If, after the hearing, the administrative law officer determines that there is probable cause to believe that the vehicle was used in a violation of this Code for which seizure and impoundment applies, or, if the impoundment is pursuant to Section 9-92-035, that the subject vehicle is eligible for impoundment under that section, the administrative law officer shall order the continued impoundment of the vehicle as provided in this section unless the owner of the vehicle pays to the city the amount of the administrative penalty prescribed for the code violation plus fees for towing and storing the vehicle.

~~(2) If the vehicle is also subject to immobilization for unpaid parking and/or compliance violations, the owner of the vehicle must also pay the all amounts due for all such outstanding violations final determinations for parking, standing, compliance, automated traffic law enforcement system or automated speed enforcement system violations incurred by the owner, including all related collection costs and attorney’s fees authorized under section 1-19-020 prior to the release of the vehicle.~~

(3) If the administrative law officer determines there is no such probable cause, or, if the impoundment is pursuant to Section 9-92-035, that the subject vehicle has previously been determined not to be eligible for impoundment under that section, the vehicle will be returned without penalty or other fees.

(b 2) (1) Within ten days after a vehicle is seized and impounded the department of streets and sanitation or other appropriate department shall notify by certified mail the owner of record (other than a lessee who does not hold title to the vehicle), the person who was found to be in control of the vehicle at the time of the alleged violation, and any lienholder of record, of the owner's right to request a hearing before the department of administrative hearings to challenge whether a violation of this Code for which seizure and impoundment applies has occurred or, if the impoundment is pursuant to Section 9-92-035, whether the subject vehicle is eligible for impoundment under that section. In the case where an owner of record is a lessee who does not hold title to the vehicle, the notice shall be mailed to such lessee within ten days after the department of streets and sanitation receives a ~~photocopy~~ copy or other satisfactory evidence of the vehicle lease or rental agreement, indicating the name, address, and driver's license number of the lessee pursuant to subsection (i 9). However, no such notice need be sent to the owner of record if the owner is personally served with the notice within ten days after the vehicle is seized and impounded, and the owner acknowledges receipt of the notice in writing. A copy of the notice shall be forwarded to the department of administrative hearings. The notice shall state the penalties that may be imposed if no hearing is requested, including that a vehicle not released by payment of the penalty and fees and remaining in the city pound may be sold or disposed of by the city in accordance with applicable law.

(B) If, after a hearing, the administrative law officer does not determine by a preponderance of the evidence that the vehicle was used in such a violation, or, if the impoundment is pursuant to Section 9-92-035, that the subject vehicle was not eligible for impoundment under that section, the administrative law officer shall enter an order finding for the owner and for the return of the vehicle or previously paid penalty and fees; provided that if the vehicle was seized and impounded pursuant to Section 7-24-225, the vehicle shall not be returned unless and until the city receives notice from the appropriate state, or where applicable, federal officials that (i) forfeiture proceedings will not be instituted; or (ii) forfeiture proceedings have concluded and there is a settlement or a court order providing that the vehicle shall be returned to the owner of record.

(4) If the owner of record requests a hearing but fails to appear at the hearing or fails to request a hearing in a timely manner, the owner of record shall be deemed to have waived his or her right to a hearing and an administrative law officer of the department of administrative hearings shall enter a default order in favor of the city in the amount of the administrative penalty prescribed for the violation, plus towing and storage fees. However, if the owner: (i) redeemed the vehicle by payment of the appropriate penalty and fees, and (ii) was notified of the owner's right to request a hearing, and (iii) failed to timely request a hearing, then the payment shall be deemed an acknowledgment of liability and no adjudication shall be required.

(5) For the purposes of this section and those sections of this Code referenced in subsection (a 4) of this section, the terms "seizure and impoundment" and "seized and impounded" shall be deemed to also refer to a vehicle that a police officer or other authorized city agent or employee determines is subject to impoundment because there is probable cause to believe it was used in violation of one or more of those sections of the code listed in subsection (a 4) of this section, regardless of whether the vehicle is actually towed to and held at a city facility.

(3) Notwithstanding any other provision of this section, no vehicle that was seized and impounded pursuant to Section 7-24-225 shall be returned to the record owner unless and until the city has received notice from the appropriate state, or where applicable, federal officials that (i) forfeiture proceedings will not be instituted; or (ii) forfeiture proceedings have concluded and there is a settlement or a court order providing that the vehicle shall be returned to the owner of record.

(d 4) Any motor vehicle that is not reclaimed within ten days after the expiration of the time during which the owner of record may seek judicial review of the city's action under this section, or, if judicial review is sought, the time at which a final judgment is rendered in favor of the city, or the time a final administrative decision is rendered against any owner of record who is in default may be disposed of as an unclaimed vehicle as provided by law; provided that, if the vehicle was seized and impounded pursuant to Section 7-24-225 and proceedings have been instituted under state or federal drug asset forfeiture laws, the vehicle may not be disposed of by the city except as consistent with those proceedings.

(e 5) As used in this section, the "owner of record" of a vehicle means the record title holder and includes, for purposes of enforcing Section 3-46-076, the "license holder of a ground transportation vehicle" as that term is defined in Chapter 3-46. (h 8) For purposes of the section, a vehicle is not considered to have been used in a violation that would render the vehicle eligible for towing if: (1) the vehicle used in the violation was stolen at the time and the theft was reported to the appropriate police authorities within 24 hours after the theft was discovered or reasonably should have been discovered; (2) the vehicle was operating as a common carrier and the violation occurred without the knowledge of the person in control of the vehicle; or (3) the alleged owner provides adequate proof that the vehicle had been sold to another person prior to the violation.

(i 9) (1 A) Notwithstanding any provision of this section to the contrary, a lessor (except where the lessee holds title to the vehicle) asserting his or her right to possession of a vehicle impounded pursuant to one or more of the use-related offense sections set forth in paragraph (1) subsection (a) may obtain immediate release of such vehicle by paying the
