This Agreement shall terminate on \_\_\_\_\_, should the Developer fail to close the transaction in this Agreement by the Closing Date or Outside Closing Date, whichever date becomes applicable, unless DPD, in its sole discretion, extends such Outside Closing Date. On or before the Closing Date or Outside Closing Date, whichever date becomes applicable, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

## **SECTION 5. CONVEYANCE OF TITLE.**

5.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

## **SECTION 6. TITLE AND SURVEY.**

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the Property (the "Title Commitment") from the Title Company, showing the City in title to the Property. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the Property prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, in which event this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder, and the Earnest Money shall be returned to Developer. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the unpermitted exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

## **SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.**

The Developer shall file for Site Plan approval with DPD to be reviewed by DPD and the City's Department of Transportation ("CDOT") prior to any permit application. On or before August 1, 2016, after the Developer's execution of this Agreement, Developer shall apply for all necessary core and shell building permits, zoning approvals, and other required permits for the Project. Developer shall apply for all necessary building permits, zoning approvals and other required permits for the Project and shall pursue such permits and approvals in good faith and with all due diligence.

At least thirty (30) days prior to submission of the ordinance for the sale of the Property, Developer shall provide the City with Developer's then current evidence of funds to be dedicated to the construction of the Project. The evidence shall consist of written documentation from financial institutions and/or persons or entities who have committed to pledge funds to finance the Project.

8.2. Not less than thirty (30) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, the Developer shall submit to DPD for approval an updated Project Budget ("Budget") materially consistent with the Preliminary Project Budget and evidence, as reasonably acceptable to the City, in the City's sole discretion, that the Developer has 80% of "in-hand" funds to finance the construction of the Project ("Proof of Financing"). The Proof of Financing shall include, but not be limited to, written evidence of equity, and construction and permanent financing from lending institutions in amounts sufficient to construct the Project and satisfy its obligations under this Agreement. The Proof of Financing shall also include binding commitment letters from the Developer's lenders, and evidence of Developer's ability to make an equity contribution which shall cover the amount of any gap in financing. The Proof of Financing defined in this paragraph may include pledges and/or irrevocable donations payable over a period not to exceed five (5) years. However, the amount of the pledges and/or irrevocable donations used to satisfy the Proof of Financing defined in this paragraph shall not

exceed 20% of the total Proof of Financing. The pledges and/or irrevocable donations must be in writing.

## **SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.**

The obligations of the City under this Agreement are contingent upon each of the following being done at least fourteen (14) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, unless another date is specified:

The Developer shall have delivered to the City evidence of all: (1) building permits, zoning approvals, and other required permits for the New Saint Anthony Hospital as part of the Project; (2) all core and shell building permits, zoning approvals, and other required permits for the remainder of Project; (3) approval of the Institutional Business Planned Development No. 1212; and all other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

9.3 Simultaneous Loan Closing. On the Closing Date or Outside Closing Date, whichever date becomes applicable the Developer shall simultaneously close any financing, if any, approved pursuant to this Agreement and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall have delivered to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date or Outside Closing Date, whichever date becomes applicable, through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion. The Developer shall, at the City's request, deliver to the City a legal opinion in a form reasonably acceptable to the City's Corporation Counsel.

9.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in the name of the Developer (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

9.7 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing

from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable; and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement. On the Closing Date or Outside Closing Date, whichever date becomes applicable, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land under Section 18 of this Agreement, or such other subordination assurance as the Corporation Counsel shall deem acceptable.

9.9 MBE/WBE Compliance Plan. The Developer and the Developer's general contractor, and all major subcontractors shall meet with staff from the Department of Housing and Economic Development ("DPD") regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.11 Other Obligations. On the Closing Date or Outside Closing Date, whichever date becomes applicable, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by DPD in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. In the event of a termination prior to the conveyance of the Property to the Developer, the City shall be entitled to retain the Earnest Money. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

9.12 RDA #2. Acquisition of the Acquisition Parcels by the City shall have been completed and Developer shall not be in default on RDA #2.

9.13 Reconveyance Deed. Simultaneous with the execution of this Agreement, the Developer shall execute and deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), substantially in the form attached hereto as Exhibit F, for possible recording in accordance with Section 19 below.

