ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council ("City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the City's Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees: (i) be used for open space acquisition or capital improvements, or both, which provide a direct and material benefit to the new development from which the fees are collected, and (ii) be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, the City's Department of Planning and Development (the "Department") has determined that the Fee-Paying Developments built in the Albany Park Community Area have deepened the already significant deficit of open space in such area, which deficit was documented in the comprehensive plan entitled "The City Space Plan," adopted by the Chicago Plan Commission on September 11, 1997, and adopted by the City Council on May 20, 1998; and

WHEREAS, NeighborSpace is an Illinois not-for-profit corporation dedicated to preserving and creating open space; and

WHEREAS, the Original NeighborSpace, as defined below, Ordinance contemplates that the City would donate, sell or lease land to NeighborSpace, and that NeighborSpace, in turn,

would enter into agreements with local groups to use and maintain the land as community gardens or other public open space; and

WHEREAS, the 2021 NeighborSpace Ordinance, as defined below, provides that NeighborSpace will retain the powers to buy, accept donations of, own, lease, hold easements to, and sell real property, and will continue to enter into agreements with local groups for the use and maintenance of open spaces; and

WHEREAS, the City owns the real property located in the Albany Park Community Area at 4553-4569 North Pulaski Road and legally described in Exhibit A attached hereto (the "City Parcels"); and

WHEREAS, the City Parcels are presently used as a community-managed garden known as the First Nations Community Garden (the "Garden"); and

WHEREAS, by ordinance adopted on March 26, 1996, and published at pages 18969 to 18979 in the Journal of the Proceedings of the City Council ("Journal") of such date (the "Original NeighborSpace Ordinance"), the City authorized the execution of an intergovernmental agreement between the City, the Chicago Park District and the Forest Preserve District of Cook County (the "Original NeighborSpace IGA") to establish NeighborSpace, a not-for-profit corporation, to address the lack of sufficient open space in the City for recreational and aesthetic uses; and

WHEREAS, NeighborSpace was incorporated under the laws of the State of Illinois on May 29, 1996, exclusively for charitable, scientific and educational purposes, including, but not limited to, the preservation of open space and parks within the City; and

WHEREAS, the City, the Chicago Park District and the Forest Preserve District of Cook County entered into the Original NeighborSpace IGA on or as of January 16, 1997; and

WHEREAS, following two extensions, the Original NeighborSpace IGA expired on December 1, 2020; and

WHEREAS, pursuant to an ordinance adopted on May 26, 2021, and published at pages 30443 to 30455 in the Journal of such date (the "2021 NeighborSpace Ordinance"), the City, the Chicago Park District and the Forest Preserve District of Cook County entered into a new intergovernmental agreement (the "2021 NeighborSpace IGA") to continue their support of NeighborSpace; and

WHEREAS, the primary mission of NeighborSpace is to acquire small open spaces to ensure their continued survival for community use; and

WHEREAS, the 2021 NeighborSpace Ordinance, like the Original NeighborSpace Ordinance, contemplates that the City would donate, sell or lease land to NeighborSpace, and that NeighborSpace, in turn, would enter into agreements with local groups to use and maintain the land as community gardens or other public open space; and

WHEREAS, the City desires to convey the City Parcels to NeighborSpace for the Project (as hereinafter defined) and to facilitate continuing community management of the Garden; and

WHEREAS, the Board of Directors of NeighborSpace approved the acquisition of the City Parcels on June 25, 2019; and

WHEREAS, on February 16, 2023, the Chicago Plan Commission, by Resolution No. 23-009-21, approved the sale of the City Parcels to NeighborSpace; and

WHEREAS, public notices advertising DPD's intent to sell the City Parcels to NeighborSpace and requesting alternative proposals appeared in the Chicago Sun-Times on December 9 and 22, 2022, and January 5 and 12, 2023; and

WHEREAS, no other responsive proposals were received by the deadline indicated in the aforesaid notices; and

WHEREAS, the City Council finds that the conveyance of the City Parcels to NeighborSpace is in the best interests of the City and is consistent with the CitySpace Plan; and

WHEREAS, the Department desires to grant Open Space Fees in an amount not to exceed \$93,990 to NeighborSpace for the purpose of funding a Garden improvement project, which will provide enhanced open space and recreational facilities for the benefit of the residents of the Albany Park Community Area (the "Project"); and

