All application numbers that begin with a 'D' reflect a Developer's Services project. In such case, the permit date reflects the date the project is approved not a PERMIT ISSUED date.

If uncomplified corrections exist, you will see a status of "Denied" for the given discipline, until those corrections are complied with.

This data represents the last 18 months of historical permit information and was last updated on Wednesday, September 5, 2012 . This web site is usually updated every night, however, please allow two (2) business days for permit data to be posted to this web site.
