RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the “**State**”), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the “**Act**”), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the “**City Council**”) adopted the following ordinances on November 6, 2002: (1) “Approval of Tax Increment Financing Redevelopment Plan for Madden/Wells Redevelopment Project Area” (the “**Plan Adoption Ordinance**”); (2) “Designation of Madden/Wells Redevelopment Project Area as a Redevelopment Project Area As Tax Increment Financing District;” and (3) “Adoption of Tax Increment Allocation Financing for the

Madden/Wells Redevelopment Project Area” (the “**TIF Adoption Ordinance**”) (items(1)-(3) collectively referred to herein as the “**TIF Ordinances**”). The redevelopment project area referred to above (the “**Redevelopment Area**”) is legally described in Exhibit A hereto.

D. The Project: At closing, the TCBDS will acquire and subsequently assign to Oakwood Shores 3-1 Owner a Ground Lease (as hereinafter defined) granted by the Chicago Housing Authority (the “**CHA**”) for certain land located at approximately 616-630 East Pershing Road in the Redevelopment Area and legally described on Exhibit B-1 hereto (the “**Property**”), and within the time frames set forth in Section 3.01 hereof, the Developer Parties shall commence and complete the following activities (the “**Project**”): construction of one (1) residential building on the Property that will consist of approximately thirty (30) one-, two- and three-bedroom rental units and up to thirty (30) parking spaces, or a number of parking spaces as otherwise required by DPD, in a mixed-income, multi-family development where twenty-two (22) housing units shall be subject to rent-restrictions and rented only by low- and moderate-income households earning between 30%-60% AMI (as defined below), and eight (8) housing units shall be market-rate rental units with no income or rent restrictions. Of the above-described thirty (30) units, eleven (11) units shall be reserved and made available as public housing units. In addition to the Project, the Developer Parties will concurrently construct a separate twenty-one (21) unit residential building (the “**Additional Building**”) to be located at 552-564 East 38th Street, Chicago, Illinois. The Additional Building will not be located within the Redevelopment Area, and the City will not provide any City Funds (as hereinafter defined) for its construction and development. The completion of the Project would not reasonably be anticipated to occur without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Madden/Wells Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the “**Redevelopment Plan**”) included in the Plan Adoption Ordinance and published at pages 95464 to 95582 of the Journal of the Proceedings of the City Council.

F. In addition, as described in Section 8.05 hereof, the City may, in its discretion, issue tax increment allocation bonds (“**TIF Bonds**”) secured by Incremental Taxes (as defined herein) pursuant to a TIF bond ordinance (the “**TIF Bond Ordinance**”), the proceeds of which (the “**TIF Bond Proceeds**”) may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds.

An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to Developer Parties. Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those set forth above do not require DPD's prior written approval as set forth in this Section 3.04, but DPD shall be notified in writing of all such Change Orders within 10 business days after the execution of such Change Order and Developer Parties, in connection with such notice, shall identify to DPD the source of funding therefor.

3.05 **DPD Approval.** Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project.

3.06 **Other Approvals.** Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer Parties' obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer Parties shall not commence construction of the Project until Developer Parties have obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 **Progress Reports and Survey Updates.** After the Closing Date, the Developer Parties shall provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 3.04). Developer must also deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Section 8.08 (Prevailing Wage), Section 10.02 (City Resident Construction Worker Employment Requirement) and Section 10.03 (Developer Parties' MBE/WBE Commitment). If the reports reflect a shortfall in compliance with the requirements of Sections 8.08, 10.02 and 10.03, then there must also be included a written plan from Developer Parties acceptable to DPD to address and cure such shortfall. At Project completion, Developer Parties shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 **Inspecting Agent or Architect.** The independent agent or architect (other than Developer Parties' architect) selected by the lender providing Lender Financing will also act as the inspecting agent or architect for DPD for the Project, and any fees and expenses connected with its work or incurred by such independent agent or architect must be promptly paid by Developer. The inspecting agent or architect will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursements for costs related to the Project.

