**CERTIFICATION**

---

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 26th Ward Alderman Roberto Maldonado - submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership. The lot line is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws contained by the Municipal Code of the City of Chicago and requirements set forth in the application and by the Committee on Traffic Control and Safety, the Department of Transportation and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.

 Check if Applying**15 MINUTE STANDING ZONE**

Please understand that:

- Vehicles parking in standing zones are limited to 15 minutes and must have their hazards flashing while the driver is away from the vehicle.
- Vehicles extending their stay over the 15-minute time limit are in violation of the Chicago Municipal Code and are liable to receive a citation.
- Even though the standing zone is placed adjacent to your business, vehicles standing in the zone for the allotted time are not obligated to patronize your business.
- It is illegal to post additional signage in the public way, including signage which would cause one to assert that the loading zone is reserved solely for your business.