WHEREAS, the Department and the NeighborSpace have agreed to enter into a grant agreement in substantially the form attached hereto as Exhibit B (the "OSIF Agreement") whereby the Department shall pay for or reimburse NeighborSpace for a portion of the Project costs; and

WHEREAS, the NeighborSpace has agreed to use the proceeds from the Open Space Fees for capital improvements relating to the Project subject to the terms and conditions specified in the Agreement; and

WHEREAS, the Department has determined that the use of the Open Space Fees to assist with the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected in that the Open Space Fees used for the Project will come from the specific fund set up by DOF for the Albany Park Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, the Department has recommended that the City Council (i) approve the use of the Open Space Fees for the purposes set forth in this ordinance; (ii) make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; and (iii) authorize the Department to enter into the Agreement; and

WHEREAS, pursuant to an ordinance adopted by the City Council of the City on February 27, 2002, and published at pages 79688 to 79771 in the Journal of such date, a certain redevelopment plan and project (the "Plan") for the Lawrence/Pulaski Project Area (the "Redevelopment Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.) (the "Act"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on February 27, 2002, and published at pages 79772 to 79782 of the Journal of such date, the Redevelopment Area was designated as a redevelopment project area pursuant to the Act; and

WHEREAS, pursuant to an ordinance (the "TIF Ordinance") adopted by the City Council on February 27, 2002, and published at pages 79783 to 79793 of the Journal of such date, tax increment allocation financing was adopted pursuant to the Act as a means of financing certain Redevelopment Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, NeighborSpace desires to use tax increment funds (the "TIF") in an amount not to exceed \$350,000 from the Redevelopment Area for the Project; and

WHEREAS, NeighborSpace has proposed to undertake the Project to be financed in part by Incremental Taxes from the Redevelopment Area in accordance with the Plan and pursuant to the terms and conditions of a redevelopment agreement (the "TIF Redevelopment Agreement") in substantially the form attached hereto as Exhibit C; and

WHEREAS, by Resolution No. 23-CDC-10, adopted on February 14, 2023, the CDC authorized the Department to advertise its intent to negotiate a sale of the City Property to the Developer and to request alternative proposals, and recommended the sale of the City Property to the Developer if no responsive alternative proposals were received at the conclusion of the advertising period, or, if alternative proposals were received, if the Department determined in its sole discretion that it was in the best interest of the City to proceed with the Developer's proposal; and

WHEREAS, it is also intended that funding for the Project will include a grant from the City using funds from the Chicago Recovery Program, as administered by the United States Department of Treasury, now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

WHEREAS, under the terms and conditions hereof, the City agrees to make the Grant available to NeighborSpace; and

WHEREAS, the City and NeighborSpace have among their powers and authority the ability to contract with each other to perform the undertakings described herein;

SECTION 2. THE GRANT

A. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to pay or reimburse NeighborSpace for all or part of the cost of completing the Project. The Grant must be used exclusively towards completion of the Project. If the Grant should exceed the cost of completing the Project, NeighborSpace must repay any such excess Grant funds to the City.

B. NeighborSpace hereby acknowledges and agrees that the Grant may be used only to pay capital improvement costs as described in Exhibit 2, ("Eligible Costs").

City's request, NeighborSpace will provide evidence of such compliance satisfactory to the City.

C. NeighborSpace agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

D. NeighborSpace has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

E. Signing, delivery and performance by NeighborSpace of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which NeighborSpace is party or by which it is bound.

F. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting NeighborSpace that would materially impair its ability to perform under this Agreement.

G. NeighborSpace is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

H. NeighborSpace and all its contractors and subcontractors shall meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

J. NeighborSpace shall at all times perform its work in fulfilling NeighborSpace's corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

It is the duty of NeighborSpace and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of NeighborSpace and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General

in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Code. NeighborSpace represents that it understands and will abide by all provisions of Chapter 2-56 of the Code and that it will inform subcontractors of this provision and require their compliance.

SECTION 4. TERM

The term of this Agreement shall commence on the date hereof and shall expire upon completion of the Parties' compliance with their respective obligations hereunder or termination of this Agreement according to its terms, whichever occurs first.

