2014 Third Quarter Progress Report July-September

City of Chicago

Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2014 Third Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in *Bouncing Back*, the City's fifth Five-Year Housing Plan covering the years 2014-2018.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. In the first three quarters of 2014 the Department committed almost \$225 million to support 5,840 units of affordable housing. This represents 85% of our annual resource allocation goal and 70% of our units assisted goal.

During the third quarter, the Department approved financing for seven multi-family development projects—our highest quarterly total in more than four years.

Once again, we would like to thank our many partners for their continued support and participation. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners—neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through our combined efforts, we will continue to move forward in creating, preserving and supporting affordable housing for the people of Chicago.

INTRODUCTION

This document is the 2014 Third Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

For 2014, DPD has projected commitments of more than \$265 million to assist nearly 8,300 units of housing.

Through the third quarter of 2014, the Department has committed almost \$225 million in funds to support more than 5,800 units, which represents 70% of the 2014 unit goal and 85% of the 2014 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2014, the Department of Planning and Development expects to commit almost \$210 million to support more than 5,600 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the third quarter, DPD has committed over \$195 million in resources to support 4,259 units. These numbers represent 93% of the annual multi-family resource allocation goal and 76% of the annual unit goal.

Multi-Family Rehab and New Construction

Kennedy Jordan Manor

On July 30 the City approved a financial assistance package to enable construction of a 70-unit affordable apartment complex for seniors in West Pullman.

Kennedy Jordan Manor, to be developed by Source Works Development, will contain eight studio and 62 one-bedroom units in a four-story elevator building at 825 W. 118th Street in the 34th Ward. All but five of the units will be reserved for tenants earning up to 60 percent of area median income.

The \$18.4 million development will include an atrium, fitness center, community room, computer work station, laundry facilities on each floor and a landscaped walking trail featuring native plants. The City will provide a \$4.5 million loan, \$1.5 million in Tax Increment Financing, and \$1.2 million in Low Income Housing Tax Credits that will generate \$12.2 million in equity for the project.

Sangamon Terrace Senior Apartments

Also on July 30 the City Council approved financing for the construction of an \$8.7 million apartment building in Englewood serving independent seniors at or below 50 percent of area median income. **Sangamon Terrace Senior Apartments**, to be developed by Evergreen Real Estate Services, will contain 24 one-bedroom apartments in a four-story structure at 6145 S. Sangamon Street in the 16th Ward.

The new building will be connected by a hallway to an existing senior residence, Bethel Terrace, and will share staff and services with the older building. City support will include a \$1.4 million loan, \$3 million in tax credit equity and \$5.9 million in bond financing. The project has also been awarded a \$3.9 million grant from HUD's Section 202 Program, which provides financing for the development of affordable housing with supportive services for the very low-income elderly.

St. Edmund's Tower Annex

A third project approved on July 30 will involve the construction of a 34-unit addition to an existing Section 202 senior residence in the Washington Park neighborhood. The **St. Edmund's Tower Annex** will be developed by St. Edmund's Redevelopment Corporation on a City-owned vacant lot at 6151 S. Michigan Avenue in the 20th Ward.

The five-story, \$6.6 million complex will include a community room, laundry facilities, a garden and office space. All units will be leased to seniors at or below 50 percent of area median income. The land, valued at \$180,000, will be conveyed by the City for \$1. The project will also be supported with \$77,000 in donations tax credit equity, along with state and federal grants, including \$5.9 million from the HUD Section 202 Program. It will be constructed next to St. Edmund's Tower, a 59-unit building completed in 1998.

Cicero and George Elderly Housing

On September 10, the City Council approved the development of a six-story, 70-unit apartment building for seniors in the Belmont Cragin community. **Cicero and George Elderly Housing**, located at 4800 W. George Street in the 31st Ward, will feature a mix of studio, one- and two-bedroom units as well as a community room, exercise/wellness room, atrium, terrace, community garden and laundry room. Sixty-one of the units will be reserved for tenants earning up to 60 percent of AMI and eight for those up to 80 percent of AMI.

City assistance will include \$4 million in TIF funds, a \$4.9 million loan and \$1.2 million in Low Income Housing Tax Credits generating \$11.8 million in equity for the development. Additional funding sources for the \$21.6 million project will include state and federal grants. The developer is Hispanic Housing Development Corporation.

Cornerstone Apartments

Also on September 10 the Council approved a \$15.5 million, multi-site construction and renovation project in Grand Boulevard that will encompass the rehabilitation of 45 affordable family apartments and the construction of 14 affordable units for artists.

The new units will consist of one-and two-bedroom apartments in two 3-story structures to be erected on vacant land in the 600 block of E. 50th Street in the 4th Ward. These units will be designed to serve as live/work spaces for artists earning up to 80 percent of AMI.