3.09 **Barricades.** Developer Parties have installed (or shall install) a construction barricade of a type and appearance satisfactory to the City and which barricade was constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades.

3.10 **Signs and Public Relations.** Developer Parties will erect in a conspicuous location on the Property during the Project a sign of commercially reasonable size and style, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent, non-confidential information regarding Developer Parties and the Project in the City's promotional literature and

communications.

3.11 **Utility Connections.** Developer Parties may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer Parties first comply with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 **Permit Fees.** In connection with the Project, Developer Parties are obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City and are of general applicability to other property within the City.

SECTION 4. FINANCING

4.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be \$12,874,182 to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit C-1.

4.02 **Developer Parties' Funds.** Equity and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project costs and costs of TIF-Funded Improvements.

4.03 **City Funds.**

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. City Funds shall not be paid to Developer Parties hereunder prior to the issuance of a Requisition Form pursuant to Section 4.03(c).

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide up to \$2,000,000 of City funds (the "**City Funds**") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed Two Million Dollars (\$2,000,000); and provided further, that the \$2,000,000 to be derived from Available Incremental Taxes, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs and the City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$2,000,000 is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of

Equity to be contributed by the Developer Parties pursuant to Section 4.01 hereof shall increase proportionately.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.04, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds in three (3) payments as follows:

- (i) The first installment of City Funds in the amount of \$650,000 shall be paid upon the completion of 33% of the construction of the Project based upon the amount of actual Project costs incurred in relation to the Project Budget as certified to the City in a Requisition Form with required supporting documentation;
- (ii) The second installment of City Funds in the amount of \$650,000 shall be paid upon the completion of 66% of the construction of the Project based upon the amount of actual Project costs incurred in relation to the Project Budget as certified to the City in a Requisition Form with supporting documentation with required supporting documentation;
- (iii) The third installment of City Funds in the amount of \$700,000 shall be paid upon the completion of 100% of the construction of the Project based upon the amount of actual Project costs incurred in relation to the Project Budget as certified to the City in a Requisition Form with required supporting documentation **and** upon issuance of the Certificate.

4.04 Construction Escrow; Requisition Form. The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto, or as otherwise set forth pursuant to the Escrow Agreement and this Agreement. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. The Developer shall submit a Requisition Form to DPD prior to each disbursement of City Funds per Section 4.03 above and DPD shall respond to Developer's Requisition Form within forty-five (45) days. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per month (or as otherwise permitted by DPD). DPD shall approve disbursements of the City Funds from the Escrow. If required, the Developer shall meet with DPD upon request to discuss the Requisition Forms previously delivered. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "**Prior Expenditure(s)**"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer Parties by the City with City Funds, but shall reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer Parties under Section 4.01.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded

Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

4.07 **Preconditions of Disbursement.** Prior to each disbursement of City Funds hereunder, one or more of the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance (“**In Balance**”) only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. “**Available Project Funds**” as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 **Conditional Grant.** The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed upon the Developer Parties' noncompliance with the provisions of this Agreement as provided in Sections 7.03 and 15.02 hereof.

4.09 **Sale or Transfer of the Property or Project by Developer Parties.**

(a) Prior to the Date of Issuance of the Certificate. Subject to Sections 4.05(a) and 16.01 below, Developer Parties must obtain the prior approval of the City for any sale or transfer to an entity that is not a Developer Party of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.19.

(b) Sales of Assets or Equity. For purposes of this Section 4.09, the phrase: "sale or transfer of any part of the Property or Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of the Developer's assets or equity. The foregoing restrictions of this Section 4.09 do not apply to: (i) transfers of the Ground Lease; (ii) any dedications or easements required by the subdivision or applicable law; and (iii) transfers or pledges made to secure Lender Financing.

SECTION 5. CONDITIONS PRECEDENT

The following conditions precedent to closing must be complied with to the City's satisfaction within the time periods set forth below or, if no time period is specified, prior to the Closing Date:

5.01 **Project Budget.** Developer Parties will have submitted to DPD, and DPD has approved, a Project Budget in accordance with the provisions of Section 3.03.

