Tenant shall comply with all Governmental Laws, ordinances, regulation's, directives, orders, judgments, permits and licenses ("Laws") applicable to its use and occupancy of the premises and shall promptly comply with all governmental orders and directives for the correction, prevention and abatement of any violations or nuisances in or upon, or connected with the Premises, all Tenant's sole expense. If, as a result of any change in Laws, the Premises must be altered to lawfully accommodate the use and occupancy thereof, such alterations shall be made only with the consent of Landlord, but the entire cost thereof shall be Borne by Tenant; provided, that the necessity of Landlord's consent shall in no way create any liability against Landlord for the failure of tenant to comply with such Laws. Tenant shall not permit any objectionable or unpleasant odors, smoke, dust, gas, noise or vibrations to emanate from the Premises nor take any other action which would constitute a nuisance or permit any use which would adversely affect the reputation of the Premises. Tenant will use the Premises in a safe, careful and proper manner and will not commit waste, overload the floor or structure of the Premises or subject the Premises to use that would damage the Premises. Tenant will comply with any covenants or restrictions affecting the Premises.

B. Landlord reserves, and may exercise, the following rights without affecting Tenant's obligations hereunder: (i) to change the name or street address of the Premises, and (ii) to retain at all times pass keys to the Premises.

C. Except for Hazardous Material contained in products used by Tenant in de minimis quantities for ordinary cleaning and office purposes, Tenant shall not permit or cause any party to bring any Hazardous Material upon the Premises or transport, store, use, generate, manufacture or release any Hazardous Material in or about the Premises without Landlord's prior written consent. Tenant, at its sole cost and expense, shall operate its business in the Premises in strict compliance with all Environmental Requirements and shall remediate in a manner reasonably satisfactory to Landlord any Hazardous Materials released on or from the Premises by Tenant, its agents, employees, contractors, subtenants or invitees. Tenant shall complete and certify to disclosure statements as reasonably requested by Landlord from time to time relating to Tenant's transportation, storage, use, generation, manufacture or release of Hazardous Materials on the Premises. The term "Environmental Requirements" means all applicable present and future statues, regulations, ordinances, rules, codes, judgments, orders or other similar enactments of any governmental authority or agency regulating or relating to health, safety, or environmental conditions on, under, or about the Premises or the environment, including without limitation, the following: the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act, and all state and local counterparts thereto, and any regulations or policies promulgated or issued thereunder. The term "Hazardous Materials" means and includes any substance, material,

Environmental Requirements, asbestos and petroleum, including crude oil or any fraction thereof, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel (or mixtures of natural gas and such synthetic gas). As defined in Environmental Requirements, Tenant is and shall be deemed to be the "operator" of Tenant's "facility" and the "owner" of all Hazardous Materials brought on the Premises by Tenant, its agents, employees, contractors or invitees, and the wastes, by-products, or residues generated, resulting, or produced therefrom.

Tenant shall indemnify, defend, and hold Landlord harmless from and against any and all losses (including, without limitation, diminution in the value of the Premises and loss of rental income from the Premises), claims, demands, actions, suits, damages (including, without limitation, punitive damages), expenses (including, without limitation, remediation, removal, repair, corrective action, or cleanup expenses), and costs (including, without limitation, actual attorneys' fees, consultant fees or expert fees and including without limitation, removal or management of any asbestos brought into the property or disturbed in breach of the requirements of this Section 3C regardless of whether such removal or management is required by law) which are brought or recoverable against, or suffered or incurred by Landlord as a result of any release of Hazardous Materials for which Tenant is obligated to remediate as provided above or any other breach of the requirements under this Section 3C by Tenant, its agents, employees, contractors, subtenants, assignees or invitees, regardless of whether Tenant had knowledge of such noncompliance. The obligations of Tenant under this Section 3C shall survive any termination of this Lease.

Landlord shall have access to, and a right to perform inspections and tests of, the Premises to determine Tenant's compliance with Environmental Requirements, its obligations under this Section 3C, or the environmental condition of the Premises. Access shall be granted to Landlord upon Landlord's prior notice to Tenant and at such times so as to minimize, so far as may be reasonable under the circumstances, any disturbance to Tenant's operations. Such inspections and tests shall be conducted at Landlord's expense, unless such inspections or tests reveal that Tenant has not complied with any Environmental Requirement, in which case Tenant shall reimburse Landlord for the reasonable cost of such inspection and tests. Landlord's receipt of or satisfaction with any environmental assessment in no way waives any rights that Landlord holds against Tenant.

D. Until the later of expiration of the Term or delivery of possession of the Premises by Tenant to Landlord, the Tenant will promptly notify the Landlord and its mortgagee from time to time if it knows, suspects or believes there may be any Hazardous Materials in or around the Premises, or in the soil, groundwater or soil vapor on or under the Premises, or that the Tenant or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Materials.

E. Landlord and its agents and representatives (including its mortgagee from time to time) will have the right at any reasonable time to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples, and conducting tests on any part of the Premises. Neither the Landlord nor its mortgagee from time to time is under any duty, however, to visit or observe the Premises or to conduct tests, and any such acts by the Landlord or its mortgagee will be solely for the purposes of protecting the Landlord's rights or such mortgagee's rights, as applicable, under this Lease. No site visit, observation or testing by the Landlord or its mortgagee from time to time will result in a waiver of any default of the Tenant or impose any liability on the Landlord or its mortgagee from time to time. In no event will any site visit, observation or testing by the Landlord or its mortgagee from time to time be a representation that Hazardous Materials are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to any other party is entitled to rely on any site visit, observation or testing by the Landlord or its mortgagee from time to time. Neither the Landlord nor its mortgagee from time to time owes any duty of care to protect the Tenant, or any other party against, or to inform the Tenant or any other party of, any Hazardous Materials or any other adverse condition affecting the Premises. In each instance, the Landlord or its mortgagee from time to time, as appropriate, will give the Tenant reasonable notice before entering the Premises. The Landlord or its mortgagee, as appropriate, will make reasonable efforts to avoid interfering with the Tenant's use of the Premises in exercising any rights provided in this Section.

