RESIDENTIAL-BUSINESS PLANNED DEVELOPMENT NO. _____
PLANNED DEVELOPMENT STATEMENTS

1. The area delineated herein as Planned Development Number TBD (Planned Development) consists of approximately 38,693 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map (Property). 1245 W. Fulton, LLC is the “Applicant” for this Planned Development and owner of the Property.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant’s successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement (“Agreement”) by and between the Department of Transportation’s Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation’s Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway & landscaping

Applicant	1245 W Fulton, LLC
Address	1223-1245 W Fulton, Chicago, IL 60607
Introduced	May 26, 2021
Plan Commission	December 16, 2021

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This Plan of Development consists of 18 Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land Use Map; a Property and Planned Development Boundary Map; a Ground Floor Site Plan; a Site Plan; Building Elevations (North, South, East and West); Axonometric Diagrams (Base, Middle, Top) and Bike Storage Fence Section prepared by Hartshorne Plunkard Architects and dated December 16, 2021 submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development: Residential Above the Ground Floor; Office; Lodging (All--Hotel subject to future site plan approval [See Statement 17]); Animal Services (excluding overnight boarding and kennels); Business Equipment Sales and Service; Business Support Services; Communication Service Establishments; Eating and Drinking Establishments (all, including Taverns); Financial Services (excluding payday loan and pawn shops); Food and Beverage Retail Sales; Medical Service; Personal Service; General Retail Sales; Participant Sports and Recreation; Artisan Manufacturing, Production and Industrial Services (only as an accessory use to a principal retail use); Co-located Wireless Communication Facilities, accessory parking and non-accessory parking (subject to Section 17-10-0503), and incidental and accessory uses.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 38,693 square feet and a base FAR of 7.0.

The Applicant acknowledges that the project has received a bonus FAR of 2.0, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 9.0. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B & C, prior to the issuance of the first building permit for any building

Applicant	1245 W Fulton, LLC
Address	1223-1245 W Fulton, Chicago, IL 60607

in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

The Applicant or its successors or assignees shall, at its own cost, construct the proposed Landscape Plaza depicted on the Ground Floor Landscape Site Plan (hereinafter, the "Open Space"). The Open Space shall be substantially complete prior to issuance of the last final certificate of occupancy for the improvements to be constructed on the street/ground floor provided that plantings may be delayed if consistent with good landscape practice, but not longer than one year following receipt of the final Certificate of Occupancy for the ground floor improvements. The Applicant, its successors or assigns, shall be responsible for maintaining, repairing, replacing, and managing the Open Space, including ensuring that the landscaping is well maintained that the vegetation and plantings are kept in healthy condition and that the Open Space is clean, well lit, litter free and clear of snow (hardscaped areas) and debris. The Applicant shall provide sufficient liability insurance coverage for the operation of the Open Space for public use. The Open Space shall be open to the public, free of charge, during normal park hours from 6:00am to 11:00pm every day of the year, and the Applicant shall post a sign at all entries visible from the public right of way stating the same.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
16. The Applicant acknowledges and agrees that the rezoning of the Property from the M2-3 Light Industry District and C3-3 Commercial Manufacturing and Employment District to the DX-7 Downtown Mixed-Use District and then to this Planned Development ("PD") No. ____ is an "entitlement" that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the "ARO"). The PD is located in a "downtown district" within the meaning of the ARO and permits the construction of 350 dwelling units. The Applicant intends to construct a 350-unit rental building (the "Project").

Applicant	1245 W Fulton, LLC
Address	1223-1245 W Fulton, Chicago, IL 60607
Introduced	May 26, 2021
Plan Commission	December 16, 2021

Developers of rental projects in downtown districts with 30 or more units must provide between 10% and 20% of the units in the residential development as affordable units, depending on the average depth of affordability provided, as described in subsection (F)(2) of the ARO. Regardless of the applicable percentage of affordable units in the rental project, developers must construct at least 25% of the affordable units on-site and another 25% on-site or off-site (collectively, the “Required Units”), and may satisfy the balance of their affordable housing obligation through: (a) the establishment of additional on-site or off-site affordable units; (b) payment of a fee in lieu of the establishment of on-site or off-site affordable units; or (c) any combination thereof. All on-site affordable units must be accessible dwelling units, as required under subsection (W)(10) of the ARO, and developers must give preference in leasing accessible units to people with disabilities, as specified in the ARO rules. All off-site affordable units must have at least two bedrooms and must be located in a downtown district, inclusionary housing area, or community preservation area. Whether on-site or off-site, developers must give preference in leasing affordable units of two bedrooms or more to multi-person households, as specified in the ARO rules. If a residential project is located in a transit-served location, off-site units must be located in a substantially comparable transit-served location.