5.02 **Scope Drawings and Plans and Specifications.** Developer Parties will have submitted to DPD, and DPD will have approved, the Scope Drawings and Plans and Specifications as provided in Section 3.02.

5.03 **Other Governmental Approvals.** Developer Parties will have secured or applied for all other necessary approvals and permits required by any Federal, State, or local statute, ordinance, rule or regulation to begin or continue construction of the Project, and will submit evidence thereof to DPD.

5.04 **Financing.**

(a) Developer Parties will have furnished evidence acceptable to the City that Developer Parties have Equity and Lender Financing, if any, at least in the amounts stated in Section 4.01 and Exhibit C-1, which are sufficient to complete the Project and satisfy their obligations under this Agreement. If a portion of such financing consists of Lender Financing, Developer Parties will have furnished evidence as of the Closing Date that the proceeds thereof are available to be drawn upon by Developer Parties as needed and are sufficient (along with the Equity and other financing sources, if any, stated in Section 4.01 and Exhibit C-1) to complete the Project.

(b) Prior to the Closing Date, Developer Parties will deliver to DPD a copy of the Escrow Agreement. The Escrow Agreement must provide that DPD will receive copies of all construction draw request materials submitted by Developer Parties after the date of this Agreement.

(c) Any financing liens against the Property and Project in existence at the Closing Date will be subordinated to certain encumbrances of the City stated in Section 7.02(b) of this Agreement under a subordination agreement, in a form acceptable to the City, executed on or prior to the Closing Date, which is to be recorded, at the expense of Developer, in the Office of the Recorder of Deeds of Cook County.

(d) The City agrees that the Developer Parties may collaterally assign their respective interests in this Agreement to any of their collective or respective lenders if any such lenders require such collateral assignment.

5.05 **Acquisition and Title.** On the Closing Date, Developer Parties will furnish the City with a copy of the Title Policy for the Property, showing Oakwood Shores 3-1 Owner as the named insured. The Title Policy will be dated as of the Closing Date and will contain only those title exceptions listed as Permitted Liens on Exhibit G and will evidence the recording of this Agreement under the provisions of Section 8.17. The Title Policy will also contain the following endorsements as required by Corporation Counsel: an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (i.e., Zoning 3.1 plans and specifications) with parking, contiguity, location, access, and survey. The Developer Parties have provided to DPD on or prior to the Closing Date certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

5.06 **Evidence of Clear Title.** Not less than 5 Business Days prior to the Closing Date, Developer Parties, at their own expense, will have provided the City with current searches under the names of each of the entities comprising Developer Parties showing no liens against Developer Parties, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

Secretary of State (IL.)	UCC search

Cook County Clerk	State tax lien search

Cook County Clerk

Pending suits and judgments

5.07 **Surveys.** Developer Parties will have furnished the City with 3 copies of the Survey.

5.08 **Insurance.** Developer Parties, at their own expense, will have insured the Property and the Project as required under Section 12. Prior to the Closing Date, certificates required under Section 12 evidencing the required coverages will have been delivered to DPD.

5.09 **Opinions of Developer Parties' Counsel.** On the Closing Date, Developer Parties will furnish the City with an opinion of counsel, substantially in the form of Exhibit II, with such changes as may be required by or acceptable to Corporation Counsel. If any Developer Party has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions stated in Exhibit H, such opinions shall be obtained by such Developer Party from its general corporate counsel.

5.10 **Evidence of Prior Expenditures.** Developer Parties will have provided evidence satisfactory to DPD of the Prior Expenditures as provided in Section 4.05.

5.11 **Financial Statements.** The Developer Parties shall provide Financial Statements to DPD for their most recent fiscal year, and the most recent available audited or unaudited interim financial statements.

5.12 **Additional Documentation.** Developer Parties will have provided documentation to DPD, satisfactory in form and substance to DPD with respect to current employment matters including the reports described in Section 8.06, and copies of any ground leases or operating leases and other tenant leases executed by either Developer Party for leaseholds in the Project, if any.