SECTION 5. [intentionally omitted]

SECTION 6. DISBURSEMENTS

The City will disburse the Grant funds to NeighborSpace after the City has reviewed and approved a listing of Eligible Costs, in such detail and with such supporting documentation as the City may require.

the transactions contemplated hereby.

O. Executive Order 2011-4. NeighborSpace agrees that NeighborSpace, any person or entity who directly or indirectly has an ownership or beneficial interest in NeighborSpace of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, NeighborSpace's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractors of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (NeighborSpace and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by NeighborSpace, while this Agreement or any Other Contract is executory, (ii) during the term of this Agreement or any Other Contract between NeighborSpace and the City, and/or (iii) during any period while an extension of this

Agreement or any Other Contract is being sought or negotiated.

NeighborSpace represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached NeighborSpace or the date NeighborSpace approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

P. FOIA and Local Records Act Compliance.

1) FOIA. NeighborSpace acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If NeighborSpace receives a request from the City to produce records within the scope of FOIA, then NeighborSpace covenants to comply with such request within 48 hours of the date of such request. Failure by NeighborSpace to timely comply with such request will be a breach of this Agreement.

2) Exempt Information. Documents that NeighborSpace submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by NeighborSpace to be treated as a trade secret or information that would cause competitive harm, FOIA requires that NeighborSpace mark any such documents as "proprietary, privileged or confidential." If NeighborSpace marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

3) Local Records Act. NeighborSpace acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, NeighborSpace covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 1. RECITALS

As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority. On the Ordinance Date, the City Council of the City (the "City Council") adopted an ordinance authorizing the Commissioner of DPD to enter into this Agreement to fund a portion of the costs of the Project.

D. TIF Area. The Project is located in the TIF Area. Under ordinances adopted on February 27, 2002 and published in the Journal of Proceedings of the City Council of the City for such date, the City Council: (i) approved a redevelopment plan and project (the "Redevelopment Plan") for the TIF Area; (ii) designated the TIF Area as a "redevelopment project area" within the requirements of the TIF Act; and (iii) adopted tax increment financing for the TIF Area. Items (i)-(iii) above are collectively referred to herein as the "TIF Ordinances".

E. City Funds. The City agrees to use, in the amounts set forth in Section 4.02 and Section 4.05 hereof, Incremental Taxes (as defined below) to pay for or reimburse the Developer for the costs of TIF-Funded Improvements (as defined below) pursuant to the terms and conditions of this Agreement.

If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall, as its sole remedy, have the option to either (i) proceed with the purchase subject to all defects and exceptions, or (ii) terminate its right to purchase by delivery of written notice to the City, whereupon such purchase right shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder with respect to the Property. If the Developer elects not to terminate its right to purchase the Property as aforesaid, the Developer shall be deemed to have accepted title subject to all exceptions.

(c) Closing. The conveyance of the Property to the Developer shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer has satisfied all conditions precedent set forth in Section 5, unless DPD, in its sole discretion, waives one or more of such conditions. adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property. The Developer agrees to accept the Property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition at closing, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Developer, with respect to the structural, physical or environmental condition or the value of the Property, its compliance with any Laws, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Developer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the Property in a condition which is suitable for its intended use.

Following the issuance of the Certificate, each Year throughout the Term of the Agreement, the Developer shall submit to DPD by June 30th the Annual Compliance Report itemizing each of Developer's obligations under this Agreement during the preceding calendar year. If this report is not received within this timeframe, the City will notify Developer in writing of such deficiency. Thereafter, Developer shall have ten (10) days to file the Annual Compliance Report with DPD. Developer's failure to timely submit the report will constitute an event of default.

7.08 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of the City Grant, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement or other Project Costs, as applicable. Developer shall provide information with respect to any entity to receive the City Grant directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using the City Grant, or otherwise), upon DPD's request, prior to any such disbursement.

7.09 Conflict of Interest. Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the TIF program, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

7.10 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

7.11 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's most recent fiscal year ended before the Agreement Date and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

7.12 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit C hereof.

7.13 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

7.14 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as

specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. If the Permitted Liens include any existing mortgages, such mortgagee must execute a subordination agreement acceptable to the City in its sole discretion.