4. Taxes

A. Tenant agrees to pay all general and special taxes, assessments and governmental charges of any kind and nature whatsoever ("Taxes") lawfully levied against the Premises and payable during the Term hereof. Landlord may contest by appropriate legal proceedings the amount, validity, or application of any Taxes or liens thereof. All capital levies or other taxes assessed or imposed on Landlord upon the rents payable to Landlord under this Lease and any franchise tax, any excise, transaction, sales or privilege tax, assessment, levy or charge measured by or based, in whole or in part, upon such rents from the Premises or any portion thereof shall be paid by Tenant to Landlord monthly in estimated installments or upon demand, at the option of Landlord, as additional rent; provided, however in no event shall Tenant be liable for any net income taxes imposed on Landlord unless such net income taxes are in substitution for any Taxes payable hereunder. If any such tax or excise is levied or assessed directly against Tenant, then Tenant shall be responsible for and shall pay the same at such times and in such manner as the taxing authority shall require. Tenant shall be liable for all taxes levied or assessed against any personal property or fixtures placed in the Premises, whether levied or assessed against Landlord or Tenant.

5. Tenant's Repairs

Except for those obligations of Landlord provided in Section 1 hereof, Tenant agrees to keep and maintain the own cost and expense, in good condition, and to promptly make any and all necessary repairs: Tenant, as part of its obligations hereunder, shall (i) keep the parking areas, driveways, alleys and the whole of the Premises in a clean and sanitary condition, and (ii) without injury to the roof, other horizontal surfaces of the building, downspouts, parking areas, driveways and sidewalks, remove all snow and ice from same. Tenant will, as far as possible, keep all such parts of the Premises from deterioration due to ordinary wear and from failing temporarily out of repair, and upon termination of this Lease in any way Tenant will yield up the Premises to Landlord in good condition and repair, loss by fire or other casualty covered by insurance to be maintained pursuant to Section 12A hereof excepted. Landlord may, at Landlord's option, enter into and upon the Premises, with or without process of law, if Landlord determines in its sole discretion that Tenant has failed to act within a commercially reasonable time to maintain, repair or replace anything for which Tenant is responsible hereunder and correct the same, without being deemed in any manner guilty of trespass eviction or forcible entry and detainer and Tenant agrees to reimburse Landlord, on demand, as additional rent, for any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease. Landlord's exercise of this right shall be in addition to any right to declare Tenant in default as provided herein for such failure.

6. Alterations

Tenant shall not make any alterations, additions or improvements ("Alterations") to the Premises without the prior written consent of Landlord, which consent may not be unreasonably withheld or delayed. Each request shall be accompanied by plans detailing the proposed Alteration. In connection with any request Landlord may retain the services of an architect and/or engineer and Tenant shall reimburse Landlord for the reasonable fees of such architect and/or engineer. If Landlord consents to any Alterations, Tenant shall construct the same in accordance with all Laws and shall, prior to construction, provide such assurances to Landlord, (including but not limited to, surety company performance bonds and personal guarantees of individuals of substance) as Landlord shall require to protect Landlord against any loss from any mechanics', materialmen's or other liens. At the time of completion of each Alteration, Tenant shall deliver to Landlord a set of final "as-built" plans. Tenant may, without the consent of Landlord, but at its own cost and expense and in a good workmanlike manner erect such shelves, bins, machinery and other trade fixtures as it may deem advisable, without altering the basic character of the Premises and without overloading the floor or damaging the Premises and in each case after complying with all applicable Laws and other requirements. All Alterations and partitions erected by Tenant shall be and remain the property of Tenant during the Term and Tenant shall, let Landlord otherwise elects at the time of termination, remove all Alterations and partitions erected by Tenant (but not any improvements erected for Tenant by Landlord at the commencement of the Term) and restore the Premises to their original condition by the date of termination of this Lease or upon earlier vacating of the Premises. All shelves, bins, machinery and trade fixtures installed by Tenant may be removed by Tenant prior to the termination of this Lease if Tenant so elects, and shall be removed by the date of termination of this Lease or upon earlier vacating of the Premises if required by Landlord; upon any such removal Tenant shall restore the Premises to their original condition (including the removal of all fastening bolts and the patching of the walls and floors where necessary). All such removals and restoration shall be accomplished in a good workmanlike manner so as not to damage the primary structure or structural qualities of the building.

7. Signs

Tenant shall not install any signs upon the Premises not already in existence without Landlord's consent, not to be unreasonably withheld. Upon surrender or vacation of the Premises, Tenant shall have removed all signs and repair, paint, and/or replace the building facia surface to which its signs are attached. Tenant shall obtain all applicable governmental permits and approvals for sign and exterior treatments.