5.13 **Environmental.** The Developer Parties have provided the City with a Phase I Environmental Site Assessment ("**Phase I ESA**") compliant with ASTM E-1527-13 for the Property prior to and conducted, or updated, within 180 days prior to the conveyance of the Property. The Developer Parties have provided a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits. The Phase I ESA for the Property identified Recognized Environmental Conditions ("**RECs**"). A previously conducted Comprehensive Site Investigation Report ("**CSIR**") identified contamination above residential remediation objectives as determined by Title 35, Part 742 of the Illinois Administrative Code. The Developer Parties have enrolled the Property (or any portion thereof) in the IEPA's SRP. The Developer Parties shall perform an additional CSIR, or other site investigations, per IEPA direction to ascertain the presence of any environmental impacts that may be associated with the RECs. The Developer Parties shall provide the City with a final comprehensive residential NFR Letter with respect to the Property, signed by the IEPA upon issuance thereof. If the Developer Parties are unable to obtain a final comprehensive NFR Letter with respect to the Property prior to closing, the Developer Parties shall provide to the City Remediation Documents and/or evidence of AIS or IEPA's approval of the plans detailed in the Remediation Documents prior to closing.

5.14 **Entity Documents; Economic Disclosure Statement.** Each Developer Party

shall provide a copy of its articles or certificate of incorporation or organization containing the original certification of the Secretary of State of its state of incorporation; certificates of good standing from the Secretary of State of its state of incorporation or organization and all other states in which it is qualified to do business; a secretary's certificate in such form and substance as the Corporation Counsel may require; bylaws or operating agreement; and such other organizational documentation as the City has requested.

Each of Developer Parties has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer Parties further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer Parties and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 **Litigation.** Developer Parties will provide to Corporation Counsel and DPD a description of all pending or threatened litigation or administrative proceedings involving Developer Parties or any Affiliate of Developer Parties specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith, and whether (and to what extent) such potential liability is covered by insurance.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors.

(a) Prior to entering into an agreement with any contractor for construction of the Project, the Developer Parties shall solicit bids from one or more qualified contractors eligible to do business with the City and shall submit all bids received to DPD for its inspection and written approval. For the TIF-Funded Improvements, the Developer Parties shall select the contractor submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer Parties selects any contractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer Parties shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the Project shall be provided to DPD within five (5) Business Days of the execution thereof. The Developer must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project (or any phase thereof) until the applicable Plans and Specifications for that phase have been approved by the City and all requisite permits have been obtained.

6.02 **Construction Contract.** Prior to the execution thereof, Developer Parties must deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to work on the Project in accordance with Section 6.01 above, for DPD's prior written approval. Following execution of such contract by Developer Parties, the General Contractor and any other parties thereto, Developer Parties must deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 **Performance and Payment Bonds.** Prior to commencement of construction of any work in the public way, Developer Parties will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better. The City will be named as obligee or co-obligee on such bond.

6.04 **Employment Opportunity.** Developer Parties will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Section 10; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and the City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy or the failure of any one subcontractor to satisfy, such obligation shall not result in a default or a termination of this Agreement or require payment of the City resident hiring shortfall amounts so long as such Section 10 obligations are satisfied on an aggregate basis.

6.05 **Multi-Project Labor Agreement.** The Developer Parties shall cause the General Contractor to comply with that certain Settlement Agreement dated November 3, 2011, by and among the City, Chicago Regional Council of Carpenters, the Metropolitan Pier and Exposition Authority, the Public Building Commission of the City of Chicago, and the State of Illinois, because the Project budget is in excess of \$25,000,000, and, therefore, is subject to the provisions of that certain City of Chicago Multi-Project Labor Agreement (the "MPLA") dated February 9, 2011, by and among the City and the labor organizations comprising the Chicago & Cook County Building & Construction Trades Council. The Developer Parties shall cause the General Contractor to comply with the MPLA to the fullest extent legally permissible without violating other requirements applicable to the construction of the Project, including, without limitation, the requirements of the MBE/WBE Program, the City resident employment provisions, Housing Act Section 3, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act and the Labor Standards Deposit Agreement. At the direction of DPD, affidavits and other supporting documentation shall be required of the Developer Parties, the General Contractor and the subcontractors to verify or clarify compliance with the MPLA.