## **SECTION 10. CONSTRUCTION REQUIREMENTS.**

10.1 Site Plans. The Developer shall construct the Project on the Project Parcels in accordance with the final design development drawings and specifications prepared by \_\_\_\_\_ dated \_\_\_\_\_ which have been approved by DPD and which shall be incorporated herein by reference ("Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting. The Developer shall apply to the City's Department of Transportation for a separate ordinance for any and all expansions of the public rights of way adjacent to the Project Parcels.

10.3 City's Right to Inspect Project Parcels. For the period commencing on the Closing Date or Outside Closing Date, whichever date becomes applicable, and continuing through the date the City issues a Certificate of Completion, any duly authorized representative of the City shall have access to the Project Parcels at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Project Parcels as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Project Parcels.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

## **SECTION 11. LIMITED APPLICABILITY.**

DPD's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Department of Buildings ("DOB") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on

the Project Parcels. The approval given by DPD shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

## **SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.**

The Developer shall commence construction of the Project no later than August 31, 2017, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than June 30, 2022. The Developer shall commence construction of the hospital and retail components (together, the "Project Components") of the Project described in this Agreement simultaneously and shall diligently pursue construction of the Project Components simultaneously. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, and all Laws and covenants and restrictions of record. DPD may, in its sole discretion, extend the dates above by up to six months each (i.e. 12 months, in aggregate) by issuing a written extension letter.

The Developer shall not apply for a certificate of occupancy for the retail component until after the Developer has started construction on the core and shell of the hospital component.

Notwithstanding the terms of this section, the City agrees to allow the Developer the right to enter onto the Property pursuant to the terms of Section 22 of this Agreement. The right of entry shall commence upon (a) passage and approval of an ordinance authorizing the (1) sale of the Property to the Developer; and (2) execution of this Agreement and (b) Developer providing the documents referenced in Section 8.1 of this Agreement.

## **SECTION 13. CERTIFICATE OF COMPLETION.**

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of: (1) the New Saint Anthony Hospital; and (2) the core and shell construction work related to the remainder of the Project, all in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete: (1) the New Saint Anthony Hospital; and/or (2) the core and shell construction work related to the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Upon recordation of the Certificate of Completion, the City shall return the Performance Deposit to the Developer.

## **SECTION 14. RESTRICTIONS ON USE.**

The Developer agrees that it:

14.1 Shall devote the Project Parcels solely to the Project described in this Agreement, in particular for the development of the New Saint Anthony Hospital described in this Agreement, and for uses that comply with the Little Village Industrial Redevelopment Plan (the "Redevelopment Plan") until the Redevelopment Plan expires on December 31, 2031.

14.2 Shall retain 1,000 jobs, or cause tenant the New Saint Anthony Hospital to retain 1,000 jobs at the New Saint Hospital; create at least 150 permanent jobs or cause tenant the New Saint Anthony Hospital to create at least 150 permanent jobs (each such permanent full-time equivalent job is hereby defined as 35 hours of employment per week with full benefits) at the Project Parcels. This covenant shall expire ten (10) years after the date of issuance of the Certificate of Completion.

14.3 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Project Parcels or any part thereof or the Project or any part thereof.

14.4 Shall in no instance use any portion of the Property or Acquisition Parcels for any inherently religious activities, such as worship, religious instruction, or proselytization. Notwithstanding the foregoing, the New Saint Anthony Hospital may use the Project Parcels consistent with all allowed uses pursuant to the Institutional Business Planned Development No. 1212 and any amendments thereto or a new planned development if a new planned development is necessary for Developer to complete the Project.

## **SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.**

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

## **SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.**

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any mortgage approved pursuant to Section 9.2.

## **SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.**

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

## **SECTION 18. COVENANTS RUNNING WITH THE LAND.**

The parties agree that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land of the Project Parcels, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 14.1 shall terminate after the occurrence of both, the issuance of the Certificate and the expiration of the Development Plan on December 31, 2031. The covenant contained in Section 14.2 shall expire ten (10) years after the issuance of the Certificate of Completion. The covenant contained in Sections 14.3 and 14.4 shall have no expiration date and remain in perpetuity.