8. Inspections

Landlord and Landlord's agents and representatives shall have the right to enter and inspect the Premises at any reasonable time: (i) to ascertain the condition of the Premises; (ii) to determine whether Tenant is diligently fulfilling Tenant's responsibilities under this Lease; (iii) to supply any service to be provided by Landlord to Tenant hereunder; (iv) to make such repairs as may be required or permitted to be made by Landlord under the terms of this Lease (and may for that purpose, without abatement of rent, erect, use and maintain scaffolding, pipes, conduits, and other necessary structures in, through or on the Premises where reasonably required by the character of the work to be performed, provided entrance to the Premises shall not be blocked thereby, and further provided that the business of Tenant shall not be interfered with unreasonably); (v) to show the Premises to prospective purchasers or mortgagees; and (vi) to do any other act or thing which Landlord deems reasonable to preserve the Premises. In the event that Landlord requires access to any under-floor duct, Landlord's liability for carpet (or other floor covering) replacement shall be limited to replacement of the piece removed. During the two (2) months prior to the end of the Term and at any time Tenant is in default hereunder, Landlord and Landlord's agents and representatives shall have the right to enter the Premises at any reasonable time during business hours for the purpose of showing the Premises and shall have the right to erect on the Premise suitable signs indicating that the Premises are available for lease. Tenant shall give written notice to Landlord at least thirty (30) days prior to vacating the Premises and shall arrange to meet with Landlord for a joint inspection of the Premises prior to vacating. In the event of Tenant's failure to give such notice or arrange such joint inspection, Landlord's inspection at or after Tenant's vacating the Premises shall be conclusively deemed correct for purposes of determining Tenant's responsibility for repairs and restoration.

9. Utilities

Except for those obligations of Landlord provided in Section 1 hereof, Tenant shall pay for all water, gas, heat, light, power, telephone, sewer, stormwater detention, and other utilities and services used on or from the Premises, including without limitation, the cost of any central station signaling system installed in the Premises together with any taxes, penalties, and surcharges or the like pertaining thereto and any maintenance charges for utilities. Tenant shall furnish all electric light bulbs, tubes and ballasts, battery packs for emergency lighting and fire extinguishers. If any such services are not separately metered to Tenant, Tenant shall pay such proportion of all charges jointly metered with other premises as determined by Landlord, in its sole discretion, to be reasonable. Any such charges paid by Landlord and assessed against Tenant shall be immediately payable to Landlord on demand and shall be additional rent hereunder. Landlord shall in no event be liable for any interruption or failure of any utilities

services on or to the Premises. Upon request by Landlord from time to time, Tenant will provide Landlord with proof of payment of utilities by Tenant.

10. Assignment and Subletting

A. Without Landlord's prior written consent, Tenant shall not assign or pledge this Lease or sublet the whole or any part of the Premises, or mortgage or pledge its leasehold interest whether voluntarily or by operation of law, or permit the use or occupancy of the Premises by anyone other than Tenant; any attempt to do any of the foregoing shall be void and of no effect. Tenant shall pay to Landlord, on demand, a reasonable service charge for the processing of the application for consent and preparation of the consent and/or the assumption documents. For purposes of this paragraph, a transfer of 50% or more of the ownership interests controlling Tenant shall be deemed an assignment of this Lease.

B. Any assignment or subletting by Tenant pursuant to Section IOA of all or any portion of the Premises shall automatically operate to terminate each and every special right, option or election, if any exist, belonging to Tenant, including, without limitation, any option to purchase the Premises or to extend or renew the Term for all or any portion of the Premises; such rights and options shall cease as to both spaces sublet or assigned and as to any portion of the original Premises retained by Tenant.

c. It shall not be unreasonable for Landlord to withhold its consent to any proposed assignment or sublease if (i) the proposed assignee's or sublessee's anticipated use of the Premises involves the generation, storage, use, treatment or disposal of Hazardous Materials; (ii) the proposed assignee or sublessee is subject to an enforcement order issued by any governmental authority in connection with the use, disposal, or storage of a Hazardous Materials; (iii) the assignee or sublessee does not have a net worth calculated according to generally accepted accounting principles at least equal to the greater of the net worth of Tenant immediately prior to such assignment or sublease or the net worth of the Tenant at the time it executed the Lease; (iv) the intended use of the Premises by the assignee or sublessee is not reasonably satisfactory to Landlord; (v) the intended use of the Premises by the assignee or sublessee would materially increase the pedestrian or vehicular traffic to the Premises; (vi) occupancy of the Premises by the assignee or sublessee would, in Landlord's opinion, violate any agreement binding upon Landlord or the Premises with regard to the identity of tenants, usage in the Project, or similar matters; (vii) the identity or business reputation of the assignee will, in the good faith judgment of Landlord, tend to damage the goodwill or reputation of the Premises; (viii) in the case of a sublease, the subtenant has not acknowledged that the lease controls over any inconsistent provision in the sublease; or (ix) the proposed assignee or sublessee is a government entity.

The foregoing criteria shall not exclude any other reasonable basis for Landlord to refuse its consent to such assignment or sublease.

D. Any approved assignment or sublease shall be expressly subject to the terms and conditions of this Lease. Tenant shall provide to Landlord all information concerning the assignee or sublessee as Landlord may request. Landlord may revoke its consent immediately and without notice if, as of the effective date of the assignment or sublease, there has occurred and is continuing any default under the Lease.

