Re: Proposed Relocation of Legacy Charter School

Legacy Charter School ("Legacy"), an Illinois not-for-profit corporation which has been educating elementary school students in the 24th Ward for over ten years, has asked for permission from the City of Chicago to file rezoning, variation, redevelopment agreement, and related City approvals for the proposed relocation of Legacy from its current location at the Chicago Public School's Roswell B. Mason School building to a vacant site bounded by Ogden Avenue on the south, Christiana Avenue on the west, Spaulding Avenue on the east, and privately owned property to the north (the "Relocation Site"). As explained below, most of the Relocation Site is owned by the City of Chicago. The proposed relocation of Legacy to the Relocation Site is supported by 24th Ward Alderman Michael D. Chandler.

A plat of the Relocation Site is attached. The City of Chicago owns Lots 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 32, 33, and 34 of the Relocation Site. The Steans Family Foundation ("SFF") controls Lots 2, 22, and 31 within the Relocation Site. A table listing the property index numbers of all those lots is attached. The SFF, which is a supporter of Legacy, will ultimately convey title to its aforesaid Lots 2, 22, and 31 to Legacy as part of the assembly of the Relocation Site and its redevelopment as Legacy's new home.

The balance of the Relocation Site is a public alley. As indicated in the attached draft Plat of Vacation, Legacy seeks to have a portion of the existing alley vacated under the City of Chicago Not-For-Profit Corporation Street or Alley Vacation Program in order that the vacated portions of the alley can be incorporated into the redevelopment of the Relocation Site. In order to provide alley access to the private property owners located north of the Relocation Site, as indicated in the attached Plat of Dedication, Legacy will either itself or through the SFF cause the dedication of the northern portion of Lot 2 to create a new east/west connection between the remaining north/south segment of the alley and Spaulding Avenue. If the remaining privately held lots north of the Relocation

Site are later acquired by either the SFF or another not-for-profit with the result that the north/south segment of the alley is no longer needed, Legacy's proposed Redevelopment Agreement with the City – which, of course, will require approval by the Chicago Development Commission and the Chicago Council – will provide that the alley described in the Plat of Dedication would subsequently be vacated and conveyed to Legacy. Under the proposed Redevelopment Agreement, the City will convey all City-owned property within the Redevelopment Site – whether in the form of the aforesaid subdivided lots or the alley described in the Plat of Vacation – to Legacy in order to facilitate Legacy's relocation to the Redevelopment Site. The SFF controlled property within the Redevelopment Site will be conveyed to Legacy in order for construction of the new school building to proceed.

Legacy's proposed Site Plan for the Redevelopment Site is also attached. It has been favorably reviewed by both the Zoning Administrator and her staff and by Maureen West of the Chicago Department of Transportation and her staff. Lots 20 through 30, inclusive along Ogden Avenue, are located in a C-2 zoning district, while the balance of subdivided lots are zoned RT4. The goal is to rezone Lots 20 through 30 and the entirety of the existing public alley north of said lots to the same RT4 zoning district classification applicable to the rest of the Redevelopment Site. The Zoning Administrator has identified the variations required in order to redevelop the Relocation Site pursuant to the Site Plan. The Chicago Department of Transportation has expressed its support for the means of access and parking layout depicted on the Site Plan.

The proposed redevelopment of the Redevelopment Site pursuant to the Site Plan is consistent with existing land uses and will provide a proven educational benefit for the community. Legacy's goal is to obtain a No Further Remediation letter for the Relocation Site from the Illinois Environmental Protection Agency and to expedite City approvals in order for construction to proceed in 2015 and for Legacy to reopen at its new home on the Relocation Site when a new school year begins in the late summer of 2016. Accordingly, Legacy is hereby authorized:

1. to file applications to rezone City-owned Lots 20, 21, 23, 24, 25, 26, 27, 28, 29, and 30 and the entirety of the existing public alley north of said lots from their existing C-2 zoning district classification as shown on the attached Site Plan to that of RT4;
2. to file whatever variation applications are deemed necessary by the Zoning Administrator to proceed with redevelopment consistent with the Site Plan, including with respect to all City-owned lots within the Redevelopment Site: *i.e.*, Parcel 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 32, 33, and 34;
3. to file an application for City approval of the attached Plat of Vacation under the City's Not-for-Profit Corporation Street and Alley Vacation Program, as well as an application for City approval of the attached Plat of Dedication;

4. to file an application for approval of a Redevelopment Agreement seeking the conveyance of the aforesaid City-owned Lots 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 32, 33, and 34 to Legacy to facilitate its relocation pursuant to the Site Plan; and
5. to submit the aforesaid City-owned Lots 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 32, 33, and 34 to the Illinois Environmental Protection Agency Site Remediation Program in order to obtain a No Further Remediation Letter including the submission of IEPA SRP DRM Forms 1 and 2, copies of which are attached.

The SFF will need to supply customary consents to any of the aforesaid applications involving Lots 2, 22, and 31, currently controlled by the SFF.

I am copying the Zoning Administrator and the Commissioner of the Department of Transportation on the attached to facilitate Legacy's efforts and enlist their assistance on this worthwhile effort.

Re: Legacy Charter School Application to Rezone 3300-3330 W. Ogden Avenue,
Chicago, Illinois from C1-2 to RT4

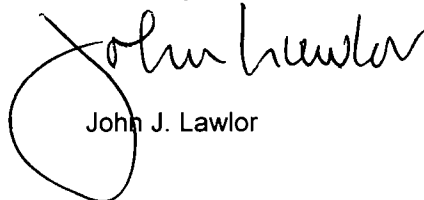

The undersigned, John J. Lawlor, being first duly sworn on oath deposes and states the following:

The undersigned certifies that he has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said "written notice" was sent by United States Postal Service, First Class Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the common address and the boundaries of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the party who owns or controls the property; a statement that the applicant intends to file the application for a change in zoning on approximately September 30, 2014; and a source for additional information on the application.

The undersigned certifies that the applicant has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance based on ownership information from the most recent authentic records of Cook County, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people require to be served.

Sincerely,

John J. Lawlor

Re: Legacy Charter School Application to Rezone 3300-3330 W. Ogden Avenue, Chicago, Illinois (including the adjacent alley) from the C1-2 Neighborhood Commercial District to the RT4 Residential Two-Flat, Townhouse and Multi-Unit District

Dear Property Owner or Resident:

We are attorneys for Legacy Charter School, an Illinois not-for-profit corporation (the "applicant"), whose address is 4217 West 18th Street, Chicago, Illinois 60623.

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about September 30, 2014, the undersigned will file an application to rezone the property commonly known as 3300-3330 W. Ogden Avenue, Chicago, Illinois, together with the adjacent alley (the "subject property") further described on Exhibit A, attached, from its existing C1-2 Neighborhood Commercial District Zoning classification to the RT4 Residential Two-Flat, Townhouse and Multi-Unit District zoning classification. The applicant intends to utilize the subject property for a new elementary school containing approximately 23 classrooms, gym, administrative offices, cafeteria, and accessory facilities, including landscaped grounds and surface parking to be located on the subject property and on contiguous property to the north which is already in an existing RT4 zoning district that is commonly known as 1647-1655 S. Christiana and 1646-1648 S. Spaulding.

At present, the subject property is vacant; the existing alley will be partially vacated but will remain functional by means of dedicating a new east/west link to S. Spaulding Avenue.

The City of Chicago and the Steans Family Foundation, which are the owners of the subject property, are located at 121 N. LaSalle Street, Chicago, Illinois and 50 East Washington Street, Suite 410, Chicago, Illinois 60602, respectively. The contact person for this application for additional information is John J. Lawlor, Esq., c/o Dentons US LLP, 233 S. Wacker, Suite 7800, Chicago, Illinois 60606.

Please note that the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because tax records of Cook County indicate that you own property within 250 feet of the property to be rezoned.

