SECTION 5. There shall be borrowed for and on behalf of the City an aggregate principal amount not to exceed \$2,000,000 for the payment of a portion of the eligible Redevelopment Project Costs included within the Project, and a revenue note of the City shall be issued up to said amount and shall be designated Tax Increment Allocation Revenue Note (Coyote Logistics, LLC), Taxable Series 2012, for a principal amount not to exceed \$2,000,000 ("Note"). The Note shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein.

The Note shall be taxable and shall bear interest at an annual rate that is the median value of the 20-year Corporate BBB Bond Index Rate rate as published by Bloomberg for 15 business days prior to the issuance date plus 150 basis points, not to exceed 7% percent, and shall not provide for accrued, but unpaid, interest to bear interest at the same annual rate.

The principal of and interest on the Note shall be paid by check or draft of the Comptroller of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the person(s) in whose name(s) the Note is registered at the close of business on the 15th day of the month immediately prior to the applicable payment date, unless the City has been directed to make such payment in another manner by written notice given to the Registrar by the registered owner(s) at least 30 days prior to the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City.

The Registrar shall not be required to transfer or exchange the Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the Note nor to transfer or exchange the Note after notice calling the Note for redemption has been made, nor during a period of five (5) days next preceding mailing of a notice of redemption of principal of the Note. No beneficial interests in the Note shall be assigned, except in accordance with the procedures for transferring the Note described above.

The entity(ies) in whose name(s) the Note shall be registered shall be deemed and regarded as the absolute owner(s) thereof for all purposes, and payment of the principal of the Note shall be made only to or upon the order of the registered owner(s) thereof or its (their) legal representative(s). All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the Note, but the City or the Registrar

may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Note.

None of the Note shall be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the Note shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the Note.

SECTION 14. Available Incremental Taxes may be invested as allowed under Section 2-32-

SECTION 17. The Mayor, the Comptroller, the City Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance.

This Coyote Logistics, LLC Redevelopment Agreement (this "**Agreement**") is made as of this ____ day of _____, 2012, by and between the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Housing and Economic Development ("**HED**"), and Coyote Logistics, LLC, a Delaware limited liability company (the "**Developer**").

RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "**Act**"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on May 9, 2007: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Addison South Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Addison South Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for Addison South Redevelopment Project Area" (the "**TIF Adoption Ordinance**") (items(1)-(3) collectively referred to herein as the "**TIF Ordinances**"). The redevelopment project area referred to above (the "**Redevelopment Area**") is legally described in Exhibit A hereto.

D. The Project: The Developer is a third-party logistics company that uses proprietary software to manage and coordinate client needs and transportation provider capacity. Developer leverages this technology to create truck load, intermodal, ocean, and air-based solutions intended to navigate shipping supply chains. The Developer intends to consolidate two corporate headquarters facilities and relocate to the real property located within the Redevelopment Area and commonly known as 2545 West Diversey Avenue, Chicago, Illinois and legally described on Exhibit B hereto (the "**Property**"). The Property is an existing, historically significant building commonly known as the Green Exchange. In connection with its relocation to the Property, Developer has executed that certain Office Lease Agreement executed _____, 20__ by and between Gx Chicago Master Tenant, LLC, as landlord, and Developer, as tenant (as amended from time to time, the "**Lease**"), pursuant to which Developer shall, among other matters, lease approximately 64,656 [90,460] rentable square feet of space on floors three and four (the "**Developer Space**") of the building located on the Property (the "**Building**") for an initial period of ten (10) years and ten (10) months.

Upon such relocation, and during the Term of this Agreement (as hereinafter defined), the portion of the Building leased and occupied by the Developer, which shall consist of a minimum of

64,656 square feet throughout the Term of this Agreement, will be the principal office of the Developer's business and the site which the Developer's principal executive officers have designated as their principal offices (the "**Headquarters**"). In connection with its occupancy of the Building, Developer shall construct substantial tenant improvements necessary to permit Developer to take possession in accordance with the terms of the Lease. Such relocation will create a substantial public benefit through its creation of approximately 300 FTE jobs (as hereinafter defined) in the City of Chicago by relocating 140 existing FTEs to the Property and creating (i) an additional 80 new FTEs in Developer's first year of occupancy and (ii) an additional 80 new FTEs in Developer's second year of occupancy, for a total of 160 new FTEs in Developer's first two years of occupancy. Approximately 30 additional temporary FTE construction jobs are expected to be created during the construction of the Project. The construction of tenant improvements in the Developer Space (including but not limited to those TIF-Funded Improvements as defined below and set forth on **Exhibit C**) is referred to herein as the "**Rehabilitation Project**." The Rehabilitation Project and the use of the Developer Space as the Developer's corporate headquarters are collectively referred to herein as the "**Project**." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Addison South Redevelopment Project Area Tax Increment Financing Program Redevelopment Plan (the "**Redevelopment Plan**") attached hereto as **Exhibit D**.