11. Insurance; Fire and Casualty Damage

A. Tenant shall, at its sole expense, obtain for, deliver to, assign to and maintain for the benefit of Landlord which shall be an additional party insured and its mortgagee from time to time, during the term hereof, policies of hazard insurance in an amount which shall be not less than 100% of the full insurable replacement cost of the improvements on the Premises, on a replacement cost basis and on an "All Risks" or "Special Causes of Loss" form, against loss or damage occasioned by such insurable hazards, casualties and contingencies as Landlord may require, including, without limitation, fire, windstorm, rainstorm, vandalism, earthquake, if available, and, of the Premises is located within an area identified by the government of the United States or any agency thereof as having special flood hazards and for which flood insurance is available, floods. Certificates of insurance or certified copies of all such policies and renewals thereof shall be held by Landlord and shall contain a non-contributory standard mortgagee endorsement making losses payable to Landlord's mortgagee, if any. In the event of loss, Tenant shall give immediate notice to Landlord and Landlord may make proof of loss if not made promptly by Tenant. All such policies shall provide that insurer shall not modify, cancel or terminate such policies without at least thirty (30) days' prior written notice in each case to Landlord and Landlord's mortgagee from time to time from the insurer. Tenant also hereby covenants and agrees that Tenant shall give Landlord and its mortgagee from time to time thirty (30) days' written notice in each case of Tenant's intent to modify, cancel or terminate such policies.

B. Tenant shall, at its sole expense, obtain for, deliver to, assign to and maintain for the benefit of, Landlord and its mortgagee from time to time, (i) an occurrence basis commercial general liability insurance policy in an amount reasonably acceptable to Landlord, and (ii) such other insurance policies relating to the Premises and the use and operation thereof, or construction thereon, including, without limitation, such worker's compensation insurance as may be required by Laws, in such amounts as may be reasonably required by Landlord and with such companies and in such form as may be reasonably acceptable to Landlord. Each insurance company is hereby authorized and directed to make payment of 100% of all such losses directly to Landlord alone, or as Landlord directs. After deducting from such insurance proceeds any expenses incurred by landlord in the collection and settlement thereof, including without limitation attorneys' and adjusters' fees and charges, Landlord shall apply such net proceeds to the restoration of the Premises as provided herein. Landlord shall not be responsible for any failure to collect any insurance proceeds due under the terms of any policy regardless of the cause of such failure.

D. If all or any part of the Premises shall be damaged or destroyed by fire or other casualty or shall be damaged, the entire amount of the compensation from any such casualty, damage or taking, shall, subject to the terms of any mortgage encumbering the Premises, be used by Tenant to repair or replace the damaged Premises; provided, however that prior to the release of any proceeds to Tenant for the Tenant's use in repairing or replacing the damaged Premises, Tenant shall conform to the terms of any mortgage encumbering the Premises relating to the use of casualty insurance proceeds and, in addition, shall submit to Landlord: (a) plans and specifications for the repair or replacement of the damaged Premises, and (b) fixed price contracts with good and responsible contractors and materialmen covering all work and materials necessary to complete any proposed repair or replacement of the damaged Premises. If Tenant is required to deposit funds under this Section, the deposit of such funds shall be a condition precedent to Landlord's disbursement of any proceeds held by Landlord hereunder. The amount of proceeds, which is to be made available to Tenant, together with any deposits made by Tenant hereunder, shall be disbursed from time to time to pay the cost of repair or restoration either, at Landlord's option, to Tenant or directly to contractors, subcontractors, material suppliers and other persons entitled to payment in accordance with and subject to such conditions to disbursement as Landlord may impose to assure that the work is fully completed in a good and workalike manner and paid for and that no liens or claims arise by reason thereof.

E. At least thirty (30) days prior to the expiration date of any policy evidencing insurance required under this Section, a renewal thereof, substitution therefor, or certificate of

insurance evidencing the renewal thereof or substitution therefor satisfactory to Landlord shall be delivered to Landlord with receipts or other evidence of the payment of any premiums then due on such renewal policy or substitute policy.

F. Tenant covenants and agrees to maintain insurance on all alterations, additions, partitions and improvements erected by or on behalf of Tenant in, on or about the Premises in an amount equal to the replacement cost thereof. Such insurance shall insure against the perils and be in form, including stipulated endorsements, as provided in Section 1 IA hereof. Such insurance shall be for the sole benefit of Tenant and under its sole control, provided that Tenant shall be obligated to immediately commence the rebuilding of the improvements erected by Tenant and to apply such proceeds in payment of the cost thereof.

G. Each of Landlord and Tenant hereby releases the other from any and all liability or responsibility to the other or anyone claiming through or under them by way of subrogation or otherwise for any loss or damage to property caused by fire, extended coverage perils, vandalism or malicious mischief sprinkler leakage, or any other perils insured in policies of insurance covering such property, even if such loss or damage shall have been caused by the fault or negligence of the other party, or anyone for whom such party may be responsible, provided, however, that this release shall be applicable and in force and effect only to the extent that such release shall be lawful at that time and in any event only with respect to loss or damage occurring during such times as the releasor's policies shall contain a clause or endorsement to the effect that any such release shall not adversely affect or impair said policies or prejudice the right of the releasor to recover thereunder and then only to the extent of the insurance proceeds payable under such policies. Each of Landlord and Tenant agrees that it will request its insurance carriers to include in its policies such a clause or endorsement.

H. In the event of any damage or destruction to the Premises by any peril covered by the provisions of this Section 11, Tenant shall, upon notice from Landlord, forthwith remove, at its sole cost and expense, such portion or all of Tenant's shelves, bins, machinery and other trade fixtures and all other property belonging to Tenant or his licensees from such portion or all of the Premises as Landlord shall request and Tenant hereby indemnifies and holds harmless the Premises and Landlord from any Loss, liability, claims, suits costs, expenses, including attorney's fees and damages, both real and alleged, arising out of any damage or injury as a result of the failure to properly secure the Premises prior to such removal and/or as a result of such removal.