## **SECTION 19. PERFORMANCE AND BREACH.**

19.1 Time of the Essence: Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the Project Parcels or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Project Parcels unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations that will prevent the Developer from satisfying the Proof of Financing requirement under Section 8.2 of this Agreement.

(g) The Developer fails to close by the Closing Date or Outside Closing Date, whichever date becomes applicable, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. Except in relation to an Event of Default that occurs prior to the Closing Date or Outside Closing Date under Section 19.4(c) or (g), if an Event of Default occurs prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, and/or institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, or any portion thereof, terminate the estate, or any portion thereof, conveyed to the Developer, and revert title to the Property, or any portion thereof, in the City by recording the Reconveyance Deed; provided, however, the City's right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that should the City record the Reconveyance Deed, such recording is effective for the purposes of transferring title to the Property, or any portion thereof, to the City by executing any customary transfer documents. The provisions of this Section shall survive any and all termination this Agreement (regardless of the reason for such termination).

19.7 Resale of the Property. Upon the reversioning in the City of title to the Property, or any portion thereof, as provided in Section 19.6, the City may complete the Project or convey the Property, or any portion thereof, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property, or any portion thereof, as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property, or any portion thereof, (less any income derived by the City from the Property, or any portion thereof, in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any such remaining proceeds up to the amount of the Developer's equity investment in the Property.

If there are any proceeds remaining after payment of the equity investment reimbursement to Developer under this section, then the City shall be entitled to receive any such remaining proceeds.

**SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Project Parcels or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

**SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity, including but not limited to any environmental activity, undertaken by the Developer or any Agent on the Property prior to or after the Closing. Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition.

This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

**SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.**

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at Developer's sole cost and expense, to enter the Property for a period of thirty (30) days

(the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder, and upon termination of this Agreement the City shall return the Earnest Money to the Developer. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

**22.3 Indemnity.** The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

## **SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

**23.1 Employment Opportunity.** The Developer agrees, and shall contractually obligate all contractors, subcontractors and any affiliate of the Developer and any and all persons or entities operating on the Project Parcels (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Project Parcels:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related

matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Project Parcels, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

## 23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated

damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises

published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date or Outside Closing Date, whichever date becomes applicable, the Developer and, if retained, the Developer's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

## **SECTION 24. REPRESENTATIONS AND WARRANTIES.**

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date or Outside Closing Date, whichever date becomes applicable, the following shall be true and correct in all respects:

(a) The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Project Parcels, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, the Developer's operating agreement or any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Project Parcels is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i)

affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Project Parcels.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

#### **SECTION 26. ORGANIZATION AND AUTHORITY.**

The Developer represents and warrants that it is duly organized and validly existing and authorized to do business under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Project Parcels and that the person signing this Agreement on behalf of the Developer has the authority to do so.

Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

#### **SECTION 28. TERMINATION.**

In the event that the Closing has not occurred by the Closing Date or Outside Closing, whichever date becomes applicable, or any extensions thereof in DPD's sole discretion, defined herein, then the City may terminate this Agreement upon written notice to the Developer.

**SECTION 29. RECORDATION OF AGREEMENT.**

This Agreement shall be recorded at the Office of the Cook County Recorder of Deeds. The Developer shall pay the recording fees.

**SECTION 30. CONSENT AND APPROVAL.**

Except where otherwise specified, whenever the consent or approval of the City is required hereunder, such consent or approval shall not be unreasonably withheld or delayed.

**SECTION 31. OTHER ACTS**

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

**SECTION 32. BUSINESS RELATIONSHIPS.**

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

**SECTION 33. PATRIOT ACT CERTIFICATION.**

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

## **SECTION 34. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE**

### **ORDER NO. 2011-4.**

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
  - 1. The partners have been residing together for at least 12 months.
  - 2. The partners have common or joint ownership of a residence.
  - 3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  - 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

### **SECTION 35. COOPERATION WITH OFFICE OF COMPLIANCE.**

In accordance with Chapter 2-26-010 *et seq.* of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment,

personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-010 *et seq.*

**SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

**SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

**SECTION 38. WASTE ORDINANCE PROVISIONS.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Developer's eligibility for future contract awards.

**SECTION 39. SHAKMAN ACCORD**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or

as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of Section 39(ii) above, or advocating a violation of Section 39(iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.