6.06 **Other Provisions.** In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION

7.01 **Certificate of Completion of Construction.** Upon the Developer Parties' written request following the completion of the construction of the Project in accordance with the terms of this Agreement, including compliance with Section 11 (Environmental), DPD shall issue to the Developer Parties a Certificate, in recordable form certifying that the Developer Parties have fulfilled their obligation to complete the Project in accordance with the terms of this Agreement. In accordance with Section 11, the Developer Parties acknowledge and agree that the City will not permit occupancy and will not issue a Certificate until the IEPA has issued, the Developer Parties have recorded with the Cook County Clerk, and AIS has approved, a final comprehensive residential NFR Letter for the Property.

DPD shall respond to the Developer Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer Parties in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures, and the City will respond in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate. Each Developer Party acknowledges and understands that the City will not issue a Certificate until the City's Monitoring and Compliance unit has determined in writing that the Developer Parties are in complete compliance with all requirements in this Agreement.

7.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.06 (Employment Opportunity), Section 8.18 (Real Estate Provisions), and Section 8.19 (Affordability Requirements) as covenants that run with the leasehold estate are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement. The other executory terms of this Agreement that remain after the issuance of the Certificate will be binding only upon each Developer Party or a permitted assignee of such Developer Party who, as provided in Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of such Developer Party's rights under this Agreement and assume such Developer Party's liabilities hereunder.

7.03 **Failure to Complete.** If Developer Parties fail to timely complete the Project in compliance with the terms of this Agreement, then the City will have, but will not be limited to, any of the following rights and remedies, subject in each case to Section 15 hereof:

(a) the right to terminate this Agreement and cease all disbursement of City Funds

not yet disbursed under this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 4.01, Developer Parties will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

7.04 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER PARTIES.

8.01 **General.** The Developer Parties represent, warrant and covenant, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) each of the Developer Parties is an Illinois limited liability company duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer Parties have the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer Parties of this Agreement has been duly authorized by all necessary corporate action, as applicable, and does not and will not violate its organizational documents, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the any one of the Developer Parties is now a party or by which any one of the Developer Parties is now or may become bound;

(d) Oakwood Shore 3-1 Owner shall acquire and shall maintain a good, indefeasible and merchantable leasehold interest in the Property (and a fee interest in all improvements thereon) free and clear of all liens (except for the Permitted Liens. Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to Section 8.18 hereof);

(e) the Developer Parties are now and for the Term of the Agreement shall remain solvent and able to pay their debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer Parties which would impair their ability to perform under this Agreement;

(g) the Developer Parties have and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary for Oakwood Shores 3-1 Owner to conduct their business and to construct, complete and operate the Project;

(h) the Developer Parties are not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which any one of the Developer Parties is a party or by which any one of the Developer Parties is bound;

(i) the Financial Statements, when hereafter required to be submitted, will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer Parties, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of any one of the Developer Parties since the date of such Developer Parties most recent Financial Statements;

(l) Developer Parties have not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with any one of the Developer Parties in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) none of the Developer Parties nor any Affiliate of the Developer Parties is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. 8.03 Redevelopment Plan. Developer Parties represent that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer Parties will be used by Developer Parties solely to pay for or reimburse Developer Parties for their payment for the TIF-Funded Improvements as provided in this Agreement. to reimburse the Oakwood Shores 3-1 Owner for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

8.05 **Other Bonds.** At the request of the City, Developer Parties will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) TIF Bonds or other bonds (“**Bonds**”) in connection with the Project or the Redevelopment Area, the proceeds of which are to be used to reimburse the City for expenditures made in connection with the TIF-Funded Improvements; provided, however, that any such amendments will not have a material adverse effect on Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds. Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto.

8.06 **Employment Opportunity; Progress Reports.**

(b) Developer Parties will deliver to the City written progress reports by draw, when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget), detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. If any such reports indicate a shortfall in compliance, Developer Parties will also deliver a plan to DPD which will outline, to DPD’s satisfaction, the manner in which Developer Parties will correct any shortfall.