F. City Financing: The City agrees to use, in the amounts set forth in **Section 4.03** hereof, (i) the proceeds of the City Note (defined below) and/or (ii) Available Incremental Taxes (as defined below), to pay for or reimburse the Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement and the City Note.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance") at a later date as described in **Section 4.03(c)** hereof, the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes (including any such payment made pursuant to any City Note provided to the Developer pursuant to this Agreement), to make payments of principal and interest on the City Note, or in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 3. THE PROJECT

3.01 The Project. With respect to the Rehabilitation Project, the Developer shall, pursuant to the Plans and Specifications and the Lease and subject to the provisions of **Section 18.17** hereof, commence the Rehabilitation Project no later than April 1, 2011 and complete the Rehabilitation Project and commence operations therein no later than June 30, 2011, or such later date as to which HED may consent. With respect to the use of the Developer Space as the Developer's corporate headquarters, the Developer shall be bound by the Operating Covenant, Job Covenants and other obligations and deadlines described in **Section 8.06** and elsewhere in this Agreement.

3.02 Scope Drawings and Plans and Specifications. The Developer has delivered the Scope Drawings and Plans and Specifications to HED and HED has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to HED as a Change Order pursuant to **Section 3.04** hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan, the Planned Development and all applicable federal, state and local laws, ordinances and regulations. The Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. The Developer has furnished to HED, and HED has approved, a Project Budget showing total costs for the Rehabilitation Project in an amount not less than Six Million Six Hundred Forty-Nine Thousand Seven Hundred and Forty-Five Dollars (\$6,649,745). The Developer hereby certifies to the City that (a) the City Funds, together with Lender Financing and Equity described in **Section 4.02** hereof, shall be sufficient to complete the Rehabilitation Project.

The Developer hereby certifies to the City that (a) it has proceeds from Equity in an amount sufficient to pay for all Rehabilitation Project costs; and (b) the Project Budget is true, correct and complete in all material respects. The Developer shall promptly deliver to HED copies of any Change Orders with respect to the Project Budget for approval pursuant to **Section 3.04** hereof.

3.04 Change Orders. Except as provided below in this **Section 3.04**, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to the Rehabilitation Project must be submitted by the Developer to HED concurrently with the progress reports described in **Section 3.07** hereof; provided, that any Change Order relating to any of the following must be submitted by the Developer to HED for HED's prior written approval: (a) a reduction in the gross or net square footage of the Developer Space by five percent (5%) or more (either individually or cumulatively); (b) a change in the use of the Developer Space to a use other than as described in **Recital D** to this Agreement; (c) a delay in the completion of the Rehabilitation Project by six (6) months or more; or (d) Change Orders resulting in an aggregate increase to the Project Budget for the Rehabilitation Project of ten percent (10%) or more. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of HED's written approval (to the extent said City approval is required pursuant to the terms of this Agreement). The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer. Notwithstanding anything to the contrary in this **Section 3.04**, Change Orders other than those set forth above do not require HED's prior written approval as set forth in this **Section 3.04**, but HED shall be notified in writing of all such Change Orders prior to the implementation thereof and the Developer, in connection with such notice, shall identify to HED the source of funding therefor.

3.05 HED Approval. Any approval granted by HED of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by HED pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Rehabilitation Project.

3.06 Other Approvals. Any HED approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of **Section 5.03** (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Rehabilitation Project until the Developer has obtained all necessary permits and approvals (including but not limited to HED's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports. The Developer shall provide HED with written quarterly progress reports detailing the status of the Rehabilitation Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring HED's written approval pursuant to **Section 3.04**).

3.08 Inspecting Agent or Architect. An independent agent or architect (other than the Developer's architect) approved by HED shall be selected to act as the inspecting agent or architect,

at the Developer's expense, for the Rehabilitation Project. The inspecting agent or architect shall perform periodic inspections with respect to the Rehabilitation Project, providing certifications with respect thereto to HED, prior to requests for disbursement for costs related to the Rehabilitation Project hereunder.

3.09 Barricades. Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. HED retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Rehabilitation Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications.