Sincerely,

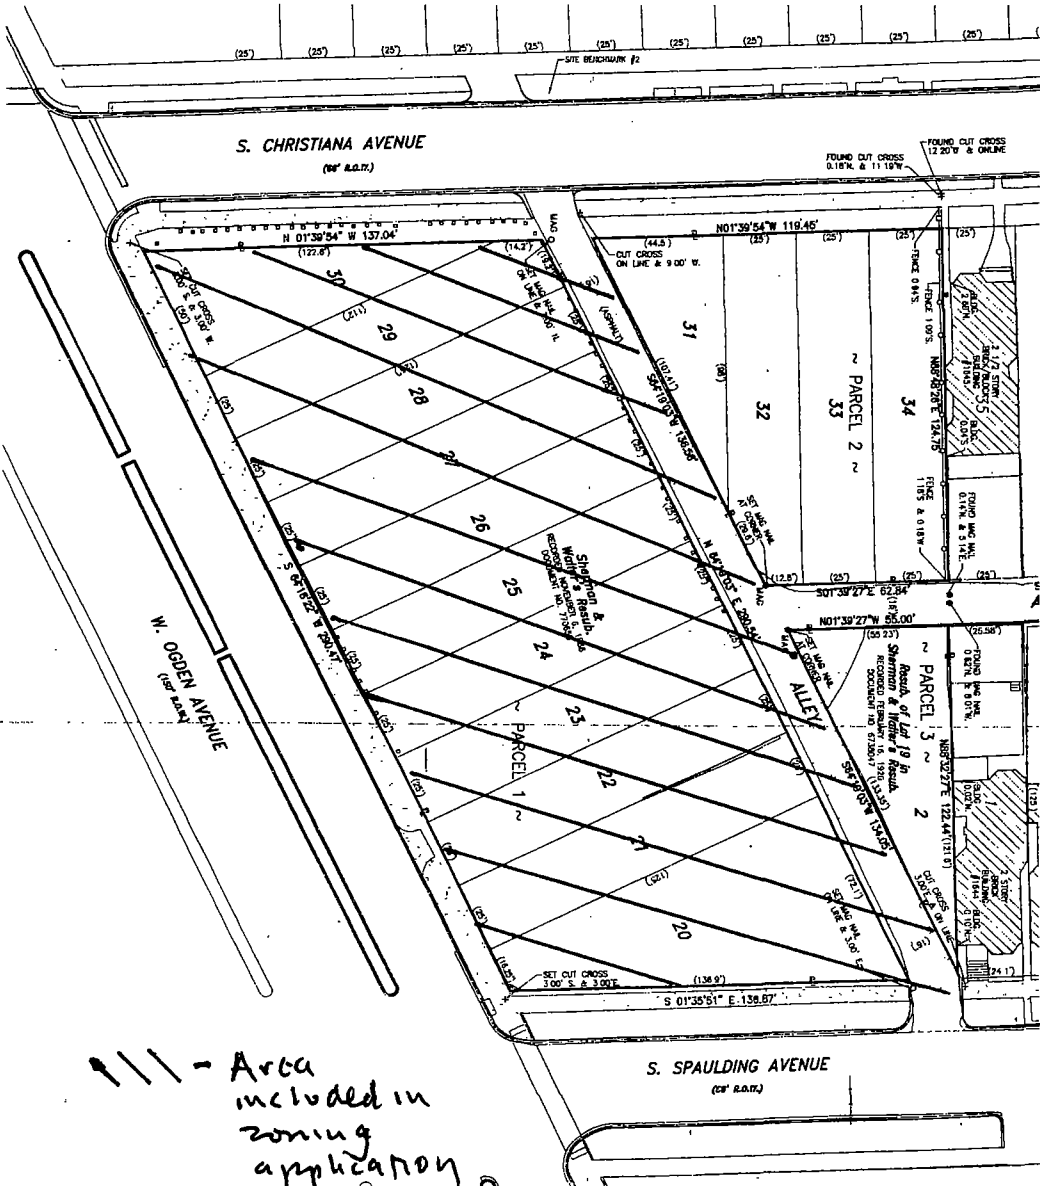

John J. Lawlor