8.07 **Employment Profile.** The Developer Parties shall submit, and contractually obligate and cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors) to submit, to DPD, from time to time, statements of its employment profile upon DPD’s request.

8.08 **Prevailing Wage.** The Developer Parties covenant and agree to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City’s request, Developer Parties will provide the City with copies of all such contracts entered into by any Developer Party or the General Contractor to evidence compliance with this Section 8.08.

8.09 **Arms-Length Transactions.** Unless DPD has given its prior written consent with respect thereto, no Affiliate of a Developer Party may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. 8.11 **Disclosure of Interest.** None of the Developer Parties' counsel has direct or indirect financial ownership interest in a Developer Party, the Property, or any other aspect of the Project.

8.12 **Financial Statements.** The Developer Parties shall obtain and provide to DPD Financial Statements for the most current fiscal year ended December 31st and each December 31st thereafter for the Term of the Agreement. In addition, the Developer Parties shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 **Insurance.** Solely at their own expense, Developer Parties will comply with all provisions of Section 12 hereof.

8.14 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, and subject to subsection (b) below, Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by a Developer Party, which create, may create, or appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer Parties will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) **Right to Contest.** Developer Parties will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer Parties' covenants to pay any

such Non-Governmental Charges at the time and in the manner provided in this Section 8.14); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.15 Developer's Liabilities. No Developer Party will enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. Each Developer Party will immediately notify DPD of any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

8.16 Compliance with Laws. To the best of each Developer Party's knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, Developer Parties will provide evidence satisfactory to the City of such current compliance.

Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer Parties will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer Parties, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer Parties or all or any portion of the Property or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer Parties, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental

Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of a Developer Party's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(i) Developer Parties will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer Parties contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(ii) Developer Parties will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer Parties' Failure to Pay Or Discharge Lien. If Developer Parties fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 8.18, Developer Parties will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer Parties under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer Parties. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer Parties to submit to the City audited Financial Statements at Developer Parties' own expense.

8.19 Affordable Housing Covenant. Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of the Extended Use Agreement and the RAD Use Agreement shall govern the terms of Developer Parties' obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Project shall be operated and maintained solely as residential rental housing;

(b) Eight (8) of the units in the Project shall be leased at market-rate rents;

- (c) Nine (9) of the units in the Project shall have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low-Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low-Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.
- (d) Thirteen (13) of the units in the Project shall have monthly rents not in excess of sixty percent (60%) of the maximum allowable income for a Low-Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low-Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(e) As used in this Section 8.19, the following terms have the following meanings:

(i) “**Family**” shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) “**Low-Income Families**” shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.19 shall run with the leasehold estate and be binding upon any transferee.

(f) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 8.19;

8.21 **Broker’s Fees.** Developer Parties have no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.22 **No Business Relationship with City Elected Officials.** Developer Parties acknowledge receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Developer Parties have read and understands such provision. Under Section 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or

amended from time-to-time (the “**Human Rights Ordinance**”). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project, and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 City Resident Construction Worker Employment Requirement.

(a) Developer Parties agree for themselves and their successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed

employee with respect to any matter involving any person with whom the elected official has a “**Business Relationship**” (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Developer Parties hereby represent and warrant that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 **Annual Compliance Report.** Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer Parties shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.24 **Survival of Covenants.** All warranties, representations, covenants and agreements of Developer Parties contained in this Section 8 and elsewhere in this Agreement are true, accurate and complete at the time of Developer Parties’ execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 7 upon the issuance of the Certificate) will be in effect throughout the Term of the Agreement.