3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Rehabilitation Project is estimated to be Six Million Six Hundred Forty-Nine Thousand Seven Hundred and Forty-Five Dollars (\$6,649,745) to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to Sections 4.03(b) and 4.06)	\$6,649,745
ESTIMATED TOTAL	\$6,649,745

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Rehabilitation Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to **Sections 4.03(b) and 4.05(d)**), contingent upon receipt by the City of documentation satisfactory in form and substance to HED evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Available Incremental Taxes and/or TIF Bond Proceeds	\$2,000,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of Two Million Dollars (\$2,000,000) or 30.1% of the actual total Project costs; and provided further, that the \$2,000,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

- (i) The amount of the Available Incremental Taxes deposited into the Addison South TIF Fund shall be sufficient to pay for such costs; and
- (ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements; and
- (iii) The City agrees to issue TIF Bonds pursuant to, and subject to the conditions set forth in, Section 4.03(c).

The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$2,000,000 is contingent upon the fulfillment of the conditions set forth in parts (i), (ii), and (iii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer pursuant to Section 4.01 hereof shall increase proportionately.

Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to issue the City Note to the Developer on the Completion Date. However, issuance of the City Note is subject to certification of at least \$2 million in TIF-eligible costs by Developer to, and approved by, the City prior to the Completion Date. The principal amount of the City Note shall be in an amount equal to the costs of the TIF-Funded Improvements which have been incurred by the Developer and are to be reimbursed by the City through payments of principal and interest on the City Note, subject to the provisions hereof; provided, however, that the maximum principal amount of the City Note shall be an amount not to exceed the lesser of \$2,000,000 or 30.1% of the actual total Project costs; and provided, however, that payments under the City Note are subject to the amount of Available Incremental Taxes deposited into the Addison South TIF Fund being sufficient for such payments. Payments under the City Note shall commence upon the later of the issuance of the Certificate or March 1, 2012.

Developer shall not sell or assign the City Note without prior written approval by the City.

(c) TIF Bonds.

- (i) The Commissioner of HED and the Comptroller, in their sole discretion, may agree upon the request of the Developer to recommend that the City Council approve an

ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the Comptroller, is marketable under the then current market conditions; provided, however, that if, in the opinion of the Comptroller, there is an insufficient market for such TIF Bonds or if the issuance of such TIF Bonds would adversely affect the City's credit rating or in any other way adversely affect City finances, such officials will not be required to recommend approval of such ordinance(s). The Developer will cooperate with the City in the issuance of TIF Bonds, as provided in Section 8.05 hereof.

(ii) Prior to the submission of any such ordinance for approval by the City Council, the Developer shall agree to pay the costs of issuing such TIF Bonds including but not limited to bond counsel fees, underwriters' fees and consultants' fees, and shall identify its source of funding with respect thereto.

4.04 Requisition Form. On the Closing Date and when the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in Section 4.03(a), beginning on the first request for payment and continuing through the earlier of (i) the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide HED with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by HED). The Developer shall meet with HED at the request of HED to discuss the Requisition Form(s) previously delivered.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Rehabilitation Project prior to the Closing Date, evidenced by documentation satisfactory to HED and approved by HED as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). HED shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by HED as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of HED, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of HED.

(c) City Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Rehabilitation Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost,

and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Rehabilitation Project.

4.07 Execution of Certificate of Expenditure. Prior to each execution of a Certificate of Expenditure by the City, the Developer shall submit documentation regarding the applicable expenditures to HED, which shall be satisfactory to HED in its sole discretion. Delivery by the Developer to HED of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for Certificate of Expenditure represents the actual cost of the Acquisition or the actual amount paid to the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, and/or this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in **Section 15.02** hereof.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

On the Closing Date, the Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in **Section 6.01(b)** below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Rehabilitation Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to HED for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Rehabilitation Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to HED in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to HED within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Rehabilitation Project until the Plans and Specifications have been approved by HED and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Rehabilitation Project, the Developer does not solicit bids pursuant to **Section 6.01(a)** hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of **Section 6.01(a)** shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to HED a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with **Section 6.01** above, for HED's review. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to HED and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Rehabilitation Project which includes work on the public way, the Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a

bond in the form attached as Exhibit N hereto. The City shall be named as obligee or co-obligee on any such bonds.

Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to HED within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the Rehabilitation Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Rehabilitation Project (the "Final Project Cost"), HED shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Rehabilitation Project in accordance with the terms of this Agreement. The Certificate will not be issued until the following requirements have been met, as supported by such evidence as the City may require in its sole discretion:

- (i) The Developer has completed construction of the Interior Build-out according to the Plans and Specifications;
- (ii) The Final Project Cost incurred by the Developer is at least \$6,649,745; provided, however, that in the event that the Final Project Cost is less than \$6,649,745, the total amount of City Funds shall not be greater than 30.1% of the Final Project Cost, as described in Section 4.03(b);
- (iii) 140 FTEs have been relocated to the Developer Space, as evidenced by the Jobs Certificate;
- (iv) The Officers have relocated their principal offices to the Developer Space;
- (v) Receipt of a Certificate of Occupancy or other evidence acceptable to HED that the Developer has complied with building permit requirements for the Rehabilitation Project;
- (vi) The City's Monitoring and Compliance Unit has verified that the Developer is in full compliance with City requirements set forth in Section 10 (including, without limitation, Sections 10.02 and 10.03), Section 8.06 and Section 8.09 (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Rehabilitation Project, and that 100% of the Developer's MBE/WBE Commitment in Section 10.03 has been fulfilled;

- (vii) The Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than \$2,000,000;
- (viii) The Developer has provided an affidavit from its project architect certifying that the Developer Space would likely achieve the minimum points required for LEED Certification for Commercial Interiors ("LEED CI"); provided, however, that if Developer fails to provide such affidavit the City shall still issue the Certificate, but the total amount of City Funds shall be reduced by \$250,000, as described in **Section 4.03(b)**; and
- (ix) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

HED shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Rehabilitation Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the activities comprising the Rehabilitation Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described in **Section 8.19** as covenants that run with the leasehold interest in the Developer Space are the only covenants in this Agreement intended to be binding upon any transferee of the Developer Space (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to **Section 18.15** of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and any other related agreements to which the City and the Developer are or shall be parties and/or cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the

Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, HED shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement, and as of the date of each disbursement of City Funds hereunder and throughout the Compliance Period, that:

(a) the Developer is a Delaware limited liability company duly organized, validly existing, qualified to do business in its state of organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall maintain good, indefeasible and merchantable leasehold title to the Developer Space free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to **Section 8.15** hereof);

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) during the Term of the Agreement, the Developer shall not do any of the following without the prior written consent of HED: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property in which it has an interest (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of HED, allow the existence of any liens against the Developer Space (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon HED's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The

covenants set forth in this Section shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan and the Planned Development.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation and Retention; Covenant to Remain in the City.

(a) **Operating Covenant.** The Developer hereby covenants and agrees to maintain its Headquarters at the Building and to lease and occupy a minimum of 64,656 square feet at the Building (collectively, the "**Operating Covenant**") throughout the Compliance Period defined below. The "**Compliance Period**" shall mean the longer of (1) if the Developer does not deliver an Extension Notice (defined below), a period beginning on the date the Certificate is issued and ending on the 10th anniversary of the date the Certificate is issued, and (2) if the Developer delivers an Extension Notice and cures the applicable Event of Default during the one-year period in which the Extension Notice was delivered, a period beginning on the date the Certificate is issued and ending on the 11th anniversary of the date the Certificate is issued. A default under the Operating Covenant shall constitute an Event of Default without notice or opportunity to cure.

(b) **Jobs Covenant.** The Developer, directly or through one or more Affiliates, shall adhere to the following job relocation, creation and retention standards throughout the Compliance Period (collectively the "**Jobs Covenant**"):

- (i) Prior to the date the Developer requests the City to issue the Certificate under **Section 7.01**, at least 140 FTE jobs shall be relocated to the Headquarters; and
- (ii) From the First Anniversary through the remainder of the Compliance Period, the number of FTE jobs relocated to the Headquarters from outside the City and/or created at the Headquarters shall be, at each Measurement Date indicated below, at least the number of FTE jobs specified in the column headed "FTE Requirement" for such Measurement Date.

Measurement Date	FTE Requirement
Certificate of Completion	140
First Anniversary	220

2 nd anniversary of Certificate issuance	300
3 rd anniversary of Certificate issuance	300
4 th anniversary of Certificate issuance	300
5 th anniversary of Certificate issuance	300
6 th anniversary of Certificate issuance	300
7 th anniversary of Certificate issuance	300
8 th anniversary of Certificate issuance	300
9 th anniversary of Certificate issuance	300
10 th anniversary of Certificate issuance	300

Throughout the Compliance Period, the Developer shall submit annual certified Jobs Certificates (attached hereto as **Exhibit F**) disclosing compliance with the Jobs Covenant to HED. These Jobs Certificates shall be submitted to HED by March 1 for the prior calendar year. The Developer agrees that it shall act in good faith and, among other things, shall not hire temporary workers or relocate workers for short periods of time for the primary purpose of avoiding a breach of the Jobs Covenant. The Jobs Certificates shall include the names and titles of FTEs employed at the Headquarters as of the end of the prior calendar year.