7.15 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

7.16 Non-Governmental Charges. Except for the Permitted Liens, and subject to the next sentence, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

7.17 Governmental Charges.

(a) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(b) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

7.18 Developer's Failure to Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

7.19 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City with the Annual Compliance or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

SECTION 8. MAINTAINING RECORDS AND RIGHT TO INSPECT

8.01 Books and Records. The Developer, the general contractor and each subcontractor shall keep and maintain books and records that fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto and as otherwise necessary to evidence the Developer's compliance with its obligations under this Agreement, including, but not limited to, payroll records, general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices and the like. Such books and records shall be available at the applicable party's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense.

8.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 9. ENVIRONMENTAL MATTERS

9.01 Representation and Warranty. The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings and Plans and Specifications and all amendments thereto, and the Redevelopment Plan. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

9.02 Environmental Due Diligence. Prior to the Closing Date, Developer shall perform a Phase I ESA. The City's Department of Assets, Information and Services ("AIS") shall have the right to review and approve the sufficiency of the Phase I ESA for the purpose of determining whether any environmental or health risks would be associated with the development of the Project. Upon AIS's request, Developer shall perform additional studies and tests, including, without limitation, updating or expanding the Phase I ESA. If the Phase I ESA identifies any recognized environmental condition(s) ("REC(s)"), Developer shall perform a Phase II ESA. AIS shall have the right to review in advance and approve the scope of work for the Phase II ESA. AIS shall also have the right to review and approve the sufficiency of the Phase II ESA upon completion. If the Phase II ESA discloses the presence of contaminants exceeding residential remediation objectives as determined by 35 Ill. Adm. Code Part 742, Developer shall enroll the Property (or the applicable portion thereof) in the SRP and thereafter take all necessary and proper steps to obtain written approval from the IEPA of a RAP ("RAP Approval Letter"). Developer acknowledges and agrees that it may not commence construction of the Project until the IEPA issues, and AIS approves, the RAP Approval Letter. The Deed shall include a covenant obligating the Developer to remediate the Property in accordance with the terms of this Section 9.

9.03 Environmental Remediation. Upon receipt of the RAP Approval Letter for the Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive Residential NFR Letter for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA, as amended or

supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive Residential NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that that the City will not issue a Certificate of Completion, nor may the Developer request or accept a Certificate of Occupancy for the Project, until the IEPA has issued, AIS has approved (which approval will not be unreasonably withheld), and the Developer has recorded a Final Comprehensive Residential NFR Letter for the Property with the Cook County Clerk's Office. If the Developer fails to obtain the Final Comprehensive Residential NFR Letter within six (6) months of the submission of the RACR to the IEPA, then the City shall have the right to record a notice of default of this RDA against the Property. The Developer must abide by the terms and conditions of the Final Comprehensive Residential NFR Letter.

The Developer shall remove any soil or soil gas not meeting the requirements of 35 Ill. Adm. Code Section 742.305. If encountered, any underground storage tanks ("USTs") must be removed and closed in accordance with applicable regulations, including 41 Ill. Adm. Code Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 Ill. Adm. Code Part 734. The Developer shall also abandon any permanent wells pursuant to the requirements provided in Section 920.120 of the Illinois Water Well Construction Code (77 Ill. Adm. Code Part 920).

9.04 Release and Indemnification. Without limiting any other provisions hereof, Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under any of them (each, a "Developer Party" and collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances or Other Regulated Material in, on, under or about the Property or the migration, escape, seepage, leakage, spillage, emission, discharge or release of Hazardous Substances or Other Regulated Material from the Property to other real property or from other real property to the Property; (iii) any actual or asserted violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 6901 et seq.; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or

formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses incurred, suffered by or asserted against the City by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, regardless of whether or not caused by, or within the control of Developer. The Developer Parties waive their rights of contribution and subrogation against the Indemnified Parties.

9.05 Release Runs with the Land. The covenant of release in Section 9.04 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer Parties acknowledge and agree that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or any of the Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer nor any of the Developer Parties shall assert that those obligations must be satisfied in whole or in part by the City because Section 9.04 contains a full, complete and final release of all such claims

9.06 Survival. This Section 9 shall survive the Closing or any expiration or termination of this Agreement (regardless of the reason for such termination).