I. In the event of any insurance claim, Tenant shall be liable for the payment of any deductible under any of the insurance policies Tenant is required to provide with respect to the Premises.

12. Liability; Indemnity

A. Landlord shall not be liable to Tenant or Tenant's employees, agents, patrons or visitors, or to any other person whomsoever, for any injury to persons or damage to property on

or about the Premises resulting from and/or caused in part or whole by the negligence or misconduct of Tenant, its agents, employees, invitees or any other person entering upon the Premises, or caused by the Premises becoming out of repair, or caused by leakage of gas, oil, water or steam or by electricity emanating from the Premises, or due to any cause whatsoever.

B. To the full extent permitted by law, Tenant agrees to indemnify, defend and hold harmless Landlord, and Landlord's agents, employees and contractors, from and against any and all losses, liabilities, damages, costs and expenses (including attorneys' fees) resulting from claims by third parties for injuries to any person, damage to or theft or misappropriation or loss of property occurring in or about the Premises or arising from the use and occupancy of the Premises or from any activity, work, or thing done, permitted or suffered by Tenant in or about the Premises or due to any other act or omission of Tenant, its subtenants, assignees, invitees, employees, contractors and agents. The furnishing of insurance required hereunder shall not be deemed to limit Tenant's obligations under this Section 12B.

13. Condemnation

A. If any part of the Premises should be taken for any public or quasi-public use under governmental law, ordinance, or regulation, or by right of eminent domain, or by private purchase in lieu thereof (a "Taking" or "Taken"), and in Tenant's reasonable judgment, the Taking would prevent or materially interfere with Tenant's use of the Premises or in Landlord's reasonable judgment would materially interfere with or impair its ownership or operation of the Premises, then upon written notice by Landlord or Tenant this Lease shall terminate and Base Rent shall be apportioned as of said date. If part of the Premises shall be Taken, and this Lease is not terminated as provided above, the Base Rent payable hereunder during the unexpired Lease Term shall be reduced to such extent as may be fair and reasonable under the circumstances. In the event of any such Taking, Landlord shall be entitled to receive the price or award from any such Taking without any payment to Tenant, and Tenant hereby assigns to Landlord Tenant's interest, if any, in such award. Tenant shall have the right, to the extent that same shall not diminish Landlord's award, to make a separate claim against the condemning authority (but not Landlord) for such compensation as may be separately awarded or recoverable by Tenant for moving expenses, and damage to Tenant's trade fixtures, if a separate award for such items is made to Tenant.

14. Holding Over

Tenant will, at the termination of this Lease by lapse of time or otherwise, yield up immediate possession to Landlord. If Tenant retains possession of the Premises or any part thereof after such termination, then Landlord may, at its option, serve written notice upon Tenant that such holding over constitutes any one of (i) renewal of this Lease for one year, and from year to year thereafter, or (ii) creation of a month-to-month tenancy, upon the terms and conditions set forth in this Lease, or (iii) creation of a tenancy at sufferance, in any case upon the terms and conditions set forth in this Lease, however that the monthly rental (or daily rental under clause (iii)) shall, in addition to all other sum which are to be paid by Tenant hereunder, whether or not as additional rent, be equal to double the total rental being paid monthly to Landlord under this Lease immediately prior to such termination (prorated in the case of clause (iii) on the basis of a 365 day year for each day Tenant remains in possession). If no such notice

is served, then a tenancy at sufferance shall be deemed to be created at the rent in the preceding sentence. Tenant shall also pay to Landlord all damages sustained by Landlord resulting from retention of possession by Tenant, including the loss of any proposed subsequent tenant for any portion of the Premises. The provisions of this Section shall not constitute a waiver by Landlord of any right of re-entry nor shall receipt of any rent or any other act in apparent affirmance of the tenancy operate as a waiver of the right to terminate this Lease.

15. Quiet Enjoyment

Landlord covenants that it now has good title to the Premises. Landlord represents and warrants that it has full right and authority to enter into this Lease and that Tenant, upon paying the rental herein set forth, and performing its other covenants and agreements herein set forth shall peaceably and quietly have, hold and enjoy the Premises for the Term without hindrance or molestation from Landlord, subject to the terms and provisions of this Lease. Landlord agrees to make reasonable efforts to protect Tenant from interference or disturbance by other tenants or third persons; however, Landlord shall not be liable for any such interference or disturbance, nor shall Tenant be released from any of the obligations of this Lease because of such interference or disturbance,

16. Tenant's Option to Renew Lease

Tenant shall have the option to renew the term of this Lease for two (2) periods of one (1) year-each, under the same terms, except as to Base Rent, as provided in this Lease, provided that Tenant gives written notice to Landlord of Tenants intention to exercise said option, at Landlord's last known address, at least sixty (60) days prior to the termination of any given lease period. Base rent for any successive lease period shall be determined by Landlord, but shall in no case be an increase greater than five percent (5%) over the Base Rent of the previous term.