(c) **Jobs Covenant Default and Cure Period.** If the Developer defaults under the Jobs Covenant described in **Section 8.06** above, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "**Extension Notice**") accompanying the certified employment report, elects to extend the Compliance Period by one year to the eleventh (11th) anniversary of the date the Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer under the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant as described in this paragraph shall constitute an Event of Default without notice or opportunity to cure.

(d) **Remedy.** In the event of a default for any of the covenants in this **Section 8.06**, the City shall have the right to recapture the full amount of all City Funds previously paid or disbursed to the Developer for the Project if such default(s) is/are not cured during the applicable cure period, if any, and to exercise any other remedies described or referred to in this Agreement.

(e) **Default by Landlord under Lease.** A default by the Landlord under the Lease shall not (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

8.07 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in **Section 10** hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of **Sections 8.09, 10.02 and 10.03** of this Agreement. Such reports shall be delivered to the City when the Rehabilitation Project is 25%, 50%, 70% and 100% completed (based on the amount of

expenditures incurred in relation to the Project Budget). Notwithstanding the foregoing, if the Rehabilitation Project is begun before the Closing occurs, then at Closing the Developer shall deliver to the City a written progress report detailing compliance with the requirements of **Sections 8.09, 10.02 and 10.03** of this Agreement based on the portion of the Rehabilitation Project completed prior to Closing. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to HED which shall outline, to HED's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "**Department**"), to all Rehabilitation Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this **Section 8.09.**

8.10 Arms-Length Transactions. Unless HED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project exceeding 7.5%

8.13 Financial Statements. The Developer shall obtain and provide to HED Financial Statements for the Developer's fiscal year ended 2009 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as HED may request.

8.14 Insurance. The Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Developer Space or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Developer Space or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment; and provided further that Developer shall not be responsible for a Non-Governmental Charges assessed or imposed on the landlord, Gx Chicago, LLC, or its successors, affiliates or assignees. The Developer shall furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other proof satisfactory to HED, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.15**); or

(ii) if required by a court or other applicable judicial or administrative body, to furnish a good and sufficient bond or other security or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify HED of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Developer Space and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Developer Space. Upon the City's request, the Developer shall provide evidence reasonably satisfactory to the City of such compliance, to the extent that such evidence is in the possession or control of the Developer.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Developer Space on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in

connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record. It shall be Developer's responsibility to obtain written consent from the landlord, Gx Chicago Master Tenant, LLC, for recording of the Agreement against the Developer Space.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Developer Space or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Developer Space or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Developer Space or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Developer Space is limited as provided for in **Section 8.19(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to HED of the Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option,

(i) the Developer shall demonstrate to HED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Developer Space to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise HED thereof in

writing, at which time HED may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to HED by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Developer Space or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of the Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(ii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of the Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Developer Space or the Project.

(iii) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any underassessment complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this **Section 8.19(c)** are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property, Developer Space or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this **Section 8.19(c)** to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this **Section 8.19(c)**.

8.20 [Intentionally Omitted]

8.21 Leasehold Title Policy. On the Closing Date, the Developer shall furnish the City with a copy of the Title Policy for the Developer Space or a binding, signed, marked-up commitment to issue such Title Policy, certified by the Title Company, showing fee simple title to the Property in the Landlord under the Lease, subject to the leasehold interest of the Developer under the Lease, with

the Developer as the insured with respect to the leasehold interest in the Developer Space. The Leasehold Title Policy shall be dated as of the date the Lease or a memorandum thereof is recorded and shall contain only those title exceptions listed as Permitted Liens on Exhibit G hereto and shall evidence the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Leasehold Title Policy also shall contain such endorsements as may be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, and access. The Developer shall provide to HED, prior to the Closing Date, a copy of the executed Lease and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to HED's satisfaction, by the Leasehold Title Policy and any endorsements thereto.

8.22 [Intentionally Omitted]

8.23 Lease. Throughout the Compliance Period the Developer shall not execute or consent to a Material Amendment without the prior written consent of HED, which consent shall not be unreasonably withheld, conditioned or delayed.