SECTION 9. REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement. and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer Parties, on behalf of themselves and their successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer Parties operating on the Project (collectively, with Developer Parties, such parties are defined herein as the “**Employers,**” and individually defined herein as an “**Employer**”) to agree, that for the Term of this Agreement with respect to Developer Parties and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160. Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as

by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer Parties, their General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer Parties, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **“Actual residents of the City”** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer Parties, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Developer Parties, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer Parties, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least three (3) years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate

hard construction costs set forth in the Project Budget undertaken by Developer Parties (and specifically excluding any tenant improvements which are not undertaken by Developer Parties) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer Parties pursuant to Section 2-92-250 of the Municipal Code¹ may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer Parties must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer Parties will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 Developer Parties' MBE/WBE Commitment. The Developer Parties agree for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq. of the Municipal Code (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq. of the Municipal Code (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit C-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer Parties (and any party to whom a contract is let by Developer Parties in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer Parties in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670 of the Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720 of the Municipal Code, Developer Parties MBE/WBE commitment may be achieved in part by Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the

lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer Parties utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both an MBE and a WBE shall not be credited more than once with regard to Developer Parties' MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730 of the Municipal Code, Developer Parties shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer Parties shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer Parties or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer Parties, on five Business Days' notice, to allow the City to review Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer Parties shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. The Phase I ESA for the Property identified Recognized Environmental Conditions ("RECs"). The Developer Parties have enrolled the Property (or any portion thereof) in the IEPA's SRP. The Developer Parties shall perform an additional CSIR, or other site investigations, per IEPA direction to ascertain the presence of any environmental impacts that may be associated with the RECs.

The Developer Parties acknowledge and agree that it may not commence construction on the Property until the IEPA issues a Remedial Action Plan Approval Letter ("**RAP Approval Letter**") for the Property. The Developer Parties shall provide to the City the RAP Approval Letter, any Remediation Documents, and evidence of IEPA's approval of the plans detailed in the Remediation Documents as soon as they are available.

Upon receipt of the RAP Approval Letter for the Property, the Developer Parties covenant and agree to complete all Remediation Work necessary to obtain a final comprehensive residential No Further Remediation Letter ("**NFR Letter**") for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP documents and any changes thereto, and the Developer Parties' estimate of the cost to perform the Remediation Work. The Developer Parties shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the final comprehensive residential NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Developer Parties shall promptly transmit to the City copies of all environmental-related documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer Parties acknowledge and agree that the City will not permit occupancy and will not issue a Certificate until the IEPA has issued, the Developer has recorded with the Cook County Clerk, and the City has approved, a final comprehensive residential NFR Letter for the Property. Property. The Developer Parties must abide by the terms and conditions of the Final Comprehensive residential NFR letter.

Without limiting any other provisions hereof, Developer Parties agree to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer Parties: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) the failure of a Developer Party to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under any other agreement with any person or entity if such failure may have a material adverse effect on such party's business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;

(c) the making or furnishing by a Developer Party to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt by a Developer Party to create, any lien or other encumbrance upon the Property or the Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(f) the appointment of a receiver or trustee for a Developer Party, for any substantial part of a Developer Party's assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of a Developer Party; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against a Developer Party which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, if any, which default is not cured within any applicable cure period;

(i) the dissolution of Developer Parties; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against a Developer Party or any natural person who owns a material interest in a Developer Party, which is not dismissed within thirty (30), or the indictment of a Developer Party or any natural person who owns a material interest in a Developer Party, for any crime (other than a

misdemeanor).

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City, except that such party's investor member may sell its membership interest in such party without the prior written consent of the City, and the investor member of Oakwood Shores Phase 3-1 Owner may replace the managing member of that entity in accordance with the Amended and Restated Operating Agreement of Oakwood Shores Phase 3-1 Owner with a managing member that is reasonably acceptable to the City.

The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. Without limiting the generality of the foregoing, with respect to Events of Defaults by a Developer Party prior to the issuance of a Certificate, the City shall be entitled to seek reimbursement of City Funds from Developer Parties.

15.03 Curative Period.

(a) In the event a Developer Party fails to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event a Developer Party fails to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party (or the non-defaulting Developer Party) has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the applicable party will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

(b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 17 and they shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer Parties with respect to such monetary default; or (b) receipt by the Lenders of

such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer Parties with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

16.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the “**Existing Mortgages.**” Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a “**New Mortgage.**” Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City including any mortgage listed on Exhibit G is referred to herein as a “**Permitted Mortgage.**” It is hereby agreed by and between the City and the Developer Parties as follows:

For purposes of this Agreement, Developer Parties are only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.

