SECTION 3. This ordinance takes effect after its passage and approval.

*Waterway-Industrial Planned Development No. 1165*

*Plan of Development Statements.*

1. The area delineated herein as a Waterway-Industrial Planned Development ("Planned Development"), consists of approximately one million eight hundred two thousand eight hundred (1,802,800) square feet ( $\pm 41.387$  acres) of property as depicted on the attached Planned Development Boundary and Property Line Map ("Property"). The Property is under the single designated control and ownership of the applicant, ProLogis Park Chicago, L.L.P.
2. All applicable official reviews, approvals or permits that are required in connection with the Planned Development shall be obtained or authorized to be obtained by the applicant. Any dedication or vacation of streets, alleys or easements, or adjustments of rights-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal and approval by the City Council.
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors of the Property. Pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time any application for an amendment, modification or change (administrative, legislative or otherwise) to this Planned Development is made, shall be under single ownership or single designated control. "Single designated control" is defined in Section 17-8-044 of the Chicago Zoning Ordinance.

Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "applicant" shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder. An agreement among the owners of the Property, or a covenant binding upon the owners of the Property, may designate the parties authorized to apply for future amendments, modifications or other changes to this Planned Development.

4. This plan of development consists of these sixteen (16) statements; a Bulk Regulations and Data Table; a Planned Development Boundary and Property Line Map; an Existing Zoning Map; an Existing Land Use Map; a Site Plan – 1; and a Site Plan – 2, all prepared by Spaceco Inc. dated \_\_\_\_\_; a Landscape Plan prepared by Norris Design dated \_\_\_\_\_; and typical Building Elevations prepared by Scannell Properties dated \_\_\_\_\_. Full-sized copies of the Landscape Plan and the Building Elevations are on file with the

Department Planning and Development (the “**Department**”). This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development. In any instance where a provision of the Planned Development conflicts with the Chicago Building Code, the Building Code shall control.

5. The following uses shall be permitted within the area delineated herein as Waterway-Industrial Planned Development Number 1165: any Permitted Use (as defined in §17-1702119 of the Chicago Zoning Ordinance) in Planned Manufacturing District Number 11, Subdistrict A, including warehousing and distribution activities, vehicle storage and towing (including fleet storage yards), accessory parking, and accessory and related uses. Portions of the Property may be used on an interim basis for construction staging and the storage of construction materials for the various phases of development of the Property.
6. Identification signs, on-premise signs, and temporary signs such as construction and marketing signs, shall be permitted within the Planned Development subject to the review and approval of the Department. Off-premise signs shall not be permitted in the Planned Development. The City acknowledges that there is a freestanding off-premise sign located on the Property on the west side of and adjacent to Damen Avenue. This sign is a nonconforming sign and may remain in use subject to the regulations of Section 17-15-0500 of the Chicago Zoning Ordinance and all other applicable requirements of the Municipal Code.
7. Any service drive or other ingress and egress shall be adequately designed and paved in accordance with the regulations of the Chicago Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of Chicago. Closure of all or part of any public street or alley during demolition or construction shall be subject to review and approval of the Chicago Department of Transportation.
8. For purposes of floor area, floor area ratio ("F.A.R.") and building height calculations, the definitions of the Chicago Zoning Ordinance shall apply.
9. The improvements on the Property shall be designed, constructed and maintained in substantial conformance with the Site Plan, Landscape Plan and Building Elevations attached hereto and made a part of this Planned Development. Part II approval pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance shall be issued for each individual building provided that the proposed building substantially conforms to the Site Plan prepared by Spaceco Inc. dated \_\_\_\_\_, Landscape Plan prepared by Norris Design dated \_\_\_\_\_, and the typical Building Elevations prepared by Scannell Properties dated \_\_\_\_\_, attached hereto as exhibits. A twenty (20) foot landscaped buffer shall be installed along the Property line where it faces the Sanitary and Ship canal. Notwithstanding any statement to the contrary, this Planned Development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this Planned Development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance

shall control. Nothing in this Planned Development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

10. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Department of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
11. Prior to issuance by the Department of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("**Part II approval**") for plans and elevations that are not in substantial conformance with the Site Plan prepared by Spaceco Inc. dated \_\_\_\_\_, Landscape Plan prepared by Norris Design dated \_\_\_\_\_, and the typical Building Elevations prepared by Scannell Properties dated \_\_\_\_\_, attached hereto as exhibits, a Site Plan for such proposed development shall be submitted to the Department for approval by the Commissioner of the Department ("**Site Plan approval**"). Site Plan approval is intended to assure that specific development proposals conform with this Planned Development and to assist the City in monitoring ongoing development. A Site Plan may be submitted for all or any part of the subject property (a "**Development Parcel**").