8.24 LEED Certification. Prior to issuance of the Certificate, the Developer shall have provided an affidavit from its project architect certifying that the Developer Space would likely achieve the minimum points required for LEED Certification for Commercial Interiors ("LEED CI"). The affidavit shall be in substantially in the form attached hereto as Exhibit N.

8.25 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to HED the Annual Compliance Report on or before March 1 after the end of the calendar year to which the Annual Compliance Report relates. The Annual Compliance Report, Jobs Certificate and Requisition Form should be submitted together, if possible.

8.26 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to the Developer and during the period of any other party's provision of services in connection with the construction of the Rehabilitation Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Rehabilitation Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Rehabilitation Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Rehabilitation Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Rehabilitation Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Rehabilitation Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of HED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Rehabilitation Project.

At the direction of HED, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Rehabilitation Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. The City may obtain payment of the liquidated damages hereunder, in the amount the appropriate City or official determines are due. **Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.**

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Rehabilitation Project.

10.03. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and; if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Rehabilitation Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 *et seq.*, Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 *et seq.*, Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of the Rehabilitation Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit H-2** hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this **Section 10.03** only, the Developer (and any party to whom a contract is let by the Developer in connection with the Rehabilitation Project) shall be deemed a "**contractor**" and this Agreement (and any contract let by the Developer in connection with the

Rehabilitation Project) shall be deemed a “contract” or a “construction contract” as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Rehabilitation Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Rehabilitation Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Rehabilitation Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Rehabilitation Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Rehabilitation Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this **Section 10.03**. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of HED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Rehabilitation Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Rehabilitation Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Rehabilitation Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Rehabilitation Project for at least five years after completion of the Rehabilitation Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Rehabilitation Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Rehabilitation Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this **Section 10.03**. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this **Section 10.03**, the sufficiency of

which shall be approved by the City's monitoring staff. During the Rehabilitation Project, the Developer shall submit the documentation required by this **Section 10.03** to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Rehabilitation Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Rehabilitation Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, and/or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, to the extent caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Developer Space or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Developer Space permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Developer Space.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Rehabilitation Project improvement; or

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default

unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer that remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution and that materially impairs the Developer's ability to perform under this Agreement;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who has more than a 7.5% ownership interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who has more than a 7.5% ownership interest in the Developer, for any crime (other than a misdemeanor);

(k) the sale or transfer of any of the ownership interests of the Developer to a party that is objectionable to the City because of any one or more existing uncured violations of the City's protocols or policies, and/or because the City is prohibited from entering into an agreement or business relationship with such party by the Municipal Code of Chicago, or state or federal law, as shall be solely determined by the City;

(l) the assignment or other direct or indirect transfer of the Lease to a party that is objectionable to the City because of any one or more existing uncured violations of the City's protocols or policies, and/or because the City is prohibited from entering into an agreement or business relationship with such party by the Municipal Code of Chicago, or state or federal law, as shall be solely determined by the City;

(m) a Default (as defined in the Lease) by the Developer under the Lease that is not cured within the cure period, if any, granted under the Lease, or the Developer's execution of a Material Amendment without the prior written approval of the City under Section 8.23.

For purposes of Section 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of 7.5% of the Developer's issued and outstanding shares of stock.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Developer Space in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance

of the agreements contained herein. Upon the occurrence of an Event of Default under **Section 8.06**, the Developer shall be obligated to repay to the City all previously disbursed City Funds.

Upon the occurrence of an Event of Default because of failure to comply with **Section 8.24, LEED Certification**, the City's remedy shall be the right to seek reimbursement of \$250,000 in City Funds. Notwithstanding the foregoing, if the City Funds paid upon Certificate issuance were reduced by \$250,000 due to failure to of Developer to provide an affidavit from its project architect certifying that the Project would likely achieve LEED Certification as described in **Section 4.03(b)**, then the City shall not have the right to seek reimbursement of an additional \$250,000.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, except as described in the following paragraph, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary:

(a) the only cure periods, if any, applicable to the Developer's failure to comply with the Jobs Covenant are those set forth in **Section 8.06**;

(b) there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operating Covenant.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Developer Space or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Developer Space or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Developer Space or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Developer Space or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. OPINION OF DEVELOPER'S COUNSEL

[To be retyped on the Developer's Counsel's letterhead]

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Coyote Logistics, LLC, a Delaware limited liability company (the "Developer"), in connection with the construction of certain facilities thereon located in the Addison South Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) Coyote Logistics, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");
- (b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under

the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign entity under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. [Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