The rehab work will be focused on a pair of three-story walk-up buildings located at 731 E. 50th Place and 4950 S. Langley Avenue. Both buildings will receive new windows, floors, roofs, kitchens and bathrooms. The upgraded units, ranging in size from one to three bedrooms, will be leased to residents earning up to 60 percent of area median income.

City assistance for **Cornerstone Apartments** will include \$2 million in TIF funds, a \$1.3 million loan, \$1.6 million in Donations Tax Credit equity and \$9.5 million in Low Income Housing Tax Credit equity. Developer of the 59-unit project is The Community Builders, Inc.

These two apartment buildings, constructed in the early 1900s and renovated in the 1990s, will receive \$4.6 million in improvements to provide 45 units affordable to families at up to 60% of AMI.

Milwaukee Avenue Apartments

In a third project approved on September 10, the City will provide \$1 million in TIF funds for the construction of a 32-unit supportive housing complex in Avondale. The \$9.7 million development, located at 3060 N. Milwaukee Avenue in the 30th Ward, will offer affordable, barrier-free apartments designed to allow residents with mobility and sensory impairments to live as independently as possible.

Milwaukee Avenue Apartments will consist of 25 one- and 7 two-bedroom units in a four-story, brick-veneer building. All units will be affordable for tenants at or below 60% of AMI. The project will feature an ADA-accessible garden with raised beds and paved surfaces. Onsite support will include personal care and other health and wellness services to maximize tenants' independent living.

The project developer is Full Circle Communities, Inc., a non-profit entity dedicated to eliminating barriers to housing. Additional funding and tax credits will be provided by the Illinois Housing Development Authority.

The Strand

A final project approved on September 10 will create 63 rental units in a landmark, 99-year-old hotel building at the intersection of 63rd Street and Cottage Grove Avenue in the 20th Ward.

The \$22.9 million rehabilitation by Historic Strand LP will be made possible through \$2.7 million in Tax Increment Financing (TIF), a \$4.7 million loan, \$3.3 million in historic tax credit equity, \$294,000 in donations tax credit equity and \$1.2 million in Low Income Housing Tax Credits generating \$12.4 million in equity for the project.

After renovation, **The Strand** will contain a mix of studio and one-bedroom apartments along with ground-floor retail space. Fifty-three of the units will be made available to residents earning up to 60 percent of area median income.

The five-story structure was placed on the National Register of Historic Places in 2013 as the only remaining residential hotel building of its type in Woodlawn. Acquired by the City via tax foreclosure in 2002, the property will be conveyed to the developer for \$1.

The vacant, Classical Revival-styled Strand Hotel will house 63 studio and one-bedroom apartments following a \$23 million, mixed-use redevelopment.

Other Multi-Family Initiatives

Chicago Low-Income Housing Trust Fund Update

On September 11 the Chicago Low-Income Housing Trust Fund hosted more than 300 leaders to mark 25 years of success in creating affordable housing opportunities for Chicago's low-income residents. The occasion brought together non-profit organizations, public officials, landlords, the research and foundation communities, as well as private developers in a warm tribute to the past, present and future of the Trust Fund. The celebration recognized the Trust Fund's partners in this work who have contributed to past successes and remain vitally important to the future of the City and the well-being of its lower-income residents.

Honored at the event were Jackie Taylor Holsten and Peter Holsten of the Holsten Real Estate Development Corporation, who received the Douglas C. Dobmeyer Partnership Award for their work in creating affordable housing opportunities, including their current project—the preservation of the Lawson House YMCA on the Near North Side.

The contributions of Thomas J. McNulty and the attorneys at Neal Gerber and Eisenberg LLP were also recognized. Mr. McNulty has provided 25 years of volunteer service to the City and the Trust Fund as its president, and the firm provides pro bono legal counsel to the Trust Fund.

The Chicago Low-Income Housing Trust Fund works to bridge the gap between the cost of market-rate rental housing and the rate a low-income household is able to pay. Its Rental Subsidy Program (RSP) is the largest municipally funded rental assistance program for low-income households in the nation. Currently there are nearly 2,800 households benefiting from the RSP living in more than 600 properties across the city.

WINGS Metro LLC

On September 9 the Trust Fund approved a grant of \$400,000 from the Affordable Housing Opportunity Fund to create three 2-bedroom rental units for survivors of domestic violence. WINGS Metro LLC is the first domestic violence shelter program created in Chicago in over ten years. Greater Southwest Development Corporation and WINGS Program Inc. are partnering in the development of this new community-based resource for Chicago families.

These extended-stay units are designed to afford survivors of domestic violence an opportunity to stabilize from the trauma they have experienced while implementing plans for family and economic stability. The apartments will provide a home environment with access to services for families at or below 15% of AMI.

