ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The Applicant shall achieve at least basic LEED Certification under the Leadership in Energy and Environmental Design Green Building Rating System for all new construction within the Planned Development. The Applicant shall install a green roof over 50 percent of the net roof with a total of 13,533 square feet.

15. The Applicant acknowledges and agrees that the rezoning of the Property from M1-3 and RT-4 to B3-5 and then to a Residential-Business Planned Development for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "2007 Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the Applicant has agreed to provide 2 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), and make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit ("Cash Payment") for 15 additional units. At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement to prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does

not receive city council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the Applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this Section.

16. The Applicant acknowledges and agrees that Amending PD 1237 to add 20 units and an FAR Bonus of 1.25 to this PD, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (2015 Affordable Requirements Ordinance or 2015 ARO) with respect to the additional 20 units. Any developer of a residential housing project within the meaning of the 2015 ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. In accordance with the 2015 ARO and the Affordable Housing Profile Form attached hereto as Exhibit B, the Applicant has agreed to provide 1 additional affordable housing unit on site in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Unit"), and make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$175,000 per unit ("Cash Payment") for 1 additional unit. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. The Applicant or its successors and assigns, at their own cost, shall design and construct the open space improvements as depicted on the Landscape Plan (hereinafter the "Park"). Upon completion of the Park, the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors, shall be responsible to assure that the Park is maintained and managed for the purposes herein set forth, including assuring that the Park landscaping is well maintained and that the vegetation and plantings are kept in a healthy condition and that the Park facilities are clean, well lit, litter free and clear of snow (hardscape areas) and debris. The maintenance and management obligations contained herein shall continue for the life of this Planned Development.

The Park shall be un-gated and access thereto open to the public free of charge with signage indicating that the Park are open to the public daily from 5:00 am to 11:00 pm. All improvements within the Park must be substantially completed prior to receipt of a final Certificate of Occupancy for improvements depicted in the site plan, provided that planting may be delayed, if consistent with good landscape practice, but not longer than one year following receipt of the occupancy certificate.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the Residential Business Planned Development 1237 dated June, 22, 2016.
