2 5: Explain the methods your organization will use to solicit funds:

Public Outreach Fundraising, LLC is a commercial fundraiser registered with the Illinois Attorney General's Office. The company has been contracted by ChildFund International to conduct ongoing street solicitations in Chicago.

Public Outreach recruits monthly donors on behalf of the charity. Our representatives work on sidewalks, indoors on private property [with written consent from the charity and <sup>permission</sup> **from** city and state authorities as well as from the private property owner). They do not sell products or services.

Street representatives <sup>[solicitors]</sup> **employed** by Public Outreach are trained to be safety conscious. This includes not creating or allowing any sidewalk obstructions. The company has a successful record of adapting to local preferences and specific license conditions regarding the density, location and frequency of representatives on the street.

Representative's binders and t-shirt show the logo of the charity. As <sup>p\_eople\_pass</sup> **by**, <sup>they^may ask</sup> **in** a conversational tone and volume, "Do you have a minute for ChildFund International?"

Street representatives do not approach people, harass or hound them, pursue them or block traffic in any way. They rely on passers-by to recognize the name and logo of the charity, and to choose whether to stop and engage in conversation. The initiative to make eye contact thus rests with passers-by. Our representatives then educate the potential donor on the work of the charity and explain the monthly giving process. Those who wish can sign up immediately, either for monthly donations or for one-time gifts. Others are offered a telephone follow up.

To Whom It May  
Concern:

This letter confirms that Public Outreach Fundraising is working on behalf of ChildFund International to obtain long-term monthly and one-time donors.

All Fundraisers wear photo ID badges and they do not accept cash donations. Rather, they will ask members of the community to consider an ongoing pledge either through monthly credit card or monthly bank account transfer. One-time gifts are an option for giving using either a credit card or bank account transfer. This is a convenient and cost-effective way to support the vital work of ChildFund International.

Public Outreach Fundraising is authorized to solicit contributions on behalf of ChildFund International and such efforts may ensue in San Francisco, Chicago, Los Angeles, Minneapolis and Boston upon receiving approval of individual state registration from each state, respectively. Fundraising may continue until July 31, 2012,

Sincerely,

**h Xr,,-"-6,rg0e**

We're wotking to protect ttre Appalachian Mountains, one of **the** world's Inost diver-se habiiats.

Located near some of the tlation's

**largest cities, the Appalachians face** dr-amic pr-essur.es ũ.orn

. devèlopinent, deforestation, energy development and for.est pests. By 2030, an estimated 44

million acres **of** forest will be lostto development.

so The Nature conse'vancy is **working** to conserve ttre Appalachians now by pro tectng **miitiou** acres by

buying and restorin gland,ploraoting sustainable management and fighting **invasive** species.

Throughout the 90s, we

**lost** 1 million acres of the Appalachians evely year-ard at this poin!

will be developed or it will be protected. That's why  
it's important to take a look at this. (Hand over clipboard)

The best way for you to help is by joining The Nature Conservancy as a regular, monthly contributor. Giving monthly keeps our

costs low and gives us the ongoing support we need to keep

protecting our environment. We suggest people join at the level of \$1 a day, or \$30 a month and

it's really easy to sign up.