TIF Purchase/Rehab Program Reaches Milestone

In August the TIF Purchase Rehab Program began lease-up of the first multi-family property restored under the program. The building, located at 1860-66 S. Komensky in the 24th Ward, was fully rehabbed by Pangea Properties using \$735,319 in TIF funds. Of the building's 26 units, thirteen (50%) are required to be maintained as long-term affordable for households at or below 50% of AMI. DPD celebrated the full lease-up of the property at a ribbon-cutting ceremony on October 28, joined by Alderman Michael Chandler, the Sweet Home Coalition, Community Investment Corporation and Pangea Properties.

The TIF Purchase Rehab Program offers forgivable loans or grants to developers for purchase and rehab of 5- or more-unit rental properties to be leased to low- or moderate-income tenants. To qualify for funding, a property must be vacant, require substantial renovation and be located in an approved TIF. TIF Purchase Rehab is currently operating in four TIF Districts: Ogden/Pulaski, Humboldt, Division/Homan and Chicago/Central Park.

This four-story apartment building in the Ogden/Pulaski TIF District was the first to be completely rehabbed under the TIF Multi-family Purchase Rehab Program

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2014, the Department of Planning and Development expects to commit over \$41 million to help more than 650 households achieve or sustain homeownership.

Through the third quarter, DPD has committed nearly \$18 million to support 273 units. These numbers represent 44% of the annual homeownership resource allocation goal and 42% of the annual unit goal.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2014, the Department of Planning and Development expects to commit nearly \$15 million to assist more than 2,000 households repair, modify or improve their homes.

Through the third quarter, DPD has committed more than \$11 million to support 1,308 units. These numbers represent 75% of the annual improvement and preservation resource allocation goal and 65% of the annual unit goal.

Large Lot Program Expands to East Garfield Park

Building on the successful launch of the Large Lot Pilot Program in Englewood, Washington Park and Woodlawn this past March, DPD expanded the program to the East Garfield Park community starting July 1, enabling homeowners, block clubs and non-profit groups to purchase City-owned land for \$1 per parcel.

To qualify for the program, applicants must: own property on the same block as the parcel to be acquired; be current on property taxes; and have no financial obligations to the City. Lots proposed for purchase from the city must be vacant and zoned residential (R). Properties are sold “as is” via quit claim deed. Eligible applicants may purchase up to two parcels under the program.

More than 400 property owners submitted applications in the first round of the program. In August the Chicago Plan Commission authorized the sale of 322 parcels, clearing the way for City Council approval later this year.

In July over 400 East Garfield Park lots were made available in the second round of the program. In response, 319 purchase applications were submitted and are now being reviewed by DPD staff.

The Large Lot Program is the first initiative launched by the City under its new Five-Year Housing Plan for 2014-2018.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Chicago Foreclosure Filings Continue to Decline in 2014

A recent report by the Woodstock Institute found that new foreclosure activity continued to decline in Chicago during the first half of 2014. Overall, foreclosure filings dropped by 34.4% to 3,950 from 6,021 the previous year. This decline reflects a comparable slowdown across the entire six-county region, where filings fell by 37.7%. All but four of Chicago's 77 community areas shared in this trend.

Foreclosure auctions, which represent the completion of the foreclosure process, also declined in the first half of 2014, but at a less dramatic pace. Citywide, completed foreclosure auctions decreased by just 20.6% to 3,762 in 2014. Here the decline within the City actually exceeded the six-county reduction of 16.7%.

For more information on the report, please visit the Woodstock Institute website at:

Neighborhood Stabilization Program Update

In March 2014 the City of Chicago achieved full compliance with all HUD deadlines for utilization of a total of \$169 million in NSP grants awarded since the program began in 2009. The City will continue to invest in NSP targeted areas by using the income generated through sales of NSP properties to fund the acquisition and rehabilitation of additional buildings.

Through the third quarter of 2014, a total of 858 units in 193 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 806 units in 166 properties; 727 units (148 properties) have been finished or are nearing completion. One hundred thirty-six units (103 properties) have been sold to qualified homebuyers, and 27 multi-family properties containing 382 units have been fully rented out. A list of all properties that have been assisted through NSP can be found in the Appendix. A recent version of this list is always available at <http://www.chicagonsp.org/index.html>.

The Chicago Low-Income Housing Trust Fund invests in residential properties to support long-term rent reduction by replacing more costly sources of financing. Property owners make a long-term commitment to provide lower rents for very low-income households. MAUI units are created with funding from the Illinois Rental Housing Support Program / Long Term Operating Subsidy (LTOS) as well as Chicago's Affordable Housing Opportunity Fund ("Downtown Density Bonus"). Units developed between 1990 and 2006 were funded using federal HOME funds directed to the City of Chicago.

* A property is reported as "closed" once it has met its HOME requirements.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

** Semi-detached, row house, duplex, townhouse, elevator/high-rise apartments, garden/walk-up apartments