17. Events of Default

The following events shall be deemed to be events of default by Tenant under this Lease:

(a) Tenant shall fail to pay when or before due any sum of money becoming due to be paid to Landlord hereunder, whether such sum be any installment of the rent herein reserved, any other amount treated as additional rent hereunder, or any other payment or reimbursement to Landlord required herein, and such failure shall continue for five days after written notice of default from Landlord to Tenant;

(b) Tenant shall fail to continuously occupy and use the Premises as provided herein;

(c) The leasehold interest of Tenant shall be levied upon under execution or be attached by process of law or Tenant shall fail to contest diligently the validity of any lien or claimed lien and give sufficient security to Landlord to insure payment thereof or shall fail to satisfy any judgment rendered thereon and have the same released, and such default shall continue for twenty (20) days;

(d) Tenant shall become insolvent, admit in writing its inability to pay its debts generally as they become due, file a petition in bankruptcy or a petition to take advantage of any insolvency statute, make an assignment for the benefit of creditors, make a transfer in fraud of creditors, apply for or consent to the appointment of a receiver of itself or of the whole or any substantial part of its property, or file a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws, as now in effect or hereafter amended, or any other applicable law or statute of the United States or any state thereof;

(e) A court of competent jurisdiction shall enter an order, judgment or decree adjudicating Tenant a bankrupt, or appointing a receiver of Tenant, or of the whole or any substantial part of its property, without the consent of Tenant, or approving a petition filed against Tenant seeking reorganization or arrangement of Tenant under the bankruptcy law of the United States, as now in effect or hereafter amended, or any state thereof, and such order, judgment or decree shall not be vacated or set aside or stayed within sixty (60) days from the date of entry thereof;

(f) Any insurance required to be maintained by Tenant pursuant to this Lease shall be cancelled or terminated or shall expire or shall be reduced or materially changed, except, in each case, as permitted in this Lease;

(g) There shall occur any assignment, subleasing or other transfer of Tenant's interest in or with respect to his Lese except as otherwise permitted in this Lease; or

(h) Tenant shall fail to comply with any provision of this Lease other than those specifically referred to in this Section 17, and except as otherwise expressly provided herein, such default shall continue for more than 30 days after Landlord shall have given Tenant written notice of such default, unless such default cannot be cured within 30 days and Tenant commences and diligently pursues said cure and completes the cure within 90 days from the giving of such notice.

18. Remedies

Upon the occurrence of any of such events of default described in Section 17 hereof or elsewhere in this Lease, Landlord shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

(a) Landlord may, at its election, terminate this Lease or terminate Tenant's right to possession only, without terminating the Lease.

(b) Upon any such termination of this Lease, or upon any termination of Tenant's right to possession without termination of the Lease, Tenant shall surrender possession and vacate the Premises immediately, and deliver possession thereof to Landlord, and Tenant hereby grants to Landlord full and free license to enter into and upon the Premises in such event with or without process of law and to repossess Landlord of the Premises as of Landlord's former estate and to expel or remove Tenant and any others who may be occupying or within the Premises and to remove any and a property therefrom without being deemed in any manner guilty of trespass, eviction or forcible entry or detainer and without incurring any liability for any damage resulting therefrom, Tenant hereby waiving any right to claim damage for such re-entry and expulsion, and without relinquishing Landlord's right to rent or any other right given to Landlord hereunder or by operation of law.

(c) Upon any termination of this Lease, Landlord shall be entitled to immediately recover as damages, all rent, including any amounts treated as additional rent hereunder, and other sums due and payable by Tenant on the date of termination, plus the sum of (i) an amount equal to the then sum of the rent, including any amounts treated as additional rent hereunder, and other sums provided herein to be paid by Tenant for the residue of the stated Term, less the fair rental value of the Premises for such residue (taking into account the time and expense necessary to obtain a replacement tenant or tenants, including expenses hereinafter described in Section 18(d) relating to recovery of the Premises, preparation for reletting and for reletting itself) with both amounts to be discounted to the then present value using the long term applicable federal rates announced by the Internal Revenue Service for the month in which the Lease is terminated and (ii) the cost of performing any other covenants which would have otherwise been performed by Tenant.

(d) Upon any termination of Tenant's right to possession only without termination of the Lease, Landlord may at Landlord's option, enter into the Premises, remove Tenant's signs and other evidences of tenancy, and take and hold possession thereof as provided in Section 18(b) above, without such entry and possession terminating the Lease or releasing Tenant, in whole or in part, from any obligation, including Tenant's obligation to pay the rent, including any amounts treated as additional rent hereunder for the full Term. In any such case Tenant shall pay forthwith to Landlord, if Landlord so elects, a sum equal to the entire amount of the rent, including any amounts treated as additional rent hereunder, for the residue of the stated Term plus any other sums provided herein to be paid by Tenant for the remainder of the Term.

Landlord must make all reasonable attempts to relent the Premises or any part thereof for such rent and upon such terms as Landlord, in its sole discretion, shall determine. Landlord and Tenant agree that Landlord shall only be required to use the same efforts Landlord then uses to lease other properties Landlord owns or manages (or if the Premises are then managed for Landlord, then Landlord will instruct such manager to use the same efforts such manager then uses to lease other space or properties which it owns or manages); provided, however ,

that Landlord (or its manager) shall not be required to give any preference or priority to the showing or leasing of the Premises over any other space that Landlord (or its manager) may be leasing or have available and may place a suitable prospective tenant in any such available space regardless of when such alternative space becomes available; provided, further, that Landlord shall not be required to observe any instruction given by Tenant about such reletting or accept any tenant offered by Tenant unless such offered tenant has a creditworthiness reasonably acceptable to Landlord, leases the entire Premises, agrees to use the Premises in a manner consistent with the Lease and leases the Premises at the same rent, for no more than the current Term and on the same other terms and conditions as in this Lease without the expenditure by Landlord for tenant improvements or broker's commissions. In any such case, Landlord may, but shall not be required to, make repairs, alterations and additions in or to the Premises and redecorate the same to the extent Landlord deems necessary or desirable, and Tenant shall, upon demand, pay the cost thereof, together with Landlord's expenses of reletting, including, without limitation, any broker's commission incurred by Landlord. If the consideration collected by Landlord upon any reletting plus any sums previously collected from Tenant are not sufficient to pay the full amount of all rent including any amounts treated as additional rent hereunder, and other sums reserved in this Lease for the remaining Term together with the cost of repairs and Landlord's expenses of reletting and the collection of the rent accruing therefrom (including attorney's fees and broker's commissions), Tenant shall pay to Landlord the amount of such deficiency upon demand and Tenant agrees that Landlord may file suit from time to time to recover sums falling due under this section.

