**Re: Application for Type 2 Map Amendment with respect to 1539 East 53<sup>rd</sup> Street, to Amend the Subject Property's Classification from B1-3 Neighborhood Shopping District to B3-3 Community Shopping District**

Dear Chairman Solis:

The undersigned, Danielle Meltzer Cassel, being first duly sworn on oath deposes and states the following:

The undersigned certifies that she has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance, by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant (Lake Park Associates, Inc.), and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said "written notice" was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; and a statement that the applicant intends to file the application for a change in zoning on approximately April 10, 2012.

The undersigned certifies that the applicant has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served as provided by Property Insight, together with tax-exempt parcel and condominium association contact information obtained from Cook County or State of Illinois sources.

Very truly yours,

April 10, 2012

Dear Neighbor:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that the undersigned will file an application on behalf of Lake Park Associates, Inc. ("Applicant"), on or about April 10, 2012, to change the zoning of the former Borders building site at 1539 East 53<sup>rd</sup> Street and the parking lot immediately behind the building (the "Subject Property") from the B1-3 Neighborhood Shopping District to the B3-3 Community Shopping District. Applicant currently owns the Subject Property, and Applicant's address for purposes of this application is 1658 E. 53<sup>rd</sup> Street, Chicago, IL 60615.

Reason for Requested Rezoning: Applicant is hoping the former Borders building can be renovated and leased to multiple new tenants in a way that will provide the neighborhood with new commercial amenities, such as a mix of one or more new retail shops, sit-down restaurants, entertainment uses, and participant recreation and health uses. The initial tenant mix is still being determined, but a critical issue in that process is whether prospective tenants' uses are allowed in the underlying zoning district. Right now, the current zoning designation of the Subject Property is B1 Neighborhood Shopping District. This B1 classification is more restrictive in terms of allowable uses than the B3 classification, which can be found at many surrounding commercial properties along 53<sup>rd</sup> Street and Lake Park Boulevard, including the Hyde Park Bank Building, Kimbark Plaza and Hyde Park Shopping Center sites. B3 zoning is also present at many of the most vibrant and thriving neighborhood commercial corridors in the City outside of Hyde Park. Critically, the B1 District does not currently permit uses like entertainment venues with theater or live music, or restaurants that have live entertainment, or stand-alone bar-areas, or catering. (On the other hand, please note any tavern or rooftop outdoor patio for the site, even with B3 zoning, would also require an application for a separate Zoning Board of Appeals approval for which you should receive a written notice similar to this one.) Rezoning the Subject Property to the B3 District will bring the site into conformity with the typical zoning for nearby commercial properties in the neighborhood and allow a greater variety of businesses to locate there and adaptively re-use this vacant space.

Proposed Site Changes. Until the Subject Property leasing can proceed with more certainty, Applicant won't be able to finalize plans for interior and exterior site renovations, but please note that no dwelling units or additional stories for the building are being proposed at this time, and this requested rezoning would not change what is permitted for the Subject Property in terms of building height, building area, building setbacks or number of dwelling units.

Community Meeting and Contact Information: The upcoming Fourth Ward community meeting on April 16<sup>th</sup> (6 pm, at the King Community Services Center, 4314 South Cottage Grove Avenue) will include consideration of this application, and we welcome your comments and questions in that forum or otherwise. I am serving as the land use attorney and contact person for Applicant in connection with this matter, and would be pleased to hear from you. My contact information is as follows: 222 North LaSalle Street, Suite 2600, Chicago, Illinois 60601; phone (312) 609-7962; fax: 312-609-5005; and email: [dcassel@vedderprice.com](mailto:dcassel@vedderprice.com).

Please note Applicant is not seeking to rezone or purchase your property. Applicant is required by law to send this notice because Cook County tax records provided to Applicant indicate you own or are the taxpayer of record for a property located within 250 feet of the Subject Property, excluding the area contained in certain rights-of-way.

Thank you very much for your attention to this matter.

Very truly yours,
