A general signage plan indicating the locations and dimensions of signage for these uses, including all interior signage which is visible from public streets, shall be submitted prior to Part II approval in accord with Statement 16 hereof (Site Plan Review).
10. The height of buildings within the planned development and any appurtenance attached thereto shall be subject to the limitations on the attached exhibit labeled "Maximum Height Zones". Where maximum height zones have been established, building height shall be defined as follows:

"Building height" is the vertical distance from the curb level, grade, or its equivalent, opposite the center of the front of a building to the highest point of the underside of the ceiling beams of the highest habitable floor, in the case of a flat roof; to the deck line of a mansard roof; and, to the mean level of the underside of the rafters between the eaves and the ridge of a gable, hip or gambrel roof. For the purpose of determining height in Subarea B Parcels 7 and 7A, grade is herein established as the curb level of the building entrance on upper East North Water Street plus or minus 6 feet in respect of design conditions. (For the purpose of determining height, building tops of the other configurations may be considered to be the type described herein which most closely approximates the shape of the proposed design). However, in no case shall the "actual" height of a building exceed the "maximum height" by more than 65 feet.

11. The improvements on individual development sites shall be designed, constructed and maintained in accordance with the exhibits attached hereto and the following general design standards:
 - (a) Buildings along Lake Shore Drive shall be designed to minimize building mass directly facing the Drive. The base along Lake Shore Drive of any such structure shall be limited to the height of Lake Shore Drive. The tower of such structures shall be set back a minimum of 40 feet from Lake Shore Drive although encroachments into such setback area for design reasons may be allowed by the Commissioner of Planning and Development as a minor change pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance. This 40 foot setback area shall be heavily landscaped with trees and other greenery so as to be visible from the drive.

- (b) Landscaping of buildings at terraces, rooftops, and balconies shall be provided wherever possible and appropriate. Buildings shall be designed with upper level architectural features that are lit at night wherever possible. Mechanical equipment on rooftops shall be screened with quality materials, and made a feature of the building design, where appropriate. Notwithstanding any statement to the contrary, this planned development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this planned development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this planned development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.
- (c) Buildings shall be setback from the property line, if necessary, to achieve a minimum of 12 feet, 6 inches (except the building column may be setback 10 feet, 0 inches in Subarea E-3 along Ogden Slip and the building located in Subarea B, Parcels 7 and 7A, may be located at the property line along North New Street, North Park Drive, Upper East North Water Street and Lower East North Water Street) in sidewalk width to accommodate street trees. No awnings, canopies, or other building projections shall be allowed that would interfere with street tree canopies except at entrances to hotels, residential entrances or movie theaters.
- (d) Building designs that reflect divisions into base, middle, and top, that have setbacks, cornice lines, changes in plane or materials, articulated surfaces, or other methods of reducing the scale and mass are encouraged. Preferred building materials shall be stone, manufactured stone, brick, finished metal such as stainless steel, or articulated pre-cast concrete in combination with glass at the base. Exposed structural concrete, dryvit or other stucco-like material, or reflective glass shall not be allowed. Materials of upper stories shall be similar to those of the lower; however, the level of detailing may be simplified.
- (e) Buildings shall be designed with clearly delineated signage bands. The quality and amount of signage shall be strictly controlled. The total square footage displayed on any building shall be limited to no more than six (6) times the street frontage on any given street. Preference shall be given to pin-mounted back lit signs with individual letters that are externally lit. Signs behind glass that are visible from the sidewalk shall count toward the permitted sign area. The area of a sign that consists of individual letters shall be measured by drawing a box around the letters. Graphic images which depict tenant logos or products or which may otherwise be construed as advertising shall count as signage in their entirety. Signage on awnings shall be allowed on the valance only, with a maximum of 5-inch high letters limited to tenant identification or logos only. No electronic moving message board signs shall be allowed. Rooftop signs shall be prohibited.

