Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
16. The Applicant acknowledges and agrees that the rezoning of the Property from RT4 Two-Flat, Townhouse and Multi-Unit District and RM5 Multi Unit District to RT4 Two-Flat, Townhouse and Multi-Unit District, and then to this Planned Development for construction of the Project triggers the requirements of Section 2-45-115 of the Municipal Code (the “Affordable Requirements Ordinance” or the “ARO”). Any developer of a “residential housing project” within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the “Required Units”) as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of

the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site. The Property is located in a low-moderate income area” within the meaning of the ARO. As a result, the Applicant’s affordable housing obligation is 7 affordable units (10% of 64 units rounded up), 2 of which are Required Units (25% of 7). The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development (“DPD”) for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development, the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to RT4 Two-Flat, Townhouse and Multi-Unit.

Re: Rezoning 2833 W. Adams (Calhoun School)-Contingent on Tax Credits

Dear Mr. Murphey and Chairman Solis:

The Chicago Board of Education ("Board") and Heartland Housing, an Illinois not-for-profit corporation ("Heartland") have entered into a contract for the sale of the former Calhoun School at 2833 W. Adams, PINS: 16-13-117-021, 16-13-117-022, and 16-13-117-023 ("Property"). The contract is contingent upon Heartland's securing Low-Income Housing Tax Credits ("tax credits") from IHDA or the City of Chicago by October 14, 2019. If Heartland does not obtain the tax credits by October 14, 2019, either the Board or Heartland may cancel the contract.

The Property is currently zoned RM-5. Heartland has advised the Board that it is required to file an application to rezone the Property as a planned development ("Project") to obtain tax credits from IHDA by October 14, 2019. Based on this information, the Board hereby consents to Heartland's *filing* a planned development application to rezone the Property for 64 units of affordable housing.

This authorization is for the sole purpose of enabling Heartland to file an application for IHDA tax credits. *The planned development application is to be placed on hold until the Board and Heartland notify the City that the Project is proceeding.*

Please contact the Board's Director of Real Estate, Sevara Davis (sedavis6@cps.edu) 773.553.3120 or its counsel Alison Gillis (avgillis@cps.edu) 773.553.1730 if you have any questions. Thank you.
