bays of the former Holly Street right-of-way (west) elevation, all including rooflines (collectively, the "Historic Facades", and depicted on the drawings attached hereto and made part hereof). A scope of work to rehabilitate the significant features in accordance with the attached plans shall be included as part of the Part II submittal. In addition, the Part II submittal shall include an engineering analysis or report addressing how the Historic Facades will be supported and braced during construction of the project. Moreover, the Historic Facades shall be retained and preserved as part of any future changes to the business planning development or the Printed String Building.

The following guidelines shall apply to any changes to the Historic Facades:

- i. The sills of the first (1<sup>st</sup>) floor masonry openings may be lowered as depicted on the attached plans, but no other changes to the size of the masonry openings on either floor shall be permitted.
- ii. New doors, windows and storefront system shall be installed within the masonry openings and shall use clear glass allowing visual transparency into the Printed String Building except in areas screening interior parking, where some degree of opacity may be allowed. Any drop ceiling, ceiling soffits, walls or built-in fixtures behind glass shall be set back and minimized in size.

- iv. Signage shall not obscure any historic architectural features or damage historic materials and should be compatible with the historic character of the Printed String Building in terms of size, location, number and design. Signage or as similar to that depicted on the attached plans is deemed to meet these requirements. Awnings, if desired, should be installed within the masonry openings as depicted on the attached drawings.
- v. Any rooftop appurtenances or other rooftop equipment shall be set back from the parapet of the Historic Facades to minimize visibility.

Address: 2300-2330 W. Logan Boulevard; 2700-2710 N. Elston  
Introduced: January 23, 2019  
Plan Commission:

- vi. The Commissioner of the Department of Planning and Development may approve other changes to the Historic Facades if consistent with the intent to preserve the Historic Facades and their overall historic character.

Should this business planned development be amended or repealed in the future, it is the intent that the Historic Facades will continue to be retained and preserved as part of any future project involving the Printed String Building.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/ WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant' s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a)

updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to C2-3 Motor Vehicle-Related Commercial District.