- (f) No new surface parking lots, except interim lots approved by the Commissioner of Planning and Development, shall be allowed. No surface parking lot shall be allowed on the 70,000 square foot Kraft park site in Subarea F, except for that area not contained within any interim park. The maximum effort shall be made to contain parking in below-ground structures. Above-grade parking structures shall be enclosed, fronted by habitable space, or otherwise designed so as to have a similar appearance to habitable spaces in terms of finish materials, the shape and scale of openings, and the screening of ramps, car lights and ceiling fixtures. Any parking structures facing the Chicago River must be fronted by habitable space or completely enclosed and well-articulated at all levels. The first floor of all structures facing Illinois Street, Grand Avenue, McClurg Court, Park Drive, or Columbus Drive shall maximize space with active uses such as retail, daycare, restaurants, et cetera. Parking structures shall also contain provisions for planting at the base, the roof, or at mid-height ledges.
- (g) Loading docks shall be concealed from public view through screening or landscaping. Curb cuts for loading docks shall be minimized.
- (h) The new roadway structure at upper level Illinois Street shall be finished in highly articulated stone, pre-cast concrete, or other quality material, with particular attention given to views of the structure from Columbus Drive. Terraced planting, pedestrian lighting, decorative railings, banners, and other features shall be used to create a major pedestrian amenity. A major water feature shall be installed at the intersection of upper-level Illinois Street and the NBC Plaza. The underside of upper Illinois shall be appropriately lit, structural columns shall be covered, and other elements shall be added to create a safe, well-lit connection to Michigan Avenue.
- (i) The completion of the riveredge esplanade shall be required of the developers of Parcels 14 and 16, and Parcel 18. Such public spaces shall be developed with the same quality and character of amenities as the existing esplanade adjacent to these areas. In addition, the developer of Parcel 18 shall be responsible for the development of pedestrian access to DuSable Park under Lake Shore Drive. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river esplanade. All plans for pedestrian access to DuSable Park from Parcel 18 shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any superstructure Part II approval letters.
- (j) The developer of Parcel 19 shall develop the following public improvements indicated on Exhibit 6 Existing and Planned Open Spaces concurrently with the development of Parcel 19: a pedestrian walkway from East North Water Street to Ogden Slip and an extension of the Ogden Slip promenade to Lake Shore Drive. The pedestrian walkway from East North Water Street to Ogden Slip shall be

developed with the same quality and character of amenities as the existing walkway from the River Esplanade to East North Water Street. The extension of the Ogden Slip promenade shall be developed with the same quality and character of amenities as the existing promenade adjacent to it. In the event that DuSable Park is developed before Parcel 19 is developed, the owner(s) of Parcel 19 shall construct and maintain a temporary pedestrian connection along the slip. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 20 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the slip edge and on the side adjacent to Parcel 19. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development.

In addition, pedestrian access along Ogden Slip under Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 19 shall be solely responsible for the cost of improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the Ogden Slip promenade. However, if Parcel 19 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 19 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) below provides otherwise.

All plans for these improvements shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any Part II approval letters.

- (k) All improvements to be constructed within this planned development for which Part II approval letters are issued after the March 29, 2006 date of City Council approval of the amended planned development shall comply with the Department of Planning and Development Building Green/Green Roof Matrix and the owners shall use best and reasonable efforts to design, construct and maintain all buildings located within this Planned Development in a manner generally consistent with the Leadership in Energy and Environmental Design Green Building Rating System (LEED). A dog-run shall be located within or adjacent to Subparcel E.3. As a result of the architectural design of the tower to be constructed within Subparcel E.3, a green roof is not feasible.
- (l) Pursuant to the Affordable Housing provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1004, et seq. ("**Zoning Ordinance**") Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of the Property.

The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1004D of the Zoning Ordinance, the total floor area devoted to affordable housing units must equal at least 25 percent of the total increase in floor area allowed under the Affordable Housing Bonus or a cash payment must be made to the City of Chicago Affordable Housing Opportunity Fund based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1004D, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago Affordable Housing Opportunity Fund in the amount of \$5,700,300.00. Prior to the issuance of permits, the Developer of Parcel E.3 will enter into an Affordable Housing Agreement with the Chicago Department of Housing or provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the applicable sections of the Affordable Housing Provision of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Affordable Housing Agreement required by Section 17-4-1004-E9 is also incorporated into this planned development.

Pursuant to the Off-Site Park and Open Space Contributions provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1018, et seq., the Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of 2.16 FAR for the Property. The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1018-C of the Zoning Ordinance, a cash payment must be made to the City of Chicago based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1018-C, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago in the amount of \$4,104,216.00. Prior to the issuance of permits, the Developer of Parcel E.3 will provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the sections of the Off-Site Park and Open Space Contributions provisions of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Off-Site Park and Open Space Contribution Agreement required by Section 17-4-1018-B3 is also incorporated into this planned development.

- (m) The Developer of Parcel E.3, the City of Chicago, and the Chicago Park District shall enter into an agreement relating, in part, to the responsibility for the design, funding and construction phasing of DuSable Park, the pedestrian connections to DuSable Park and the Lakefront Trail.
- (n) The improvements contemplated for DuSable Park (Subparcel E.1) must be substantially completed by the Developer of Parcel E.3 prior to the issuance of Certificate of Occupancy for any dwelling unit exceeding the three hundredth (300th) dwelling unit constructed with Subparcel E.3.