Following Site Plan approval, the Site Plan shall be kept on permanent file with DPD and shall be deemed to be an integral part of this Planned Development.

After Site Plan approval, the approved Site Plan may be changed or modified pursuant to the provisions of Statement Number 12 of this Planned Development.

A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements within the boundaries of a Development Parcel and including any improvements required by this Planned Development not located within the Development Parcel:

- (a) Building elevations;
- (b) Preliminary landscaping plan; and
- (c) Statistical information applicable to the Development Parcel including floor area and floor area ratio, uses to be established, building height and setbacks.

A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of the Planned Development.

12. The terms, conditions, requirements and exhibits of this Planned Development may be modified administratively by the Commissioner of the Department upon written application and a determination by the Commissioner of the Department that such modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of this Planned Development by the Commissioner of the Department shall be deemed to be a minor change in the Planned

Development as contemplated by Section 17-13-0611-A of the Chicago Zoning Ordinance.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that provides healthier environments, reduces operating costs and conserves energy and resources. The Applicant will comply with the Industrial category of the City of Chicago Sustainable Development Policy (i.e., "Green Matrix").
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the improvements on the Property in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. Upon Part II Review, a Part II Review Fee shall be assessed by the Department pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance. The fee, as determined by the Department staff at that time, is a final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
16. This Planned Development shall expire and the zoning of the Property shall revert to the pre-existing classification of Planned Manufacturing District Number 11, Subdistrict A only if no building is constructed as contemplated herein within six (6) years following adoption of the Planned Development.

Dear Chairman Solis and Chairman Cabrera:

The undersigned, an attorney with the law firm of DLA Piper LLP (US), which firm represents the applicant for an amendment to the Chicago Zoning Ordinance and amended planned development at 3000 & 3001 South Damen Avenue Chicago, IL 60608, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 3, 2014, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

**FIRST CLASS MAIL**

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 3, 2014, the undersigned, on behalf of ProLogis Park Chicago LLLP (the "Applicant"), intends to file an application to rezone the property located at approximately 3000 and 3001 South Damen Avenue, Chicago, IL, from Waterway-Industrial Planned Development Number 1165 to Waterway-Industrial Planned Development Number 1165, as amended and PMD Number 11, Planned Manufacturing District. A map of the subject property is printed on the reverse side of this letter.

The subject property is currently vacant and utilized as a parking lot. The Applicant seeks approval to construct an approximately 208,327 square foot distribution center, including approximately 452 automobile parking stalls and accessory uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the subject property.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant is the owner of a portion of the Property. The Applicant's address is 6250 N. River Road, Suite 1100, Rosemont, IL 60018. The Anthony Marano Company owns the remainder of the Property and has an address of 3000 South Ashland Avenue, Suite 100, Chicago, Illinois 60608.

Please contact me at 312-368-7243 with questions or to obtain additional information.

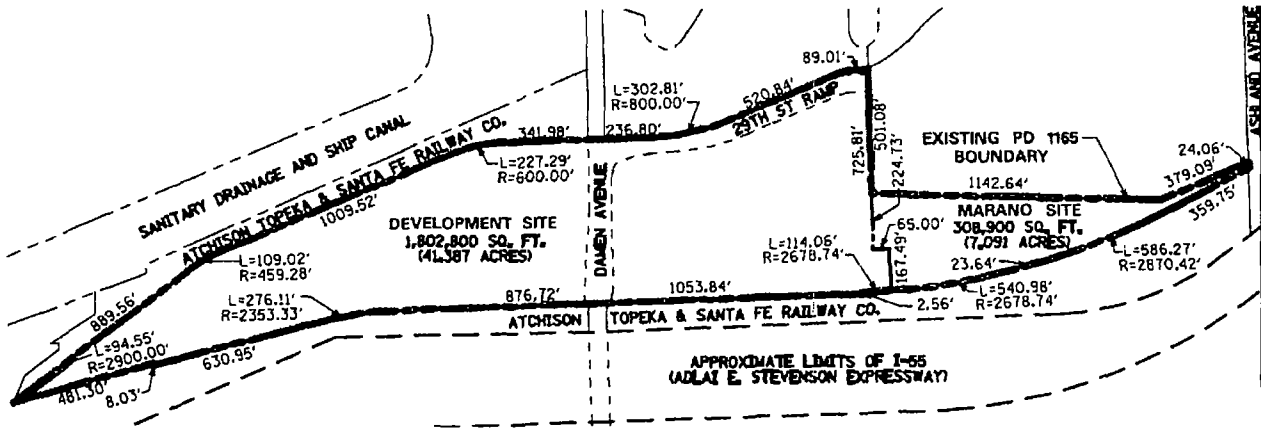

Very truly yours,