18.02 **Entire Agreement.** This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter.

18.03 **Limitation of Liability.** No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to Developer Parties or any successor in interest to Developer Parties in the event of any default or breach by the City or for any amount which may become due to Developer Parties or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 **Further Assurances.** Developer Parties and City each agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 **Waivers.** No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Parties in Interest/No Third Party Beneficiaries.** The terms and provisions of

this Agreement are binding upon and inure to the benefit of, and are enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or the Developer Parties, will be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or Developer Parties.

18.08 **Titles and Headings.** The Section, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

18.10 **Severability.** If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

18.11 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

18.12 **Governing Law.** This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

18.13 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City will be in form and content satisfactory to the City.

18.14 **Assignment.** The Developer Parties may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City, other than as promised in Section 4.09; provided, however, that the Developer Parties may collaterally assign their respective interests in this Agreement to any of its lenders identified to the City as of the Closing Date, or to any lenders identified after the Closing Date and approved by the City, if any such lenders require such collateral assignment. Any successor in interest to the Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.18, 8.19, 8.20 and 8.24 hereof, for the Term of the Agreement. The Developer Parties consent to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.15 **Binding Effect.** This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 **Force Majeure.** Neither the City nor Developer Parties nor any successor in interest to either of them will be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, war, terrorism, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 **Exhibits and Schedules.** All of the exhibits and schedules attached hereto are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.19 **Approval.** Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. 18.20 **Construction of Words.** The use of the singular form of any word herein includes the plural, and vice versa. Masculine, feminine and neuter pronouns are fully interchangeable, where the context so requires. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular

Section, Section or other subdivision. The term “include” (in all its forms) means “include, without limitation” unless the context clearly states otherwise. The word “shall” means “has a duty to.”

18.21 **Date of Performance.** If any date for performance under this Agreement falls on a Saturday, Sunday or other day which is a holiday under Federal law or under State law, the date for such performance will be the next succeeding Business Day.

18.24 **Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.25 **Costs and Expenses.** In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City’s out-of-pocket expenses, including attorneys’ fees, incurred in connection with the enforcement of the provisions of this Agreement but only if the City is determined to be the prevailing party in an action for enforcement. 18.27 **Inspector General and Legislative Inspector General.** It is the duty of the Developer Parties, any subgrantee, bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. OPINION OF DEVELOPER PARTIES' COUNSEL

[To be retyped on the Developer Parties' Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to _____, an Illinois limited liability company (the "_____") and _____, an Illinois limited liability company, ("_____") in connection with the acquisition of certain land and the construction of certain facilities thereon located in the _____ Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments, and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the _____, _____ and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

(a) the original or certified, conformed or photostatic copies of (1) the Owner's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and (2) Sponsor's (i) Articles of Incorporation (ii) By-Laws, if any, (iii) the certificate of good standing, and (v) records of all board of directors' proceedings relating to the Project; and

(b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Owner and Sponsor), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photo static copies.

Based on the foregoing, it is my opinion that:

1. The Owner is a limited liability company, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly

qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. Sponsor is, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Owner and Sponsor have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Owner's operating agreement, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Owner or Sponsor is a party or by which Owner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Owner or Sponsor is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Owner or Sponsor.

4. Each of the Documents to which Owner or Sponsor is a party has been duly executed and delivered by a duly authorized officer of the Owner or Sponsor, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Owner or Sponsor enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against Owner or Sponsor nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Owner or Sponsor or affecting the Owner or Sponsor or its property, or seeking to restrain or enjoin the performance by the Owner or Sponsor of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Owner or Sponsor is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Owner or, Sponsor or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Owner or Sponsor or any other party under any material contract, lease, agreement, instrument or commitment to which Owner or Sponsor is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Owner or Sponsor are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Owner or Sponsor have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, Owner or Sponsor own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Owner's and Sponsor's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
