Q.2: Names, titles, addresses and phone numbers of officers:

President/CEO: Anne Lynam Goddard

Chairman: Ms. Maureen Denlea Massey

Vice-Chair: Mr. A. Hugh Ewing III

Treasurer: Mr. Darrell Martin

Secretary: Dr. Karen Hein

Q. 5: Explain the methods your organization will use to solicit funds:

Public Outreach Fundraising, LLC is a commercial fundraiser registered with the Illinois Attorney General's Office. The company has been contracted by ChildFund International to conduct ongoing street solicitations in Chicago.

Public Outreach recruits monthly donors on behalf of the charity. Our representatives work on sidewalks, indoors on private property (with written consent from the charity and permission from city and state authorities as well as from the private property owner). They do not sell products or services.

Street representatives (solicitors) employed by Public Outreach are trained to be safety conscious. This includes not creating or allowing any sidewalk obstructions. The company has a successful record of adapting to local preferences and specific license conditions regarding the density, location and frequency of representatives on the street.

Representative's binders and t-shirt show the logo of the charity. As people pass by, they may ask in a conversational tone and volume, "Do you have a minute for ChildFund International?"

Street representatives do not approach people, harass or hound them, pursue them or block traffic in any way. They rely on passers-by to recognize the name and logo of the charity, and to choose whether to stop and engage in conversation. The initiative to make eye contact thus rests with passers-by. Our representatives then educate the potential donor on the work of the charity and explain the monthly giving process. Those who wish can sign up immediately, either for monthly donations or for one-time gifts. Others are offered a telephone follow up.

To Whom It May Concern:

This letter confirms that Public Outreach Fundraising is working on behalf of ChildFund International to obtain long-term monthly and one-time donors.

All Fundraisers wear photo ID badges and they do not accept cash donations. Rather, they will ask members of the community to consider an ongoing pledge either through monthly credit card or monthly bank account transfer. One-time gifts are an option for giving using either a credit card or bank account transfer. This is a convenient and cost-effective way to support the vital work of ChildFund International.

Public Outreach Fundraising is authorized to solicit contributions on behalf of ChildFund International and such efforts may ensue in San Francisco, Chicago, Los Angeles, Minneapolis and Boston upon receiving approval of individual state registration from each state, respectively. Fundraising may continue until July 31, 2012.

Sincerely,

A handwritten signature in cursive script that reads "Anne Lynam Goddard".

**Grassroots Campaigns Canvassing Presentation on behalf of**

**The Nature Conservancy**

- Greeting: Hi, how are you? (door)  
Hi, \_\_\_\_\_ ? (street)
- Intro: My name is \_\_\_\_\_ and I'm a paid fundraiser from Grassroots Campaigns working on behalf of The Nature Conservancy. We're working to protect the Appalachian Mountains, one of the world's most diverse habitats.
- Problem: Located near some of the nation's largest cities, the Appalachians face dramatic pressures from development, deforestation, energy development and forest pests. By 2030, an estimated 44 million acres of forest will be lost to development.
- Solution: So The Nature Conservancy is working to conserve the Appalachians now by protecting 1.7 million acres by buying and restoring land, promoting sustainable management, and fighting invasive species.
- Urgency: Throughout the 90s, we lost 1 million acres of the Appalachians every year and at this point, it will either be developed or it will be protected. That's why we need your help.
- Clipboard: Take a look at this. (Hand over clipboard)
- Membership: The best way for you to help is by joining The Nature Conservancy as a regular, monthly contributor. Giving monthly keeps our costs low and gives us the ongoing support we need to keep protecting our environment. We suggest people join at the level of \$1 a day, or \$30 a month and it's really easy to sign up.

## About the Nature Conservancy:

- Founded in 1951.
- We have protected more than 119 million acres of land and 5,000 miles of rivers worldwide – and we operate more than 100 marine conservation projects globally.
- We have more than 1 million members
- We operate in all 50 states and in more than 30 countries.

## Why We Are Successful:

- We use a science-based approach-aided by more than 700 staff scientists.
- We pursue non-confrontational, pragmatic solutions to conservation challenges that can be addressed on a large scale.
- We partner – with local communities, businesses, governments, multilateral institutions and other nonprofits ... and people, such as yourself.

The mission of The Nature Conservancy is to preserve the plants, animals and natural communities that represent the diversity of life on Earth by protecting the lands and waters they need to survive.

We bought 97,000 acres of the Baca Ranch in Colorado establishing the Great Sand Dunes National Park, a new Baca National Wildlife Refuge and adding land to the Rio Grande National Forest.

Working towards preserving the Heart of the Adirondacks, we purchased 161,000 acres in 2007; the single largest land purchase to date in New York

With the help of more than 35 partners, we bought 24,000 acres in Minnesota creating Glacial Ridge National Wildlife Refuge considered the largest tallgrass prairie and wetland preservation project in US history.

Disney Wildlife Preserve, 12,000 acres of Northern Everglades, established to offset lands impacted by Walt Disney World is a national model of sustainable, state-of-the-art management thanks to our combined efforts.

Connecticut's largest continuous preserve, Devil's Den spans 1,756 acres in Fairfield County, and hosts over 40,000 visitors a year. This is just a part of the 60,000 acres we are working to protect in the Saugatuck Forest Lands.
