5020 - 5024 W MADISON ST

Restrictions:

1. All signs must be removed by the contractor when job is complete.
2. Applicant must contact Construction Compliance for any changes that affect the date(s), time(s) or location(s) for Meter Bagging and/or Parking Restriction Sign Posting.
3. Any questions regarding the actual placement of signs or meter bagging, contact the Bureau of Traffic Services at (312) 747-5085.
4. A copy of the permit must remain on-site for inspector's review.
5. Permit fees must be paid within 24 hours of the date of issuance. Failure to pay will result in you being considered in violation of the terms and agreement of the permit and subject to any applicable fine and fees as if you never attained a permit. Additionally, you will still be responsible for the cost of the original permit. Monthly billing accounts are not applicable to the 24 hour payment criteria but failure to pay the monthly bill by the due date will result in the same penalties applying.
6. All directional boring must be pre-approved by the Office of Underground Coordination.

7. Contractor must secure plating over all openings in the roadway during non-working hours until such time when the road surface is restored.
8. Contractor must notify DIGGER at 312-744-7000 no less than 48 hours (exclusive of Saturdays, Sundays and Holidays) but no more than 14 calendar days in advance of the start of the excavation or demolition, unless the excavation date was provided with the application and remains unchanged. Prior to 26 calendar days the Contractor must notify DIGGER to renew the dig date!
9. It is the Excavator's responsibility to request refreshing of marks when needed, but no longer than 28 calendar days after the last requested date.
10. When applicable, all excavation areas are to be clearly marked in safety white paint prior to calling DIGGER. White paint is not required for joint meets or emergency work.
11. Excavators requesting dig tickets are responsible for the protection of utility markings at the job site. Any markings of underground utilities utilizing utility colors, must be done by facility owners or authorized agents only.
12. Permittee must provide a sign which identifies the telephone number and company or person performing the work. Signage may be affixed to barricades.
13. Permanent base pavement restoration to follow within 5 days after the completion of underground work.
14. All pavements are to be restored in accordance with CDOT Construction Standards.
15. Work to be performed as per plans and specifications.
16. Use of pneumatic equipment must not begin before 8:00 A.M. or continue after 8:00 P.M.
17. Maintain pedestrian traffic at all times.
18. Pavement opening to be backfilled to grade/or plated during off work hours.
19. Parkway excavation by hand, cut and replace sod wherever possible.
20. Permittee to provide all barricades, signs and/or flagmen as necessary.
21. Sidewalk pavement broken by hand or with pneumatic hammer only.
22. No work in or use of the public right of way is to be done when a special event is taking place. It is up to the applicant to determine if an event is scheduled. To obtain a listing of programs or events within the City of Chicago please dial 311 when you are within the City boundaries.
23. It is the responsibility of the applicant to fund Traffic Control Aides if the City deems it necessary due to heavy congestion situations.
24. Pursuit to City Ordinances 10-20-150 and 10-28-281.3 a re-inspection fee of \$100 may be assessed for each inspection conducted after the initial inspection.
25. Restore all lanes to normal operation during non-working hours.
26. All traffic control will be the responsibility of the contractor and must comply with all MUTCD standards.
27. Must use flagmen and/or arrow boards to maintain traffic operations through the work zone.
28. All street openings must be restored with concrete base to grade.
29. Streets recently resurfaced must be restored to proper standards (resurface to nearest 1/4 pt, see CDOT Construction Standards for further details).
30. Contractors to post signs to indicate: BIKE LANE CLOSED - SHARED LANE YIELD TO

BIKES.

It is also the permit holder's responsibility to restore to original condition any damage to any bikeway, including replacement pavement markings and signage. You must contact Ben Gomberg (312) 744-8093 48 hours in advance of any activity.

- 31. All metal plates used for public way construction or placed within the right-of-way must indicate Ownership!