(e) Any and all property which may be removed from the Premises by Landlord pursuant to the authority of the Lease or of law, to which Tenant is or may be entitled, may be handled, removed and stored, as the case may be, by or at the direction of Landlord at the risk, cost and expense of Tenant, and Landlord shall in no event be responsible for the value, preservation or safekeeping thereof Tenant shall pay to Landlord, upon demand, any and all expenses incurred in such removal and all storage charges against such property so long as the same shall be in Landlord's possession or under Landlord's control. Any such property of Tenant not retaken by Tenant from storage within thirty (30) days after removal from the

Premises, shall, at Landlord's option, be deemed conveyed by Tenant to Landlord under this Lease as by a bill of sale without further payment or credit by Landlord to Tenant.

(f) In the event Tenant fails to pay any installment of rent, including any amount treated as additional rent hereunder, or other sums hereunder as and when such installment or other charge is due, Tenant shall pay to Landlord on demand a late charge in an amount equal to five percent (5%) of such installment or other charge overdue in any month. Such late charge and interest shall be additional rent hereunder and the failure to pay such late charge within ten

(10) days after demand therefor shall be an additional event of default hereunder. The provision for such late charge and interest shall be in addition to all of Landlord's other rights and remedies hereunder or at law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner,

(g) Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law (all such remedies being cumulative), nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to Landlord or of any damages accruing to Landlord. Except for Landlord's failure to perform and complete the Improvements identified in Section 1 of this Lease, no act or thing done by Landlord or its agents during the Term shall be deemed a termination of this Lease or an acceptance of the surrender of the Premises, and no agreement to terminate this Lease or accept a surrender of said Premises shall be valid unless in writing signed by Landlord. No waiver by Landlord of any violation or breach of any of the terms, provisions and covenants herein contained shall be deemed or construed to constitute a waiver of any other violation or breach. Landlord's acceptance of the payment of rental or other payments hereunder after the occurrence of an event of default shall not be construed as a waiver of such default unless Landlord so notifies Tenant in writing. Forbearance by Landlord in enforcing one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default or of Landlord's right to enforce any such remedies with respect to such default or any subsequent default. If, on account of any breach or default by Tenant, it shall become necessary or appropriate for Landlord to employ or consult with an attorney concerning or to enforce or defend any of Landlord's rights or remedies hereunder, Tenant agrees to pay any reasonable attorneys' fees so incurred.

(h) The Tenant shall pay upon demand all the Landlord's reasonable costs, charges and expenses, including the fees of counsel, agents and others retained by the Landlord or its mortgagee from time to time, incurred in enforcing the Tenant's obligations hereunder or incurred by the Landlord or its mortgagee from time to time in any litigation, negotiation or transaction in which the Tenant causes the Landlord or its mortgagee from time to time, without fault on the part of Landlord or its mortgagee from time to time, respectively, to become involved or concerned.

(i) The Landlord shall pay upon demand all the Tenant's reasonable costs, charges and expenses, including the fees of counsel, agents and others retained by Tenant that are incurred in enforcing the Landlord's obligations hereunder or incurred by the Tenant in any litigation, negotiation, or transaction in which the Landlord causes the Tenant, without fault on the part of the Tenant, to become involved or concerned.

19. Landlord and Tenant Not in Default

Landlord and Tenant mutually agree that, as of the date of this Lease, neither Party is in default of this Lease or any other Agreement between the Parties. Landlord and Tenant further agree that any and all previous Leases and/or other Agreements between the Parties or their successors in interest concerning the Premises are hereby cancelled and otherwise rendered null and void.

20. Waiver of Jury Trial

TENANT AND LANDLORD WAIVE ANY RIGHT TO TRIAL BY JURY OR TO HAVE A JURY PARTICIPATE IN RESOVLNG ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, BETWEEN LANDLORD AND TENANT ARISING OUT OF THIS LEASE OR ANY OTHER INSTRUMENT, DOCUMENT, OR AGREEMENT EXECUTED OR DELIVERED CONNECTION HEREWITH OR THE TRANSACTIONS RELATED HERETO.

21. Mortgages

Tenant accepts this Lease subject and subordinate to any mortgage(s) and/or deed(s) of trust now or at any time hereafter constituting lien or charge upon the Premises, provided, however that if the mortgagee, trustee, or holder of any such mortgage or deed of trust elects to have Tenant's interest in this Lease superior to any such instrument, then by notice to Tenant from such mortgagee, trustee or holder, this Lease shall be deemed superior to such lien, whether this Lease was executed before or after said mortgage or deed of trust. Tenant shall at any time hereafter on demand execute any instruments, releases or other documents which may be reasonably required by any mortgagee for the purpose of evidencing the subjection and subordination of this Lease to the lien of any such mortgage or for the purpose of evidencing the superiority of this Lease to the lien of any such mortgage, as may be the case, provided Tenant receives a non-disturbance undertaking from any such mortgagee, trustee or holder that Tenant's possession of the Premises will be recognized so long as it is not in default under this Lease.