The Applicant has elected the 20% option as set forth in the chart in subsection (F)(2) of the ARO. As a result, the Applicant’s affordable housing obligation is 70 affordable units (20% of 350) and half of those affordable units are Required Units. Pursuant to subsection (T) of the ARO, the Applicant must either pay a fractional in lieu fee or provide an additional unit on-site or off-site to satisfy the fractional obligation. The Applicant has agreed to satisfy its affordable housing obligation by providing all 70 affordable units in the rental building in the PD, as set forth in the Affordable Housing Profile (AHP) attached hereto. The Applicant agrees that the affordable rental units must be affordable to households with a range of incomes averaging 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually, provided that (x) the maximum income level for any affordable unit may not exceed 80% of the AMI, (y) at least one-third (or 24 units) must be affordable to households at or below 50% of the AMI, of which one-sixth (or 4 of the 24 units) must be affordable to households at or below 40% of the AMI, and (z) all income levels must be multiples of 10% of the AMI.

This PD is located in the Fulton Market Innovation District (the “FMID”). The Chicago Plan Commission adopted a plan for the FMID in July 2014, and approved an update to the plan (the “FMID Plan Update”) in February 2021. The FMID Plan Update allows residential uses north of Lake Street in the FMID and establishes a 30% affordability goal for new residential projects in that area. In order to achieve that goal, the City’s Department of Housing (“DOH”) is committed to offering developers a menu of public assistance. The Applicant agrees to collaborate with DOH to provide an additional 35 affordable units (10% of 350) either on-site or in an off-site location within the boundaries of the FMID, in accordance with the FMID Plan Update (the “FMID Units”). Specifically, the Applicant and DOH will collaborate to establish the additional cost associated with the construction of the FMID Units, including review of a detailed budget and proforma. The Applicant will work with DOH to identify public financial assistance to fund the FMID Units, whether on-site or off-site through a potential partnership with an affordable housing developer. To that end, the Applicant (a) has submitted an intake form to initiate the process required to apply for financial assistance from the City, including, but not limited to, 4% Low Income Housing Tax Credits (the “FMID Financial Assistance”) and (b) has agreed to collaborate with DOH to explore partnerships with affordable housing developers to provide the FMID Units. If the Applicant is not awarded FMID Financial Assistance or is unable to form a partnership with an affordable housing developer on terms that will fully fund the cost of the FMID

Units to meet the 30% affordability goal, the Applicant may proceed with the development of the Project without providing the unfunded FMID Units, provided, however, the Applicant must notify DOH of its determination that providing all of the FMID Units is not feasible at least 6 months prior to the issuance of the first vertical improvements permit (excluding permits primarily related to construction of parking structures) for any residential building in the PD by providing to DOH a written explanation therefor, and, at DOH's request, the Applicant must provide an informational presentation to the Plan Commission on such determination prior to the issuance of such permit. Notwithstanding the foregoing, if DOH is unable to award the Applicant any FMID Financial Assistance, such presentation will not be requested.

This statement does not include all ARO requirements and options. It is intended to provide an overview of the application of the ARO to this PD. In the event of any conflict between this statement and the terms and conditions of the ARO, the ARO shall govern.

If the Applicant requests any material change to its method of compliance with the ARO, such as locating affordable units off-site instead of on-site or changing the target affordability level after the passage of this PD, DOH may adjust the AHP as requested, in accordance with the ARO, without amending the PD, provided however, the Applicant must update and resubmit the revised AHP to DOH for review and approval and, at DOH's request, provide an informational presentation to Plan Commission on such change. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an Inclusionary Housing Agreement ("IHA") in accordance with subsection (N) of the ARO. The terms of the IHA and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the IHA will be recorded against the PD, and will constitute a lien against such property. The Commissioner of DOH may enforce remedies for any breach of this Statement 16, including any breach of any IHA, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. Prior to the Part II Approval (Section 17-13-0610 of the Chicago Zoning Ordinance) for the "Hotel Use" the Applicant shall submit a site plan and floor plans identifying which units will be converted to hotel use for review and approval by the Department of Planning and Development (DPD). Review and approval by DPD is intended to assure that specific development components substantially conform with the PD and to assist the City in monitoring ongoing development.

No Part II Approval for the Hotel Use shall be granted until Site Plan approval has been granted. Following approval by DPD, the approved Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the PD.

After approval of the Site Plan, changes or modifications to the plans may be made pursuant to the provisions of Statement 12. In the event of any inconsistency between approved plans and the terms of the PD, the terms of the PD shall govern. Any Sub Area Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned floor plans indicating which units will be dedicated as a hotel use;
- fully-dimensioned building elevations;
- fully-dimensioned landscape plan(s);
- statistical information applicable to the site, including floor area, the applicable floor area ratio, uses to be established, building heights and setbacks;

- An updated traffic study; and,
- Approvals from CDOT, MOPD, and Fire.

Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the PD.

18. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the DX-7 Downtown Mixed-Use District.

DEPARTMENT OF PLANNING AND DEVELOPMENT
CITY OF CHICAGO

MEMORANDUM

To: Alderman Tom Tunney
Chairman, City Council Committee on Zoning

From: 
Maurice D. Cox
Chicago Plan Commission

Date: December 16, 2021

Re: Proposed Residential-Business Planned Development – 1245 W. Fulton Market St.

On December 16, 2021, the Chicago Plan Commission recommended approval of the proposed Planned Development, submitted by 1245 W. Fulton LLC. A copy of the proposed ordinance, planned development statements, bulk table and exhibits are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact Carmen Martinez at 312-744-5920.