SECTION 10. INDEMNIFICATION

Developer agrees to indemnify, defend and hold the Indemnified Parties harmless from and against any and all Losses of every kind or nature and expenses (including, without limitation, attorneys' fees and court costs) arising out of or incidental to the failure of Developer to perform its obligations under this Agreement. Upon reasonable notice from the City of any claim which the City believes to be covered hereunder, Developer shall timely appear in and defend all suits brought upon such claim and shall pay all costs and expenses incidental thereto, but the City shall have the right, at its option and at its own expense, to participate in the defense of any suit, without relieving Developer of any of its obligations hereunder. The obligations set forth in this section shall survive any termination or expiration of this Agreement.

SECTION 11. DEFAULT AND REMEDIES

11.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 7 (Covenants, Representations, and Warranties of Developer), shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of Developer to complete the Project in accordance with the terms of this Agreement;

(b) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(e) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(f) the entry of any judgment or order against the Developer or the Property which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(g) the dissolution of the Developer or the death of any natural person who owns a 50% or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the DPD's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement; or

(h) in the event the Developer relocates the business without the prior written consent of the City during the Term of the Agreement.

11.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, may suspend disbursement of the Capital Grant and may seek reimbursement of the Capital Grant. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy.

11.03 Cure Period. In the event Developer shall fail to perform a covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such covenant within thirty (30) days of its receipt of a written notice from the City specifying that it has failed to perform such covenant.

SECTION 12. MORTGAGING OF THE PROJECT

The Permitted Liens are the only mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof. No mortgagee shall have the right to succeed to the Developer's rights under this Agreement unless the sale, assignment, or transfer receives the sole written consent of the City. This consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement.

Upon the request of a lender providing Lender Financing, the City shall agree to subordinate its interests under this Agreement to the mortgage of such lender pursuant to a written subordination agreement, the form of which shall be in a form reasonably acceptable to the City and Corporation Counsel.

SECTION 13. GENERAL PROVISIONS

13.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 13.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental or construction obligations of Developer by more than ten percent (10%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than one-hundred and eighty (180) days.

13.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

13.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

13.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

13.05 No Implied Waivers. No waiver by either Party of any breach of any provision of this Agreement will be a waiver of any continuing or succeeding breach of the breached provision, a waiver of the breached provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to, or demand on, either Party in any case will, of itself, entitle that Party to any further notice or demand in similar or other circumstances.

13.06 Titles and Headings. Titles and headings to paragraphs contained in this Agreement are for convenience only and are not intended to limit, vary, define or expand the content of this Agreement.

13.07 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

13.08 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

13.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

13.10 Governing Law and Venue. This Agreement will be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to the principles of conflicts of law thereof. If there is a lawsuit under this Agreement, each Party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois.

13.11 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

13.12 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

13.13 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

13.14. Notices. Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the Notice Address, by any of the following means: (a) personal service; (b) overnight courier; or (c) registered or certified mail, return receipt requested.

13.15. Severability. If any provision of this Agreement, or the application thereof, to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein.

13.16. Survival of Agreements. All warranties, representations, covenants and agreements of this Agreement shall be true, accurate and complete at the time of the execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the Term of the Agreement.

13.17. Exhibits. All of the exhibits attached to this Agreement are incorporated into this Agreement by reference.

13.18. Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Construction Compliance

AGREEMENTS WITH CONTRACTORS

1. Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD, if requested, for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner.
2. Construction Contract. Prior to the Closing Date, the Developer must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.
3. Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer must require the General Contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.
4. Employment Profile. Upon DPD's request, the Developer, the General Contractor and all subcontractors must submit to DPD statements of their respective employment profiles. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the Construction Hiring Requirements.
5. Other Provisions. In addition to the requirements of Agreements with Contractors, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.05 (Change Orders), Exhibit F. Construction Hiring Requirements, and Section 9.01 (Books and Records) of the RDA.

CONSTRUCTION HIRING REQUIREMENTS

1. Employment Opportunity. The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual

orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

2. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such

contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Prevailing Wage.

3. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as

provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

4. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4., during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 26 percent by MBEs
And
- ii. At least 6 percent by WBEs.

(b) For purposes of MBE/WBE Commitment only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this paragraph 4. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(d) Prior to the City's issuance of a Final Certificate, the Developer shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Section 7.04. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Section 7.04, the sufficiency of

which shall be approved by DPD. During the Project, the Developer shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.

Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.