22. Mechanic's and Other Liens

Tenant agrees that it will pay or cause to be paid all sums legally due and payable by it on account of any labor performed or materials furnished in connection with any work performed on the Premises on which any lien is or can be validly and legally asserted against its leasehold interest in the Premises and that it will save and hold Landlord harmless from any and all loss, cost or expense based on or arising out of assorted claims or liens against the leasehold estate or against the right, title and interest of the Landlord in the Premises or under the terms of this Lease. If any such lien shall remain in force and effect for thirty (30) days after written notice thereof from Landlord to Tenant, Landlord shall have the right and privilege at Landlord's option of paying and discharging the same or any portion thereof without inquiry as to the validity thereof, and any amounts so paid, including expenses and interest, shall be so much additional rent hereunder due from Tenant to Landlord and shall be repaid to Landlord immediately on rendition of a bill therefor. Notwithstanding the foregoing, Tenant shall have the right to contest any such lien in good faith and with all due diligence so long as any such contest, or action taken in connection therewith, protects the interest of Landlord and Landlord's mortgagee in the

Premises and Landlord and any such mortgagee are, by the expiration of said thirty (30) day period, furnished such protection, and indemnification against any loss, cost or expense related to any such lien and the contest thereof as are satisfactory to Landlord and any such mortgagee.

23. Notices

Each provision of this instrument or of any applicable governmental laws, ordinances, regulations and other requirements with reference to the sending, mailing or delivery of any notice or the making of any payment shall be deemed to be complied with when and if the following steps are taken:

(a) Any notice or document required or permitted to be delivered hereunder shall be in writing and shall it be deemed to be delivered upon receipt if delivered personally or by a nationally recognized overnight contract carrier or, whether actually received or not, on the third day after being deposited in the United States Mail, postage prepaid, Certified or Registered Mail, addressed to the parties hereto at the respective addresses set out below, or at such other address as they have theretofore specified by written notice delivered in accordance herewith:

Words of any gender used in this Lease shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. Any indemnification of, insurance of, or option granted to Landlord shall also include or be exercisable by Landlord's members, agents and employees, as the case may be.

Landlord shall have the right to assign any of its rights and obligations under this Lease and Landlord's grantee or Landlord's successor, as the case may be, shall upon such assignment, become Landlord hereunder, thereby freeing and relieving the grantor or assignor, as the case may be, of all covenants and obligations of Landlord hereunder. D. Tenant shall at any time and from time to time within twenty (20) days after written request from Landlord execute and deliver to the Landlord or any prospective Landlord, mortgagee or prospective mortgagee a sworn and acknowledged estoppel certificate, in form reasonably satisfactory to Landlord and/or such mortgagee certifying and stating as follows: (i) this Lease has not been modified or amended (or if modified or amended, setting forth such modification or amendments); (ii) this Lease as so modified or amended is in full force and effect (or if not in full force and effect, the reasons therefor); (iii) Tenant has no offsets or defenses to its performance of the terms and provisions of this Lease, including the payment of rent (or if there are any such defenses or offsets, specifying the same), (iv) Tenant is in possession of the Premises, if such be the case and (v) any other accurate statements reasonably required by Landlord or such mortgagee. It is intended that any such statement delivered pursuant to this subsection may be relied upon by any prospective purchaser or mortgagee and their respective successors and assigns. Tenant hereby irrevocably appoints Landlord as attorney-in-fact for Tenant with full power and authority to execute and deliver in the name of Tenant such estoppel certificate if Tenant fails to deliver the same within such twenty (20) day period and such certificate as signed by Landlord, as the case may be, shall be fully binding on Tenant, if Tenant fails to deliver a contrary certificate within ten (10) days after receipt by Tenant of a copy of the certificate executed by Landlord on behalf of Tenant.

E. This Lease may not be altered, changed or amended except by an instrument in writing signed by both parties hereto. All consents given hereunder must be in writing, signed by the party granting the consent.

F. All obligations of Tenant hereunder not fully performed as of the expiration or earlier termination of the Term shall survive the expiration or earlier termination of the Term, including without limitation, all payment obligations with respect to Taxes and insurance, all obligations concerning the condition of the Premises and the indemnification obligations of Tenant under Section 3C and Section 13B. Upon the expiration or earlier termination of the Term, and prior to Tenant vacating the Premises, Landlord and Tenant shall jointly inspect the Premises and Tenant shall pay to Landlord any amount reasonably estimated by Landlord as necessary to restore the Premises to its condition as of the completion of the Improvements, ordinary wear and tear accepted. Any work required to be done by Tenant prior to its vacation of the Premises which has not been completed upon such vacation, may be completed by Landlord at Tenant's expense. Tenant shall also, prior to vacating Premises, pay to Landlord the amount, as estimated by Landlord, of Tenant's obligation hereunder for Taxes and insurance. All such

amounts shall be used and held by Landlord for payment of such obligations of Tenant hereunder, with Tenant being liable for any additional costs therefor upon demand by Landlord, or with any excess to be returned to Tenant after all such obligations have been determined and satisfied.

G. If any clause, phrase, provision or portion of this Lease or the application thereof to any person or circumstance shall be invalid or unenforceable under applicable law, such event shall not affect, impair or render invalid or unenforceable the remainder of this Lease nor any other clause, phrase, provision or portion hereof, nor shall it affect the application of any clause, phrase, provision or portion hereof to other persons or circumstances, and it is also the intention of the parties to this Lease that in lieu of each such clause, phrase, provision or portion of this Lease that is invalid or unenforceable, there be added as a part of this Lease contract a clause, phrase, provision or portion as similar in terms to such invalid or unenforceable clause, phrase, provision or portion as may be possible and be valid and enforceable.