- (o) The Applicant acknowledges and agrees that the amendment of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the “Affordable Housing Ordinance” or “AHO”). Any developer of a “residential housing project” within the meaning of the Affordable Housing Ordinance (“Residential Project”) must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that the amendment is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [] (“Bonus Worksheet”). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of at least 21,806 square feet of floor area (the “Affordable Units”) in the building receiving the affordable housing floor area bonus (“Eligible Building”), with an affordable unit mix comparable to the overall mix and approved by DPD’s density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of \$3,000,505 (“Cash Payment”), or \$100,000 per unit (“Pro Rata Amount”). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to

Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

12. Publicly dedicated improvements, including streets, sidewalks, transit and open space amenities shall be designed, constructed and maintained in accordance with the exhibits described in Statement 2 hereof and the "Cityfront Center Internal Design Standards: Section I" dated September 12, 1986.
13. The property owner(s) adjacent to the Chicago River shall develop a continuous pedestrian esplanade along the Chicago River's edge. Completion of the esplanade will occur as follows:
 - (a) The east right-of-way line of McClurg Court to the west right-of-way line of Lake Shore Drive shall be improved concurrently with development of adjacent parcels south of east North Water Street (Parcels 14,16, and 18). In the event that DuSable Park is developed before Parcel 18 is developed, the owner(s) of Parcel 18 shall construct and maintain a temporary pedestrian connection along the river. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 10 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the river's edge and on the side adjacent to the development parcel. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development; and
 - (b) The west right-of-way line of Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 18 shall be solely responsible for improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river edge esplanade. However, if Parcel 18 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 18 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) above provides otherwise.

14. Applicant, as developer of the Kraft Parcel, shall substantially renovate the existing 70,000 square foot park on Peshtigo Court, between Illinois Street and Grand Avenue in accordance with the Open Space Plan. Such renovation shall be commenced no later than three (3) months following issuance of the first occupancy permit for the residential building to be constructed on the Kraft Parcel as permitted by this amendment, and shall be completed no later than one (1) year thereafter. The park, as renovated, shall continue to be privately owned and maintained but shall remain accessible to the public during hours in which public parks are accessible to the public. The owner(s) of the Kraft Parcel shall be responsible for the costs and performance of maintenance of the park in conformance with the Open Space Plan,
15. Traffic studies completed by developers and the City of Chicago project significant peak hour traffic volume increases on Illinois Street and Grand Avenue in particular as a result of new development. Some excess roadway capacity is available to handle this increased traffic, but a number of geometric, signal timing and parking control measures are recommended in addition to active transportation management in the Illinois-Grand corridor. Accordingly, no Part II submittal shall be approved without a firm agreement between the developer and the Chicago Department of Transportation regarding the timing and responsibility for any recommended traffic improvements described in Exhibit 8 hereof for streets adjoining the development site. Membership and participation in the Illinois-Grand Corridor Transportation Management Association shall also be required prior to the issuance of any Part II development approval.
16. Prior to the issuance by the Department of Planning and Development of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("**Part II approval**") for development or redevelopment of any development parcels within the planned development, other than alterations to existing buildings which do not increase their height or alter their footprint or construction in accordance with the Plans approved herein, a site plan for the proposed development, including parking areas, shall be submitted to the Commissioner of the Department of Planning and Development for approval. Review and approval of the site plan by the Commissioner is intended to assure that specific development proposals conform with the general design standards in Statement 11 and to ensure coordination of public improvements described in Statements 12 through 15 at an early stage. No Part II approval for work for which a Site Plan must be submitted to the Commissioner shall be granted until the Site Plan has been approved by the Commissioner. Further, all Part II submittals shall be in compliance with the Chicago Landscape Ordinance. At least thirty (30) days prior to the filing of the Developer of Parcel E.3's request for Part II approval for the construction of the superstructure upon Subparcel E.3, the Developer of Parcel E.3 Applicant shall submit a detailed Landscape Plan and Elevations for the Subparcel E.3 property to the Department of Planning and Development for review and approval.

Following approval of a Site Plan by the Commissioner, the approved plan shall be kept on permanent file with the Department of Planning and Development and shall be

deemed to be an integral part of this planned development. The approved Site Plan may be changed or modified pursuant to the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements:

- (1) the boundaries of the Property;
- (2) the footprint of the improvements;
- (3) location and dimensions of all loading berths;
- (4) preliminary landscaping plan prepared by a landscape architect with final landscaping plan to be approved at Part II stage;
- (5) all pedestrian circulation routes;
- (6) the location of any adjacent public improvements;
- (7) a signage plan for any building where retail or theater uses would be present above the ground level;
- (8) preliminary elevations of the improvements; and
- (9) statistical information applicable to the Property limited to the following:
 - (a) floor area and floor area ratio;
 - (b) uses to be established;
 - (c) building heights; and
 - (d) all setbacks, required and provided.

A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this planned development.

