Dear Sir or Madam:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* 1946, are entitled to exemption from Federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the organizations added to or deleted from the Directory.

The Official Catholic Directory for 2009 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2009 are exempt from Federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Beginning January 1, 1984, unless specifically excepted, you and your subordinates must pay tax under the Federal Insurance Contributions Act (FICA) for each employee who is paid \$100 or more in a calendar year, as indexed for inflation. You and your subordinates are not liable for the tax under the Federal Unemployment Tax Act (FUTA).

The conditions concerning the retention of your group exemption as set forth in our previous determination letter dated August 17, 1983, remain in full force and effect.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Westcott". The signature is written in black ink and is positioned above the typed name.

RE: Religious Exemption of INTERNATIONAL SOCIETY FOR KRISHNA
CONSCIOUSNESS, INC. under the Charitable Trust Act and the Illinois Solicitation Act.
CO# 01062646

Dear Registrant:

We have reviewed the material supplied for INTERNATIONAL SOCIETY FOR
KRISHNA CONSCIOUSNESS, INC..

Based upon the information you have provided, INTERNATIONAL SOCIETY FOR
KRISHNA CONSCIOUSNESS, INC. meets the qualifications of Section 3 (a) of 'An Act to
Regulate Solicitation and Collection of Funds for Charitable Purposes,' and Section 4 of 'The
Charitable Trust Act.' Therefore, it is a religious organization exempt from filing annual
financial reports under the Charitable Trust and Solicitations Acts.

I would also call your attention to Section 12 of the Solicitations Act which states that it
shall be unlawful for any Charitable organization to represent, directly or indirectly, for the
purpose of solicitation and collection of funds for charitable purposes, in any form or manner
whatsoever, that it has registered or otherwise complied with the provision of this Act.

In the event your organization should make any changes in the information which you
supplied on the registration statement, such as the name, officers, address or purpose, you must
notify us so that we may reflect those changes in our files.

Thank you for supplying this office with the information necessary to make this
determination. If you should have any questions, please feel free to contact me at (312) 814-
2595.

Very truly yours,

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a) (1) and 170(b)(1)(A)(i).

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should contact your key District Director. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed you must notify your key District Director for exempt organizations matters in Chicago, Illinois, so he can consider the effect of the change on your exempt status. Also, you must inform him of all changes in your name or address.

International Society for Krishna
Consciousness of Illinois, Inc.

You are not required to file Form 990, Return of Organizations Exempt From Income Tax, because you are a church. Churches are specifically exempted from filing the annual information returns under the exception stated in section 6033(a)(2)(A) of the Code.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Please use the employer identification number (EIN at top) assigned to you on all returns you file and in all correspondence with the Internal Revenue Service.

We are informing your key District Director of this action. Because this letter could help resolve any questions about your exempt status and your foundation status, please keep it in your permanent records.

Thank you for your cooperation.

Sincerely yours,

J. E. Griffith
