to those of a B1-5 Neighborhood Shopping District.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Common Address of Property: 3015-3017 N. Lincoln Ave.

**Narrative and Plans
Type I Rezoning Attachment
3015-3017 N. Lincoln Ave.**

Trimtab, LLC, an Illinois limited liability company, the owner of the subject site (the "Applicant"), is proposing an adaptive re-use of the existing three-story (plus basement) mixed-use building, which presently contains a light manufacturing/warehouse use on the ground floor and basement with six residential dwelling units above and two parking spaces.

The Applicant proposes to convert the existing building to office use as a corporate headquarters for Human Capital Research Corporation ("HCRC") on the ground floor, second floor, part of the third floor and basement, with one dwelling unit on the remainder of the third floor, to be occupied by the chief executive officer of HCRC (who is also the sole manager and sole member of the Applicant) and his family. The two parking spaces currently on-site would remain.

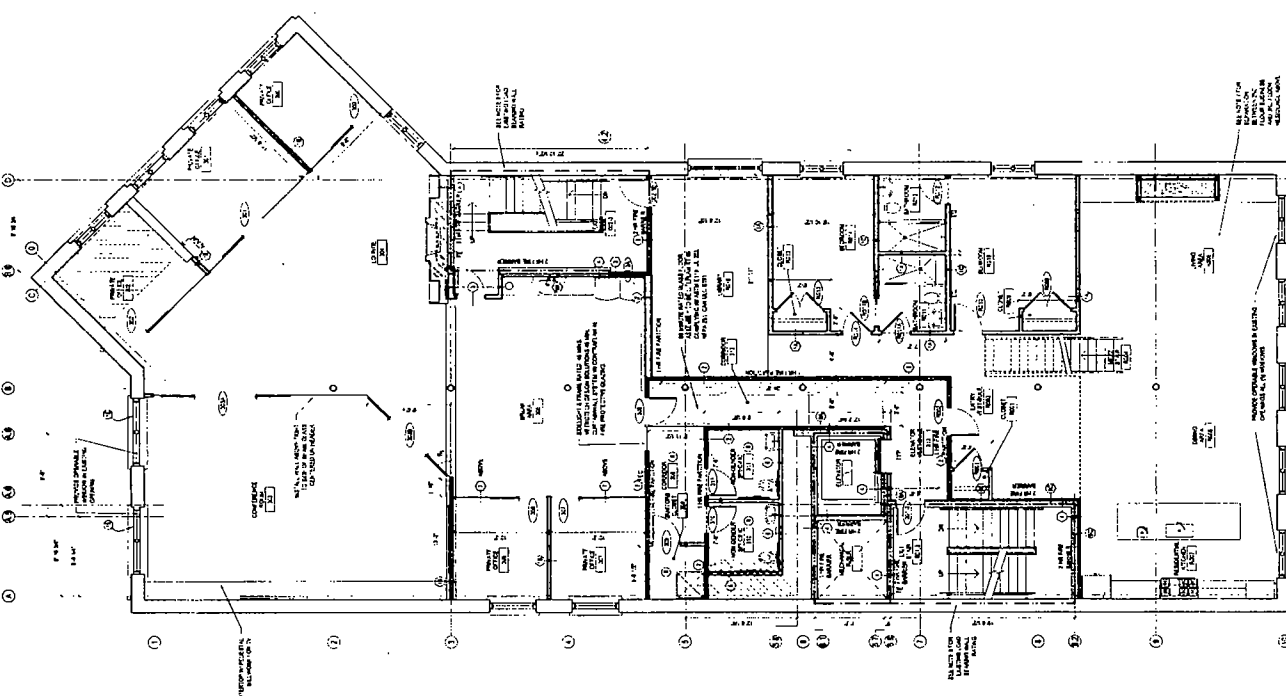

To construct the proposed project, the Applicant seeks a change of zoning classification for the subject property from B1-2 to B1-5.

After rehabilitation, the building will still be three stories in height, and will contain approximately 21,248 square feet in floor area (approximately 712 square feet more than existing), due to construction of an elevator penthouse and stairwell necessary to provide accessible ingress and egress for the roof, where the existing roof deck will be replaced with a new deck serving the residence.

The following are the relevant bulk calculations for the proposed development:

- a) floor area ratio: 3.253
- b) lot area per dwelling unit : 6,531 sf/unit
- c) off-street parking: 1 required, 2 provided
- d) setbacks (existing; no change): front: 0'
rear: 0'
northwest: 0'
southeast: 0'
- e) building height: 60' 4" to bottom of elevator enclosure roof structure*

*Applicant will seek administrative relief under Zoning Ordinance

Two parking spaces currently on-site will remain. The building height will change from 43' 2" to 60' 4" to accommodate elevator equipment and stairwell penthouses for accessibility, but the building parapet wall height will be unchanged.