17. If any provision of this planned development amendment shall, to any extent, be invalid or unenforceable, the remainder of this planned development amendment shall not be affected thereby, and each provision of the planned development amendment shall be valid and enforceable to the fullest extent of the law.

Re: Applications for Amendment to Residential-Business Planned Development No. 368 and Approval under The Lake Michigan and Chicago Lakefront Protection Ordinance 451 East Grand Avenue

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents RMW Streeterville LLC, the applicant for an amendment to the Chicago Zoning Ordinance and approval under The Lake Michigan and Chicago Lakefront Protection Ordinance with respect to the property generally located at 451 East Grand Avenue, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance and Section 16-4-100 of The Lake Michigan and Chicago Lakefront Protection Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways, said owners being such persons or entities which appear from the authentic tax records of Cook County. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owners; a statement that the applicant intends to file said applications on approximately September 3, 2014, and a source for additional information on the applications.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance and Section 16-4-100 of The Lake Michigan and Chicago Lakefront Protection Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements of Section 17-13-0107 and Section 16-4-100 of the Municipal Code of the City of Chicago, please be informed that on or about September 3, 2014, the undersigned, on behalf of RMW Streeterville LLC (the "Applicant"), intends to file applications for a change of zoning and for approval under The Lake Michigan and Chicago Lakefront Protection Ordinance relating to the property generally located at 451 East Grand Avenue (the "Property"). A map of the Property is printed on the reverse side of this letter.

Specifically, the Applicant seeks an amendment to the Chicago Zoning Ordinance to rezone the Property from Residential-Business Planned Development No. 368 to Residential-Business Planned Development No. 368, as amended. The application seeks approval of plans for an approximately 843 foot tall, 740,000 square foot residential tower containing up to 350 dwelling units and accessory uses.

The Applicant is also seeking approval of the project under The Lake Michigan and Chicago Lakefront Protection Ordinance.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed amended Planned Development.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant is the owner of the subject property and its address is 350 West Hubbard Street, Suite 300 Chicago, Illinois.

Please contact me at 312-368-7243 with questions or to obtain additional information.

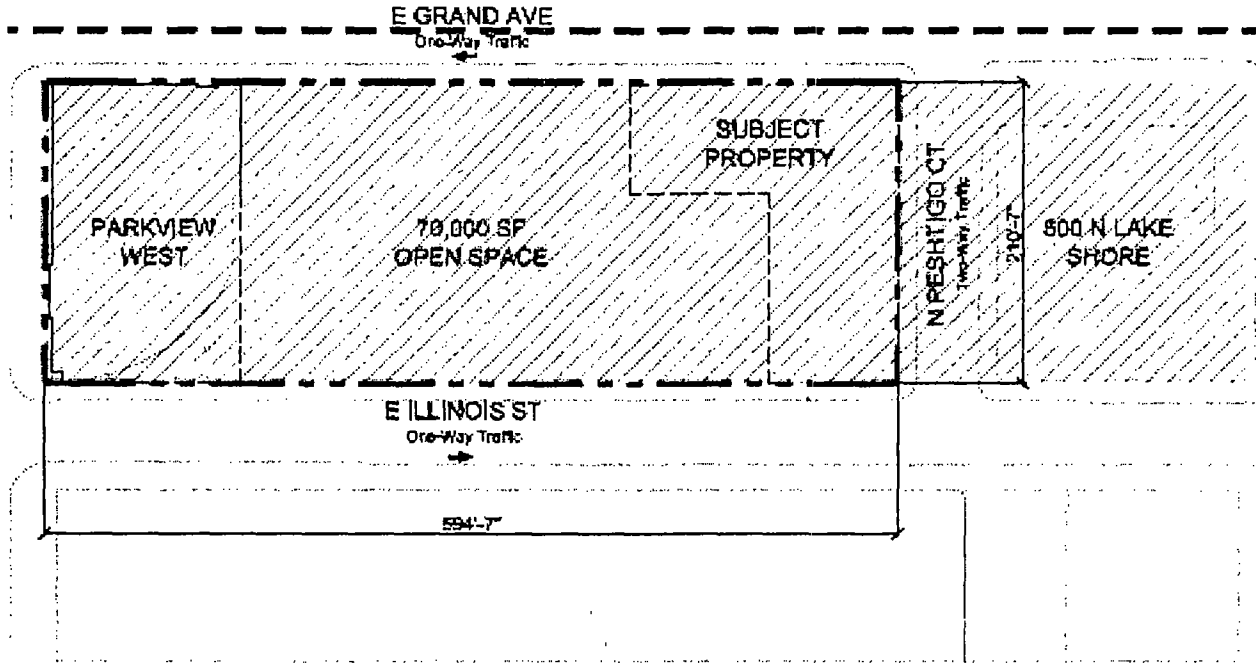

Very truly yours,

DLA Piper LLP (US)
