Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Last Steep LLC, the applicant for an amendment to the Chicago Zoning Ordinance, certifies that he has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways, or a total distance limited to 400 feet. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

Project Narrative

1640 North Damen Avenue Application for Rezoning

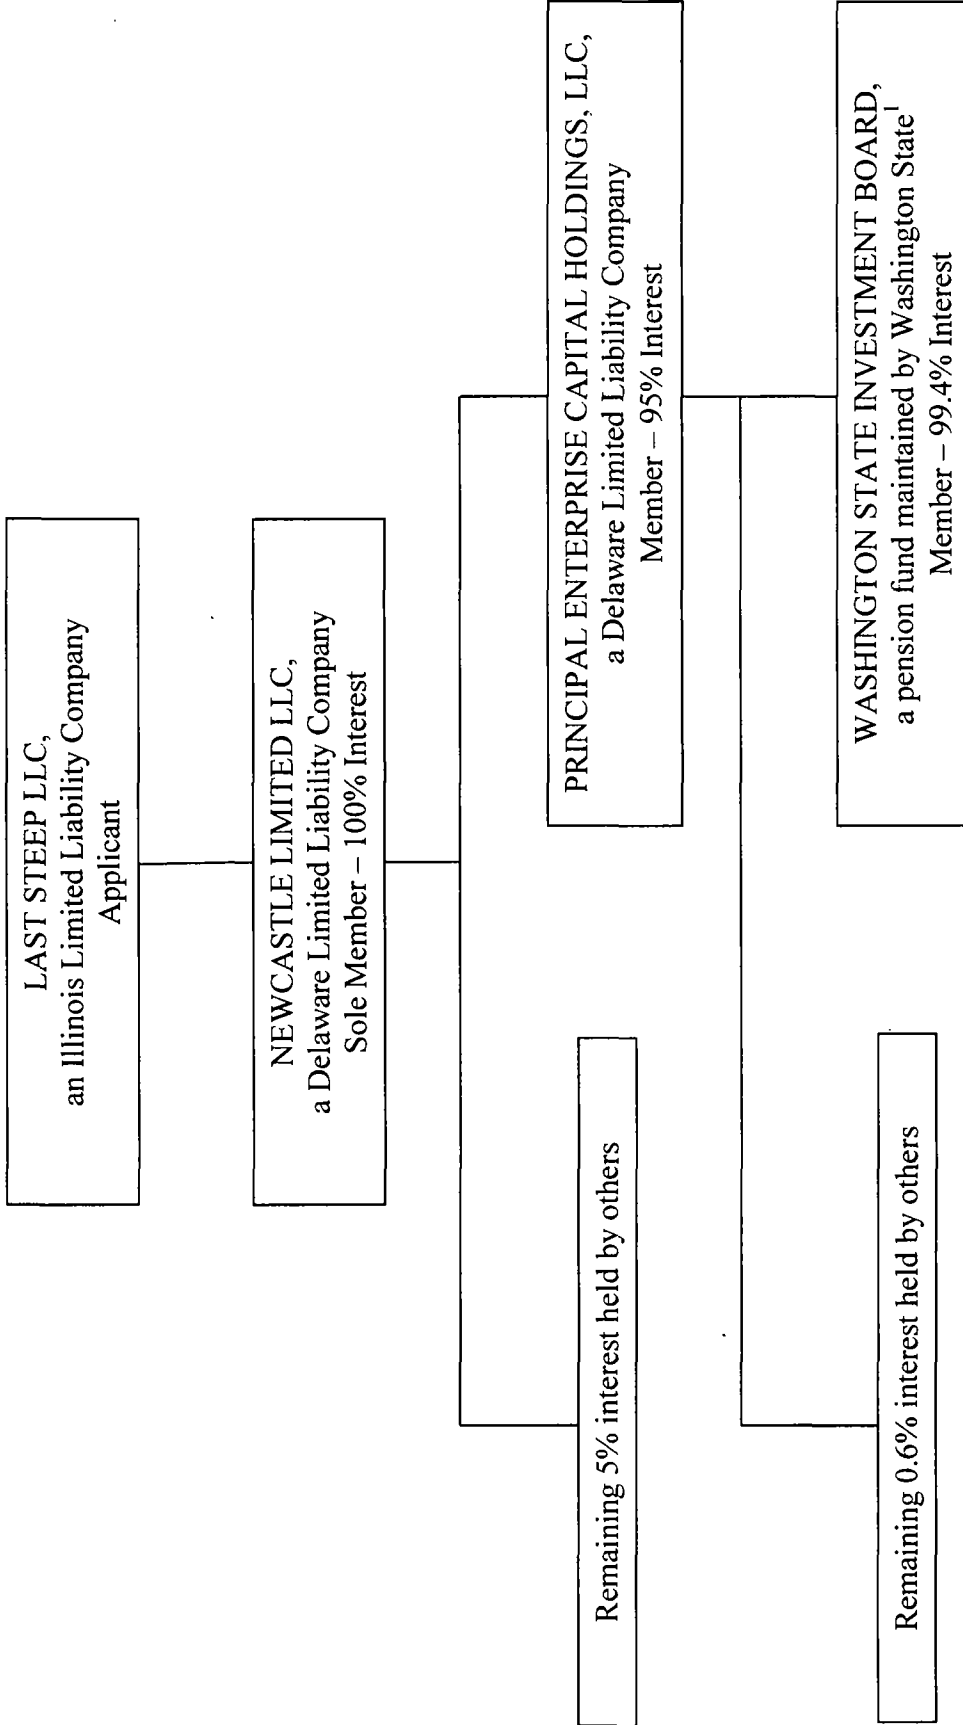

Last Steep LLC (the “Applicant”) is the applicant for an amendment to rezone the property located at 1640 North Damen Avenue (the “Property”) from the M1-2 Limited Manufacturing/Business Park District to the B3-3 Community Shopping District. The Applicant is the owner of the Property. The Property is an approximately 3,999 square foot (0.092 acre) site, and is currently improved with a 3-story brick building, with ground floor commercial space and upper level dwelling units. The Applicant proposes to renovate the approximately 4,000 square foot ground floor commercial space, including storefront, interior renovations and MEP, for use by a retail tenant. The space is currently occupied by a tavern. The existing dwelling units will remain.

The existing building includes up to 10,980 square feet of floor area, equating to a floor area ratio of 2.8. The current density is approximately 666 square feet per dwelling unit. The current building height is approximately 34.68 feet. The proposed changes would not increase the existing floor area ratio, density or building height. The existing building was constructed without setbacks, and the proposed changes would not alter that condition.

The Property is not currently served by any off-street parking, and there are no existing curb cuts. The proposed changes would not provide for any new off-street parking or new curb cuts. The Property abuts Damen Avenue, which is a designated pedestrian street at this location. Pursuant to Section 17-3-0504-E, no parking is required for nonresidential uses with less than 10,000 square feet of floor area. No loading is required for retail uses up to 9,999 square feet in area, or for multi-unit residential uses up to 24,999 square feet in area. Accordingly, no loading is required for the existing or proposed uses.

The area surrounding the subject property is predominantly characterized by 2-3 story buildings along Damen Avenue and nearby Milwaukee Avenue and North Avenue, with pedestrian-oriented ground floor retail and commercial uses and residential units located above.
