WHEREAS, on December 4, 2002, the City Council of the City of Chicago (the "City Council") enacted an ordinance which was published in the Journal of Proceedings of the City Council (the "Journal") for such date at pages 100184 through 100274, and which established an area known and designated as City of Chicago Special Service Area Number 23 (the "Initial Area") and authorized the levy of an annual tax, for the period beginning in 2002 through and including 2011 (the "Initial Services Tax"), in an amount not to exceed an annual rate of 0.175% of the equalized assessed value of the taxable property therein to provide certain special services in and for the Initial Area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, on November 12, 2008 the City Council enacted an ordinance (the "Establishment Ordinance") which was published in the Journal of Proceedings for such date at pages 45592 through 45684, and which reestablished an area known and designated as City of Chicago Special Service Area Number 23 (the "Area") with reconstituted boundaries, terminated the authorization to levy the Initial Services Tax and authorized the levy of an annual tax, for the period beginning in tax year 2008 through and including tax year 2022 (the "Original Levy Period"), not to exceed an annual rate of 0.309% of the equalized assessed value of the taxable property therein (the "Original Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago generally (the "Original Special Services"); and

WHEREAS, the Establishment Ordinance established the Area consisting of Clark Street north of Orleans Street to the south side of Diversey Parkway; Diversey Parkway from Lakeview to Orchard Avenue; and

WHEREAS, the Original Special Services authorized in the Establishment Ordinance include but are not limited to maintenance and beautification, new construction, coordinated marketing and promotional activities, parking and transit programs, area strategic planning, business retention and recruitment, building facade improvements, security services and other technical assistance activities to promote community and economic development; and

WHEREAS, the City now desires to (i) authorize certain special services in the Area distinct from the Original Special Services (the "Special Services"), (ii) increase the maximum rate of the Original Services Tax from an annual rate of 0.309% to 0.40% of the equalized assessed value of the taxable property within the Area (the "Services Tax"), and (iii) authorize the extension of the time period for which the levy of the Services Tax is authorized within the Area from the Original Levy Period to a period from tax year 2021 through and including tax year 2035 (the "Levy Period"); and

WHEREAS, the City Council finds that:

(a) it is in the public interest that consideration be given to (i) the authorization of the Special Services distinct from the Original Special Services, (ii) the authorization of the Services Tax at an annual rate of 0.40% of the equalized assessed value of the taxable property within the Area and (iii) the authorization of the extended Levy Period for the levy of the Services Tax within the Area; and

(b) the Area is contiguous; and

(c) the proposed Special Services are in addition to municipal services provided by and to the City generally; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Incorporation of Preambles. The preambles of this ordinance are hereby incorporated herein as if set out herein in full.

SECTION 2. The Services Tax shall be authorized to be extended and levied in tax years 2021 through and including 2035.
