Meeting Date:	9/20/2018
Sponsor(s):	King (4)
Type:	Ordinance
Title:	Exemption from physical barrier requirement for commercial driveway alley access for Planrise LLC
Committee(s) Assignment:	Committee on Transportation and Public Way

Committee on Transportation and Public Way
City Council Meeting September 20, 2018
Alderman Sophia King, 4th Ward
Alley Access Ordinance

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO

SECTION 1: Pursuant to Section 10-20-430 of the Municipal Code of Chicago, the Commissioner of Transportation is hereby authorized and directed to exempt Planrise LLC from the provisions requiring barriers as a prerequisite to prohibit alley ingress and/or egress from 4621-27 S. Lake Park Avenue.

SECTION 2: This ordinance shall take effect and be in force upon its passage and publication.

Sophia King
Alderman, 4th Ward

1. The first part of the document is a letter from the author to the editor of the journal. The letter discusses the author's interest in the topic and the reasons for writing the paper. It also mentions the author's previous work in the field and expresses a hope that the paper will be of interest to the readers of the journal.

2. The second part of the document is the abstract of the paper. The abstract summarizes the main points of the paper, including the research question, the methods used, the results, and the conclusions.

3. The third part of the document is the introduction. The introduction provides a background on the topic and states the research question. It also discusses the significance of the research and the structure of the paper.

4. The fourth part of the document is the literature review. The literature review discusses the previous work in the field and identifies the gaps in the literature that the current paper aims to address.

5. The fifth part of the document is the methodology. The methodology describes the methods used to collect and analyze the data. It includes a description of the study design, the data sources, and the statistical methods used.

6. The sixth part of the document is the results. The results section presents the findings of the study, including the main results and any secondary findings.

7. The seventh part of the document is the discussion. The discussion interprets the results and discusses their implications for the field. It also addresses the limitations of the study and suggests directions for future research.

8. The eighth part of the document is the conclusion. The conclusion summarizes the main findings of the study and provides a final statement on the research.

9. The ninth part of the document is the references. The references list the works cited in the paper, providing a list of sources for further reading.

10. The tenth part of the document is the appendix. The appendix contains supplementary material that is not included in the main text of the paper, such as additional data or detailed calculations.
