in accordance with the Plans, other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance).

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II

review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-5 Downtown Mixed-Use District.

Dear Chairman Tunney:

The undersigned, Katie Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents NWC 308 W Erie LLC, the applicant for a proposal to rezone the subject property from the DX-5 Downtown Mixed Use District to a Business Planned Development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 5, 2019, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

**FIRST CLASS MAIL**

Dear Sir or Madam:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 5, 2019, the undersigned, on behalf of NWC 308 W Erie LLC (the "Applicant"), intends to file an application to rezone the property located at 301 W. Huron & 308 W. Erie, Chicago, Illinois (the "Property") from the DX-5 Downtown Mixed Use District to a Business Planned Development. A map of the Property is printed on the reverse side of this letter.

The Property is currently utilized for commercial uses and parking. The application requests a rezoning of the Property from the DX-5 Downtown Mixed Use District to a Business Planned Development to permit the construction a 6-story addition to an existing 7-story office building and a new construction 16-story commercial building containing 137 parking spaces, ground floor retail/commercial and accessory and incidental uses, which will utilize a 3.1 FAR bonus, pursuant to Sec. 17-4-1000 of the Zoning Ordinance.

Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.
