Elder McCarthy; who most affectionately refer to as "Rose". I find it extremely difficult to reference this great man in the past tense . so please forgive me if I seem to speak of him as though he still walks among us .

Fürthermore, one would be equally remised to speak of him , without calling him Elder McCarthy, as he was known in most Religious Circles. In addition, to achieve the title of an Elder In The Church Of God In Christ one must be proven and approved by many witnesses, and "Rose" easily excelled in the venue . As a matter of fact , everything Mr McCarthy touches turns to gold . He had a vision for his wife and children over 50 years ago to be independent of the white man , and do for self . Rose, Laura and the children, toiled night and day to establish "Home of The Hoagy" Restaurant.....and it's still stands as a Beacon of Light to the Community .

Hence , any street signage with

Elder Roosevelt McCarthy's Great Name of Reference, should consider itself blessed and part of history.

Also , it should be a delightful generational story to share, just who Elder Roosevelt McCarthy was .

Respectfully Submitted,

Gwendolyn X
